There are post office boxes to mark it off along with a gated fence around it and a plaque stating that it belongs to the city of London. N. White Hat Dark to Light Post from Aug 2020 on Child Trafficking: How A Centuries Old Crime ACTUALLY Starts (And Never Ends) – the Real Life Story of Marc Dutroux aka ‘The Monster of Belgium‘ who was a professional Child Trafficker.

- **This is why there is a fire at the WTC in Brussels.** This article is a reprint from the story in its entirety from where it appeared in the FB Group Murder, Crime, Paranormal and Conspiracy from a poster named Azz Cazz because it’s critically important the content found within is shared as far and wide across the world as possible.
- **All of the intel is verified and you can verify too at the various links found at the bottom of this article.** Please search the links and Google verify everything for yourself. As a warrior of light and a conscious way-shower of resonant and coherent TRUTH frequencies, I CAN NOT ALLOW those who have held us back for millennia to get away with this any longer. I ask you to also share this article on your social media so that more people will become aware. The story I’m about to tell you is true. Perhaps the most intriguing part of this story is that every single person reading this post – every single one of you – was alive when this story became news in 2004. That fact is intriguing because everyone reading this post has either never heard this story, or forgot about it (I’m betting on the first one, because it is truly unforgettable). Furthermore, once you hear this story in its entirety, I can promise it will be seared into your memory forever.
- **Our main character is a man named Marc Dutroux.** He was born in Belgium in 1956. He was twice convicted of kidnapping and raping underage children. The first time was in 1989. The second time occurred in 1996. That was not a typo – you read that correctly. He was convicted and served a (much too brief) sentence in 1998. He served only 3 and a half years of his 13 year sentence because he was released for good behavior. Less than 10 years later, he was arrested again on the same charges (different victims).
- **In the second round of charges,** he was convicted of kidnapping, torturing and abusing victims, some of them to the point of death. What I am about to tell you comes from the statements made by his surviving victims (called the X Files), Marc Dutroux himself, and evidence from law enforcement. I’ve also added references/citations at the very end of this post.
- **Marc confessed to kidnapping, raping, drugging, torturing and filming children for many years.** He also claimed he was doing it at the behest of a political elite who financed his career as a professional trafficker. Not only did this political elite finance his efforts – they made specific requests of him. Sometimes they requested specific types of children (they were called “party favors” and he was asked to deliver kids of certain age, sex, race). Sometimes they requested specific means of torturing the children to fulfill their desires (orgies, satanic rituals involving sacrifices, torture games). And sometimes

they requested he film certain influential people engaged in these acts, for later use as blackmail.

- **He claimed many of his customers and financiers were world leaders.** This was not a stretch of the imagination because he lived in Belgium, where the EU and NATO headquarters were located. Did this fire have anything to do with the United Nations covering its tracks!? This statement was also corroborated by victims who were able to identify specific politicians.
- **Anneke Lucas was one of his victims** who testified against him. She claimed she was 6 years old when the cleaning lady hired by her mother sold her to the pedophile network in 1969.
- **Her claims were extraordinary:** She was raped over seventeen hundred hours before turning 12 years old. She was 6 years old when she was forced to participate in her first orgy, which included wearing an iron dog collar and eating human excrement. She would actually be delivered back to her parents from time to time. However, her parents themselves were complicit in the crimes and always sent her back to her abusers. Torture included being strapped to a butchers block used to execute other children. Other victims were forced to torture her for hours as part of their initiation. She was considered attractive and that made her preferred by her abusers. She claimed that she tried to use that to her survival advantage to the best of her ability, but by the age of eleven, she had become so broken that she was slated to be executed and disposed of. She said she was saved when one of her abusers negotiated for her freedom. That abuser would later sit as a defendant in the trial.
- **Other witnesses and victims would soon come forward,** describing such things as “Black Masses,” with child and adult sacrifices taking place in front of observers and participants, which included prominent politicians and figures.
- **This would be corroborated by a note found by police** at the house belonging to Bernard Weinstein—a man who previously worked with Dutroux, but whom Dutroux had murdered. The letter contained very specific requests for certain types of victims for satanic sacrifices. The letter was signed by a man who called himself ‘Anubis’. It turned out ‘Anubis’ was the high priest of a satanic cult called ‘Abraxax’ whose real name was Francis Desmet.
- **Police obtained a warrant and seized computers,** documents, mail, actual human skulls, jars of blood, and all sorts of Satanic items – but none of this was enough to make an arrest.
- **As the Dutroux trial went public,** other victims stepped forward and confirmed the testimony, offering up descriptions of sexual abuse and human sacrifice. They also described “hunting parties” where elites would release naked children into the woods to hide, so that the elites themselves could hunt them down and slaughter them.
- **Many of the stories from victims** contained so many similarities, they were impossible to deny. For example, the hunting parties were often held at castles, where victims could

not escape and were hidden from the public eye. Those not killed in the hunt were usually chased down and mauled/killed by Dobermans.

- **All of these victims echoed the testimonies of other**, older survivors of ritual Satanic abuse from around the world.
- **It is also notable that Dutroux owned 10 homes valued at 6 million dollars.** It is also notable that Dutroux was not employed. It is also notable that Dutroux received \$1,200 per month in public assistance. It is also notable that documents released by Wikileaks show large sums of money in various currencies were deposited into his wife's bank account. It is also notable that those deposits coincided with reported kidnappings and missing children reports.
- **It is also notable that before his removal, Judge Jean-Marc Connerotte** was on the verge of publicly disclosing the names of high level government officials who had been recognized on video-tapes of sexual torture that took place in Dutroux's dungeon.
- **It is also notable that 20 potential witnesses** for this case have died without explanation.
- **Does any of this sound familiar?** Are there any headlines today that sound like history is repeating itself? Guys, not one single thing in this post is theory. It's all proven and on record. You see the picture attached to this post? That is an image of hunting games. They're paintings that people like Tony Podesta buy, and hang in his home, and invite others over to enjoy.
- **We all know Jeffrey Epstein** was a sicko who had friends in high places – the same friends that hang out with Tony Podesta. You think Epstein was the only one? That he's somehow unique? Or was he the low level one they were willing to sacrifice to protect everyone else involved at a higher level?
- **Do you realize now that when it comes to trafficking, Satanism, pedophilia, human sacrifices, organ harvesting, Adrenachrome – that it is art imitating life?** That these people who are so obsessed with the art that glorifies these things might actually, themselves, be engaged in these things?

O. NESARA, White Hats: U.S. President Bill Clinton Signed NESARA into law on **October 10, 2000** (but never implemented it).

- **Let us consider what happened with the creation of the National Economic Security and Reformation Act (NESARA).** The Act was passed by the United States Congress on March 9, 2000 and then sent to President Bill Clinton for his signature.
- **President Clinton signed NESARA into law on October 10, 2000**, and it was to be announced (enacted) the morning of Sept. 11th, 2001 (Remember what happened on that date at the Twin Towers in New York City?).
- **At that point NESARA, as with any legislation so acted upon, became a “law of the land”, but wait a minute!** No one wanted to enforce it. Why? No one wanted to enforce NESARA because this law required the physical and permanent removal from their

government positions of all those, who were treasonous. Those, who had deliberately acted outside the Constitution of the Republic, had committed treason. Those who were treasonous included the United States president and vice president, the presidential cabinet, all members of Congress, various government departmental heads, all fifty governors of the fifty states, judges and others.

- **To hide NESARA from public view and, thus, to prevent its enforcement by popular demand, the United States Supreme Court placed a gag order on all public officials, the United States military, law enforcement personnel, bankers, attorneys, judges, the media and anyone else, who knew about NESARA and, who might give information about NESARA to the public.** If the people learned the Truth about NESARA, they would demand its enforcement. This could not be allowed.
- **Establishes new Presidential and Congressional elections within 120 days of GESARA's announcement.** Allows the new Republic of the U.S. to temporarily govern the country's affairs until fair and legal elections can be held.
- **International Monitors** will be present to prevent illegal voter ballot stuffing or fraudulent election activities of special interest groups.
- **Eliminates all "states of emergency"** thus declaring peace for every land abiding by GESARA and it's alliance.
- **Allows the new Republic to physically remove** or eliminate any obstacle impeding GESARA law.
- **Ceases all aggressive U.S. government military** action worldwide.
- **Forces the U.S. military to immediately remove troops** from all sovereign nations that no longer willingly accept them to reside on their soil (including Iraq, Syria, Afghanistan, Philippines, etc.).
- **Initiates new U.S. Treasury Bank System** in alignment with Constitutional Law.
- **Creates a new U.S. Treasury rainbow currency backed by gold,** silver, platinum, and precious metals, ending the bankruptcy of the United States initiated by Franklin Roosevelt in 1933.
- **Eliminates the Federal Reserve System.** During the transition period, the Federal Reserve will be allowed to operate side by side of the U.S. treasury for one year in order to remove all Federal Reserve notes from the money supply.
- **Restores financial privacy.**
- **Establishes peace throughout the world** as monitored by the United Nations Security Council.
- **Releases unprecedented prosperity funds** in a "share the wealth redistribution program" for every individual on Earth as well as the release of enormous sums of money for humanitarian purposes across the planet. This means that every human being could become a multi-millionaire instantly without debt of any kind. This is in alignment with the Global Currency Reset & Revaluation (GCR-RV). Q. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities,” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](http://www.youtube.com/watch?v=F626Lsrdwg4) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

R. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims, who were witnesses and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

S. The following have been set up to report Crimes Against Children and incidents of human trafficking, although I cannot verify as to the influence of Satanists within these organizations:

T. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

U. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites. It is my understanding that by linking into the Safe Link Website it will generate a Non Disclosure Agreement to sign in order to obtain redemption/ exchange appointments.

After signing that Non Disclosure I will be unable to email, post or talk to anyone about the exchange process for at least 90 days, so I will be going silent and taking that time to get my humanitarian project organized and going.

This is not a goodbye. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
