“Love, the Greatest Commandment”

[June 12, 2022- #4839 Music & the Spoken Word \(thetabernaclechoir.org\)](https://www.thetabernaclechoir.org/june-12-2022-4839-music-the-spoken-word)

When we feel love for God and from God, He helps us know how to extend that love to His children, our neighbors. Despite our deepest differences, we all share the same basic needs: not only for safety, shelter and sustenance, but also for belonging, purpose and love.

Where is love? It is found whenever we open our heart to someone else, whenever we put the needs of others before our own, whenever we set aside prejudice and listen.

Where is love? It's in each of us as we love God and love each other.

Judy Note:

Global Currency Reset

- **According to Bruce**, the Whales have exchanged their Crypto into Digital Currency. Some Bond Holders have received their liquidity, with the rest to have full access to their funds on **Sun. 26 June**. Tier 4B would go right after the Bond Holders.
- **According to Fleming**, the Central Bank of Iraq was revaluing the Dinar at a Street Rate of \$3.22 and it was expected to quickly float up to \$17.00. Allowing the Iraqi Dinar to revalue established a domino reaction. Iran, Israel, Saudi Arabia, and every Middle Eastern country would be scurrying to catch up.
- **Reminder: No one, and I mean Absolutely No One** knows the exact time and date that the Global Currency Reset would be finalized, with codes entered for notification of Tier 4B (us, the Internet Group) to set redemption/ exchange appointments – it dependent upon an earth shattering Event. **The exact deadline** would be decided by the Military out of calculations of their Quantum Computer and based upon concerns for safety of The People. **Trust the Plan.**

C. A lot was happening in plain sight and behind the scenes that was setting a stage for a planetary revolt against the Cabal System. WWG1WGA, White Hats.

- **The Military was on High Alert** awaiting a Stock Market Crash and Riots in major cities over Roe vs. Wade and Gun Rights Supreme Court decisions. Food and Goods Shortages and release of Durham Report were imminent.
- **Emergency notifications** will be by Phones, TVs, Radios, Internet that override other broadcasts.
- **Military on High Alert:** Riots Expected in at Least 40 Major US Cities by Sat. 25 June. You are Urged to Stay Away From Large Cities, especially Philadelphia
- **There was evidence that Biden was a fake president**, the elections were rigged, Trump never left and the White Hats had control.
- **“Big Pharma sets the agenda, and therefore the curriculum, for medical schools and universities. The pharmaceutical industry has a stranglehold on both medical schools and government”** says Ildefonso Hernandez, former director of Public Health of Spain and Dean of Public Health at the Miguel Hernandez University of Elche.
- **Roe versus Wade** has been overturned, with the decision on abortion turned back to The People in individual states.
- **Jane Roe aka Norma McCorvey was a drug addict who lied about being raped** as the plaintiff in Roe vs Wade. August 10th, 1995 ABC News Nightline.
- **The Satanic Agenda of killing babies and selling their tissue and body parts** through Abortion Clinics and corporations just automatically ended in several states. Several other states were now creating their own rules and laws (Power given back to the people and local govern system). This evil operation of killing life systematically through Deep State agendas is coming to an end.
- **The Biden Regime** was falling apart.
- **The Cabal-owned Central Banking System** was in free fall.
- **Corruption in US Judicial System Exposed with “Barbie and Ken vs. IRS Goliath” Case – prosecuted by Utah County Attorney David Leavitt, who was under investigation for the Satanic Ritual Abuse of Children. Fri. 24 June**, Charlie Ward interviews Ken Cromar: <https://rumble.com/v19q7sg-we-are-on-an-assignment-for-the-lord-fighting-the-system-with-ken-cromar-an.html>
- **Foreign countries** were rejecting Biden for invites.
- **The Ukraine Deep State Money Laundering system - US Inc. Bio-weapon Labs** have been exposed by Putin's recapture of Ukraine from the Cabal's Nazi Regime.

- **Countries continue to wake up** and turn on Bill Gates and Fauci Deep State Agenda.
- **The two year exposure of the Plandemic** is happening, with several news agencies questioning the CDC, Fauci, Gates, WHO and Davos Group.
- **It is trending that Bill Gates** is a terrorist.
- **Several senators** have spoke up publicly, in senate hearings and TV against the Great Reset.
- **Worldwide from Australia to the Netherlands**, politicians have publicly brought attention to the fake and planned Plandemic and US 2020 Election Fraud.
- **Over ten Secretaries of State** were positioned by and follow Q.
- **The Disney Corporation** lost half its capitalization in just over a year. In March 2021, their stock closed above \$200. It is now worth less than a hundred. In recent years, Disney has been buying out everyone's favorite franchises and spoiling them by pumping the Left Agenda. Now its stock is going down. The company seems to have somewhat underestimated the conservatism of American society

D. Global Financial Crisis:

- **The European Union Is Again Close To A Meltdown:**
<https://www.zerohedge.com/geopolitical/european-union-again-close-meltdown>
- **Celsius Network, which has paused Crypto withdrawals for weeks**, has hired advisors to prepare for bankruptcy.

E. Riots and Demonstrations:

- **Arizona:** Dems pause January 6 hearings to start insurrection at Arizona's Capitol.

G. The Ongoing Need for Revolutionary Free Energy Tech: <https://gvinstitute.org/the-suppressed-revolutionary-free-energy-tech/>

- **Foster Gamble of Thrive project fame will have a conversation with George Wentz, about the latter's renewable energy incubator.** On the website for that project, there's emphasis on all the alt energy usuals - solar, wind, geo-thermal - along with a dash of swash-buckling fossil fuels exploration. Yawn.
- **However, there's also mention of plans to develop Nikola Tesla's wireless electrical transmission tech,** which Tesla used in the 1930s to power an automobile - one retrofit with an electric motor - by sending the power wirelessly from his Wardenclyffe ZPE (Zero Point Energy) generator.
- **While getting that technology out** will definitely be a step in the right direction, what's really needed is:
 - **a) Getting out the suppressed ZPE tech, operational within the SSP and M-I black budget sector for nearly 50 years, to convert the global transportation fleet to electric motor powered free energy tech.** Unlike today's Tesla vehicles, such will never need to be plugged in to the planned 5G IoT carbon tax peasant control "Smart Grid" - not need expensive and problematic battery tech - and can deliver shared abundance and environmental health in ways neither the Tesla Motors nor FEVCV tech ever can or will.
 - **b) The greatest source of ocean pollution involves container ships** burning fuel oil, a huge but little known source of global pollution. Most of those diesels can be converted to advanced electrolysis (water as fuel) technology of the Stan Meyer genre.
 - **c) Cold Fusion has been operational in the black budget M-I sector for decades, developed by the likes of Lockheed.** Eugene Mallove was killed two decades ago to prevent such disclosures. Cold Fusion should be fast-tracked across the global grid electricity landscape to swap out its fossil fuels dependence - grid electricity is produced by burning natural gas and coal to fire steam turbines - enroute to more decentralized electricity distribution via more effective off-grid power plants and new distributed power networks.
- **While meaningful progress on the suppressed E&T (Energy, Transportation) tech landscape** has gone nowhere past twenty years, victory will nonetheless soon be ours. The Cabal powers that were - long holding the lid on major progress - have recently been decimated to the point that they're incapable of stopping breakthrough energy progress which, happily, will also mean game over for the ridiculous Big Al Little Greta climate change road show.

H. "Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities," by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped,

tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

I. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

J. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within these organizations:

K. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

L. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing*

truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
