Jared Rand's Notes 11/9/2022 Conference Call Very Important Notes:

-) The Election was the “kick-off” of the Transition of the Planet or entering into “Phase # 2 operation”! This is it being public.
-) President Trump will make a “Big-Announcement” On or Before November 15th!!
-) The Big-Announcement is the return of “The Republic of America”. This is the “Original Constitution” government in 1776, and NOT the corrupt Deep State “Corporation”. The deep state has a Supreme Court or the corporation. The Deep State government is out of money & cannot operate!
-) The announcement will NOT be about President Trump running again.
-) We have two Supreme Courts: the one that is under “The Republic” that declared the 2020 Election Null & Void! This Mid-Term election will be done the Same, NULL & VOID!

-) There was again much-cheating in this election too, even though there is a Big Red-Wave and the Republicans won both the House & will be finally in the Senate, by a few seats!! By a hair, that is.
-) The Alliance plan was to stop these elections too, but in the last minute decided to do them.
-) Probably in the next 3 to 4 days, the announcement will be made! Expect things to really start to engage by 11/11/2022.
-) We are operating in a military government, there has NOT been a session in Congress for TWO years! The White House has NOT been occupied since President Trump left Washington. The Corrupt and NOT “for the people” Federal Reserve & their building in Washington is boarded up.
-) The military will shut-down the fake MSM and do the public EBS (Emergency Broadcast System) at some point soon. The military will be activated nationwide for upset groups going “out on the streets” and will be shut-down, by the military.

Message from God: What You Need Now? Excerpt:

“Beloved Human Being,

slowly you understand how important you are, slowly you realize that it depends on your contribution in this great cosmic and final game on Earth. Without you, the ascension cannot succeed, without you, nothing will happen that will change the world for the better.

So, take even more courage to stand up for yourself and for life – wherever you can and wherever you are called upon. In doing so, rely completely on the guidance of God, who I am.

You no longer need a guru, earthly masters or so-called saints. What you need is the awareness of your inherent strength, power and strength.

Then your life will happen the way you intended it to happen before you were born.”

Why do some elections take more than a day to count?

Can cheating be done after the polls are closed? Who controls the pollbooks?

Who controls the databases? Who controls the elections?

Why are extra ballots printed?

If someone doesn't vote, can bad actors hijack their vote? How? Why did the National Guard activate cybersecurity teams?

Who gave the order to 'activate' the cybersecurity teams? Why? To protect the elections?

To claim the midterms are 'safe'? Safe from what? Setting the stage? Watch carefully.

White hats have secured many systems, but problems still remain.

You have all the tools you need.

Vote.

“Mike Quinsey’s Higher Self: Ultimate Purpose Excerpt:

Preparations had to be made for the introduction of new technologies that will make life much more bearable and easier for you all.

You presently worry about how you are going to survive the rising costs of living through the hard times ahead and you will of course, because humans are very resilient and hardy and know how to get through such times.

Whatever effort you put in or sacrifices made it will be worth it to establish a better way of living that will result in peace upon Earth.”

The 9D Arcturian Council: The November 11th (11/11/22) Energies Excerpt:

“We are very happy for humanity, as you have this wonderful time to exist there on Earth. You are now at a time where you can already feel the opening of the November 11th portal, and we want to tell you a little more about the energies that are coming in through that portal that are coming in to support you in your spiritual evolution. These energies are for connecting you to both higher-dimensional planes and higher-vibrational beings and collectives, and they are for connecting you more to yourself, connecting you

within your own self to who and what you really are as a Source Energy Being.

These are incredibly powerful energies that you are in the midst of already and that will reach their peak on November 11th.” \

Earth, El Morya, Mary, The Arcturians: Ascensionary Change Excerpt:

“November 2022 will usher in powerful portals of Ascensionary Change. The Blazing Heat and Blazing Trails of the Alchemical Fire that blew through the 8:8 Lion’s Gate and that has journeyed with you through Red October 2022 *will continue to escort all of Humanity* into the Deeper Awakenings that must rise now in November and December 2022. 2022 is a God Jubilee Year. And as such, the clearing of all debt (financial, emotional, physical, spiritual, mental, karmic, etc.) must stream through the ethers and wipe out all of the old enslavement programs, tools, propaganda, and all manner of control mechanisms that have usurped God’s True Creation in this 3D Inserpented Underworld of Creation. Hell has been the lived experience of this 3D Realm, where humanity has lived through the Deepest Spells of Separation Consciousness. Spells of Separation from Source, from the I AM Consciousness, and from the Living Light of Sacred Union on all levels of your being . . . must now come to a close. For God/Source/Creator is clearing the way for the Christ Light Codes to Return to the Hearts of All on your world in these times. To do this, all that wrecks of Serpent Manipulations, Perpetrations, and Control Mechanisms that keep the Human and Sentient Collective in their Spiritual Amnesia and Unconscious Collusion with the Serpent’s Illusion and Matrix will crumble. You are seeing more and more evidence of this every day, and even the sleepers can no longer deny that the Earth is being shaken. That the core corrupt structures that have ruled your world for thousands and thousands of years are being shaken. *And more will shake and quake in November 2022.*”

The Federation of Light: Going with the Flow Excerpt:

“However, ... when the ‘shift hits the fan’ ...
I have taught you well, Grasshoppers!

We have a good teacher.

Well, thank you. Just keep it clean, that’s all I ask.

**‘DISCLOSURE OF TRUTH, AS WE SAY, IS
METICULOUSLY PLACED FOR A REASON.**

Yet, rest assured ... **ALL IS IN ORDER’.**

To continue ... When the Truth explodes, you shall find yourselves reaching levels of understanding **OF SELF** that ‘blow your mind’. As if you have been ‘switched on/up’ to a recognition of Light that is so new and yet, so familiar.

Do not think for one minute that you have nothing to give.

For we tell you ... **ALL THAT YOU ARE** ... will be put into use.

Many of you ... will find/are finding ... residential moves are necessary. For you are to be where your Light is needed most. You will be assigned to your posts, so to speak.

Wherever you are, you will **ANCHOR YOUR LIGHT** more deeply into the core of Mother Gaia. As if she is the ‘mother board’ so to speak, and your Light charges her Energy to a degree that is necessary for her to Ascend ... when the time is correct.”

Ted Mahr with Suzy Ward Conference Call 11/6/2022:

Ted went to a high school in Washington state and handed out information on how harmful the vaccines were. Still that high school had 14% death rate of the students who received the Shots. In the elementary school in the same district it was 9%

Ted says that about 44 million people now have died from the shots in America.

Ted stated that the 97 % of the mother who got the shot while pregnant; their baby was still born.

Suzy Ward stated they had Galactic agents in Biolabs and Big Pharma companies worldwide to lessen or decrease the vaccine death rate, by taking some things out. The Nano technology was basically or mind-control was disabled.

The vaccines were made before the Lab-Made Covid-19 was ever released.

The People who knew the vaccines would do harm, will go to trail and be executed. We cannot have these types of people in the New World.

The CCP made the Pfizer vaccine to kill people, but with the Dark Forces or Deep State direction in America

Already, the magazine “The Atlantic” an article in there, wanting amnesty of the Vaccine damage, but that will not happen.

We need spiritual balance before you can have advanced technology, like the “nuclear weapons” mankind was NOT ready for that in the 1940’s. The negative beings or the Dark Ones is the ones who gave the formula to many countries. Therefore, we would blow ourselves up, but the Galactics stepped in and disabled all nuclear weapons worldwide.

A Doctor in a practice that gave 100 shots out, got \$100,000.00 back.

Suzy Ward—the last truths and one the hardest, is the dogma and many untruths from all religions.

The E.T.’s landings on Earth need safety for the humans on Earth and the E.T.’s, there has to be “absolute safe” for both sides. It will be a little while, maybe a year.

Message from God: What You Need Now?

Posted on [11/04/2022](#)

Meditate, pray, practice your spiritual exercises, but life happens far beyond that.

Begin to put into practice the knowledge you have acquired and the insights you have gained! Always go from the inside to the outside, that is **the way**.

Beloved human being,

slowly you understand how important you are, slowly you realize that it depends on your contribution in this great cosmic and final game on Earth. Without you, the ascension cannot succeed, without you, nothing will happen that will change the world for the better.

So, take even more courage to stand up for yourself and for life – wherever you can and wherever you are called upon. In doing so, rely completely on the guidance of God, who I am.

You no longer need a guru, earthly masters or so-called saints. What you need is the awareness of your inherent strength, power and strength.

Then your life will happen the way you intended it to happen before you were born.

Never refer to or invoke others, but refer to and invoke only God – God who is alive in you, God who reveals Himself in man through right thinking, right speaking and right acting. Let yourself now be completely committed to God! Not you think, but God thinks in you, not you speak,

but God speaks through you, and not you act, but God is the power that works through you.

In this way you are recognized and you recognize yourself.

The love and light of God that emanates from you will reach people's hearts. By your example, they will see that it is possible to throw off the conditionings of this matrix.

Examine with God

After you have realized who you are, let people participate in it. Experience what you have come to do and let it happen. Your part is essential now, because only through it can change and successful transformation happen.

Find the way to yourself so that people can find you, light your light so that people can see it, and receive God in your heart.

Never assume that you are a lost cause, a lonely cryer in the wilderness or a lone fighter of a lost cause. This error, this doubt, you shall now cast off once and for all.

Just forget what your mind suggests to you and what your ego imagines. From now on, refer to your omniscient divine consciousness in every decision! Check with God and you will never go wrong.

Let the things come to you, let also the people find you. Your search is over, for you have found yourself and God. There is nothing more to do.

Now rise up and be who you are – according to your orders and visible to people.

You are infinitely loved,
GOD

The 9D Arcturian Council: The November 11th (11/11/22) Energies

Posted on [11/09/2022](#)

Greetings. We are the Arcturian Council. We are pleased to connect with all of you.

We are very happy for humanity, as you have this wonderful time to exist there on Earth. You are now at a time where you can already feel the opening of the November 11th portal, and we want to tell you a little more about the energies that are coming in through that portal that are coming in to support you in your spiritual evolution. These energies are for connecting you to both higher-dimensional planes and higher-vibrational beings and collectives, and they are for connecting you more to yourself, connecting you within your own self to who and what you really are as a Source Energy Being.

These are incredibly powerful energies that you are in the midst of already and that will reach their peak on November 11th. And as every opening of every portal now is significant, we would like to give you some pointers on what you can do to better receive the energies of this 11/11 event. First of all, we always recommend that you ground in your physical bodies, and feel for your consciousness all the way down into the soles of your feet. Also, we are always reminding you of the importance of being hydrated, and we want you to know that drinking water in its purest form is always going to give you optimal hydration, but we also recommend more fruit, vegetables, and if you can get your hands on it, coconut water.

We recommend that you rest, that you meditate, and that you get enough sleep. We also recommend that you state out loud exactly who or what you would like to connect to with your consciousness. You are going to connect your consciousness with extra-terrestrials before you connect with them physically. But you can always connect to those of us who are in the nonphysical realm, and know that we are always offering something for you. On the date of November 11th, make sure you set aside some time to

be quiet and to focus on being one giant receptor. You want to make yourselves available to these energies.

You want to feel yourself opening up like a flower does to receive sunlight and rain, and you want to know that you have these connections already to all of these beings. The connections are already there, and the energies are to assist you in recognizing the connections that you already have. They are to strengthen those connections so that you can feel them more powerfully, and these energies will help you to know exactly what it is that you are receiving from higher-dimensional beings and collectives when you are connected more consciously and with a wider bandwidth.

You all continue to make such tremendous progress, and that is why these connections are more available to you than ever before there on planet Earth. We are so happy to be able to make you more aware of what is happening throughout this universe of ours, and we are happy to assist you in actualizing all of your desires, including those desires for deeper and more meaningful connections with those in the higher realms, like ourselves. We look forward to connecting with more of you in the very near future.

We are the Arcturian Council, and we have enjoyed connecting with you

Mike Quinsey's Higher Self: Ultimate Purpose

Posted on [11/05/2022](#)

For all the activity upon Earth there is a reason that is not apparent to you that we have touched upon.

The changes are obvious although the ultimate purpose is not known to you.

Preparations had to be made for the introduction of new technologies that will make life much more bearable and easier for you all.

You presently worry about how you are going to survive the rising costs of living through the hard times ahead and you will of course, because humans are very resilient and hardy and know how to get through such times.

Whatever effort you put in or sacrifices made it will be worth it to establish a better way of living that will result in peace upon Earth.

The people are suffering especially in war ravaged areas and as unlikely as it seems it is clearing karma that cannot be carried forward and must be finished before peace ascends upon Earth.

Not everyone has prepared for the New Age, but their future is assured regardless of their present level of evolution.

Those souls who have hardly advanced at all will naturally return to the same level for further experiences that will help them to awaken to the truth of their real selves.

Understand that you enter each lifetime prepared for the plan you had already agreed to. You would have been given every assurance that help was always on hand if it was needed.

Your Guides know better than you what experiences you need to lift you up and keep you on the straight and narrow.

However, if you choose to go your own way it will be honored. There are times when you will meet up with your Guides to discuss matters particularly if you have gone astray.

In reality you are never alone and every effort is made to help you advance by completing the tasks given you.

As soon as you awaken to the truth of your being your Guides will come closer to you knowing that you will respond more readily to their influence.

Their objective is to help you rise up, so that each life is a step nearer to your evolution.

The Earth is a school of learning which is why visitors from other realms are not normally allowed to meet you as it might interfere with your progress.

However, once you are ready it is an option that may be used by those who plan your experiences. Your true reality is far removed from your present understanding and the good news it is far better than you imagine.

Can you imagine what a mammoth task it would be for you to have to manage your experiences totally by yourselves, it is nigh on impossible and when you return to the higher levels you will understand why as sometimes you have to be “pushed” along to get the experiences you need.

We would remind you that at the root of it all is your need to reach a stage when you can ascend to never have to return to the lower vibrations, unless you do so to help others who still struggle to make progress.

The time for us to openly show ourselves to you is approaching and will take place prior to your Ascension.

We need to establish a good understanding with you so that we can at times work together. By doing so things will go speeding ahead, as we will introduce you to advanced concepts that you have not yet developed.

Much is lined up to vastly improve your quality of life and will be given to you when the vibrations have lifted up and the negative entities can no longer influence you.

There is a place for them to continue their lives and have the experiences they need to evolve. Every soul will be helped to progress by kind loving helpers who know exactly what they need to continue evolving.

Mother Earth will continue to be a home to Man but will also rise up having cleansed it of the mess left after centuries of mankind's disrespect for her wellbeing.

New ways of living and providing the comforts needed to achieve a sensible level of life will come in due course.

At present some souls barely exist and have such a low standard of life with only the bare necessities.

Man has to care for his fellow souls and show that help is always available for the neediest amongst you.

There has always been enough on Earth to ensure every soul is looked after and does not starve for the want of food, or health for the want of treatment. Remember that you are all one big family and should care for each other accordingly.

At this time many young souls are reaching that age when they are nearly ready to give you the knowledge, they brought with them that will uplift you.

Realize that events are planned in advance that will speed up the changes and souls who have the ability to introduce them are ready.

As with all else affecting your progress, there is always a right time for their introduction.

It may not seem so but all progress is planned well in advance and souls incarnate with the attributes needed to carry them out.

Dear Ones from our viewpoint and being able to see far ahead we can assure you that everything is on course to work out as planned.

So do not despair as the changes will be beneficial to you all. It is all part of the plan to enable you to set your feet firmly upon the ground. There is really nothing to fear as we have all matters under our control.

I leave you with love and blessings, and may the Light brighten your days and path to completion.

This message comes through my Higher Self, and every soul has the same connection to God.

In Love and Light.

Mike Quinsey.

The Federation of Light: Going with the Flow

Posted on [11/06/2022](#)

Hi there, to you out there! So, after my Being very excited at posting last week's message, I experienced a bit of a shock later that evening, to discover that the picture of the Monoliths presented, was actually an art exhibition in 2010 by a chap who has now popped his clogs! I went into major meltdown shouting obscenities at you. Who are you? What do you want from me? I can't do this anymore etc. and although 11.20 pm I phoned my sister, not knowing how to calm myself. THEN ... as we went through your words you said ... 'It is an accurate portrayal!' Oh, the relief! Everything then fell into place. Just because 'I' assumed it was in the now, doesn't mean it was. You knew ... I didn't! I Trust my apology for my expletives was accepted.

Dearest Blossom, Dearest ALL ... We were not concerned of your expletives, more so of your 'state of Being'. Your Energy was a ball of knots, and we were keen to undo them! You see, Blossom, one must accept that we communicate with you through 'Pathways of Energy' ... and it is through much concentration by both parties, that we make sure we do not cross over pathways as we are connecting.

Yes. I get that and we have all come to appreciate your intelligence when it comes to accurate wording. The fact this happens ... to me /with me ... at all, is quite spectacular. My school reports only shone in sports, arts and music! Anyway, now that is all cleared up, what is today's dialogue to be about?

Today, Blossom, we shall simply go with the flow. Your Energy and ours, chewing the cud, as we believe is a term?

As long as you understand through the pathways, we are humans and not cows!

Indeed, we do. Let us speak of 'Going with the flow'. Let us reassure you that the Energies of 'Goodyness' flowing in are affecting the resonance of your Energies. When you choose to flow within them, they choose to uplift you. You are way beyond kindergarten in these matters, so it is only a reminder.

Thank you. One can noticeably feel the difference in Vibration when we keep on top of our moods and flow with it. Not always easy. Yet, I am finding it so much easier to 'pull myself together' and get back in the game these days.

Because you, all of you that are accepting your role upon your Planet, are KNOWING now ... FEELING now ... YOUR STRENGTH.

YOUR UNLIMITED POWER.

The connection to each other is recognizable through the pathways of Energy, as we spoke of earlier.

Take time ... Give time ... to yourselves, in honor of each other, to navigate those pathways and Energetically say, 'Hello, how are you?' with Souls across the Globe. It will be felt ... and the more that this is practiced ... the more one's Strength ... not only within, yet, in numbers ... shall build.

Here, of course, the Mantra must be mentioned.

I AM THE LIGHT. I AM THE LOVE. I AM THE TRUTH. I AM
Say the Mantra and make the connection with your fellow Tribe. You will FEEL your KNOWING of this reality build.

THE UNITING OF SOULS OF/IN THE LIGHT, BRINGING ABOUT THE CHANGE SO RAPIDLY NOW.

Yes, although one can see great attempts by the darkness to keep us at bay, many of us instead, can feel Our Light ... The Light ... moving forward in leaps and bounds. It just came into my mind to go back to the Monoliths thing, to clarify that although the photo was in 2010, are you meaning by 'accurate portrayal' that this is actually taking place somewhere, in the now?

This is so.

The guy who created the exhibition must have been pretty clued up.

Indeed.

Mm. It seems you have no more to say on that.

We spoke last time of the matter ... there is not much more to say ... for now.

Tickety Boo. You know, being the brave warrior that I AM these days ... would you reconsider speaking about Flat Earth versus Round? When inquiring many years ago, you simply said 'It is round for those who think it's round and flat for those who think it's flat' and had no more to say on the matter. A lot of folk asks me to ask you about it. I know you had your reasons, yet, has some years in between made your thoughts on sharing any different?

NO.

Truth, that made me Laugh. A very clear 'NO'.

Blossom, we are aware that there are many topics that Souls would like us to discuss with you. We say to you that there are many topics that simply are 'Off limits' 'Out of bounds.' In that ... Truth regarding all things has a time and place to be presented. In fact, an 'Order of play' is in place.

Your world is not what you have been shown it to be. Not by a long shot. Yet, we are not at liberty to disclose a great deal until the pieces of the puzzle are ready to be slotted into the picture.

Many would say we have the right to know.

And you will ... when it is appropriate. We have spoken of mayhem abounding in future days when even just beginnings of Truth are disclosed. One step at a time, Blossom.

DISCLOSURE OF TRUTH, AS WE SAY, IS METICULOUSLY PLACED FOR A REASON.

Yet, rest assured ... ALL IS IN ORDER.

Thank you. Eh ... hello? Are you still there?

Indeed.

Nothing to talk about? How's the weather in your neck of the woods?

We have no weather.

I was being factitious! Yet, let me tell you about the weather in mine! It is insane! Approaching the end of Spring in Australia and one is putting on Ugg boots at night! Unheard of!

Your weather, as you know of course, is not your weather! It is no longer of natural flow and very much controlled by those who cleverly manipulate your skies, in certain areas, in certain places, for their own agenda. It is obvious to many how 'peculiar' your clouds are etc.

There is so much to be openly displayed, so much.

Well, I get to hear more and more of how most of our history is not actually historical. Most of it made up, again to control and manipulate. It's quite unbelievable, as those who are already waking up to this, are discovering. I mean ... who would have thought? It blows the mind. Truly.

And yet, Blossom, here you are. Millions of you ... living upon your Planet through the very darkest of times ... because you chose to be here for this very reason ...

TO DELIVER THE TRUTH.

TO BE OF TRUTH.

TO STAND FIRM IN YOUR TRUTH.

For again, as we continue to reiterate ...

**MANY WILL BE SO LOST. MANY WHO AT THIS POINT
HAVE ABSOLUTELY NO IDEA OF WHAT IS TAKING PLACE
AND WHAT IS TO COME ...**

WILL NEED YOU!

**THEY WILL SEARCH YOU OUT AND YOU WILL BE
WAITING TO RECEIVE THEM**

And then Dearest One's ...

**THEY WILL FIND YOU ... BECAUSE YOUR LIGHT WILL BE
A BEACON IN THE DARKNES.**

There is reason that at times you have felt so despondent, so low, so ready to give up ...

Reason in your Truth seeking.

Reason in your delving into matters that others slated you for.

You that are labelled 'Conspiracy theorists' instead of 'Truth seekers' have been through what you have been through, in order to be ready to receive those who have been walking blindly for their entire lifetime ... this lifetime.

YOU HAVE WEATHERED THE STORM FOR A REASON.

**YOU HAVE NOW MOVED INTO POSITION TO BE OF
SERVICE IN A WAY THAT FILLS YOUR HEART AND YOUR
ENTIRE BEINGNESS.**

**YOU ARE READY. YOU HAVE BEEN READY FOR A LONG
TIME.**

I do Love your pep talks. You gee us up. Get our juices flowing. We are ready, yes ... and ... waiting ... and waiting.

**Yet, you are already doing what you came to do. You are Shining
your Light and that is the first and foremost requirement. You shall
keep on doing so because you KNOW that is why you are here.**

However, ... when the 'shift hits the fan' ...

I have taught you well, Grasshoppers!

We have a good teacher.

Well, thank you. Just keep it clean, that's all I ask.

To continue ... When the Truth explodes, you shall find yourselves reaching levels of understanding OF SELF that 'blow your mind'. As if you have been 'switched on/up' to a recognition of Light that is so new and yet, so familiar.

Do not think for one minute that you have nothing to give.

For we tell you ... ALL THAT YOU ARE ... will be put into use.

Many of you ... will find/are finding ... residential moves are necessary. For you are to be where your Light is needed most. You will be assigned to your posts, so to speak.

Wherever you are, you will ANCHOR YOUR LIGHT more deeply into the core of Mother Gaia. As if she is the 'mother board' so to speak, and your Light charges her Energy to a degree that is necessary for her to Ascend ... when the time is correct.

Imagine Light descending into your Being and continuing through into the roots of the Earth. Charging all that is there with this Light. Feeding it through continually.

You yourself, each one, as a conduit, shall benefit greatly from this also.

**CONCENTRATE ON YOUR REASON FOR BEING HERE.
LIVE YOUR LIFE IN THE KNOWING OF WHY YOU ARE
HERE.**

HOW JOYOUS THIS WILL MAKE YOU FEEL.

**AND THE MORE JOY YOU EXPERIENCE ... THE LIGHTER
... THE BRIGHTER ... your Planet becomes.**

WHAT A MISSION.

A Joyous one indeed, when you put it like that.

We do put it like that. That is what you agreed to do.

Knowing too, that when we agreed, it wasn't going to be as easy and as 'Joyous' as the brochure suggested!

Knowing that too, yes Blossom and yet you packed your suitcase ... each one of you. You filled it with all that you would require ... and you booked yourself in.

And here we are. Did you get my postcard? It said 'Wish you were here!'
In Gratitude. In Loving service. I AM.
