**Judy Note:** It was my personal opinion that there would not be a US Midterm Election. The Dems don’t want it because they know they were going to lose power in the Senate and House. They were desperately trying to create a Nuclear World War in Ukraine (and blame it on the Russians) so the 2022 Midterms wouldn’t happen.

On the other hand, the Republicans don’t want the Midterm Election because they know it was just another fixed election. Many states were still doing the mail in ballots which couldn’t be verified and they were using the same corrupt voting machines that threw the 2020 Election.

The other factor was that there were strong rumors that the Dems would arrest Trump on Wed. 26 Oct. – which was actually something Trump and the Alliance wanted because with that and the impending Nuclear War coming out of Ukraine, it would give them an excuse to implement Martial Law, activate the new Star Link Satellite System and enter into Disclosure Big Time.

Things were finally coming to a head.

#### A. Global Currency Reset:

- “The Quantum Financial System went Live on **Thurs. 20 Oct.**”... Dr. Charlie Ward, Spokesperson for the QFS.
- **On that same Thurs. 20 Oct.** Dubai 1 funding was released. ...a High Up Contact
- **The next day on Fri. 21 Oct.** the BRICs Portal was turned on, allowing the Chinese Historic Bonds to be paid out in full. ...Ward and a High Up Contact
- **The day after on Sat. 22 Oct.** some Tier 3 Bond people began to be paid out, which appeared to be continuing as of **Wed. 26 Oct.** ...Various sources
- **By Thurs. 27 Oct** Dubai 1 would be fully paid out and funding from Dubai 2 would be released – (making it a “go” for Tier 4B (Us, the Internet Group) to set exchange and redemption appointments). ...a High Up Contact
- **Bruce: On Sun. 23 Oct.** certain classes of Bonds started to be processed including the Golden Dragon Bonds. The Yellow Dragon Bonds were paying out **Mon. 24 Oct.** The German Bonds would pay out on **Wed. 26 Oct.** There were bonds being processed out of Reno, Texas and Geneva. Their goal was to finish Bonds processing by **Thanksgiving.** **Bond Holders** expected to have access to their monies by **Thurs. 27 Oct.** **High up sources** were saying we in Tier4B should be notified to set appointments before noon on **Wed. 26 Oct.** and could set exchange/ redemption appointments on **Wed. or Thurs. 27 Oct.**

#### B. Opinion of a Source on Tues. 25 Oct:

- “**From all the info and contacts,** I do believe that starting **tomorrow (Wed. 26 Oct.)** with the arrest of Trump, Biden will be removed for incompetence (mental issues) and because V P Kamala can’t take over the duties of President (according to the contact), Pelosi will be US President for a short time.
- “**While all this is going on,** China will attack Taiwan and it is game on WW3 Nuclear scare! This will get crazy for a bit.
- **All the major arrests** will happen now!
- **Sometime soon** we will get Martial Law.
- **So, keep everyone you know:** friends, family, neighbors, coworkers, etc, calm and non reactive to what is about to happen.
- **Remember this is all orchestrated by the Alliance/ White Hats** and is being done to wake everyone up, make mass arrests and start the changeover of all our systems: financial, energy, medical, judicial, etc.

- **According to my contacts**, it will get really confusing and scary for most, so just hold the line, don't panic, have food, water and some cash on hand and check on all the people you care about and your neighbors.

Their goal was to finish the Bonds processing by **Thanksgiving.**
- **Bond Holders** expected to have access to their monies by **Thurs. 27 Oct.**
- **\$24 sextillion** was being processed today and tomorrow **Wed. 26 Oct.**
- **High up sources** were saying we in Tier4B should be notified to set appointments before noon tomorrow **Wed. 26 Oct.** and could set our exchange/ redemption appointments on Wed. or **Thurs. 27 Oct.**
- **In Iraq** certain transactions were taking place and the Dinar Rates were moving up. Iraqi citizens were able to exchange their Dinar even here in the US.

#### E. Election Fraud:

- **U.S. DNC** trying hard to send \$50,000,000,000.000 Billion to Ukraine before the **ELECTIONS**
- **There is no accounting** of the U.S. Taxpayers money for the spending in the UKRAINE WAR.
- **Congress did not authorize the Army 101st Airborne division** to go to War assist RUSSIA. The U.S. Military troops there do not get their Special incentives and higher wages for being in a War that is not authorized by Congress.
- **As the Elections loom**, both sides of the parties are already blaming each other for cheating and the same old election dominion machines are being reused.
- **MSM DNC party issues warning to Left voters** they may see violence at voting areas from the far right. (They are setting up for stay at home mail in ballots).
- **Project Veritas Catches Katie Hobbs' Sister Disclosing Democrat Scheme to Alter Elections:** "So all across the country, Democrat candidates, not candidates themselves, but the party was putting money in primaries into the races of the extreme Trump-endorsed candidates," stated Becky Hobbs as the lady sitting next to her gasped in shock. Becky continued. "... as opposed to the moderate Republicans that were running because they wanted those extremists to win because they know that the Dems had a better chance of winning their races against the extremist candidates than they did against the moderate Republicans."

#### F. Ukraine Nazis vs. Russian Liberation Army:

- **The US Military Brigade in Ukraine** was training and using weapons including drones to lead ground forces in Ukraine. Escalation in the past 48 hours was at an all time high.

- **As the U.S. deployed Troops from several U.S. bases** (U.S. soldiers were being deployed globally into Ukraine, Middle East, Taiwan). Now there were heavy Boots on the Ground in Ukraine as the Biden, Obama Clinton, Soros, Davos UN NATO Deep State Regime used the US Military in a proxy war that was leading direct to open War with Russia.
- **Under the cover of night over Germany Flight Trackers** off U.S. Military enters Ukraine with several German Units and land near Polish military securing Western fields.
- **As the MSM WARNS OF RUSSIA to use dirty nuclear bombs** RUSSIA also warns the west is going to use Dirty nuclear bombs.
- **Reason for the upturn in US Military force?** Putin has begun Military Tribunals in Donbas regions against hundreds of scientist, politicians, soldiers, military commanders and high Elite bankers for their roles in Biolabs, money laundering operations through Biden, Obama, Clintons and UN.
- **In the past ten years most Nuclear Weapons have been dismantled through USSF technology** and Air force operations with advance technology using 5g (5g is both good and bad depends who has control) and Particle weapons. Now only a few secured nuclear weapons exist and that's why [they] want to use a nuclear bomb in Ukraine and resort to using nuclear dirty bombs to contaminate a very important areas that has all the papers, current servers and proof of Deep State Cabal Operations in Ukraine.
- **That's the reason Putin arrested hundreds of not thousands for Military Tribunals** that will later connect to U.S. Military tribunals.
- **The Deep State** intentionally put U.S. forces in Harm's Way (RUSSIAN FORCES) to create a sacrifice effect and drawn in more U.S. FULL MILITARY BACKING in the FALSE FLAG STAGED EVENT. They purposely want U.S. forces to be killed to drawn attention and want dirty Nuclear Bombs to go off to spread contamination. A Nuclear Event could also stop Elections before, during or after the days of ballot counting confirmation.
- **The world DEEP STATE AGENDA hinges on the control of CONGRESS.** If they lose the house, they lose the MONEY. They lose the cover-ups of the FBI DOJ CIA PENTAGON, Biden Obama Regimen.
- **When the they lose control of the U.S.** all exposure comes falling down of their corruption connected to world Deep State Military Intelligence operations that protect them and all other countries especially the EU will be directly affected by the chain events in the loss of the control of U.S. Congress by the Deep State.

- [12 Reasons Why It Is Impossible For Any Rational Person To Be Optimistic About The U.S. Economy At This Point](#) By Michael Snyder
- **Things haven't looked this bad for the U.S. economy since 2008.** We are in the midst of the worst inflation crisis in decades, the housing market has started to collapse, some of the largest companies in America have begun laying off workers, and economic activity is slowing down all around us. Of course Joe Biden is telling us that our economy is "strong as hell", but that is just because he wants his party to do well in the upcoming elections. Ultimately, anyone who takes a truly objective view of things is forced to admit that the outlook for the months ahead is incredibly bleak. The following are 12 reasons why it is impossible for any rational person to be optimistic about the U.S. economy at this point...
- **#1 According to a recent Gallup survey, two-thirds of Americans believe that economic conditions are getting worse.** When such a large proportion of the population starts behaving as though an economic downturn is coming, that actually makes an economic downturn even more likely. So many Americans are starting to hold on to their money more tightly, and that is having lots of ripple effects.
- **#2 The second largest auto lender in the United States just announced that it "saw charge-offs for retail auto loans quadruple in the third quarter".** We are also seeing credit card delinquencies start to rise. We certainly aren't at 2008 levels yet, but we are moving in that direction.
- **#3 Cargo traffic at the Port of Los Angeles just declined to the lowest level that we have seen since the early days of the pandemic.** As I noted earlier, economic activity is beginning to slow down all over the nation. One recent survey discovered that 98 percent of corporate CEOs believe that a recession is coming, and those CEOs are behaving accordingly.
- **#4 Major retailers such as Walmart and Target have been canceling billions of dollars in orders** as they seek to cut back inventory levels. In all my years, I have never seen our largest retailers cancel so many orders just prior to the holiday season. Are they expecting the next couple of months to be a total bust?
- **#5 Existing home sales just fell to a 10-year low.** We all knew that the housing market was going to implode once the Federal Reserve started to aggressively raise interest rates, but at this point that implosion is happening faster than most of the experts had anticipated.

- **#6 U.S. homebuilder sentiment has declined for 10 months in a row.** That is a brand new record. I really feel sorry for you if you are a homebuilder or if you work for one. The months ahead are not going to be pleasant for you.
- **#7 60,000 real estate deals were called off in the month of September alone.** I was stunned when I first saw that number. All over the country buyers are realizing that they agreed to pay too much and are feverishly trying to back out of deals while they still can.
- **#8 Mortgage demand has plunged to the lowest level in 25 years.** Things never even got this bad during the downturn of 2008 and 2009. To me, this is a really troubling sign.
- **#9 Ian Sheperdson, the chief economist at Pantheon Macroeconomics, is projecting that home prices could fall 20 percent over the next year.** Hopefully that will not happen, but there is also a possibility that they could fall even further than that. We will just have to wait and see how rapidly this new crisis plays out.
- **#10 U.S. diesel inventories have fallen to the lowest level since 2008.** This is something that we will want to watch very carefully, because the U.S. economy runs on diesel.
- **#11 The core consumer price index has just surged to “the highest level since 1982”.** Even though the Federal Reserve has been on an insane rate hiking spree, our inflation crisis continues to rage out of control. And as prices continue to soar, our standard of living is being absolutely eviscerated.
- **#12 A model created by Bloomberg economists Anna Wong and Eliza Winger indicates that there is a 100 percent chance of a recession within the next 12 months.** Of course it is entirely possible that their model could be wrong. But without a doubt this is not a good sign.

#### L. Fulford Report Mon. 25 Oct. 2022:

- **HMM is now also trying to hide evidence by destroying vaccines.** The puppet HM Macron destroyed 30 million Covid vaccines worth 522 million pounds, and the Swiss threw away 10.3 million doses. It won't save them. <https://is.gd/QOvfXo>
- **China's Borders Closed to Keep in Kabbalists:** Xi Jinping's coup attempt failed. "It was done by Soros and those guys. China's borders are now closed unless you have a business visa. This is done so that all Kabbalists do not leave the country. According to a source in Chinese intelligence, now they will all come together. The official Xinhua news agency refers to this purge by writing: "An overwhelming victory was achieved in the fight against corruption, and it was consolidated in all directions."
- **The real Xi Jinping said that China has fulfilled its 100-year plan to eradicate poverty** and ensure moderate welfare for all. The next 100-year plan is to make everyone moderately rich in harmony with nature. Xi Jinping also promised to support "the common values of humanity, such as peace, development, justice, equality, democracy and freedom, as well as promote mutual understanding and establish closer ties with other peoples."
- **Xi Jinping also noted that "China resolutely opposes all forms of hegemonism and power politics,** cold War mentality, interference in the internal affairs of other countries and double standards." This will certainly affect the UN, where Russian officials note that "the US is using blackmail and arm-twisting to make the UN a branch of its State Department." In other words, vote with the US or you will be killed, that's what the slave delegates at the UN were told. <https://tass.com/politics/1522545>
- **The Russians and Chinese, along with MI6 and the Pentagon's "White Hats,"** support the replacement or renewal of the UN and other post-war international organizations dominated by the United States. They also support the creation of a future planning organization to chart possible paths for the future of humanity.

- **Project Bluebeam Space Program** continues to operate at full capacity. The Pentagon recognized that they have found "extraterrestrial vehicles not made on this Earth." <https://is.gd/nGMbED>

**Jenny Hill’s witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc’s CIA, Queen Elizabeth’s, Illuminati Banking families’ and Vatican’s Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It’s no wonder that President Trump has stated, “These people are sick.”

#### **Q. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

**Since 1990** I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff’s offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There’s certainly no help from US or other nation’s government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**T. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
