**Judy Note: Thurs. 31 March** was the last day for the Cabal’s corrupt Federal Reserve and IRS; any banks not Basel Three compliant (have their assets gold backed) would be closed; the Petro Dollar would be no more and all nations would go back to their own currencies vs trading in the fiat US Dollar.

**Fri. 1 April** was the first day of the Restored US Republic which would function on the principles of the original Constitution with a new flat tax system, plus was the beginning of the first quarter of the new Quantum Financial System (QFS) using the Quantum Computer and new

**B. Global Currency Reset:**

- **Wed. 30 March MarkZ: Overnight** the enormous movement of money on the Asian Market turned out to be a successful test of the new QFS system. On Wed. 30 March the Bond Inversion Event on the Market showed that an RV was likely happening. Bond contacts said bonds were expected to be paid out in full **late Thurs. 31 March**. There were rumors that CMKX deliveries would begin on **Thurs. 31 March**.
- **Fleming:** Notifications for Fines and Penalties will be delivered by Special Courier. Although these deliveries started **this weekend** no money has been released – not until Tier 4 notifications start. It's reasonable then, to believe that **by Thursday, 3/31, everything has to be done.**
- **Thurs. 31 March** was the last day of the Federal Reserve, the last day for business of any banks not Basel Three compliant, gold-backed Ruble payments for gas had to be worked out by **Thurs. 31 March**, plus as of that **31 March** the Petro Dollar would have run it's course and all nations would go back to their own currencies vs trading in the fiat US Dollar.
- **Putin gave a Fri. 1 April** deadline for dumping the US Dollar.
- **Fri. 1 April was the beginning** of the first quarter of the new Quantum Financial System (QFS) using the Quantum Computer and new digital currency of Blockchain. From now on trading of all nations would be done with gold/asset-backed currency.
- **Notification for Tier4B** (us, the Internet Group) would happen according to Events, not dates, though several Intel providers now claimed that notification to set exchange/redemption appointments was set for **Fri. 1 April**, with appointments soon thereafter.
- **Last Year** Juan O Savin said that Donald Trump would be recognized as the US President by **April Fool's Day Fri. 1 April**.
- **At 12:01 am 1 April** was reported by Bruce to be the start of GESARA/ NESARA, plus the USN, USTN and Restored Republic would be in effect.
- **The Emergency Broadcast System** could begin **Sat. evening or Sunday 2,3 April**.
- **Tax refunds**, loan interest, Mortgage interest, etc. might be paid back to us starting in **April 4-6** and paid out over the next year.
- **The US National Emergency would end Sun. 10 April**.
- **The fiat US dollar** (US Inc. was bankrupted by the Chinese Communist Party and Saudi Arabia according to Charlie Ward) would be phased out by the end of the US Treasury fiscal year in **Sept. 2022**.

### C. Global Currency Reset Recent History:

- **On Sat. 12 March** banks worldwide were switched to the new SWIFT Global Financial System.
- **On Tues. 15 March Delta Force took over the Emergency Broadcast System** from the corrupt CIA.

- **On Mon. 21 March** a new gold/asset-backed Quantum Financial System officially began across the globe.
- **By Tues. 22 March seven countries** began using their gold/asset-backed currencies including Russia, China, India and Saudi Arabia. More were likely in the system by now. The US would be the last country to go.
- **Our bank accounts** converted from fiat US Dollars to asset-backed USTN on **Sat, Sun and Mon. 26, 27, 28 March.**
- **The Central Bank of Russia** announced that the Russian Ruble currency was gold backed as of **Mon. 28 March.**

A CME is different from a solar flare, which is a blast of energy that erupts from the sun and travels out into the solar system at the speed of light. **E. Fleming:**

- **US' Congress** have been sent home giving the excuse of “Covid Release” by Pelosi, the present Speaker of the House. Washington D. C. is more of a ghost town than previously.
- **The Federal Government entity in D. C.**, is bankrupt and in receivership. The “Trustee” responsible for the management of this “Receivership” has not been named publicly. Whoever this entity is, will be coming out **April 1st** when the fact of bankruptcy is publicly declared.
- **There is no more payroll for this Biden Administration.** No more payroll for Congress. Now we must see the culmination of all that has been expected. Including the release of the US Treasury Note, which is being coordinated and rehearsed like a well-tuned orchestra with banks and assorted entities all over the world.
- **NESARA is expected.** Delivering relief and restoration to the lawful population, redemption, security and sovereignty restored, along with the non-polluted Constitution of 1776, without all of the laws that followed supporting the robber barons and forcing debt on the People.
- **GESARA is expected around the world.** Delivering relief and restoration to the lawful population in every participating nation, including Iraq, Vietnam, Iran, Indonesia, Zimbabwe, and every country harmed by these same robber barons. GESARA brings redemption, security and sovereignty, all restored along with the new Law of the Land, their own version of the non-polluted Constitution of 1776, without all of the laws that followed supporting the robber barons and forcing debt on the People.

#### **F. Global Financial Crisis:**

- **Wed. 29 March was deadline day in China for Evergrande and their subsidiaries.** Think Executive Order 13959. If they fail they are removed forever from Stock market on **Friday 1 April**. Evergrande = A CIA/Mossad/Mi5 front. They have been funding Dominion systems and all of your rigged Elections Worldwide. When they collapse 80% to 90% of China's Housing Economy is collapsing, leads to World War III.

- **Yesterday Alex Jones went into melt down mode over the collapse of the Central Banking System fiat currency.** He created a wave of Fear among his viewers and followers warning that the U.S. dollar was gone, the U.S. could never recover and China was going to rule everything with the New World Order Agenda. What Alex Jones didn't tell his followers was that the new Banking System rolled though China. connected to Russia, India, Saudi Arabia and dozens of other countries already trading on the new gold backed/ precious Metal System known as the QFS.

- **Whiplash347:** Weeks ago I ran a story that Alex Jones lost tens of Millions in Russian investments/ banks that have now collapsed and he was in disbelief over the loss. Word on the streets Alex Jones got tens of Millions to lose when the FIAT system he's supporting goes down. The truth is that the US Dollar will collapse, but the US will survive by going to gold/asset-backed currency.
- **The whole world is going into NASARA/GASARA.** The National Economic Security and Recovery Act (NESARA) was a set of proposed economic reforms for the United States suggested during the 1990s by Harvey Francis Barnard. Barnard claimed that the proposals, which included replacing the income tax with a national sales tax, abolishing compound interest on secured loans, and returning to a bimetallic currency, would result in 0% inflation and a more stable economy. The proposals were never introduced before Congress. The real story behind NASARA dates back to JFK and his idea to destroy CIA and Central Banking fiat system that was controlling the world through life long debts.
- **What is quantum financial system QFS?** QFS literal meaning is Quantum Financial System, which is an advanced financial system launched to eradicate monopoly on monetary system and for that purpose, a system comprises of Artificial Intelligence and complex computer programs fully backed by banks is needed. Quantum Financial System would be a breakthrough in the world of banking which will lead to a new era of banking. QFS will not be influenced by Government policies, rather it will be entirely backed by tangible assets like Gold, Platinum, Oil and will not be based upon mere piece of papers which have no evidentiary value.

- **Ukraine war will have global food impact** "beyond anything we've seen since World War II," says U.N. food chief. **Judy Note:** This appeared to be just another example of the Deep State blaming the global food shortage on Russia, when over the last 20 years it has done things to create such a crisis for their New World Order Depopulation Agenda.

#### **K. International Child Sex Trafficking:**

- **Judy Note:** Satanic Spirit Cooking commonly refers to the drinking of Adrenochromed blood, cooking and eating of the body of a child who was tortured and raped during a Satanic rite. The more innocent the victim such as a baby, the supposedly higher the feeling of power and euphoria of the perpetrators.
- **Marina Abramovic, Satanic High Priestess** has been a high level witch and Satanic High Priestess since the 1970's. She is now 70+ years old and looks much younger because of all of blood sacrifices she has been apart of and all of the Adrenochrome she has consumed from children along with the dark magick rituals she performs daily. She is the "spiritual advisor" and friend to many Hollywood stars and the power elite like Jay Z, Beyonce, Lady Gaga, Tom Petty, Chris Rock, Robert Deniro, Pam Anderson, Jared Leto, Johnny Depp, Gigi Hadid, James Franco, Bill Gates, Oprah, Bill and Hillary Clinton, Will Farrell, Elton John, Queen Beatrice, Kim Kardashian and many many more.

#### **L. Covid/Vax Hoax:**

- **In the Pfizer trials,** more people died in the vaccine group than in the placebo group, and it takes 22,000 vaccines to save one life from COVID. Steve Kirsch: "So you killed 150,000 in order to maybe save 10,000 lives."
- **The dangers of PCR testing** have been talked about for almost two years - bloggers, doctors, various specialists who care about what is happening to humanity under the guise of the Covid-19 pandemic. There were a lot of evidential publications on this

subject on the channel - videos, studies, comments by fair scientists (everything can be found using the search function by typing in keywords), but the mainstream media persistently brainwashed people, claiming that these are stupid "conspiracy theories". Now they are warning on TV about the dangers of PCR testing. "Poisoning warning: PCR tests may contain chemicals that are dangerous to health."

On today's Dr. Jane Ruby Show, Dr. Jane reveals the global agenda behind forced injections according to numerous intelligence reports from military & scientific experts, and then she shows you how CRSPR technology is being used to alter your God-given genetic code to destroy centuries of your familial and human ancestry. - **Dr Judy Mikovits joins Mike Adams and she's dismayed that despite all of her best efforts to warn people for the past year and the best efforts of people like Dr Luc Montagnier, Dr Dolores Cahill, Dr Sherri Tenpenny and many others who predicted this mass murder, and yet it happened, anyway.**
- **"100 million Americans have been injected** with a synthetic virus with...the most dangerous spike protein, consisting of HIV, XMRV and SARS."
- Fauci has been behind every Pandemic since 1984. She reminds us that the lab origins of the current pandemic are hardly novel. Every "pandemic" has had lab origins since 1984 **when Anthony Fauci started working at the NIAID, starting with AIDS.**
- **"HIV/AIDS; you'll remember the story of how we were lied to** by Tony Fauci, Bob Gallo, the people at the top of NIH, CDC, FDA, even then. So the scenario, the game plan is exactly the same...
- **"We knew the spike protein, alone, the envelope protein, alone is the disease,** so they can all backtrack, because they just injected everyone in the world with a synthetic deadly virus. They injected the poison. The word 'virus' means 'poison' and they injected it into everybody in the world, so they can back off now, because they've accomplished their end game. You will have customers for life and you will succeed at mass-murder.
- **"You're going to kill everyone with HIV, you're going to kill the 6% of America that had XMRV,** when we were supposedly debunked. Xenotropic Murine Leukemia Virus is the mouse's syncytin gene. So we knew the mouse virus was in everybody from the vaccines. We knew the flu vaccine put people at risk of dying of COVID...what I think what everybody has to wake up to is NEVER, EVER, EVER get another shot and we will never, ever, ever see another pandemic.
- **Covid motive** is to kill sick people to avoid trillions in insurance.
- **"We've been creating these in our labs my entire career.** This was my job." She says their motivation is "To kill people and cover up these crimes. Remember, they're cremating people, so you can't realize it was the vaccine strain, so you can't realize that we were right in 2011, in 1984..."
- **"When our paper, that was ultimately published in Science,** in October of 2009...and the entire upper echelons of the government realized that these things were coming out of our laboratories and they re-wrote history then. They called it...an 'unintended spread of a Biosafety Level 2 contaminant.'
- **"It's not 'Biosafety Level 2',** when it's contagious cancer, contagious prostate cancer, contagious ovarian cancer, lung cancer! And who are the people now, who they're inoculating? We never inoculated an AIDS patient! They have an acquired immune dysfunction or deficiency! They can't make an appropriate antibody or immune response of any kind, that's why they're sick. So why, now would you inject them, if the intention

is now to kill them and call it 'COVID' – it's not COVID! You created the cancer. You created the disease and now you're murdering the victims to cover up your crimes...

- **“We’ve been lied to for 40 years...[HIV] was spread by a Hepatitis vaccination program** with a contaminated vaccine. Who dies in the first wave of HIV? All the people that had HIV and XMRV; mouse viruses from a contaminated blood supply. This is what our book showed...
- **You can’t mix animal tissue, aborted fetal tissue;** that you’re actually injecting into the most vulnerable people another animal’s virome and other viruses.
- **Hunter and Joe Biden and Rosa Seneca** were major investors in Metabiota Inc. – a Data Collecting service that partnered with industry and governments worldwide to build resilience to epidemics. They also partnered with an engineering firm Black & Veach, "the main supplier of equipment for Pentagon biolaboratories around the world."
- **Lieutenant General Igor Kirillov said the Russian services** have so far detected 30 laboratories in 14 settlements in Ukraine involved in "Pentagon's military biological program" in that country. The official claimed the fund invested at least \$2.4 billion in those operations.

#### **M. Protests:**

- **Armenia** Protests today in support of Russia
- **Canadians** for Freedom Are Gathering Up Before Heading for the National Assembly in Quebec City.

#### **N. Fake News:**

- **One day after a copy of Hunter Biden’s Laptop** was submitted to Congress and accepted in the Congressional Record, the Washington Post, which had a copy of the material for nine months, admitted that the laptop was real.
- **Fleming:** The Cabal has control of the Mockingbird Media and for the past several decades since the 60’s, has been fed Intel by the Five Eyes all over the world. First with the newspapers and later with television stations. So much so that the “news” and “investigative journalism” have become “Fake News.” No one believes anything coming from these people anymore. This was why it’s been easy to believe the “Ten Days of Darkness” preceded by EBS, theory. Something drastic has to happen to shift control and manage the final wake up of so many that remain obstinately asleep. The United States has swung so far Left – toward Marxism and Socialist values, with indoctrination in every System – that it’s going to take a Far Stretch to swing it back to Center. Swing though, it must. Freedom depended on it.

#### **O. The Black Swan Event – Into the Storm, White Hats:**

- **Russia** will take control of the Eastern regions, a truce will be made and the war in Ukraine will calm down.
- **No matter what you hear in MSM** or even on the Ukraine-Russia talking agreement, nothing will be far from over. Triggers will be pushed to the extent of a full Nuclear Standoff.
- **This Trigger Event** will trigger other Events that were needed to fulfill the demise of the UN-NATO Heads Deep State Black Military Intel ops.
- **After Blackouts**, after massive Cyber Attacks and in the aftermath of the standoffs we will clean the houses of the European Military.
- **It's all for a reason.** Countries were preparing for a massive standoff that connects to everything: Food, Energy, Supplies, Banks.
- **Taiwan, China, Iran, Russia, US,** Ukraine, Europe, Australia, Saudi Arabia, India, Pakistan, Afghanistan and parts of Africa were getting ready for the Black Swan Event.
- **Into the Storm:** Why do you think Trump called it a Storm? A Storm is a powerful force that can kill, destroy, change civilizations, cause massive Blackouts and affect Society in profound ways.
- **Whatever you want to call it** – Fear Mongering, Truth, or just an opinion – it doesn't matter: NCSWIC Military is the only way.

#### **P. Upcoming Events, Whiplash347:**

**Q. Wed. 30 March Fleming Report:** The Great Reset - is the Shift that takes us from poverty and enslavement to debt, to prosperity and abundance of all good things.

- This "Great Reset" is a term that has been usurped by Klaus Schwab, the World Economic Forum, Bill Gates, Tony Fauci and other Eugenicists who were seeking to reduce the population by billions. Many Patriots on Telegram has shared this story. Search on "Klaus Schwab" <https://t.me/Redpillcrusade/2761>
- In Telegram you'll find many references and videos with him telling of the Committee of 300's plans, chiseled in stone on the "Georgia Guidestones." The Georgia Guidestones. On one of the highest hilltops in Elbert County, Georgia stands a huge granite monument. Engraved in eight different languages on the four giant stones that support the common capstone are 10 Guides, or commandments. In eight different languages it states that 5 Billion people must be eliminated in English, Swahili, Russian, Spanish, Sanskrit, Hebrew, Arabic, and Chinese.

1. Maintain humanity under 500,000,000 in perpetual balance with nature

2. Guide reproduction wisely – improving fitness and diversity
3. Unite humanity with a living new language
4. Rule passion – faith – tradition – and all things with tempered reason
5. Protect people and nations with fair laws and just courts
6. Let all nations rule internally resolving external disputes in a world court
7. Avoid petty laws and useless officials
8. Balance personal rights with social duties
9. Prize truth – beauty – love-seeking harmony with the infinite
10. Be not a cancer on the earth – leave room for nature – leave room for nature.

**R. Fleming: The “Great Reset” is the plan** created and supported by “The Committee of 300” explained well here: <https://litteraltruth.com/2022/03/12/conspiracy-history-the-committee-of-300-fritz-springmeier/>

- **Oligarchs, intellectuals, scions of industry, bloodline families, believe that they carry the responsibility of directing the planet’s ascension and the management of the serfs residing thereon.** These same people are leaders in city/state/federal governments. They are the “boss” in every room.
- **What most people don’t know is that these people have created a “System” that captures the “entity” of every living person in every nation-state with a Central Bank.** This is the “strawman” that was epitomized in Wizard of Oz. Incredible to know that your very personhood is owned under a POA – Power of Attorney – granted at birth, without your parents knowledge (because they are chattel also).
- **This was discovered by Christopher Story.** Prominent veteran financial journalist, Edward Harle (working under the pen name Christopher Story) wrote before his recent death that George Bush Senior, Barak Obama and other members of the criminal Washington D.C. establishment had ordered him killed.  
<https://benjaminfulford.typepad.com/benjaminfulford/2010/08/christopher-story-murdered-other-journalists-targeted-in-new-fascist-campaign-1.html>
- **Christopher Story** was a genius in many ways, including International Law. He brought about a suit to take ownership of the assets held by the various CABAL entities, and adjudicated by the World Court. Principally, the collateralized assets of human populations around the world converted to bonds and monetized against future earnings, then traded again.  
[http://www.tomheneghanbriefings.com/Christopher\\_Story\\_RETROSPECTIVE\\_ATTENPT\\_TO\\_VARY\\_A\\_COURT\\_STATEMENT\\_25Feb2010.pdf](http://www.tomheneghanbriefings.com/Christopher_Story_RETROSPECTIVE_ATTENPT_TO_VARY_A_COURT_STATEMENT_25Feb2010.pdf)

- **There are un-countable assets**, in such huge numbers impossible to describe because there is no word for it. These assets are held in Sovereign Trust, legal entities passed down generation to generation, with legacy responsibility. The “Trustee” of these assets is often uninformed of the extensive assets they hold. Digits on a report represent Jane and Joe, and Carl and Mary... They are aware though of their responsibility to dictate what happens around the world. This includes who is elected for any leadership position. “We the People” only imagine we have control. Under the Power of Attorney assigned at birth, even our vote can be usurped. We are chattel until this theft is corrected.
- **Christopher Story** tried to take ownership under lawsuits filed with the World Court, challenging an expired Agreement, and bankrupt entities, using arcane language and superior legalese, and he would have won his case if he hadn’t died. What would he have done for We the People? It’s only a guess because he was never given an opportunity. Judge Anna Von Rietz has continued in the same pursuit. What both parties share along with the Committee, is their belief that the People want to be “taken care of” vs Free and Independent. At least Judge Anna is providing classroom education, and all the forms necessary to establish your Sovereignty and Living State.  
<https://benjaminfulford.typepad.com/benjaminfulford/2010/08/christopher-story-murdered-other-journalists-targeted-in-new-fascist-campaign-1.html>
- **The Committee of 300, the World Economic Forum and World Bank**, all participate in their Agenda to control the population and the planet at large.
- **Here’s the reality:** While they have this Eugenicists Agenda, there are others who disagree. We’ll call them “White Hats.” The White Hats are like the hero Zorro, working in disguise, anonymously, and behind the scenes, subtly – and some will say too subtly to suit. These Angels of Mercy are seeking and taking wise course corrections, righting the wrong-headed decisions these crazy perverts take.  
<https://t.me/TheStormHasArrived17/8696> <https://t.me/realKarliBonne/78874>  
<https://www.redvoicemedia.com/video/2022/03/is-klaus-schwab-the-most-dangerous-man-in-the-world-awaken-with-jp-video/>
- **The Committee must follow the Law**, which is why the Law is being corrected.
- **Confessions of an Economic Hit Man** is a semi-autobiographical book written by John Perkins, first published in 2004.  
[https://en.wikipedia.org/wiki/Confessions\\_of\\_an\\_Economic\\_Hit\\_Man](https://en.wikipedia.org/wiki/Confessions_of_an_Economic_Hit_Man)
- **This is Perkins' account of his career** as an undercover CIA Deep State operative, working with engineering consulting firm Chas. T. Main in Boston. According to Perkins, his job at the firm was to convince leaders of underdeveloped countries to accept substantial development loans, corrupting “developing nations.” He shares insights about the CIA Playbook, followed 100% of the time, taking down Sovereign Nations, impoverishing the People/inflating their currency, establishing a Central Bank, and leaving the leader’s wealthy beyond imagination. <https://www.amazon.com/New-Confessions-Economic-Hit-Man/dp/1626566747>

- **This is what North America** is experiencing right now. Starting with a color war (ANTIFA) and now attempting to inflate/destroy the US Dollar, along with impoverishing the entire population.
- **These are a few of the historic**, well documented facts behind the “Great Reset” as named by Klaus Schwab.
- **“The Currency Wars”** is a book by James Rickards, and he tells a few more facts about the players in the 15 Trillion dollar/day currency trade. It’s long established that currency is the means by which an individual’s and a Nation’s Wealth is defined and this has been corrupted and controlled to provide wealth to a few while harming millions. Russia was attacked during Regan’s term, and their currency was up ended, the nation financially destroyed. Russia also participated in mock Currency Wars. Putin and Russia work both separately, and in cooperation with the “Five Eyes” (FVEY), an alliance of intelligence agencies of Australia, Canada, New Zealand, the United Kingdom and the United States.
- **Just like the DoD, the Military and government from all over the world**, there are hidden Agendas, private cooperative alliances within “the Alliance,” working for the People, and to foil every plot to kill off millions and billions of innocents, ala CV19. So far they’ve managed well, and there’s still much to correct. To the White Hats working to correct the theft of personhood, and the release of stolen Wealth owned by the People, there is no way to express our deep gratitude and all honor due.
- **NESARA and GESARA** are plans to deliver this “RV GCR” Revaluation of currencies, in a Global Currency Reset. This is the end of the King Dollar and the launch of new Asset-Backed-Currency – as in precious assets, such as gold, silver, gemstones, oil and gas. All of which can be tested, analyzed, verified, and monetized easily. This valuation can be sent digitally anywhere in the world and used as guarantees for trades. The valuation of a nation, simply stated is defined by its assets along with earnings, defined by annual gross domestic profit, vs its debt. Debt is often accrued through government bonds. It’s often “government bonds” which float and continue the cycle of onerous debt. NESARA/GESARA wipes out ALL DEBT, including debt accrued to government bonds.
- **What has transpired in recent years** is a re-design of this plan to “wipe all debt.” The “Authors of the Plan” don’t always make clear why certain things are being done. This is one instance where the banks have not been left holding the debt (as in 2008), all debt is being paid. There won’t be any windfall rescue money paid to Too Big to Fail Banks, in 2022.
- **The RV GCR will still include** currencies from countries that have experienced War (capital “W” needed here, because of their suffering). Iran, Iraq, Vietnam, to name the first that come to mind. Here’s a perfect example of corruption, Iran is still holding out against a “Central Bank.” This might be why the discussion about “Nuclear Bombs” continues to this day. The Revaluation – meaning the increase in value of a currency, is also including countries that have suffered financial inflation, not so much from War, as from internal strife and Corruption, (capital “C”) needed here. Venezuela, Zimbabwe,

Nigeria, Sudan, so, so many wealthy nations have been harmed, South Korea, Namibia, and so forth. All of these countries are good examples of countries set upon first by intelligence operatives, then by greed and ultimately the corruption of their Monetary and Financial System. This is the evil agenda and constant routine violence against innocents which all must be ended.

- **The Great Reset** has been stolen, like James T. Kirk in Star Trek, when he pulled a Kobiyashi Maru; the unexpected has occurred, delivering an unexpected Win. The Win for the People is delivering the Win for the Freedom of the World. Freedom from slavery, from debt, from the onerous drudgery of living paycheck-to-paycheck; is what this NESARA/GESARA is all about. It's about the turning point for Humanity and ushering in 1,000 Years of Grace and Ease, the ABUNDANT YEARS. Everyone here will support this Great Shift to Abundance of All Good things. We are participating in a Great Shift in every System on the Planet – everything is going QUANTUM.
- **May we all Prosper for 1,000 Years!** ...Nick Fleming

S. Russian Deputy Foreign Minister Ryabkov said that the BRICS countries (Brazil, Russia, India, China and South Africa), which make up almost half of the world's population and a significant part of global GDP, will become the basis of a "Just World Order." "We know that every country has its own nuances related to the problems facing us, but now we are united in defending international law, united in efforts to overcome arbitrary, illegal, unilateral sanctions, which have become the only instrument of foreign policy in the United States and other countries." <https://vm.ru/news/957019-ryabkov-zayavil-cto-osnovoj-novogo-miroporyadka-stanut-strany-briks>

#### T. Anonymous source from the USA:

- **"When will the Russian ruble be tied to gold?** It's a matter of time (maybe it's already happened). The Central Bank of Russia announced a few days ago that it was buying gold at a fixed price. The tax on the purchase of gold by individuals has been abolished. You don't have to be a top-level financial analyst to understand what all this is leading to.
- **When rubles are pegged to gold** at a price of, for example, 5,000 rubles per gram, and one troy ounce has 32 grams, which means that one ounce of gold will cost 160,000 rubles, then conversion to US dollars means that gold will cost 1,600 dollars per ounce when using rubles, and not \$1,928 per ounce in dollars.
- **With this one step, Russia will destroy about 30% of the value of the US dollar worldwide.** The only thing that can be worse for the dollar is that Russia has decided to sell its oil and gas only in rubles, and rubles are now fixed at 5,000 rubles per gram. Anyone who wants to buy oil or gas will either have to pay in rubles or pay in gold, and they will not receive the value of gold in US dollars that they offer as payment.

- **People all over the world will literally convert their money into rubles** and get rid of dollars and euros. What Russia has just done is the financial equivalent of detonating a nuclear bomb.
- **The last person on this planet who tried to provide his currency with gold was Muammar Kadaffi.** What happened next? NATO entered Libya, bombed it, until brainwashed locals grabbed Kadaffi on the street and put a bullet in his head. This scheme will not work with Putin.
- **Do you know what is happening with the world bankers now?** They're panicking. The so-called EU leaders are also scared out of their wits. They understand that what Russia has done will completely destroy both the US dollar and the euro, and these bankers will tell the heads of state that the third World War must begin immediately, because this is the only way out for them.
- **Effect:** Europe (which needs Russian gas and oil) will now have to buy rubles from Putin for gold or pay for oil and gas with gold itself.
- **Foreign countries holding our dollar-denominated debt obligations in reserve** will see an immediate and much lesser benefit in them, and will want to start getting rid of them in favor of something more stable that retains its value.
- **In fact, any currency linked to gold will meet all the requirements.** This means that countries like Japan will start dumping their dollar debts as fast as they can — they are NOT going to go down with the American ship. They will switch to more stable currencies such as... ruble.
- **This will have a deflationary effect on the ruble,** which will eventually make it more valuable.
- **This also means that Putin can change the ruble's peg** at any time he wants, for example, to 500, 50 or 10. It's becoming more and more valuable to him.
- **The immediate result** is that all these foreign countries dumping their dollar reserves will cause all these extra dollars to start coming home, causing more powerful hyperinflation than we already have in the US right now.
- **Is it any wonder why Biden called for regime change in Russia last week?** He is about to force the masses of angry and literally starving Americans to march through the streets here at home, demanding answers.
- **Don't forget, the other day Putin openly said** that now people will convert their savings in dollars and euros in favor of safer investments, such as land, food and raw materials."

#### U. Inside the War of the Century, White Hats:

- **The Biden Deep State wants a war** to cover up Hunter/Joe Biden dealings in Ukraine.
- **A war would insure that Russia** takes Ukraine; the current president Volodymyr Zelensky would be removed and the investigations would cease.

- **A war could cover up exposures of the Pandemic**, vaccines, the Freedom Convoys, exposure of the Deep State Mockingbird project, Durham investigation exposures into Clintons and Obama that would lead to Fauci and Obama, it would cover up missing laundered money across the world and create cover for corrupt European countries, presidents, Elites and banks.
- **A war would be plastered** through all media, google, Facebook, Youtube, mainstream Media, radio, Social Media and create panic.
- **The war** would bring down the New World Order (UN, NATO exposure).
- **Currently the 32 Nations Alliance White Hats** have military generals in every major country getting ready to rebuff the UN, NATO and their own Deep State Military forces that were connected to their corrupt government owned by the Central Banking system and Deep State Cabal.
- **A Nuclear War and Military standoff** would lead to unrest, confusion, riots and Martial Law and world lockdown.
- **White Hat Military** in every nation will arrest their own Deep State government officials, Media Elites, Deep State Military – all who colluded in the Pandemic, vaccines, bioweapons and those who betrayed their country by working with the Deep State Cabal (DAVOS, Rockefellers, Rothschilds, Gates, World Banks, Vatican, CCO, ect.).
- **In the next months** expect the world's largest earthquakes to happen.
- **For now pay attention** to all the weather weapons/ tectonic weapons being used through the world, Volcano explosions, Droughts, Floods, Fires, Cyclones, Tsunamis.

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan appeared to be organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It’s no wonder that President Trump has stated, “These people are sick.”

#### **X. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

**Since 1990** I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses to pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff’s offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There’s certainly no help from US or other nation’s government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily get away with the torture and murder of thousands of children on a regular basis.

**Y. The following have been set up to report Crimes Against Children and incidents of human trafficking,** although I cannot verify as to the influence of Satanists within the organizations:

**Z. The Global Currency Reset and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who were right now being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**ZZ. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.*

*After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for 90 days, so I will be going silent and taking those 90 days to get my humanitarian project organized and going.*

*This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
