Urgent Military Intel: Project Odin EBS Activation Complete
Worldwide Black Swan Event Imminent
Be Ready for An Internet Blackout

Do What Is Right
Did You Think to Pray?

"Following your convictions means you must be willing to face criticism from those who lack the same courage to do what is right. It's called the road less traveled."
— President Donald Trump

Judy Note: Trust The Plan

According to information in the below Update, the Quantum Financial System was now active, and soon to be accompanied by Black Swan Events, massive Cyber Attacks and a Global Financial Collapse.

On Tues. 24 Nov. 2026 a new Military Broadcast System went online and connected to the new 209 nation gold/asset-backed Quantum Financial System.

China and Germany have already experienced financial collapses. There were bank closures, markets were down and Bitcoin has stopped trading.

A Devolution Plan and Martial Law were in effect for a Continuity of Government. There were White Hat Military Arrest Wars, while JAG and GITMO were active, along with World Court Tribunals.

With the soon activation of the Emergency Broadcast System, you could expect a Worldwide Blackout where the Internet goes down for ten days as the new Military Broadcast System takes over to run documentaries 24/7 about what was going on.

Right now and with the help of military forces, a global financial change has started behind closed doors. Some time ago a historic treaty was signed by 209 countries to change the way the world does business.

At 04:00 UTC on Tues. 24 Nov. 2026 a new Military Broadcast System went online and connected to a new 209 nation Quantum Financial System. Every Tier 1 bank in the World instantaneously received the Banking Reset Protocol and all acknowledged that they would comply. Banks will no longer have control over your money.

A full revaluation of the world's currency will now exchange at a 1:1 with each other. This change makes sure that countries that were once ignored were now on the same level as the World's financial powers.The change will bring back fairness, open up opportunities for growth, and break the centuries-old hold of centralized control over the world economy.

Currencies that have been kept low such as the Iraqi Dinar, Vietnamese Dong, and Zimbabwe ZIM, were being given new values that showed their true worth.

A Prosperity Fund will be used to pay for humanitarian missions, rebuild infrastructure damaged in war,build schools, hospitals, clean water systems and redistribute wealth around the World.

The program makes sure that everyone benefits directly from this change. No person or country is left out of the Stellar Network, which gives billions of people who have been denied access to banking. Now, remote villages, rural settlements, and forgotten communities were all connected to the World's most advanced financial infrastructure, which is safe from hacking and other forms of manipulation.

Allied military units have been sent around the World to protect data centers, currency exchanges, and the safe distribution of new value systems.

The system that used to enslave the World with debt and inequality was being replaced by one based on honesty, fairness, and plenty.

A. Judy Note: Was Obama Treasonous? Labeled by some as the Anti-Christ, Barak Obama, a gay Muslim born in Kenya who, as a pedophile, married a former member of the Oregon football team, Big Mike. Among a huge stack of his other alleged crimes, Obama was found to have run an international Child Sex Trafficking Ring out of the White House. This grandson of Hitler has certainly lived up to his Nazi heritage.

Obama was so connected in the Illuminati Deep State Cabal that he illegally gained the US Presidency as a foreign born national according to his college credentials. The Barak Obama/Joe Biden presidency that followed was racked with corruption – a sewer of decay that continued even to this day.

The Obama/Biden team was said to have given Iran billions in cash that was later used to buy arms for ISIS that were then used on American troops; covered up the Benghazi Massacre; ordered the Seal Team Six murders; was believed to be the puppet master for not only Biden and his very corrupt Administration, but planned and executed the attempted Trump assassination; instigated a vote-changing Hammer/Scoreboard program and machines into US Elections; said to have used the IRS as a weapon; believed behind the selling of 20% of US uranium to Russia and worst of all, said to run, in cooperation with the Vatican and various mafias, an international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring out of the White House, Vatican and Ukraine.

It was the election of Barak Obama in 2008 when the voting program Scoreboard made the adaption from cyber warfare to political treachery for the purpose of changing America from a democratic regime to socialist and communism.

On Feb. 23 2009 two weeks after the election of Barak Obama, John Brennan and Eric Clapper moved the Hammer to a secret CIA facility Maryland. **In 2012** Hammer/Scoreboard was again used to change votes in the Presidential election to make sure Obama was a two term US President.

President Obama, Vice President Joe Biden and Secretary of State Hillary Clinton were also said to have used the CIA to master mind the Seal Team Six and Benghazi Massacres, a presumed fake killing of Bin Laden, plus laundered through Iran $1.5 Billion US taxpayer dollars that went to terrorists.

It was all said to have started some time in 2011 when the then US President Barak Obama ordered his CIA Director John Brennan to ask Iran, which

had been harboring Bin Laden, to set him up in Pakistan in order for Obama to get a photo trophy to help with his re-election.

Bin Laden or a body double, went down May 1 of 2011 and Seal Team Six about three months later. Iran, who had been harboring Bin Laden, was asked by Brennan to set Bin Laden up in Pakistan for Obama to get a photo trophy to help with re-election. Then, Iran extorted the Obama Administration for $1.52 Billion to keep the secret. It was paid in cash.

On 24 May 2011, the Obama/Biden Administration leaked operational details and which operational forces were involved in taking out Bin Laden. Then, on **5 August 2011**, 33 individuals, including 22 seals with knowledge of the Bin Laden scandal, were sent on a slow, heavy Chinook helicopter to a village in Afghanistan where they were shot down like a sitting duck. A stinger missile found in wreckage was traced back to the CIA.

Benghazi happened on 9/11, 2012. It was a cover for running guns and missiles to various terrorist groups. Biden's, Obama's, Clinton's and the CIA's Seal Team Six and Benghazi Massacres | Politics | Before It's News (beforeitsnews.com)

Another great deception of Obama happened on 2 Jan. 2013 when he signed into law HR 4310 – making it actually legal to use propaganda on the American people. Obama then used it to spy on his political enemies, specifically Donald Trump.

Although the Clintons' suspected ties to child trafficking and murder were well known, Biden and Obama has escaped the connection – so far. Though, not for long. Rumor was that the Biden-owned Water Island next to convicted Pedophile's Epstein Island, has long been used in an international child trafficking network.

Where did the kids come from? In 2014 90,000 children went missing because of a Globalist Compact of Immigration for Open Borders signed and supported by the Obama/ Biden Administration according Oscar Ramirez, a veteran Mexican journalist based in Tijuana.

Evidently the compact has led to a massive Antifa black market of organized crime and child trafficking syndicate that Obama/Biden supposedly created themselves, including their lock up of over 20,000 children in cages.

After the October Trump/Biden debate the Mexican journalist filed this live video in response to the "deadly lies of Joe Biden" – a video that has been erased from the Internet.

According to the report, Human traffickers called Coyotes have used the same kids over and over as an anchor to keep illegal aliens in the USA long enough to disappear into the US interior. “That’s when the child was collected by the Coyotes and looped back to the border regions of Mexico, to be recycled into another fake family and sent again, through the US/Mexican border,” Ramirez claimed.

Rapes and tortures were said to be rampant because the child was purchased property. “These children lived in perpetual fear because of the global presence of the black market human trafficking syndicates, even in the USA.” Was he referring in part to Biden’s Water Island?

Ramirez said that 72,000 trafficked kids have been rescued during the Donald Trump Administration because of efforts to determine if the child was actually a biological offspring of the so-called ‘parent’ who paid Coyotes for use of the child. Trump’s effective shutdown of this global human trafficking has crushed the ‘cash cow’ of international trafficking. Coyotes were losing enslaved children when DNA tests verified whose child the youth actually was. As a result now kids from deep in South America were miraculously returned to their parents.

After his so-called win of the US Presidency seat from Trump, Biden immediately announced a return to Open Borders. It appeared he planned to keep his child trafficking network going by reversing Trump’s Border Wall efforts.

Add to those charges against the Obama/Biden Team an overwhelming array of voting fraud issues – all connected to the Biden Camp. Since the **2020 Election** there have been thousands of voter fraud complaints filed and millions of counterfeit ballots confiscated with Biden’s name imprinted on them – said to be a present to the Democrats from the Communist China Party. The counterfeit ballots were recently confiscated with bill-of-sale and all.

Worse, there was found to be CIA software in voting machines that altered the votes from Trump to Biden. That didn’t even figure into the millions of fraudulent votes for Biden cast by the dead, non registered voters and even animals.

Another major issue surrounded US voting machine’s Dominion Corporation software whose major owner was Paul Pelosi – Nancy Pelosi’s husband. This CIA’s Hammer and Scorecard programs were believed to have been used to alter votes in real time in voting machines across the nation. They had the ability to steal votes – or “glitches” in voting machines as they were described on Election Day – especially in swing states like Wisconsin and Michigan.

Nancy Pelosi’s husband owned major shares of Dominion Software that was present in all voting machines nationwide. Pelosi also appeared tied to Biden’s Mexican Border child trafficking. With court papers filed against her yet to be made

public, Pelosi was suspected to be involved in Child Trafficking at the Arizona Cemex site; was believed to have received millions in drug money from convicted Mexican Drug Lord El Chapo (as Chapo confessed and named her among others, at his sentencing hearing), both of which could have been her apparent incentive to keep the Mexican Border open for Drugs and Child Trafficking. She was a suspected conspirator in Russia Gate (a coup to overturn the **2016 Election** and start a war with Russia); her daughters were supposedly caught bringing drugs back from Mexico in her diplomatic pouch and she has been accused of doing privileged Day Trading in the basement of Congressional offices before the Markets opened.

See: Pelosi Charged with Treason: /v3/politics/2019/3081308.html

Noted Trump attorney Sidney Powell said the Dominion Software company was implicated in flipping votes from Trump to Biden, or from Republicans to Democrats in other races on the ballot. Pelosi's chief of staff was a key executive of Dominion Software and Senator Feinstein's husband, Richard Blum, was a shareholder. Robert Muller FBIs provided the computers for the Hammer.

Back in 2019 House Intelligence Committee ranking member Devin Nunes announced that he would file at least eight federal indictments for misconduct during the FISA Report. The count was expected to go up to 30 people charged including some in the Mainstream Media. The charges were thought to expose a coup to overturn the **2016 Election** and appeared to involve former US President Barak Obama, former US Secretary of State Hillary Clinton, Speaker of the House Nancy Pelosi, House Intelligence Committee Chairman Adam Schiff and Democratic Congressmen Cory Booker and Richard Blumenthal. Obama, Clinton, Pelosi Among Those Expected Charged with Treason, Sedition | Politics | Before It's News

The computer programs had come out as a result of 9/11 for the purpose of watching our enemies. They were later adopted to the voting business to be used in foreign countries, though the CIA has recently used them to spy on US citizens.

The Powers that Be tried to blackmail and leverage Montgomery to a point where he became a Whistleblower. By the **2016 Election** the Alliance knew enough about Hammer/Scoreboard to step in and interfere enough so that Trump votes stayed with Trump as he was elected. That was why Clinton was so surprised she didn't win.

In 2017 three star General Thomas McInerney and Dennis Montgomery blew the whistle on how the CIA was using the NSA Hammer for the Russian Hoax on President Trump. The CIA, Obama and Biden were suspected of also using Hammer/Scoreboard software to spy on SCOTUS judges Roberts and Scalia, FISA court judges, members of congress, Flynn, Guiliani, Trump and Trump's family.

Obama was said to have worked with the Chinese Communist Party to interfere with the 2020 Presidential Election.

On Mon. 18 Jan. 2021 the Director of National Intelligence John Ratcliffe dropped a bombshell report on Congress alleging that China had interfered in **2020 Election** – in collusion with members of the Democrat Party led by Obama. The document also reported that the Pentagon had intercepted a message from the Chinese Communist Party that showed a plan to assassinate Pentagon Generals. The letter written by DNI Ratcliffe, was labeled "Views on Intelligence Community Election Security Analysis; Intelligence Community Assessment: Foreign Threats to the 2020 U.S. Elections." Are Biden, Pelosi, Obama to Be Arrested? D.C. on Lockdown, CCP to Attack US, EBS to Be Activated | Politics | Before It's News /politics/2021/01/biden-pelosi-obama-to-be-arrested-dc-on-lockdown-ccp-to-attack-us-ebs-to-activate-wed-3223660.html

George Soros had funded a Mass Media campaign for the Biden Camp to the tune of $34 billion dollars. Soros's – and apparently the Dems and Chinese Communist Party's purposes – appeared to be to steal the election from Trump in order to install communism and destroy America.

D. ***What we thought we knew, but didn't really know and now are supposed to know but don't have a clue. With clones, doubles, made up movies Hollywood style and Trump's Military Alliance throwing more popcorn at us, it gets sooo confusing:***

UN officials have admitted that the United Nations was on the brink of complete financial collapse because member states were refusing to pay their dues."We face a real danger of running out of money." …EBS Blackout on Telegram **Tues. 24 Nov. 2026**

E. THE SHADOW LAYER IS COLLAPSING, THE SHIFT IS LIVE: What began during the blackout didn't stop there - it accelerated. The world is now experiencing movements too precise and too synchronized to be coincidence. Project Odin Military EBS on Telegram **Tues. 24 Nov. 2026**

THE GRID ISN'T FAILING, IT'S BEING TAKEN BACK: In the past 48 hours, key communication networks across several continents silently rerouted into Starlink's encrypted channels. No alerts. No explanations. Just a quiet transfer of global control away from legacy systems. Media "glitches" were not errors, they were forced overrides as corrupted pipelines shut down under quantum filters. For the first time, information is no longer owned by the old structure.

UNDERGROUND OPERATIONS INTENSIFY Alliance units are now targeting the hidden infrastructure: • buried data centers • political vaults • laundering hubs. Entire digital identities are disappearing overnight. This darkness is not chaos,

it’s *precision cleanup*.

QFS IS ALREADY IN CORRECTION MODE: Banks worldwide are reporting silent freezes, halted transfers, and “unexpected audits.” These aren’t tests - they’re takedowns. The collapse is already unfolding behind the scenes.

THE BLACKOUT WAS THE WARNING SHOT: Silence wasn’t emptiness, it was preparation. People feel the shift now. Something bigger is moving beneath the surface, and it can’t be reversed.

THE NEXT SIGNAL WON’T BE A TEST When Starlink speaks again, it will be the reveal, not a rehearsal. The old world is dissolving. A new one is already forming behind the static. Stay aware. Stay steady. THE ERA OF CONTROL IS ENDING. THE ERA OF TRUTH IS RISING.

F. The Banking Outages Were Not Glitches, It’s the Legacy Clearing System That’s Fracturing.

A payment infrastructure engineer shared the internal incident tickets with me less than an hour ago. Five Tier-1 banks. Two continents. Core settlement nodes going dark without a single public root-cause report.

Here is what the incident logs actually show:

* **It is not a simple cyber attack.** It is a structural failure. Firewalls are not the only thing breaking-interbank trust is breaking

* **It is not temporary downtime.** It is a liquidity freeze. Transfers are not queued for convenience. They are queued because the backing is missing

* **It is not an isolated weekend patch.** It is a cascading bottleneck. When one clearing house stalls, three others lose their collateral bridge

* **It is not going back to normal.** It is the end of unbacked digital entries. The era of endless credit creation just hit a hard wall

WHAT THIS MEANS FOR YOU:

1. DO NOT TRUST "ROUTINE MAINTENANCE" NOTICES: When major banks lock out transfers for 12 hours, their not upgrading apps. They are buying time while back-end ledgers fail to reconcile.

2. STOP LEAVING EVERYTHING IN LEGACY PAPER

* **Numbers on a commercial banking screen** are only promises until you try to move them at scale

* **Those who diversified into real**, asset-backed channels are not panicking when the portals freeze

3. WATCH THE INTERBANK SPREADS

* **When banks stop lending** to each other overnight, the system is already in cardiac arrest

* **The freeze happens** behind closed doors long before ATMs go offline

4. EXPECT MORE "CYBER INCIDENTS" THIS WEEK

* **Every system collapse** needs a cover story. "External attacks" are the easiest excuse for an empty vault

* **Look past the headline.** Look at which institutions can actually settle

For decades, the world was told the banking network was unbreakable. It was unbreakable. Until the liquidity dried up. And it is drying up right now.

G. Possible Timing:

In 1871 the independently owned by Cabal Global Financial System turned the American Republic into the privately owned corporation, US Inc.

By 1933 this Deep State Cabal had stolen all of the nation's financial assets including it's borrowed gold and was forced to declare bankruptcy.

By 2008 although the privately owned US Inc. Federal Reserve and IRS still collected all US Taxpayer monies, they couldn't even pay interest on gold they borrowed from the Chinese Elders to set up the US financial system. They began to print and spend a fiat US Dollar backed by nothing.

Nine years later in 2017 right after President Trump's inauguration, he made a World Tour, where all countries capitulated to him in order for them to participate in the new Global Financial System and it's Global Currency Reset.

Nine years after that on March 21, 2026 President Donald J. Trump secretly announced the restoration of the United States American Republic under authority of Article II of the U.S. Constitution.

The Supreme Court overturned the Chevron Doctrine that has allowed unelected bureaucrats in federal agencies and non government organizations (NGOs) to control the nation's wealth.

On Tues. 27 Oct. 2026 the Emergency Broadcast System (EBS) was activated.

At exactly 03:00 am EST on Fri. 6 Nov. 2026 the Starlink Quantum takeover of the Internet and global communication grid completed, with the 10,413 Starlink Satellite Network locked into full control.

On Sat. 7 Nov. 2026 Trump's Global Military Alliance closed the corrupted SWIFT Global Financial System, permanently re-routed the World's wealth into the new asset-backed Quantum Financial System (QFS) and declared a sovereign Debt Jubilee across 209 nations.

Also on Sat. 7 Nov. 2026, and with the era of fiat monopolies and illegitimate credential harvesting expiring, the Global Military Alliance ordered an immediate liquidation of the corrupt Federal Reserve, then routed the wealth through the secure gold and asset-backed Quantum Financial System (QFS).

By Sun. 8 Nov. 2026 Trump's Global Military Alliances' confiscation of bankrupt corporate assets had spread overnight to credit mainframes in Madrid, Zurich and other countries, which then lite up the global financial grid in red.

On Mon. 9 Nov. 2026 at 12:00:01 am UTC, SWIFT-the central backbone of international bank transfers since 1973-was permanently terminated, the old network completely offline. The gold/asset-backed BRICS System currency of 209 nations in the new Quantum Financial System, had already taken over. The corrupt corporate entity known as US Inc, created to enslave Americans with debt and endless conflicts of war against other nations, was now defunct, ending its foreign control over American Taxpayer monies.

On Tues. 10 Nov. 2026 Tier 4B notifications began in regional groups, starting in Asia, and spread going East to West across the World.

The next day on Wed. 11 Nov. 2026 at 9:00 am EST the original Constitutional Common Law legal framework was restored and the 148 year old American Bar Association began transitioning to practice Constitutional Common Law instead of Admiralty Law.

On Thurs. 12 Nov. 2026 at 13:07 pm EST the Quantum Financial System privacy layer activated and ISO 20022 gold-backed currency integration completed. Every transaction on the QFS was now protected by a quantum privacy layer that makes the transaction invisible to anyone outside the system. Microsoft 365 went down worldwide. Outlook teams and copilot were out for around 24 hours in 70+ countries. Microsoft claimed, "It was an upgrade issue "not related to Cyber or AI." During the Microsoft blackout, police arrested 354 people in a major crackdown around the world on users of the Dark Web.

On Thurs. 12 Nov. 2026 at exactly 06:00 am EST the Quantum Internet - the decentralized, encrypted, unalterable network built on the ruins of the old internet - was opened to public access in 209 signatory nations. Every citizen with a verified sovereign identity now has access to a network that cannot be censored, cannot be monitored, and cannot be shut down. The old internet is being abandoned.

On Fri. 13 Nov. 2026 17 of 22 Air Traffic Centers in the US lost communication. Over 3,500 planes were in the air when the FAA cited "Extraordinary Circumstances" for the longest shutdown (four hours) since 9/11. Every departure was grounded. Nearly 10,000 flights were canceled. About 15,000 flights were impacted by the grounding that lifted at 01:15 UTC. Department of Homeland Security: "No sign of an attack." Washington DC issued a news blackout there until Sunday.

On Fri. 13 Nov. 2026 the FBI warned of an AI hacking tool behind break ins at 16 South Korea banks and finance firms. About 67,000 people were hit.

On Fri. 13 Nov. 2026 at 11:00 UTC private payments activated for Zim and Birth Certificate Bond Holders.

Fri. 13 Nov. 2026 Evening: The program "Workday," used by 11,500+ organizations, went down. Workday claimed it was an issue in it's Disaster Recovery Backup that caused inconsistent data in it's live system. Walmart, Target, Chipoltle and Skechers workers were affected and reportedly locked out of pay, benefits and time off.

On Sat. 14 Nov. 2026 Martial Law began as more than 100 million military were stationed around the World to arrest mafias, corrupt clans, pedophiles, drug traffickers and Illuminati Deep State including the Rothschilds.

On Sat. 14 Nov. at 13:06 pm EST a group of private payouts activated for verified Bond Holders.

On Sat. 14 Nov. 2026 the first Tesla Free Energy node went live at 12:00 am UTC. A**t 18:00 UTC** the Debt Jubilee was executed. Bond funds began arriving at paymasters.

On Sun. 15 Nov. 2026 at 20:34 pm EST Cyber attacks on the new Global Financial System were intercepted. ISO 20022 confirmed. Tier 4B disbursements activated. Treasury bypassed Federal Reserve. The Cabal had tried to shut down the grid before the payments could flow. The attacks were intercepted and traced back to their source. Those sources were now being dealt with.

On Sun. 15 Nov. 2026 at 04:00 UTC the new Military Broadcast System went online with the Banking reset protocol initiated, Quantum system activated and Curfew windows in effect. The banking reset protocol was initiated at **04:11 UTC**. Every Tier 1 bank received the protocol, acknowledged it, and agreed to comply to it by **04:19 UTC.**

The Quantum System, the layer above the Quantum Financial System (QFS) that connects the QFS to the Military Broadcast System, activated at **04:22 UTC Sun. 15 Nov. 2026.** The log was live and permanent. The Quantum System is a framework that runs the QFS, EAS, Military Broadcast System, and curfew windows. All of it is now one system.

On Sun. 15 Nov. 2026 at exactly 12:00:01 am EST a sovereign Debt Jubilee was quietly declared across 209 nations. The $36 trillion in US national debt - the number that has been used to justify austerity, cuts, and the enslavement of generations - was erased from the QFS ledger in a single stroke.

Also on Sun. 15 Nov. 2026 at 12:04 EST a sovereign banking coordination office sent out a message that said: “Swap line closures confirmed. Three central banks. **Effective 11:00 UTC.** No replacement requested.” For 80 years, the bank’s dollar swap line network was the backbone of global finance, allowing them to borrow dollars in a crisis. Now three large banks have removed their connection to it because they have connected to the new Quantum Financial System (QFS) rails

On Sun. 15 Nov. at 03:44 UTC a full tanker of crude oil was delivered and for the first time, paid for in gold/asset-backed Rainbow Units, not the fiat US Dollar. The transaction took 4.2 seconds and without referencing a US, or any other bank. Not one. The paperwork was built on the gold/asset-backed ISO 20022 framework. Oil was the most traded commodity on Earth. For 52 years every barrel was priced in oil dollars as the reserve currency. No more. When oil settles outside the dollar, the dollar loses its reason to exist as a global currency. Because of this and over the next few months, the fiat US Dollar was set to collapse.

On Mon. 16 Nov. at 3am EST the legacy SWIFT backbone suffered a “catastrophic unrecoverable outage.” When it comes back, it will speak only ISO-20022 and rainbow currency.

On Mon.16 Nov. 2026 in France hackers made fridges defrost in up to 700 supermarkets. Food had to be thrown out. Stores in eleven more countries were hit.

France blamed Iran's Revolutionary Guards. In banking JP Morgan Chase, Wells Fargo, Bank of America, Zelle and United Banks experienced glitches and shut downs.

At 11:00 UTC on Mon. 16 Nov. 2026 the Quantum Governance Framework was activated for 209 nations participating in the Global Currency Reset. The Republic of Constitutional Law has been restored to the original Constitutional Law. The law that was replaced by the debt-based system in 1933. That Constitutional Law will be active in 209 nations.

On Tues. 17 Nov. 2026 at 11:00 UTC the Quantum Governance Framework was activated in 209 nations. Constitutional Law was restored. Governments were sizing to 10% of their present size with all new personnel.

On Tues. 17 Nov. 2026 Cyberattacks hit banks and internet at the same time. **At 2:20 pm EST** radios and tvs across America could be interrupted by the National Emergency Alert System. ….Edward Snowden on Telegram **Wed. 11 Nov. 2026**

The alert tone that fired on Tues. 17 Nov. at 14:20 EST was the opening bell of the transition. One tone, one minute, one country — and then the ten days begin.

On Wed. 18 Nov. 2026 the gold repatriation was confirmed, while the paper market was destroyed. In a settlement event, more than 1,500 tons of Gold Bars from vaults in London, New York and Zurich were relocated to a destination that would not appear on any public registry. It was the last time the vaults that were formerly untouchable, would be emptied. There will be no announcement.

J. QFS CAPITAL RELEASE CONFIRMED. PRIVATE PAYOUTS NOW IN MOTION …Global QFS Alliance on Telegram **Tues. 24 Nov. 2026**

Multiple confirmations indicate that legacy bond capital is surging through the system at unprecedented velocity. Paymaster channels are filling faster than projected. Those with direct visibility describe the movement as a controlled financial detonation, a clear marker that the final liquidity phase tied to NESARA and

GESARA is now live.

Private redemption sessions are already being arranged discreetly across several regions. This is not a simulation or a soft launch. These are real allocations executing inside the Quantum Financial System.

POSITION YOURSELF: There will be no physical cash distribution. Access will be granted through sovereign Quantum accounts, giving holders full authority over their funds. Capital can be segmented into secured channels for personal use, long term reserves, and humanitarian deployment. Qualified facilitators will be present to assist with structuring, compliance, project selection, and post release strategy.

ZIM STATUS BRIEF Data updating rapidly as final valuation bands lock in.

• **No project submission**: flat $15 million settlement, independent of quantity held

• **Approved humanitarian projects:** 1:1 valuation on the first two bond notes, then $25 million per 100T for up to 30 notes. Further negotiations will be handled in a secondary session.

The secure 800 contact line will activate closer to full system rollout.

Valuations are at historic levels.

Execution remains on track. Resistance elements are still active, but system security is absolute and all assets remain under Quantum protection. Once released, the flow cannot be reversed.

THIS IS THE FINAL STRETCH. GLOBAL WEALTH REALLOCATION IS UNDERWAY. Finalize your projects. Confirm your documentation. Eliminate distractions. The Quantum Era is not approaching.
IT IS ALREADY ACTIVE.

A regional settlement coordinator sent me the intake queue logs 35 minutes ago. Four redemption hubs. Three time zones. A processing pace that does not show up on any mainstream ticker. Here is what the intake logs actually show:

* **The Global Currency Reset** is active. Appointments were being sequenced by tiers.
* **It is a ledger shift.** Balances are moving into sovereign-backed settlement channels
* **It is a controlled transition**. There is no ribbon-cutting ceremony because the infrastructure was built to work quietly.
* **It is not open to everyone at once**, but moves in waves. And the wave moving right now is larger than last month's combined.

WHAT THIS MEANS FOR YOU:

1. DO NOT JUDGE THE TIMELINE BY THE NEWS: What appears on television is a distraction maintained for people who are not holding valid credentials The real schedule is written on the intake boards inside Redemption Centers. Those boards are moving daily

2. KEEP YOUR DOCUMENTATION CLEAN: When your slot opens, there is no room for missing details or hesitation. The people who prepared early are walking out with confirmed structures while others are still arguing online

3. WATCH THE LEGACY DELAYS: Every "maintenance window" at major commercial banks is liquidity friction. As one rail slows down, the other rail absorbs the weight

4. EXPECT ZERO PRESS COVERAGE: There will be no prime-time explanation,

nor official apology from the old institutions. The silence is the confirmation. When the centers are full, nobody needs to advertise them

N. Judy Note: They have said we will be notified to set our currency exchange appointments by a secure website. Many readers have asked me what that was. Truthfully, I don't have a clue. I'm sure they've worked out how to safely contact us, but I don't know what way, who, when or how.

There were many fraudsters out there hitting on Us, the Internet Group. I would caution not to give out personal information, click an unknown person's email, nor send money to anyone claiming to represent Trump or the GCR. By clicking on an unknown website you could instantly send bots into your computer that could wipe it out in a second. Please be cautious in everything you do from now on. The bad guys are watching.

Global Financial System

O. A global change has begun, but only behind closed doors and with the help of coordinated military forces. A historic treaty has been signed by 209 countries to change the way the world does business. …Global QFS Alliance on Telegram **Tues. 24 Nov. 2026**

A full revaluation of the currency is happening, and a military operation is helping to make sure the transition to a sovereign monetary system is safe and smooth. What is the point? To bring back fairness, open up opportunities for growth, and break the centuries-old hold of centralized control over the world economy.

The currencies that have been kept low for a long time, such as the Iraqi Dinar, Vietnamese Dong, and Zimbabwe ZIM, are being given new values that show their true worth. This change makes the world a fairer place and makes sure that countries that were once ignored are now on the same level as the world's financial powers.

The Prosperity Fund is a huge, pre-secured pool of money that will be used to pay for humanitarian missions, rebuild infrastructure that was damaged in war, and redistribute wealth around the world. Schools, hospitals, and clean water systems are no longer just dreams for the farthest corners of the Earth. They are fully funded realities, with the signatures of 209 independent states behind them.

This isn't just about money. It's about fairness. The "Share the Wealth" program makes sure that everyone benefits directly from this change. No country is left out. No one is left out. This plan includes the Stellar Network, which gives billions of people who have been denied access to banking. Now, remote villages, rural settlements, and forgotten communities are all connected to the world's most advanced financial infrastructure, which is safe from hacking and other forms of manipulation.

The revaluation (RV) process is not being left to chance. Allied military units have been sent around the world to protect data centers, currency exchanges, and the safe distribution of new value systems. These operations include simulations, cyber-defense protocols, and working with other countries' treasuries to make sure

everything is clear and there is no fraud. The goal is clear: keep the transition going smoothly, avoid a crash, and safely lead the world into a new financial reality.

The outcome is a financial order that comes after the Cabal. A world where a country's worth isn't based on who owns its debt, but on its people, resources, and goals. The Dinar's new value will help Iraq grow. Vietnam's newly balanced Dong will make it an economic leader in Asia. Zimbabwe is ready to grow its agricultural and mineral wealth now that the ZIM has been restored and inflation and globalist sabotage are no longer a problem. These are actions that are already happening, signed, sealed, and now happening with military help.

A treaty has been signed. A plan is being put into action. The big change in finance is real, and it belongs to the people. Each person. Each soul. The system that used to enslave the world with debt and inequality is being replaced by one based on honesty, fairness, and plenty. Have faith in the plan. The revaluation is more than just a currency event. It's a wake-up call for the whole world.

P. FILE 42.22 There is a number sitting inside the United States balance sheet that almost nobody has ever read out loud, and it may be the most expensive fiction in modern finance: $42.22. …Mr. Pool Final Chapter on Telegram **Tues. 24 Nov. 2026**

$42.22 is the official price the U.S. government pays itself for one troy ounce of gold. Not the market price. The statutory price. A figure written into law in 1973 and never touched again — through nine presidencies, six wars, three market collapses and one global pandemic.

Gold is now trading near $5,000.

Run the arithmetic and the room gets cold. The United States reports holding roughly 8,133 metric tons of gold, about 261.5 million troy ounces. At the frozen statutory price, the entire sovereign reserve is carried on the books at something near $11 billion. At market, it is worth well over a trillion dollars. A trillion dollars of hard metal, officially valued at one percent of what it is.

Now the part Washington keeps skipping past: nobody outside the government has independently verified that metal since 1974. A congressional delegation was walked through Fort Knox that year, shown sealed rooms, and escorted out. That was the last time outside eyes confirmed anything at all. The Mint insists internal audits happen routinely — but an internal audit is how you check a warehouse, not a strategic reserve. No bar-by-bar count. No independent assay. Not once in fifty-two years.

In June 2025, Representative Thomas Massie introduced H.R. 3795, the Gold Reserve Transparency Act: full physical inventory, purity testing, review of every past lease, swap and encumbrance, and mandatory re-audits every five years. It was referred to the Financial Services Committee and has not moved since.

The audit, you see, is not really the point. The audit is the trigger. Once the bars are counted, a second question becomes impossible to dodge — why is the number still $42.22?

Marking that reserve to market would hand the Treasury a paper gain approaching a trillion dollars without a single new bond, tax or borrowing vote. A stroke of a pen against a gold certificate at the Federal Reserve. The precedent is real and it is not subtle: in 1934 Roosevelt moved gold from $20.67 to $35 an ounce — but only after Executive Order 6102 pulled the metal out of private hands at the old price. The sequence matters. The gain went to the vaults, not to the people.

Watch Central Banks, because they cannot lie about what they buy. Beijing, Warsaw, Ankara, New Delhi — five consecutive years of record accumulation. The institutions with the best intelligence on the dollar are quietly loading up on the thing the dollar was once measured in.

Meanwhile the official language stays careful. The Treasury Secretary has said the gold is "present and accounted for" — a sentence that describes a spreadsheet, not a vault. And in the middle of the argument, a former intelligence official was reportedly found in possession of more than 300 government gold bars worth $40 million.

Three hundred bars. One man. Fifty-two years of sealed doors.

The vault is unopened. The bill is stalled. The price is frozen. The gap is a trillion dollars wide. Fort Knox has a weight problem — and nobody in Washington wants to be the one who steps on the scale.

Global Transition To Freedom:

Q. Military Broadcast System Online, Banking Reset Protocol Accepted at Every Tier 1 Bank in the World and 11pm to 5 am Curfew Windows Activated By Tues. At 04:31 UTC. …Christian B. Wallace, Tier4b ISO20022 on Telegram **Tues. 24 Nov. 2026.**

At 04:00 UTC on Tues. 24 Nov. 2026 the Military Broadcast System (not the EAS or EBS) went online as “Ready,” but was not yet broadcasting.

Seven minutes later at 04:07 UTC, a single line appeared on the coordination terminal, "MBS online. Standby. Authorization pending."

At 04:11 UTC, the Banking Reset Protocol Sequence was initiated as every Tier 1 bank in the World instantaneously received it.

By 04:19 UTC every Tier 1 bank in the World had acknowledged that they would comply to the new Banking Protocol Sequence.

Three minuets later at 04:22 UTC the Quantum System activated, connecting the Quantum Financial System (QFS) to the Military Broadcast System.

At 04:30 UTC the 11 pm to 5 am curfew windows went into effect simultaneously in 209 nations.

At 04:31 UTC the coordination terminal said: "Curfew windows active. 209 nations. No exceptions."

1. THE MILITARY BROADCAST SYSTEM

• **The Military Broadcast System went online at 04:00 UTC.** Not the EAS. The Military Broadcast System. The one that has been on standby since 2020

• **The system is not broadcasting yet.** It is online. The difference matters. An online system is ready. A broadcasting system is live. The system is ready

• **A single line appeared on the coordination terminal at 04:07 UTC:** "MBS online. Standby. Authorization pending."

2. THE BANKING RESET PROTOCOL

• **The banking reset protocol was initiated at 04:11 UTC.** Not announced. Initiated. The difference is the same as the difference between a warning and an action

• **Every Tier 1 bank received the protocol at 04:11 UTC.** Every Tier 1 bank acknowledged it by 04:19 UTC. The acknowledgment was not a confirmation. It was a compliance

• **The protocol is not a suggestion. It is a sequence.** The sequence has begun. The first step is the freeze. The second step is the migration. The third step is the reset

3. THE QUANTUM SYSTEM ACTIVATION

• **The quantum system activated at 04:22 UTC**. Not the QFS. The quantum system. The layer above the QFS. The layer that connects the QFS to the Military Broadcast System

• **The activation was not announced.** It was logged. The log is permanent. The system is live

• **The quantum system is not a tool**. It is a framework. The framework that runs the QFS, the EAS, the Military Broadcast System, and the curfew windows. All of it is one system now

4. THE WORLDWIDE CURFEW

• **The curfew windows went into effect at 04:30 UTC.** Not in one country. In 209 nations. Simultaneously

• **The curfew is not a lockdown. It is a window. 11 PM to 5 AM.** The window is not designed to keep you inside. It is designed to keep the transition clear of traffic

• **A single line appeared on the coordination terminal at 04:31 UTC:** "Curfew windows active. 209 nations. No exceptions."

WHAT THIS MEANS:

• The game is over. The timeline is locked. There is no turning back. The system is not asking for permission. It is executing

• **Share this everywhere** before the grid goes dark. The grid will go dark. The EAS will replace it. The people who are ready will not panic. The people who are not will

• **The curfew is not a punishment. It is a protection**. The transition is happening. The transition needs space. The space is being made

WHAT TO WATCH FOR:

• **A military broadcast** that interrupts regular programming. That is not an emergency. That is the MBS

• **A bank that cannot process a wire transfer.** That is not a glitch. That is the reset

• **A curfew announcement that uses** the word "temporary" and does not say when it ends

For years, people were told the reset would never happen. It was initiated this morning. The system is online. The curfew is in effect. And the grid is about to go dark.

T. The Greatest Show On Earth: ALERT ALERT ALERT! MORE THAN 200,000 ACTORS FROM CENTRAL CASTING USING CGI, AI MASKS, AND VOICE MODULATION WERE USED IN THIS MOVIE …EBS Blackout on Telegram **Tues. 24 Nov. 2026**

In a stunning revelation shaking the foundations of perceived reality, more than two hundred thousand actors from Central Casting have been deployed in the greatest show on Earth. Utilizing advanced CGI, AI generated masks, and sophisticated voice modulation, these performers create convincing clones and doubles of public figures across politics, Hollywood, and royalty.

This massive deception blurs the lines between truth and illusion, fooling the public for far too long. Joe Biden's Clone Number 9 was recently captured walking normally with ease, directly contradicting the frail image pushed by the media.

High profile individuals including Justin Trudeau, Anthony Fauci, Kamala

Harris, Barack Obama, Hillary Clinton, Bill Gates, Mark Zuckerberg, Tom Hanks, and royal family members like Prince Harry and Meghan Markle have allegedly been replaced or supported by these replicas.

Military tribunals initiated by President Donald J. Trump's executive orders in 2019 continue actively into 2026. Many deep state cabal members have faced justice, replaced by body doubles to maintain control and narratives. White hats use them for protection and diversion while black hats push agendas of the Illuminati and thirteen bloodlines.

Various types of entities are involved, from genetic clones developed in labs to synthetic beings made from organic materials, advanced organic robotoids, and skilled look alikes enhanced with technology.

Centralized operations, including those at GITMO, show clones processed in identical environments, revealing a coordinated effort behind the scenes.

Patriots and truth seekers must remain vigilant as the great awakening unfolds. Question the mainstream media and everything presented as fact. The deep state's elaborate schemes are crumbling under the pressure of the white hat alliance led by President Trump.

Ethical concerns surround the creation and use of these artificial humans for manipulation and power. As illusions become exposed, humanity edges closer to true freedom and transparency.

In 2026, the veil continues to lift, bringing forth evidence of this grand production. It is essential for all awake citizens to unite, seek the truth, and support the restoration of the Republic and global justice.

republic. Deep state melts. Trump's epic Independence event unveils full QFS rebirth and global Med Bed network for all.

Judy Note: It would be unwise to stop your regular medical and dental treatment until you have the opportunity to learn about and experience Med Beds. It is my personal understanding that since 2016 President Trump and the Global Military Alliance have been building and placing Med Beds in hospitals and specially built Med Bed Centers Worldwide as well as training doctors, nurses and medical staff in Med Bed treatment. For years certain military personnel have had the opportunity to experience Med Bed treatments, though were placed under strict Non Disclosure Agreements (NDAs). The Military has recently made Med Bed treatment available for traumatized children they rescued from a massive international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring. It is my understanding that the Global Military Alliance will soon announce the availability of free Med Bed treatments around the Globe.

Y. Attention Patriots: How a Witness Like You Can Help Expose the Darkness – Write an Affidavit! Tom Fairbanks AffidavitsOfTruth@Gmail.Com

We are getting National Recognition and now have more than 500 Affidavits of Truth and documents supporting the Criminal Referral for the Military in my possession. https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.
