

What do we know?

“Every person has three lives – one public life, one private life and one secret life”

It seems like the secret life of some few is about to conquer the rest of lives of all others behind the Covid Curtain.

Very many people do not have a clue what’s going on and are mindless, harmless, willingless, sheeple in the herd, which is about to be thinned out.

Only some are able to look behind the curtain and what they find out, alarms them.

Only a few is able to see not only the first curtain, but also the second, the third and forth and perhaps even at least the last curtain. And those people who are not looking behind the curtain but are standing and acting there, mostly, if not all, do not realize, that they are still on the stage and are actors who follow a director.

The aim of this article is to show not only the first curtain and what it is behind it. The attempt is, to show what is, or could be, or most probably is behind one or two or more of the other curtains and which opera we are seeing right now. And given all this, an overall attempt of this article is, that you might want to judge it as being worth to be forwarded, even to John Doe from next door, who might wonder day by day more, what this BS is all about that happens to be his reality.

Please do not wonder when you nearly only find links to my own channel on telegram.

There are several reasons for this. First of all, on telegram we have a good chance, that videos are not deleted as fast as on the internet. Secondly, I used my channel to collect the necessary links and sources for this overview, and when you now click on a link to my channel here, you will there on telegram than find the external link to other channels. So, all these links to my channel don’t show that “its only me” who is telling things here, but there are hundreds of different sources which invite you to dive deeper in those other channels and topics.

My best reading advice for “just a short overview without looking at the sources” = read it here.

if you want to also recognize the sources, I recommend you, to read this article on my channel, because there the link will open up directly without the rerouting over your internet browser, which will take time and annoy you probably.

https://t.me/Thomas_Anderson_Author here is the direct link to the telegram article if you want to read it there.

Or you can read it on beforeitsnews.com

[What Do we Know? | Awakening? Start Here | Before It's News \(beforeitsnews.com\)](https://beforeitsnews.com)

In this reality the people are flooded with a ridiculous amount of seemingly important and rightful and unavoidable details to take care of. If it is the way you have to collect and sort your garbage, if it is the tsunami of paperwork coming every month from insurances, local government, job, renter, banks, loans, gas, electricity etc etc., you name it. Who the heck has the time to dive deeper into the rabbit hole in a world surrounding him or her like this?

So, if you are among those, who already have had the privilege of, for whatever reason, recognizing the fact, that there is a curtain and things are happening behind the curtain and even was able to look behind this first curtain, then you may have recognized that things of overwhelming importance in front of the curtain are meaningless behind the curtain.

Such as laws for example.

And as there are a lot of actors behind this curtain, people of great power as it seems to us Normies, celebrities, high ranking military etc, who all act behind the curtain, you can be sure, there is a second curtain, where other people hold the power in their hands.

Like the Bilderbergers, the Rothschilds, the Bush family, the Clintons – again: you name it.

Maybe the Rothschilds are not behind the first curtain, maybe not even behind the second or third curtain, doesn't matter: they are not behind the last curtain and they are not the director!

So, maybe behind the first curtain you find those in power (officially) and maybe behind the second curtain you find those with the money and maybe behind the third curtain you find those with the instruments and licence office how to earn that money and maybe a curtain behind that you find those who build up the structural network of how this all works together, then you may find those, who actually decided what and how things should be done behind the next curtain.

And maybe the next curtain is the last one. The last one with those behind who give the orders of which aims should be reached, no matter what, may be you find the director of this opera behind it. And even than the question would be: who wrote this opera?

And as it is in all pyramidal structures, the number of involved individuals gets smaller behind each and every curtain and also the number of involved details minimizes radically.

And as frustrating and irritating it is, when you find out, that many or even all of those things, you thought were important, are meaningless for what is going on and what is going to happen with your life, with every curtain you lift up, the picture gets more weird and sometimes traumatic and in the eyes of those, who still stand in front of the first curtain, ridiculously unbelievable and therefore unexplainable and unexplainably.

And of course among those who had the privilege of looking behind one or two curtains, there are again only a few who have the time to look further and deeper constantly, whereas most of the others have a "life" with a job, a family, a child or more to take care of.

And again you are hostage of your reality and are not able to spend more time to learn about the things behind those curtains or even to sort out, what already is in your mind about those curtains.

This article is meant for those, who are looking for a structural overview with at least some sources attached, so that they have a kind of summary as a basis for there thinking.

Of course I can not mention every detail here. Neither would it be helpful, nor would it be justified. Too many stories going around without proof, too many stories pop up only once without any evidence. Of course that doesnt mean that those are lies, but here in this overview I would like to mention only those topics, which come up independently from various sources, partly with scientific proof, partly with historical proof, partly with legal proof (patents, law texts, contracts etc), partly as whitness report, first hand directly from the victims.

So, what do we have here in this Covidian Era waiting for us.

It is a mixture of very visible information, things that happen right now and some things from the past, even the very dark past of history, which seem to have an effect on today's happenings.

Very obvious: there is a declared so-called "Corona" or "Covid19"-Pandemic, nearly worldwide.

The justification to call it a pandemic is based on phrases like "this is a deadly disease", so let us start with this one.

https://t.me/Thomas_Anderson_Author/228

Of course, in the mainstream media we won't find these numbers, but instead some irritating new measures like "incidences", which is "ill persons per 100.000 persons", which can easily rise from zero to 100, 400, 1000 or even more and a "factor" of "incidence of 1000" of course sounds much more terrifying than "99% are healthy".

Humanity and their scientist know "Corona" viruses for a long time and the name "Corona" is mentioned in old medical books as the name for "the common flu". To make now "Corona" the scary event as we know it is nothing more and nothing less than a brilliantly planned and executed marketing campaign. Playing with well known and researched weaknesses of the human minds when it acts as a herd, this marketing campaign takes advantage of the power of the manipulated masses.

So, not surprisingly, we find the fact, that most probably all of us already had the "common flu" several times in their life time and "survived" it – of course, because the flu may of course get dangerous in some special cases, but the overall general population will survive the flu regularly almost every time.

https://t.me/Thomas_Anderson_Author/331

(American Medical Association, Encyclopedia of medicine, Random House 1989, "Coronaviruses = common flu")

Astonishingly, after many thousands of years of the flu, this sickness suddenly miraculously disappeared in 2020: https://t.me/Thomas_Anderson_Author/404 (All the years before we had around 24-45 million cases per year alone in the U.S., in 2020 only 1822 cases)

The governments publish often the correct data but knowingly and willingly present them in a criminal wrong way, turning the containing information almost everytime into the opposite and something that makes people panic and think there is a real threat to their health by some horrible virus and that they have to do something and the best solution would be what the government suggests:

https://t.me/Thomas_Anderson_Author/338 (german language about the official numbers, covid cases, incidences, death numbers etc. all official, but obviously meaningful misinterpreted)

There is a lot of medical information about these so called vaccines:

https://t.me/Thomas_Anderson_Author/4 (Dr. Tenpenny: more than 50% of patients meanwhile don't come with sicknesses but with vaccine sideeffects to the doctors; no protection, still catch covid, unusual miscarriages, shedding of spike protein etc)

https://t.me/Thomas_Anderson_Author/1024 also here: shedding is a very real danger

https://t.me/Thomas_Anderson_Author/41 (Dr. T from U.K. vaccines are genocide, magnetized nanomagnetized particles in vaccines go into the brain, people become magnetic in specific areas)

https://t.me/Thomas_Anderson_Author/1032 "the 2020 genocide with covid19"

https://t.me/Thomas_Anderson_Author/90 (video of mRNA protein cutting human DNA)

https://t.me/Thomas_Anderson_Author/123 (vaccinated blood under microscope, blood cloths)

https://t.me/Thomas_Anderson_Author/142 (Lawyer Fuellmich, Germany, proof: "they KNEW it would harm" (the vaccine, it was intentionally, not by accident)

https://t.me/Thomas_Anderson_Author/185 (official numbers at that time: many hundreds of thousands vaccine-caused-damages)

https://t.me/Thomas_Anderson_Author/231 (mainstream media: vaccine causes declining immunsystem)

https://t.me/Thomas_Anderson_Author/235 (Dr. Vladimir Zelenko "This is III World War, wake up"

And all of those informations point in the same direction: too many dangerous ingredients, severe damage to the human body, by far too many and to severe to let this be a coincidence.

Here are some ingredients of the vaccines on the market. And at the same time as the vaccines get approved by the authorities, the ingredients itself named alone are declared as toxic.

Here are just SOME vaccine ingredients. These are being INJECTED into the human body:

https://t.me/Thomas_Anderson_Author/358

- Formaldehyde/Formalin - Highly toxic systematic poison and carcinogen.
- Betapropiolactone - Toxic chemical and carcinogen. May cause death/permanent injury after very short exposure to small quantities. Corrosive chemical.
- Hexadecyltrimethylammonium bromide - May cause damage to the liver, cardiovascular system, and central nervous system. May cause reproductive effects and birth defects.
- Aluminum hydroxide, aluminum phosphate, and aluminum salts - Neurotoxin. Carries risk for long term brain inflammation/swelling, neurological disorders, autoimmune disease, Alzheimer's, dementia, and autism. It penetrates the brain where it persists indefinitely.
- Thimerosal (mercury) - Neurotoxin. Induces cellular damage, reduces oxidation-reduction activity, cellular degeneration, and cell death. Linked to neurological disorders, Alzheimer's, dementia, and autism.
- Polysorbate 80 & 20 - Trespasses the Blood-Brain Barrier and carries with it aluminum, thimerosal, and viruses; allowing it to enter the brain.
- Glutaraldehyde - Toxic chemical used as a disinfectant for heat sensitive medical equipment.

- Fetal Bovine Serum - Harvested from bovine (cow) fetuses taken from pregnant cows before slaughter.
- Human Diploid Fibroblast Cells - aborted fetal cells. Foreign DNA has the ability to interact with our own.
- African Green Monkey Kidney Cells - Can carry the SV-40 cancer-causing virus that has already tainted about 30 million Americans.
- Acetone - Can cause kidney, liver, and nerve damage.
- E.Coli - Yes, you read that right.
- DNA from porcine (pig) Circovirus type-1
- Human embryonic lung cell cultures (from aborted fetuses)

https://t.me/Thomas_Anderson_Author/1415

Another ingredient seems to be selfaware living organisms:
https://t.me/Thomas_Anderson_Author/534

Which is frightening enough, but even gets worse. These beings were actually introduced and publicly shown on the Olympic games in Barcelona 199
https://t.me/Thomas_Anderson_Author/1550

(by the way, the opening of the games in 2012 London also are very interesting looking back..
https://t.me/Thomas_Anderson_Author/1393)

Here is more information about what they found in the vaccines about these life forms:
https://t.me/Thomas_Anderson_Author/570
https://t.me/Thomas_Anderson_Author/605 and more...
https://t.me/Thomas_Anderson_Author/971 and again more....

So. Self aware life forms, who need a food source and eat Graphene are in the Vaccine.
You might have probably heard from parasites, which can be eaten by cats, then somehow reach the brain through the blood, conquer the brain and the remotely control the host-cat and use it as a vehicle. The scenario is quite similar to what we see here.
but wait, it gets worse...

For some it may be still a question that the difference is between mRNA vaccines, viral vectorbased vaccines and standard Protein subunit vaccine.

But before that, the definition of vaccines had officially to be changed to include gen altering methods in future:
https://t.me/Thomas_Anderson_Author/390

The Definition of the word VACCINE

Has now been changed
They have now included
gene modification

vaccine noun

vac·cine | \ vak-ˈsēn ˌ vak-ˌsēn \

Definition of *vaccine*

: a preparation that is administered (as by injection) to stimulate the body's immune response against a specific infectious disease:

- a : an antigenic preparation of a typically inactivated or attenuated (see ATTENUATED sense 2) pathogenic agent (such as a bacterium or virus) or one of its components or products (such as a protein or toxin)
- b : a preparation of genetic material (such as a strand of synthesized messenger RNA) that is used by the cells of the body to produce an antigenic substance (such as a fragment of virus spike protein)

The difference of the two “vaccines” of interest you find here:

<https://www.ctvnews.ca/health/coronavirus/what-is-the-difference-between-mrna-and-viral-vector-based-vaccines-1.5413806>

“In the case of COVID-19, the vector virus delivers specific genetic instructions to the cells in the body to produce a harmless piece of SARS-CoV-2 called the spike protein. The cells then display this spike protein and the immune system triggers a response.”

“This technology (the mRNA technology) uses messenger ribonucleic acid (mRNA), which is a molecule that provides cells with genetic instructions for making proteins that are needed for numerous cellular functions in the body, including for energy and immune defense.”

And for the standard “old school” vaccines...

<https://www.mayoclinic.org/diseases-conditions/coronavirus/in-depth/different-types-of-covid-19-vaccines/art-20506465>

“Subunit vaccines include only the parts of a virus that best stimulate your immune system. This type of COVID-19 vaccine contains harmless S proteins. Once your immune system recognizes the S proteins, it creates antibodies and defensive white blood cells. If you later become infected with the COVID-19 virus, the antibodies will fight the virus.”

The logic tells me the following:

with a standard old school vaccine you get injected some more or less harmless parts / subunits of the virus of interest which provoke an answer of the immune system and will lead to the complete extermination of both the injected harmless part of the virus as of the virus itself, if it will enter the body in future.

For the first two we basically see two different methods of how to tell the bodies own cells to produce a more or less harmless part of the virus to then again trigger a response of the immune system.

Yes, there will be an answer of the immune system and the virus, will it enter the body in future, will be destroyed. And also, of course, the more or less harmless part of the virus, which has been produced by the bodies own cells, will be destroyed.

My main question, which is still unanswered officially is: “how long will the mRNA vaccine and the viral vector based vaccine force the bodies own cells to produce the more or less harmless part of the virus?”

I never read anything about a second injection with a second order to the mRNA or DNA to STOP PRODUCING the triggering harmless part of the virus.

Therefore my conclusion is: it will never stop producing it. And the more and more those cells with the altered DNA multiply, the more and more harmless parts of the virus will the body produce. Endless.

https://t.me/Thomas_Anderson_Author/797 autopsy shows this as the result

Therefore the second conclusion is:

The future virus (of the and only of the targeted form) will be destroyed, so there is a protection. Against (exactly) THIS virus.

And at the same time, with every injection of ANY so called mRNA vaccine of whatever kind, with every single injection I will force the body to produce more triggering harmless parts of any targeted virus, so that the bodies natural immune-system will be forced to fight more and more and an endlessly incoming number of harmless parts of the targeted viruses. That means that with every single injection the natural immune systems capacity will be reduced by the added workload and finally reach the zero point where it will first only function for the collection of the produced spike proteins and not function for any other additionally incoming thing to fight against of any kind or form.

The information in the links above state, that each injection will reduce the capacity of the bodies natural immune system by around 10-25%.

https://t.me/Thomas_Anderson_Author/765 (I am not lone with this conclusion...: PUBLIC HEALTH ENGLAND RELEASES REPORT)

As we see in the link above and the text, in this case the so called more or less harmless part of the virus is the so called “spike protein”.

The mainstream resists to reveal, that an increasing number of scientists have proven, that this spike protein is not at all harmless, but very dangerous.

Please let me add : ALL of these doctors and nurses tell things, that are against the official narrative; all of them stand in public light and under public and governmental mainstream pressure; all of them are ready to take this risk, withstand this pressure, risk their economical and social existence and speak out things, that many, if not most people do not want to hear. Partly because those things are by far too horrible to digest them like the normal daily news porridge, partly because the contradiction to the mainstream is so extreme, that John Doe from next door has mental problems in accepting, that the given official narrative can be so criminally wrong and misleading. The staggering amount of censorship points out that we are far away from an open discussion in our society and in the center of a mainstream opinion dictatorship. The deletion of most of the videos took place within the few days and weeks I was working on this article. First I found those videos, a few days later, one by one was gone.

And apart from these personal statements there are documentaries about these "vaccines", which reveal even more details.

Dr. Klinghardt must be mentioned here, with the strong suggestion to watch all videos of him on youtube or other channels you can find. Of course he is also "anti-jabb", but his older videos mostly cover other detox-related information which might be useful anyway in your daily life.

https://t.me/Thomas_Anderson_Author/753 (only one of hundreds of videos on the net)

The already discussed fact, that these vaccines cause a dramatic decline of the natural immune system, leads me to the following conclusions:

The injected persons are dependent from more and more vaccines, because with every new virus they have to get additional protection because their natural immune system has not the same capacity as an original one. And with every more injection it doesn't get better, but worse.

But stopping also doesn't help.

In fact, the developed weakness of the natural immune system and the constant fight against something which is produced by the own body, is medically described as an auto-immune-syndrome disease

https://t.me/Thomas_Anderson_Author/1054 Other scientist meanwhile name it differently and say, vaccinated people are going to automatically develop AIDS in future.

https://t.me/Thomas_Anderson_Author/635 and also https://t.me/Thomas_Anderson_Author/1054

There are scientists, who very clearly and in a simple way calculate scientifically the reduced rest of the lifetime of vaccinated people: https://t.me/Thomas_Anderson_Author/267

"In other words, an "inoculatee" [as he calls anyone jabbed with the Experimental Use Authorization Eugenics Depopulation Lethal Injection Bioweapon] having 20% Graphene Oxide deterioration in their blood will, barring any other input criteria, live for 8 years. [10 years less 20%].

Someone with 70% Graphene Oxide deterioration will not live more than 3 years. [10 years less 70%]."

The given information up to this point leads us by simple and brutal logic to the conclusion that these vaccines are genocidal and many people know about it:

So here we see a dramatic decline of the population in some countries, for example the U.S. or U.K. or Germany, France, etc. According to the deagle.com website this forecast is meant to show the actual numbers in the year 2025, so, not at all very far from now.

With the given information about the lethal vaccine and the details about the resting lifetimes of injected people, this forecast actually seems to be possibly quite accurate.

Let me come back to this later. There is more to tell about the vaccines, as these seem to have some alarming additional features.

The vaccines somehow seem to connect the vaccinated person to an A.I.:

https://t.me/Thomas_Anderson_Author/283

the vaccination seems to give you an invisible barcode on your skin

https://t.me/Thomas_Anderson_Author/947 which reminds you probably to the so called "Mark of the Beast"

Many if not all vaccines seem to contain chips and Bluetooth devices:

https://t.me/Thomas_Anderson_Author/17 small chip in needle

https://t.me/Thomas_Anderson_Author/146 Bluetooth connection with injected arm

https://t.me/Thomas_Anderson_Author/178 All not a conspiracy theory anymore, already reality

https://t.me/Thomas_Anderson_Author/738 "its not a vaccine, it's an operating system"

And the vaccines produce a variety of bizarre effects. Many if not all vaccines contain stuff that makes you magnetic:

https://t.me/Thomas_Anderson_Author/16 magnetism after injection...

https://t.me/Thomas_Anderson_Author/41 magnetism after injection

https://t.me/Thomas_Anderson_Author/38 remotely controlled brains with "magneto protein"

https://t.me/Thomas_Anderson_Author/673 how magnetics work with human body

https://t.me/Thomas_Anderson_Author/1431 frequencies and medicine

a lot of research was done on this topic https://t.me/Thomas_Anderson_Author/997
528 Hz will transform your DNA

and much of that magnetic effect is based on Graphene

https://t.me/Thomas_Anderson_Author/129 this is how Graphene looks and behaves like on magnetism.

https://t.me/Thomas_Anderson_Author/1180 this, too

And interestingly enough I know first hand from a friend of mine who finished his university around 30 years ago with a diploma based on the thesis "superconducting at room temperature on the basis of Graphene", which he could never publish, was put under secrecy by the government and military and he was not allowed to work on it anymore. It seems, they used this work not for computers, but for what we see now in reality...

https://t.me/Thomas_Anderson_Author/25 superconducting on basis of Graphene at room temperature?

https://t.me/Thomas_Anderson_Author/1523

With Graphene it gets interesting. Interesting, because not only vaccinated people carry Graphene, but nearly all people on this planet already carry nano particles of Graphene spread out by chemtrails which could be weaponized any time

https://t.me/Thomas_Anderson_Author/42 magnetism on basis of shedding and inhaled Graphene nano particles from chemtrails!

and here a supposedly very important video:

https://t.me/Thomas_Anderson_Author/1108 about nano graphenehydroxide razorblades cutting each and everything they come in contact with – in all (!) covid vaccines.

important fact: only *hours* after I showed this video on my channel, the author, Dr. Andreas Noack, was killed by an "attack", so reported his wife, who was filming herself.

You want to know the official maximum dosis of some of the additional ingredients of the chemtrails and how much is in them?

There are perhaps methods for protection and healing for the nano graphene particles
https://t.me/Thomas_Anderson_Author/153 German language text "how to" against Grapheneoxide.

So, we have Graphene within vaccinated and also within nonvaccinated people. With more Graphene in you because of vaccination your lifetime reduces dramatically and the ways and possibilities to be remotely controlled increase.

The weapon is loaded and with every vaccinated person more, the dangers rise.

Both for the vaccinated person himself and also for the others, because this vaccinated person might act as a kind of weapon.

Let us begin with the first point: the blood of vaccinated people is not accepted as donor blood says Red Cross

https://t.me/Thomas_Anderson_Author/26 news on TV "donors needed, blood of vaccinated is useless")

https://t.me/Thomas_Anderson_Author/443 American red cross: vaccinated blood is useless

https://t.me/Thomas_Anderson_Author/433 picture comparison between blood of vaccinated and nonvaccinated person. Vaccinated blood darkest red, nearly black and full of clots

https://t.me/Thomas_Anderson_Author/1183 same here

and here https://t.me/Thomas_Anderson_Author/1184

https://t.me/Thomas_Anderson_Author/1541 Same here: coagulation normally after 30 minutes, vaccinated blood after 3 minutes

https://t.me/Thomas_Anderson_Author/440 brain of vaccinated person – massive blood clot in brain

That means, our medical system for victims of accidents and crimes and even normal operations is in danger, because there is not enough donor blood anymore.

And, please don't laugh at this now, there are rumors that the vaccine causes or prepares the ground for a zombification of people...

https://t.me/Thomas_Anderson_Author/34 Video about this topic with a lot of informations

https://t.me/Thomas_Anderson_Author/418 showing that this topic was not only discussed now in the last months but already decades ago from people who seem to have known the "program".

https://t.me/Thomas_Anderson_Author/698 military training and education about the topic

https://t.me/Thomas_Anderson_Author/822 even "Alexa" and other AI systems seem to know things about this coming apocalypse...

So, the zombification means, that on the one side the normal life in the cells declines and on the other side a remotely controlled AI form of life arises, controlled and manipulating the human cells with the help of Graphene, which reacts on frequency and most probably also on a life form, that eats Graphene, therefore is able to digest and chemically control Graphene.

Scientific experiments in this area of interest are no science fiction, but (partly revealed) reality.

Leaked Project Pandora and Magneto. Graphene oxide is creating an operating system inside our body. This is the Trans-humanism Agenda. <https://youtu.be/9lhgSKNg8q4> The zombie apocalypse is upon us.

https://t.me/Thomas_Anderson_Author/594 Showing that this transhuman agenda has been on the screen for the "global leaders" for a long time.

https://t.me/Thomas_Anderson_Author/596 showing how Graphene reacts under frequencies

https://t.me/Thomas_Anderson_Author/774 same here

Legally all vaccinated people are now no longer declared as human, but as transhuman and subject to patents of and legally owned by Big Pharma. This is not a rumor, this is already a legal fact by the U.S. Supreme Court. Being no longer declared as "human" means legally, that their rights as "humans" are lost and I didn't see any declaration of rights for "transhumans" so far. So, the vaccinated people are legally in no man's land.

https://t.me/Thomas_Anderson_Author/37 Showing some legal facts about what happens when something patented enters and changes your body.

https://t.me/Thomas_Anderson_Author/1275 over 170 patents about this topic alone

The weaponization of the vaccinated people could happen by 5G or 6G. 5G is a patented U.S. Weapon System since a long time already.

https://t.me/Thomas_Anderson_Author/1118 even on Mainstream admitted

It can produce great damage to the human brain and partly remote control and influence it heavily:

https://t.me/Thomas_Anderson_Author/44 those systems are installed quietly and all over the world

https://t.me/Thomas_Anderson_Author/293 for example camouflaged as ordinary streetlamps

https://t.me/Thomas_Anderson_Author/619 or marketing posts

https://t.me/Thomas_Anderson_Author/688 microwave streetlamp weapon system explained

https://t.me/Thomas_Anderson_Author/866 5G explained by Sascha Stone

https://t.me/Thomas_Anderson_Author/1402 how many 5G-posts where on the planet, how many deaths

https://t.me/Thomas_Anderson_Author/1316 doctor testimony under oath about 5G

https://t.me/Thomas_Anderson_Author/1020 understanding 5G

https://t.me/Thomas_Anderson_Author/1328 "significant higher death rates under 5G"

https://t.me/Thomas_Anderson_Author/1048 behaviour control devices. Clear to see for everybody interested

https://t.me/Thomas_Anderson_Author/1053 new networks for the communication and linking of all vaccinated persons and their behaviour control

And there are other patents which show the sickness of those who work on this agenda

https://t.me/Thomas_Anderson_Author/158 and also

<https://patents.google.com/patent/US6017302A/en> "Subliminal Acoustic Manipulation of the Nervous System"?

And the bad news doesn't stop at the vaccines. According to some information even the PCR test uses a method well known already in ancient Egypt to make slaves obey better:

https://t.me/Thomas_Anderson_Author/29

and on top the test is probably already contaminated by order with the vaccine it'self:

https://t.me/Thomas_Anderson_Author/256 and also

https://t.me/Thomas_Anderson_Author/943 also here: same "rumor": PCR test are a form of nasal vaccination

https://t.me/Thomas_Anderson_Author/1334 PCR test dangerous for your health!

PCR tests are source for a worldwide DNA data basis to develop the ultimate DNA targeting weapon system to wipe out certain branches of human DNA https://t.me/Thomas_Anderson_Author/999

The amygdala when bruised, made slaves in Egypt more guillable and submissive to authority.

The PCR test was never meant for the purpose he is used for today to “identify” Covid19 as the inventor of this testing method himself tells us very clearly. https://t.me/Thomas_Anderson_Author/401

And if both Vaccine and testing methods are under suspicion, not only PCR test but probably every test-method, where you have to first take something into your body before spitting or pulling it out (which would be a perfectly camouflaged method for inserting something unwanted into your body without notice), then we should recommend ourselves to look at the promoted origin of this “pandemic” (which is non because a pandemic needs a certain amount of death-rate to underline the definition of a pandemic)(at least in John Doe’s understanding).

The often mentioned Wuhan Labs are not only the probable and declared source for this first Covid Virus but also a source where they work on Experiments, perhaps even production of Adrenochrome
https://t.me/Thomas_Anderson_Author/133

Adrenochrome is produced by torturing babies, children, teens and young adults so badly, that they produce this stuff.

Warning: watching this might cause damage to your soul! It is really tough to take:

https://t.me/Thomas_Anderson_Author/133

<https://t.me/adrenochromeinformation>

And the harvesting can only be done by abducting children, which is done on a global scale and very professional:

https://t.me/Thomas_Anderson_Author/387 woman finds RFID chips in standard children clothing to target children and "harvest" them

https://t.me/Thomas_Anderson_Author/425 pedo criminals in Berlin, network

https://t.me/Thomas_Anderson_Author/593 Royals playing this game on a global scale

https://t.me/Thomas_Anderson_Author/755 warning! Tough to watch!

https://t.me/Thomas_Anderson_Author/843 George Bush ate brains of living children

https://t.me/Thomas_Anderson_Author/883 military ships used for the transport of those children

https://t.me/Thomas_Anderson_Author/1040 Disney seems to be very involved in this business

Celebrities are well known customers https://t.me/Thomas_Anderson_Author/1061 (Hunter Biden) and WALMART seems to be heavily involved in the supplychain of these children markets:

https://t.me/Thomas_Anderson_Author/1086

https://t.me/Thomas_Anderson_Author/1149 with own tunnels across the nation

https://t.me/Thomas_Anderson_Author/1245 german ex sex slave child speaking out naming names, dates, places

https://t.me/Thomas_Anderson_Author/1338 child sacrifices, parents speak out

The meanwhile wellknown Dr. Fauci is made responsible for the financing of these Labs

https://t.me/Thomas_Anderson_Author/1270 and on top did not only push the Covid Agenda, but also the AIDS agenda, which is a kind of "Covid Light" and is responsible directly for the death of many hundreds of children:

https://t.me/Thomas_Anderson_Author/814 and also

https://t.me/Thomas_Anderson_Author/36 very old video, decades old, revealing accusations against Dr Fauci

https://t.me/Thomas_Anderson_Author/1116 here some protest against him for killing with HIV

https://t.me/Thomas_Anderson_Author/173 revealing interesting information to Dr. Fauci. It seems, that people like him come back again and again with the same duties...

and which seems to have been a kind of testing period for the Covid-project, when we look back from today. The medicaments for the treatment of AIDS have "side effects" and tragically those "side effects" take the leading positions in the list of deathcauses of HIV patients, which is a remarkable parallel to todays Covid-vaccination-"side effects".

And when we look around, we find evidence that not only Covid and AIDS is a Scam / Hoax,

https://t.me/Thomas_Anderson_Author/165 death humbers are incorrect / fraudulent

https://t.me/Thomas_Anderson_Author/184 numbers for injuries from vaccinatios are fraudulent

https://t.me/Thomas_Anderson_Author/183 the flu magically disappeared after thousands of years while at the same time with the same symptoms Covid arises

https://t.me/Thomas_Anderson_Author/215 so called "experts" from todays mainstream, her Dr. Drosten, a german "virologist" told us truly years ago that the today told stories are a lie and that people are normally immune against all of this

https://t.me/Thomas_Anderson_Author/320 video of fake "dead" covid victims shown in the mainstream

https://t.me/Thomas_Anderson_Author/328 hospital rules are changed to show "produce" more Covid victims

but also 9/11 was a Hoax and Scam

https://t.me/Thomas_Anderson_Author/39 original video of the towers at 9/11 = no planes visible

https://t.me/Thomas_Anderson_Author/55 proof of computer simulation on so called “original footage” of 9/11 plane, visible for everyone who has eyes

https://t.me/Thomas_Anderson_Author/342 footage of G. W. Bush visit in school talking about very revealing topics to children – like always: it’s shown directly in front of our eyes. Who knows what to look for can see everything.

https://t.me/Thomas_Anderson_Author/377 the big theft one day before 9/11 (also mentioned and explained in my first book)

https://t.me/Thomas_Anderson_Author/378 same here...

https://t.me/Thomas_Anderson_Author/379 and those participating in this fraud knew very exactly what would happen to them when this would be made publicly known

https://t.me/Thomas_Anderson_Author/381 missile penetrating the Pentagon on 9/11 – no plane original footage of impact

https://t.me/Thomas_Anderson_Author/382 showing Pentagon wall after impact – no wings, no plane, not big enough for a Boeing having entered the building

https://t.me/Thomas_Anderson_Author/389 second footage, different camera

https://t.me/Thomas_Anderson_Author/384 original TV news, shown only once after impacts, “no planes”

https://t.me/Thomas_Anderson_Author/385 mainstream media telling things far in advance before they really happened on 9/11

https://t.me/Thomas_Anderson_Author/388 open questions for 9/11, still unanswered until today

https://t.me/Thomas_Anderson_Author/392 firefighters ordered to New York in advance before things happened

https://t.me/Thomas_Anderson_Author/423 clear insurance fraud on WTC – not investigated

https://t.me/Thomas_Anderson_Author/428 advance knowledge of WTC collapse caused moving out of renters of WTC 1 day before 9/11

and this hoax is protected with lethal force:

https://t.me/Thomas_Anderson_Author/383 there is no stopping for protecting all those lies. No matter who, policemen, firefighters, soldiers, private people, witnesses – one by one was killed.

And when we look at our history we find a lot of those “projects”, for example the sinking of the Titanic, which was mass murder, insurance fraud (to save the J.P. Morgan bank from declaring bankruptcy)

https://t.me/Thomas_Anderson_Author/89 Same game here. Thousands of victims. Clear insurance fraud. Not investigated

Or the moonlanding, as the astronauts are confessing, that the moon landing was fake:

https://t.me/Thomas_Anderson_Author/15 Astronauts themselves admit that it was fraud.

moon landing footage originally from Nevada: https://t.me/Thomas_Anderson_Author/1268

There are videos and information even about the moon itself, that the moon is not what we were taught in school: https://t.me/Thomas_Anderson_Author/12 no idea if this is a fake video or not. Came in at a time where background news / rumors told about “Earth Alliance liberated moon”

https://t.me/Thomas_Anderson_Author/40 Evidence that pictures of moon landing are fake / wrong footprints were shown

(I will talk about the so called Earth Alliance later)

Pictures of the Earth are also clear fake: https://t.me/Thomas_Anderson_Author/300 Very revealing footages clearly show fake pictures of Earth shown to general public since a long time

It is just to show that almost everything we learned from "official" and mainstream news seems to be fake and full of lies or even only lies.

The same is valid judgement about a rather actual topic: the last presidential election. There is much evidence that Donald Trump is still be the official and legal President of the United States of America

https://t.me/Thomas_Anderson_Author/156 large data dumps about the hidden scandals and election fraud

https://t.me/Thomas_Anderson_Author/193 even in mainstream from time to time there are hints that

So it goes on an on. No matter at what topic we look, we find lies in education, mainstream media, official news. Of course also regarding Aliens, which are no science fiction but reality

Nothing seems to be really what we are shown in the media.

The meanwhile well known Greta Thunberg is handled directly by Rothschild house, Luisa-Marie Neubauer

https://t.me/Thomas_Anderson_Author/677

The list is endless and goes way into the past, even thousands of years back.

The “knowledge” about history and science is taught in school and university and when you leave those institutions, you mostly rely on the accessible media, of which you hope that they offer to you a neutral, scientifically based and summarized perspective, so that you, whereas you are working in a regular job from nine to five and have to take care for your family and all the day to day business, can save a lot of time in searching all information by yourself and do not need to scientifically study all the details necessary to be able to form an own opinion.

Well... in fact, what we see now, the so called “own” opinion now unfolds to be a “mainstream” opinion and formed with intention by some few people. The mainstream media has its narrative and the narrative is pushed by those in the mainstream media who are the bosses or own the media. And the media is owned by...:

The social framework for this maze, the psychological traps, in which the most of our people are held, has been prepared for a long time. Not only decades but most probable VERY much longer.

we now know: vaccine is dangerous, we are surrounded and fed with lies for a long time already.

So: what can we expect? Well... they told and have shown us already!

https://t.me/Thomas_Anderson_Author/515

“Don’t buy from Unvaccinated”. Again we are at this stage... https://t.me/Thomas_Anderson_Author/1301 and again in Germany. Hell... I wish the people would have learned more about self reflecting and history... https://t.me/Thomas_Anderson_Author/1314

Now we have a new legal term “illegal breathing” and “illegal sneezing”. Don’t laugh at it, it will cost you 13.000 Australian Dollars AND 6 months in jail.

https://t.me/Thomas_Anderson_Author/1512

Same in Germany: illegal breathing is when you breath without a mask where a mask is mandatory.

We have been shown the truth for a long time and even now the terrifying truth could be very obvious for all those who know where and how to look:

https://t.me/Thomas_Anderson_Author/118

https://t.me/Thomas_Anderson_Author/121

To wear masks does not change anything. The masks we are using often have a declaration on the package which reads: “this mask does not help against viral infections”. However, we are forced to wear them. Why? Because wearing a mask has heavy psychological impact on people

https://t.me/Thomas_Anderson_Author/394

The same applies for the stupid appearing contradictory restrictions. This is not stupidity of politicians, this is brilliantly planned and executed. There is a method behind this

https://t.me/Thomas_Anderson_Author/1152

Fear is the weapon. They close hospitals in the middle of the “pandemic” and use the “overcrowded” hospitals left as an argument for the crisis while paying the hospitals to close and remove even more beds:

https://t.me/Thomas_Anderson_Author/1337

https://t.me/Thomas_Anderson_Author/1389

https://t.me/Thomas_Anderson_Author/1390

https://t.me/Thomas_Anderson_Author/1391

And then on top the mainstream media tells us every day that the ICUs are overcrowded and packed with unvaccinated people, whereas from time to time insiders speak out and tell us the truth:

https://t.me/Thomas_Anderson_Author/922 all intensive care patients are 100% vaccinated

While the birthrate declines fast https://t.me/Thomas_Anderson_Author/889 Most probably because vaccination sterilizes from the first injection on and because of thousands of thousands of still born worldwide https://t.me/Thomas_Anderson_Author/1197 the director of the WHO admits, that vaccines are used to kill children https://t.me/Thomas_Anderson_Author/1509

we may come to the conclusion: no matter what conspiracy theorists told you in the past, no matter what you thought would be the most evil things to do, our governments are even worse:

https://t.me/Thomas_Anderson_Author/431

And they tell us, right in the face, what they are doing. For example with the new World Trade Center Building https://t.me/Thomas_Anderson_Author/398 which looks like an injection needle.

People get manipulated by the so called “mainstream”, where at the same time, the real mainstream is the huge group of people who don’t want all this, but they think they are the minority because

https://t.me/Thomas_Anderson_Author/445 there are methods to let them think they are only a small group and the “mainstream” is in favour of the vaccines: https://t.me/Thomas_Anderson_Author/264 how

mainstream opinions are produced

bot farm with mobile phones

Even webcams are manipulated to let people think not so many protestors were there

https://t.me/Thomas_Anderson_Author/1207

We are told that the Biden administration is working, whereas at the same time the truth is, that most of the government buildings in Washington are empty since Jan 20th 2021 already

https://t.me/Thomas_Anderson_Author/43

And the so called side effects of the vaccination and all the reasons for deaths and physical problems we see at the moment, like for example myocarditis and others, are no set to be all brought to us by another virus, the coming pandemic caused by the Marburg Virus

https://t.me/Thomas_Anderson_Author/586

https://t.me/Thomas_Anderson_Author/663 marburg virus symptoms

https://t.me/Thomas_Anderson_Author/953 the coming Marburg pandemic

There were 16 cases of the Marburg Virus last year, and the plan seems to be that the coming pandemic, which is unstoppable, because the ground has been prepared for it by vaccinating so many people, will be officially blamed to this Marburg Virus, with even more restrictions.

In Germany for example, the laws are already set up, that due to the enormous weight on the healthcare system, caused by this pandemic, the government will "be forced" to get in possession of the private accounts and properties. Meaning: they will come after your house, your bank account and take away everything.

This is what Klaus Schwab is talking about when he says: "you will own nothing".

There will be no end to this vaccinating program. Never. As long as vaccinated people live they bring profit to Big Pharma. Why stopping a running and profitable system? https://t.me/Thomas_Anderson_Author/1305 its official!

So.

Let us summarize what we know so far.

There is an evil thinking and evil acting small circle of some hundred people, very rich and powerful, acting in the background, organising and controlling governments worldwide, pushing vaccination and by this, pushing genocide. They control the media, they control the celebrities, they decide who gets famous and rich and they try to control every phase and facette of reality.

We have looked behind the curtain, behind the next curtain and the next.

We now may think, that this vaccination program is the apocalypse we are told about in the bible, the one announced on the Georgia Guidestones, where it is hammered in stone, that the worlds population is set to be reduced to around 500 million.

Prepare for millions of deaths https://t.me/Thomas_Anderson_Author/1313

The timetable is also set.

We know the deagle.com forecast, we have read about the biological reasons and argumentations, that vaccinated people normally have a resting lifetime of about 3 years.

What can we expect?

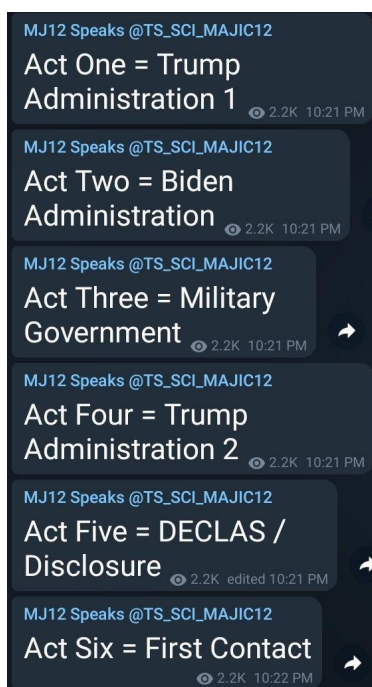

There are obviously different agendas on the market, which are competing with each other.

Let me call the evil agenda with the vaccinations. There we would see millions of deaths, starting now and becoming more and more, which will then be blamed to the Marburg Virus and (of course) the unvaccinated people, who are so dangerous that they help spreading the virus, which of course is not true, but, how ever, will be believed by billions of sheeples, who will act more and more hostile against unvaccinated people.

Within in this agenda, according to insiders https://t.me/Thomas_Anderson_Author/1564 we will face a fake alien invasion in 2024, which will lead to a non disputed one-world-government under the New World Order. This fake Alien invasion will show us holograms of gigantic UFOs in the skies all over the planet and the holograms will camouflage real military craft with real weapons which will cause real damage. The next pandemic after that will bring more vaccinations and will kill more people and will enslave the rest and will convert Earth into a Prison Planet like Hell.

Within short time from now there will be a "Global Reset", in which all governments and banks will have a reset of their debts to zero, and all private will keep their debts and will be "set free" from their private wealth and property. There will be a one world currency, a FIAT currency, of which all the governments and rich simply print what they need or want to have and all the private will have close to nothing. There will be a china-like social credit system for all countries and does not behave well and think the right things will be put in jail.

However, there seems to be a competing agenda, one that will lead to a complete disclosure of election fraud, adrenochrome production, black ops, drug cartels and government connections, child trafficking, corruption and much more and will lead first to a complete military overtake of governments worldwide. Then there will be a "Global currency reset" in which we will go to a gold backed currency and dependent also gold back national currency with fixed exchange rates to this global currency. There will be a debt jubilee for each and everyone on the planet, not only governments and banks. Then Trump will go into the next years of his administration.

https://t.me/Thomas_Anderson_Author/526

Within this second "positive" scenario there will probably also be MedBeds introduced, which would be able to heal humans within minutes, even from vaccine damages.

Probably in both scenarios the U.S. will be split into 4 parts, independent from each other.

In the first and evil scenario probably China will become very powerful and in the second I would guess Russia would become more powerful.

In any case, the domination of the U.S. will be over.

In the second scenario, the U.S: will probably turn into a very peaceful country which could serve as a role model for other countries.

So far so good.

But who wrote that opera and what for? We saw that there are some curtains to look behind and we actually removed some of these curtains. And we might have been able to identify some of the actors and we can see the stage set.

But it is still a stage.

As we know we find stages in theatres. And when we leave the theatre we enter the reality.

Now it gets really interesting.

Let us go back to that deagle.com forecast.

As I already told you, the deagle.com website offered a forecast with the number of population in 2017 and 2025. It offered the number of deaths (their argument why there were so many deaths was "an international thermonuclear conflict". I will show you now three tables. The first one is the deagle forecast sorted by the total number of deaths, the second one is sorted by percentage of deaths on the basis of the given population in 2017 and the last one is the complete chart alphabetically sorted with a calculation of total deaths.

So. First chart. Sorted by number of deaths.

2025deagel dead millions.pdf

The green marked countries at the end all have a surplus as you may have noticed.
Now the second chart, sorted by percentage of population.

2025deagel dead percentage.pdf

As you may have noticed, the western societies are by far the ones who get hit by this reduction.
And now the last chart, with a calculation of how many percentage of the world wide population will die
(according to this deagle.com forecast.

2025deagel overall.pdf

We see that there is only a reduction of the world's population by 7%.
that is FAR away from the Georgia Guidestones aim 500 million world population.

What we see in these charts is a very powerful reduction in western countries, and especially in countries with dominating white population.

And we dive more into it, let me do this on the example of Germany, we see even clearer:
in Germany we have a lot of immigrants. The overall population is told to be 83 million of which around 20-25 million are non white immigrants meanwhile. Of course this is a frightening number for all those who are German patriots, however, it's the truth.

And the part of the population which has the strongest resistance against vaccinations... are those immigrants. Blame it on "religion", or recognize, that the German government has stopped to try to vaccinate immigrants because as they are not citizens, they don't fall under the legal immunity of the Big Pharma corporations against any damage done by those vaccinations. https://t.me/Thomas_Anderson_Author/405
So, I presume, that BigPharma has told the European governments to not vaccinate immigrants, as they are afraid that some of those might go to start a trial against them for liability. Anyway, they are not vaccinated. And when we now look at the chart we find that the number of immigrants almost exactly equals the number of survivors. I do not know the actual number in the U.S: but a reduction to only 99 millions left sounds to me that practically all white are gone afterwards.

You find some few hints in mainstream media, that this might be part of an overall strategy.

For example https://t.me/Thomas_Anderson_Author/564 BBC bans white people from new jobs or the fact (!) that black people seem to not get the same vaccination as white people https://t.me/Thomas_Anderson_Author/879

I know this is a topic, of which many of the readers might have thought it was only a bad dream of some extreme right wing white neo nazi groups with contacts to the Ku Klux Klan.

Well,... it seems very real.

The possible reason I would like to summarize here and I can promise you, that I researched this topic for a very long time. In fact, I was not aware that I researched this topic. Because I started in very down to earth ancestry research. I found out my family tree surprisingly down to Adam and Eve. You may laugh at it, I did so, too. However, I checked every detail many times with all I could find online and in libraries and found it to be correct scientific data. You can imagine, that this research can fill a book. And indeed, I wrote a book. So, what I can only summarize in very short word here you find in my first book as a complete chapter and linked in the other chapters. So, if you want to dive deeper into it and really understand all of it, with sources to crosscheck yourself, go and get that book and read it.

It is worth it. Because then you will understand what will sound very science fiction like when I write here only the summarized version.

Anyway. Here it comes.

Humans were made with genetic experiments. Those who made those humans were two persons with 2 different opinions about the importance of the prime directive of the universe: "free will". The one wanted a pure slave race to obey and work, the other wanted free will for them. The two couldn't reach an agreement and that led to one of them putting his own "god"-genes into one of the given females.

Adam and Eve were pure genetic line. Abel was so, too. But his brother Cain was the one who was produced with "god-genes". You know the story. Cain killed his brother Abel, he was banned from paradise etc.

In my book you find the step by step proof and analysis, that Cain went to the land Nod / Dun. And the king of the Duni was Assur bel Duni, head of the "Cainits". Then they become "Amalek", later Assuriens and Arians and later Germans. That means, the Germans are directly related to Cain. With a different genetic pool than the other lines coming from Adam and Eve - believe it or not. Read the book if you want to get the full insight. Now, in the bible the "chosen people" by JHWH (which is the rank of the two brothers in power) are given an order. "There is WAR against Amalek from generation to generation until Amalek is wiped away from the face of the Earth".

In the early 1930ties the Jews declared total war on Amalek / Germany. Officially in the newspapers they declared war on Germany, but the secret ceremony with the Rabbi was targeted against Amalek. This war targeted Germany and was quite successful. Due to many complicated circumstances the Germans managed to escape total extinction. And in my book I explained, that due to globalisation the so called "god-genes" were spread all over the world in many countries with white population and also other colors. And I came to the conclusion that targeting Germany would be useless. I didn't know at that time, how right I was and I couldn't believe, that of course the only logical solution (kill ALL white people) would be really a realizable project. Now, with this vaccination program, we see, that it is indeed possible to target all white.

Maybe not all, but the leaving rest is so small, that it will no longer be a danger to the aims of the gods / directors.

So,

putting the puzzle pieces together, gives us the picture, that those in power in governments, very often white people, play the game and think they are on a freemason / illuminati game path and kill almost everybody and leave a good portion for serving as slaves for them, which of course would be evil but somehow devilish explainable with "overpopulation" and "ressources get short" etc.

In fact, the real aim behind this vaccination project seems to be to kill most or even better ALL of the white population to finally have the slave race on Earth they wanted to have in the first place. That would be a "golden race" - mixed of black and yellow people – perhaps.

So, what we can say now after reading all this, is, that if the first, evil scenario wins and the people get vaccinated all over the place, than at the end the Illuminati will end as the masterslaves of the slaves, but however, still as slaves and servants – the same as they are and forgot long ago.

If we manage to free our planet finally from those "gods who are really in power, then we have a chance to survive. We, as white people, and we as free human race of different colours.

We outnumber those gods by far. And when we act as a mass of peoples, then their chance is ZERO.

Talking about the "gods" in power we have to mention the Draco. Mentioning the Draco is by far too much for a newbie, I guess. However, if you recognize how much of so called conspiracy theories have already come true within in only the last few months, you might be motivated to read also about the Draco. It's worth it anyway.

If you want to know more about the background of all this, I recommend you to read my books. Of course there are also other books about this topic, but I don't know any other book which summarizes so much in so condensed form. So, to save time, give me the honour to guide you through all this with my two books. Or go through all the others and try to make a good summary yourself. It took me years to get it. And to save you the time which you desperately need NOW to save yourself and your family and prepare for WHATEVER, you might want to follow my recommendation.

I wish you (and me) that this nightmare will soon be over. Go outside, show that you don't want this terror. Forget about the fear. All fear now is nothing against the coming fear within a one world new world order government.

In any case I hope that this article has given you a good overview about our current situation.

I wish you, apart from all this heavy to digest stuff, a peaceful year 2022
may you stay healthy

May you be respectful and peaceful with those who are worth it,
May you be part of the nightmare for those who have the evil upon us.

May we all live in peace together on this planet

Kind regards

Thomas Anderson
