### **"Ask, Seek and Knock"**

*God has more to give us, Faith to impart, Comfort to bestow, Blessings to pore out. He wants to give more, though He Wants Us to Ask, Seek and Knock in order to Receive."*

**Judy Note: As of Tues. morning 5 April** there was no new Intel about Global Currency Reset liquidity, although contacts have implied that liquidity would, in fact, move from East to West **this week.**

**Tier 3 and Bond Holders** expected to hear **either this evening or Wed. morning 6 April** – the same deadline that Iraq was given to announce their new rate.

**Tier 4B (us, the Internet Group)** could be notified at any time to set redemption/ exchange appointments for special higher rates.

### **A. Your Currency Exchange/ Zim Redemption Appointment:**

\* **You would need two forms of ID**, preferably picture ID, a utility bill to prove your correct address, if you have receipts for your currency/Zim Bonds it would be wise to bring them to the appointment, your currency and/or Zim Bonds, and if you had a Humanitarian Project bring a 1-3 page summary of your Business Plan that included your background showing why you felt qualified to do your project.

\***For most, Redemption Centers** were likely within 50 miles of your home.

\* **Tier 4B would have ten days** to make their appointments in order to receive special rates. After that, you would need to go to a bank to exchange where you would receive the lower international rate.

### **B. Real News Highlights for Tues. 5 April 2022:**

- **Food Hyperinflation Has Begun across the globe.** It was strongly advised to stock up a supply of food, fuel, cash and essential items.
- **Hungary:** Viktor Orbán, Prime minister of Hungary, blasts the New World Order Leftist Agenda, George Soros Empire who spent a billion trying to defeat him in the past decade, the Mainstream Media running fake stories about his government cabinet officials and being attacked by Ukraine President Zelenskyy. Trump is smiling. Putin is laughing.
- **Australia:** “These people are a criminal syndicate. The police need to stand behind us, We the People, to stand up to them.” ...John Wilson at the Governor’s House in Brisbane
- **China:** Serious concerns at the Three Gorges Dam as levels rise:  
[https://youtu.be/6UTUpw\\_h7mU](https://youtu.be/6UTUpw_h7mU)
- **Auto makers cut production** due to Chip shortages.
- **Biden Expected to resign** due to revelations of life-long corruption including Treason found on Hunter Biden Laptop.
- **Trump Ohio Rally** signals Deep State that he is in control and destroying the large North East Underground Tunnels (Subs and Maglev Underground trains) run by Biden through Obama’s Chicago Lines that were used to traffic children.
- **Wars and Rumors of Wars:** Middle East Wars were heating up.

### **C. The Biden Crime Family:**

- **Hunter Biden e-mails confirm weaponized bio labs in Ukraine** — Joe Biden knew- and he needs to resign or be impeached!
- **You will see Mass resignations from the Biden Administration** in the coming days. The chaos and corruption are becoming too much to manage for those in his inner circle. Mass exits coming very soon.

### **D. International Child Sex Trafficking:**

- **Obama Care was designed for Child Sex Trafficking:**  
<https://t.me/ExposeThePEDOSendTheCABAL/18190>

#### E. Mass Arrests:

- **China:** The reason for the current quarantine was stated as a connection with another outbreak of the Corona virus. Citizens were forbidden to leave their homes. This quarantine could also be used to pick up all Deep State players based on mass arrests at home. That makes it a lot easier for the White Hats – a cleanout without a civil war. Think about it and connect the dots. This might happen in every country.

#### F. 2020 Election Fraud:

- **Wisconsin Special Counsel Gableman:** Wisconsin Election Commission left a "trail of victims." There are 92,000 nursing home residents in Wisconsin. "In the Zuckerberg 5 cities, in all of those counties those nursing homes reported a voting rate of 100%, anywhere in between 95% and 100%."
- **Georgia:** Democrats implicated — Georgia Ballot Traffickers Were Using Democrat Officials' Offices as Stopping Points During Ballot Drop Runs: "They saw that some of these mules would visit these drop boxes every night. And then go to Stacey Abrams' headquarters and then go back to the drop boxes."  
<https://www.thegatewaypundit.com/2022/04/exclusive-democrats-implicated-georgia-ballot-traffickers-using-democrat-officials-offices-stopping-points-ballot-drop-runs/>

#### G. Global Food, Fuel and Goods Shortages:

- **Ford Cuts SUV Truck Production Due to Chip Shortage:**  
<https://www.cnbc.com/2022/03/03/ford-cuts-suv-truck-production-at-two-plants-due-to-chip-shortage.html>
- **“My son and I went to trade his old truck in on another used truck yesterday.** Through the process, the (Ford) salesman informed me that Ford was no longer taking orders on ANY new vehicles. The ones who have placed orders have a 13 month wait period. He said, Ford has between 70-100 suppliers who failed to meet demands. No more test-drives. He also said, it's not just Ford... but other auto makers (excluding Dodge) and furniture makers and most goods. Something crazy is coming down the pipe. Mass shortages are coming. IMO... we are very close to the event. The flip of the switch is imminent.” ...An Anon

#### H. White Hats: There Are No Coincidences:

- **Trump's Rally in Ohio** was a huge signal – it's the 17th state of the US (17 for the Anons and Patriots who believe and know Signaling).

- **He stood over where Military Ops** were taking place – between Canada and US Borders. No fear while sending direct message to the Deep State.
- **This was a signal to the Woke Dark Deep State Generals, Biden and the Elites** that he is in control and destroying the largest North East Underground Tunnels (Subs and Maglev Underground trains) run by Biden through Obama's Chicago Lines.
- **This was a signal to Canada too**, that destruction of the these Sub/train Tunnels into their country was done and so was the \$\$\$\$ it generated in human trafficking, weapons, drugs.
- **There was so much going on these past weeks** in this area corrected to Five Finger Lakes: Niagara Falls Booms, Military Flight Ops, Earthquakes over precise locations I gave before the Earthquakes, Fires, Explosions Indianapolis Illinois factories, Chicago water explosions and very strange out of the ordinary weather in these locations...and continuing.

#### **I. White Hats: Middle East Wars Were Heating up:**

- **Turkey and Kurdish** exchanging fire and Russian running air strikes.
- **Israel** hits Syria with missiles
- **Dozens of Yemeni** pro-government fighters have been killed in a new offensive to take a rebel-held city, loyalist sources said on Tuesday, following a surge in violence including missile attacks on the United Arab Emirates.
- **Iran** only weeks away from becoming a NUCLEAR power.
- **US general** says Russia turmoil could spill to Middle East. The Army general tapped to take over as top U.S. commander in the Middle East is warning senators that if Russian invades Ukraine, it could create broader instability into the Middle East, including Syria.
- **The Ukraine War** will set off Middle East War, Balkans War, China-Taiwan War, India-China War, Africa Coups, South America Coups and worldwide Civil Unrest, Riots, Protests and fires.
- **Incoming:** Pandemic, mandates, food shortage, Natural Gas and Fuel shortages, Cyber Attacks to shut down Banking System (or so says the Davos Group, World Economic Forum, Deep State).
- **Truth Speakers have warned of these Events coming – Near Death Civilization Events.**
- **Stay strong Patriots and Anons.** Keep sharing information. The world is waking slowly. The world is connected. Q

#### **J. White Hats: From the White Hats: Russia exited the Matrix first.**

- **Russia is now financially** almost completely free from the United States.
- **When Saddam Hussein** announced in Iraq that he would no longer accept the US dollar for oil, two months later the war broke out in Iraq and Saddam Hussein was murdered.

- **Many wars** were started to preserve the American dollar. When Moammer Gaddafi created an evaluated currency for Africa, Western military power went to Libya and assassinated Gaddafi.
- **Now Russia has finally broken the Petrol-Dollar** (Fiat Money). The US is now in an existential crisis and Europe will follow.
- **The dollar is (almost) bankrupt** and the cry for regulation of cryptocurrencies by corrupt governments show the corruption and mutiny within the organized financial system bodies like the SEC revealing how Bitcoin and Ethereum are protected.
- **Russia has the Ruble** which is fully backed by gold. India, China and Russia have long had a different monetary system apart from SWIFT.
- **Ripple is slowly revealed to be the new QFS** it was promised and hoped by many XRP and XLM long trusted believers.
- **It seems the time to flip the switch is very, very close.** For so long we have speculated and predicted scenarios that would involve the Event.
- **Russia seems to lead the way out of the Matrix** leaving behind the corrupt financial system, the media, the internet. Exposing the NWO, EU, US, NATO, the UN, CERN, the WHO, the CIA, the MOSSAD. All one big snake pit, full of dark connected to each other up the evil pyramid of the Elite. About to be taken down completely.
- **Russia is on it's way to implement the Free World outside the matrix of the Cabal that we have been trapped in for centuries.**
- **Exciting times.** Flip the Switch. Eyes open. To be continued with you reporting the other side of the news. ...WWG1WGA, the White Hats.

**K. Food hyperinflation begins in Germany; Riots in Sri Lanka; Starvation coming worldwide** - the timeline of what's happening with food scarcity and food inflation worldwide: [I cover all this in much more detail in today's Situation Update podcast. Find it here:](#)

- The first areas to be hit are the Middle East due to their geographical proximity to Ukraine and Russia.
- Western Europe will suffer the impact over the next 3-4 months, with food scarcity to be sustained for at least 18 months following.
- The United States, Canada, Australia and other nations on different continents will feel the effects in the second half of 2022, continuing well into 2023 and likely continuing through 2024.
- Importantly, **this provides a very narrow window of opportunity for North Americans to stock up on food before the scarcity strikes.**

**L. Mon. 4 April 2022 Nick Fleming: The Quantum Quotient:**

- **Those who are reading this message likely have “exotic currencies” and/or Government Bonds and are waiting for the Great Shift to launch.** This "Shift" is

analyzed to the nth degree, by notables and wise people, who have for years been sharing insight and comments in Telegram, online, in phone calls and through every possible medium. Quite a well-documented mythology has been created along the way.

- **All agree that there is a cultural "Great Shift" taking place** – from poverty to abundance. This cultural Shift is a 180° shift of a body's individual Right to Sovereignty and Abundance of all good things. What an incredible about face! Here is how Russian Foreign Minister Sergey Lavrov describes the situation: "A new reality is taking shape: the unipolar world is irretrievably receding into the past and a multipolar world is being born. This is an objective process that cannot be stopped, there won't be one single ruler in this new reality....Nobody on Earth will be considered a second-rate player. All nations are equal and sovereign."
- **All nations equal and sovereign, under what authority? The word, "Sovereign" defines the authority**, meaning to stand on One's good name, on the path established by One's forefathers and their good name, taking full responsibility/accountability for decisions, and subsequent actions for everything and every party involved in these actions. No government has authority over a Sovereign. A Sovereign must obey the Law of the Land. Sergey Lavrov here is speaking about the right of every nation to define the Law of the Land, as long as that law does not subvert or usurp an individual's Sovereignty. Additionally, he's speaking about the parity (of value) of each nation, as defined by their personal wealth, as adjudicated by a world governing authority. Will this authority remain the International Monetary Fund? Or will the Bank for International Settlements be involved? We have to wait and see. With the Great Shift underway every entity that existed previously may suddenly disappear including these two.
- **It has been discussed that the Quantum Financial System** analyzes and tracks the movement of money up to 50 moves. From start to extended delivery. It may be more than 50. This hasn't been mentioned lately. With the Quantum Intelligence managing software upgrades, the historic - forever tracking and movement of money may become exponentially viable. There's a nice thought. Assets delivered to every Sovereign nation state derive from one Source, the Global Collateral Accounts. This is as golden as it gets. The very basis of the assets moving in the new QFS is golden. Delivered into each qualified nation state to build up that nation's verified assets. This is being done to manage this very important "parity," and is now underway, putting an end to the 15 Trillion dollar a day markets trading currency. This will also equalize the cost of goods. No country will have an advantage over another. "Slave Labor" will end. It's unlawful under a Sovereign Nation State's Constitution.
- **This is the Great Shift, leading into a new Quantum Financial System, which can only hold true asset-backed currency.** Asset backed digital currency qualifies as a "currency". Preparing for this Great Shift with "exotic currencies" from inflated nation's, is the front-end benefit of this Great Shift. The back end is XRP. XRP is the bridge that links every nation's asset-backed-digital-currencies, to the world. XRP will be the

defacto standard in use in the US and North America. It will be monetized based on the assets it represents, like every nation state, representing the wealthiest nations in the world – Canada, United States, and Mexico. The full wealth of these countries defined by the in-ground assets (as verified by satellite Doppler scans and advanced testing), assets held in surplus, assets in the vaults/banks, and GDP. This will be verified by a globally recognized third party authority, which is irrefutable in the highest court in the world. With this verification and certification, XRP will become very valuable. This value will be publicly verified as unquestionable. XRP is Sovereign and incorruptible. The implementation of BASEL 3, immediately followed by BASEL 4, will clear the path for lawful banking in only a few remaining institutions, all providing “XRP bank account – for trading purposes.” Just like US dollar, or any other trade-able currency accounts, making the need for “soft banks” and “hard wallets” obsolete.

- **This “incorruptibility” of XRP and the tracking of the movement of money, is the death of the Cabal.** Seizure and confiscation of all assets for any entity found to be involved in or supporting the trafficking of drugs, of sex, of influence, of treasonous actions that harm the people will be facilitated under Executive Order 13818. There will be no escape. The wise White Hats have also made it possible to alert the “Authorities” on every (pending) illicit act. This very incorruptibility of XRP will bring down every sitting government in the world involved in corrupt acts, influenced by treasonous individuals to harm the population. This is what will be shown as occurring in the coming months, arrests and new governments formed all around the world. What an amazing feat!
- **Corruption on every level, on the Internet, on the street, in retail establishments, wherever money is used, will be ending.** The proof of value for every asset, including digital (as in bitcoin) is being established now. The proof of an assets value, as adjudicated and verified by the same authorities required for all currencies, digital or otherwise, will clean up a very messy system. This discussion is underway right now and expected to culminate shortly in a spotlessly clean house.
- **Thank you to the many White Hats** that are working behind the scenes, making this incredible time in history possible. Your reward will be the joy of billions of surviving innocents, ready to thrive in a safe, prosperous world, where everything good is now possible to achieve.

#### M. Red Pill Crusade: What is CIPS?

- **China's Cross-Border Interbank Payment System, or CIPS,** was launched in October 2015 to provide an independent international yuan payment and clearing system connecting both onshore and offshore clearing markets and participating banks.
- **Russia’s de-dollarization efforts meant that China and India** can help Russia skirt sanctions by jointly building an alternative global financial system.

- **While India currently does not have its own domestic financial messaging system**, it plans to link a service (Rupee-Ruble. Under the proposed system, the dollar or the euro could be used to determine how many Rubles would be equivalent of a Rupee, based on their respective value against the third currency.)
- **Currently under development with Russia's SPFS** (System for Transfer of Financial Messages, Russia's equivalent of SWIFT), which could connect with China's CIPS (Cross-Border Interbank Payment System, the Chinese version of SWIFT).
- **Once materialized, the linked systems would cover most parts of the world.** The global coverage of this alternative system could appeal to countries that are either vulnerable to U.S. sanctions or discontent about the U.S. dollar's dominance.
- **After putting these pieces together**, in my opinion, this is HOW and WHY the U.S. dollar will suddenly crash. IMO, this is "The Alliance's" plan to usher in NESARA/ GESARA.
- **The Alliance** is the following leaders working in tandem with President Trump & President Putin:
- **(China)-President Xi Jinping:** The Chinese Foreign Ministry said that China opposes illegal unilateral sanction on Moscow and will continue to carry out normal trade cooperation with Russia.
- **(India)-Prime Minister of India Narendra Modi** has developed ways to trade with Russia while bypassing sanctions. India has been exploring a rupee-ruble trade arrangement with Russia following Western sanctions on Russia.
- **(Brazil)-Brazilian President Jair Bolsonaro**, who visited Russian President Vladimir Putin in Moscow shortly before the Ukraine invasion, angered Western allies by saying he was "in solidarity with Russia" without elaborating.
- **(Saudi Arabia) Saudi Crown Prince Mohammed bin Salman.** As the United States and its allies stand united against the Russian invasion of Ukraine, Saudi Arabia is siding with Russia.
- **(North Korea) Kim Jong Un.** Pyongyang, however, remains a steadfast supporter of Moscow. DPRK Ambassador to the U.N. Kim Song was one of the only diplomats to speak out in defense of Russia's actions at the General Assembly on Wednesday, repeating recent North Korean foreign ministry statements that label the U.S. (The Biden Administration) the "root cause" of the war in Ukraine.
- **No wonder why President Trump** "Allowed" the Democrats to steal the election. This would of appeared to look very bad to the public if this all happened under President Trump.
- **In my opinion, after the collapse NESARA/GESARA** will be announced and new elections are required to be held within 120 days. By this time people will be begging for President Trump's return.

**N. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,”** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

**Jenny Hill’s witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#)** <http://www.youtube.com/watch?v=F626Lsrdwg4> **Judy Note:** YouTube has fixed these links so they don’t work. I suggest you goggle to connect to the link, or better yet use DuckDuckGo.

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan appeared to be organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It’s no wonder that President Trump has stated, “These people are sick.”

#### **O. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

**Since 1990** I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses to pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff’s offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There’s certainly no help from US or other nation’s government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily get away with the torture and murder of thousands of children on a regular basis.

**P. The following have been set up to report Crimes Against Children and incidents of human trafficking,** although I cannot verify as to the influence of Satanists within the organizations:

**Q. The Global Currency Reset and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who were right now being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**R. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.*

*After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for 90 days, so I will be going silent and taking those 90 days to get my humanitarian project organized and going.*

*This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
