- **According to Trump Fri. 11 Nov.** is Resurrection Day, which falls on Veterans Day or Armistice Day. Resurrection Day signifies a return to the original Constitution. According to Bruce there was a possibility that we may be getting an announcement about NESARA/ GESARA.
- **The National Guard Appears to be gearing up for a Fri. 11 Nov. shutdown as shown in this email from a Reader on Wed. 9 Nov:** “My friend’s friend was driving his semi to Laredo (Texas) from Montreal (Canada) to drop off a load. On the way back, he was stopped by a National Guard check point. His truck was empty but he had to open it. Continuing on, some hours later, he was stopped again, same thing. There were also sniffer dogs, both places. At his third stop and check point, a National Guardsman asked him how long it would take him to get home. He said two days. Guard replied to try to make it one.”
- **On Sunday members of the Jan. 6 House Committee investigating the Capitol riot said** they have uncovered enough evidence for the Justice Department to consider a criminal indictment against Donald Trump for seeking to overturn his 2020 election defeat. - **Trump:** While in certain ways yesterday's election was somewhat disappointing, from my personal standpoint it was a very big victory - 219 WINS and 16 Losses in the General - Who has ever done better than that?
- **Trump:** Incredible how dishonest the Fake News Media is. The Failing New York Times has gone crazy. So many of the people I Endorsed went on to victory on Tuesday Night, nobody was even close, and they literally make up a story refusing to write the facts, and only quoting enemies and losers. Almost all of the people I endorsed WON, yet if you read the story from two Trump hating writers (who only do as they are told!), you would not even recognize the truth. They truly are, THE ENEMY OF THE PEOPLE!!! 219 WINS against 16 LOSSES IN THE GENERAL ELECTION, and yet the Fake News writes only unrecognizable junk. No wonder they are all doing sooo badly!
- **New York Senate Candidate Diane Sare somehow LOST 25k votes that suddenly went missing overnight last night.** Fraud, Fraud, Fraud again and again! It is totally rigged. Do NOT rely on elections or Governments to change anything in this world. We The People need to all stand up to fight against the Deep-State, end Governments and activate GESARA NESARA.
- **New York Midterm Election Fraud Bombshell** of Duplicated Vote Counts in Almost Every Single County!

- **Fri. 11 Nov.** was Veterans Day or Armistice Day. Trump said it was Resurrection Day – signifying a return to the original Constitution. Therefore there was a possibility that we may be getting an announcement about NESARA/GESARA.
- **Simeon Parkes** has GESARA jurisdiction over South America and Africa and he and Charlie Ward (who was over the Redemption Committee and Banks) have said we would not get liquidity **this week.**
- **Timing of RV liquidity surrounded a political situation** that depended on the level of corruption in the Midterm Elections – which there was – the same as happened in the 2020 Election.
- **At our appointment** we will be given a booklet that tells us that there were certain people and organizations we could not give money to like politicians and their lawyers. If we did our funds would be frozen.

#### F. Fulford Report:

- **Rothschilds and The Rockefellers want to capitulate, and Germany joins the Alliance to liberate the planet.** The stranglehold of the Khazar mafia on planet Earth has finally ended. Germany and Japan joined Russia, China and England in the alliance for the liberation of the planet. This forced the Rothschild families and The Rockefellers hiding in Zug, Switzerland, contact the White Society A dragon to negotiate a surrender.
- **However, until the United States gets rid of the Khazar mafia, the war will continue.** The key is to prevent HMM from stealing the US midterm elections during the eclipse of the blood moon on election day on November 8. American military white hats promise to declare war on HMM if the election is stolen. (<https://t.me/Conspirology1/34>) <https://is.gd/aedbJP>
- **Undeclared wars that need to be resolved are also raging in Brazil, Pakistan, Israel and other countries.** And, of course, the war in Ukraine and Kazakhstan must also end. However, there can be no doubt that the liberation of the planet is imminent.

- **Let's start with the situation in Germany.** There Donat, Prince and Landgrave of Hesse, leads Germany to independence for the first time since World War II. Donat is a descendant Queen Victoria, the German Emperor Frederick III, Italian Emperor Victor Emmanuel III., etc. Last week, Donatus sent Chancellor Olaf Scholz to China to negotiate Germany's entry into the Alliance. Official Chinese and Russian state news agencies reported that he had reached an agreement.
- **According to Xinhua sources, Scholz told Chinese President Xi Jinping that "a multipolar world is needed"...** Germany "rejects block confrontation" and supports "peace negotiations and building a balanced, effective and a sustainable security architecture in Europe". In other words, Germany is ready to abolish NATO and replace it with something more comprehensive. <https://is.gd/LGi7qE>
- **For its part, the Russian news agency TASS reports that a secret agreement is being formed between the Gnostic Illuminati and the OBD.** The deal is to return to the agreement between Frederick the Great and the Russian tsar on the use of the Dnieper River as the border between their respective zones of interest.
- **Now TASS reports that Russia is evacuating its troops and citizens to its side of the river.** <https://tass.com/politics/1532813>
- **Other Russian sources confirm that Scholz is seeking to "find a common language with Russian President Vladimir Putin."** <https://is.gd/5T5Q8r>
- **If the Russian-German deal is formalized and Russian gas returns to Europe, it will financially crush the Rockefeller speculators/The Rothschilds,** who are now selling LNG to Europe at a price four times higher than Russian gas. <https://is.gd/wkaPHW>
- **Like Germany, Japan for the first time after the Second World War, it became an independent country.** This is reflected in the government's decision to continue buying oil and gas in Russia, instead of being subjected to pressure from companies controlled by the Rothschilds/The Rockefellers. <https://is.gd/ZKS2tL>
- **To celebrate independence, Japan staged a large-scale show of force last week.** Naval forces of the United States, England, Australia, Canada, India, Indonesia, France, South Korea, etc. have made it clear which alliance dominates the waves. Despite the fact that Russia, China and Germany control the Eurasian territory, they must come to an agreement with the Japanese union to ensure freedom of navigation and world peace. According to WDS sources, such an agreement is being discussed in the interests of all parties.

#### **G. White Hat Intel:**

- **UK: The Military Alliance in the UK** was cleaning out the system with death of the Queen, ousting of the Deep State Prime Minister Liz Truss, who helped cover up the UK/US involvement in the Nordstream Deep State Military Operation and installing a puppet Sunak.

- **Last week** a warning was sent to Rothschilds Heads in the UK, community of 300 and throughout the World that the end of their Red Coat Regime Operations and World Banks control was at an end. That warning was that Evelyn de Rothschild would die – which happened on the eve of the Red Blood Moon – a symbol that the Alliance was in control and introducing a New Era – The Golden Era. (Most people didn't realize they were living inside the New World Order. Now that Era has ended.
- **On orders of the Alliance** on the eve of the Red Blood Moon Evelyn de Rothschild was given pills to stop his heart. If he did not obey the command his family and kids faced a future that erased their legacy quickly and their holdings.
- **Lady Rothschild** has been a mole sleeper (turncoat) within the Rothschild Regime. She holds important world connections – that were already turning on NATO, UN and Elite Establishment.
- **The District of Columbia** has its own Constitution, Seal, Motto, Flag, etc. After the Organic Act of 1871, the United States became a Federal Corporation via 28 US Code 3002 and Stoutenburgh vs. Hennick... which defines the District its own "Foreign Territory" not a city not a state.
- **The District of Columbia's laws**, orders, regulations and Constitution applies to the foreign territory only by definition, but the Cabal has disguised that government to many Americans to believe it applies to the whole country.
- **The District of Columbia** defies our Foundation, our Military Establishments in 1775, the Declaration of Independence 1776, and the Constitution of 1787.
- **District of Columbia Government:** <https://dccouncil.gov/legislation/>  
[https://en.wikipedia.org/wiki/Council\\_of\\_the\\_District\\_of\\_Columbia](https://en.wikipedia.org/wiki/Council_of_the_District_of_Columbia)
- **President Trump and the World Alliance of Generals** are reversing the Federal Corporation. They are taking every single law, order, and regulation the evil establishment aka the swamp created and passed for their narratives and agendas, and using it against them... making all of the evil players expose themselves to You, The People.
- **President Trump being crowned King in Saudi Arabia**, walking into North Korea, stepping in front of the Queen, standing in front of ALL world leaders at the G7 Summit, and declaring Jerusalem Capital of Israel, were just a FEW of the OPTICS to show you the people, there's CHANGE coming to the WORLD.
- **Bet you also did not know that Obama reversed the Smith-Mundt Act of 1948** in 2012 which allowed Media to USE Propaganda as "News." <https://www.usagm.gov/who-we-are/oversight/legislation/smith-mundt/>
- **This Operation started in 2016.** There's a Strategic Blueprint to the operation. The FINISH LINE is NOT and was NOT these 2022 Midterms. Newsflash: Once again, we did NOT NEED 2022 Midterm to prove Voter Fraud.
- **We needed the 2022 Midterms to expose the Governors and Attorney Generals who did not comply with the Laws and Orders** put into place in 2017, 2018, 2019 and 2020

via Executive Orders active from those dates and the Federal Resilience Act (Executive Order 13961).

- **President Trump said on May 6, 2020, "Corona-Virus is really the worst attack we've ever had.** This is worse than Pearl Harbor. This is worse than the World Trade Center. There's never been an attack like this," Trump said at the White House on Wednesday. "And it should've never happened. It could've been stopped at the source. It could've been stopped in China. It should've been stopped right at the source, and it wasn't." <https://nypost.com/2020/05/06/trump-says-coronavirus-worse-than-pearl-harbor-or-9-11/>
- **Covid was a disguised biological chemical attack on the world versus** it only happening in the United States, to ATTEMPT to destroy President Trump and his legacy, but also from winning in 2020. But many of you are way too smart for politics, however, many still are asleep and it's right in front of them.
- **President Trump declared three National Emergencies,** one in Executive Order 13848 and two verbally March 13 and 27, 2020, that Congress FAILED to address, which is a Breach of National Security.
- **Before the Federalization of all 50 states National Guardsmen,** this Covert Operation would have required a P.E.A.D. which would have required a COG.
- **Presidential Emergency Action Documents, or PEADs,** are secret, pre-planned presidential documents that respond to national emergencies. While few people know anything about these documents, they are not as scary as they sound. It is just good planning. PEADs are draft classified executive orders, proclamations, and messages to Congress that are prepared for the President of the United States to exercise or expand powers in anticipation of a range of emergency hypothetical worst-case scenarios, so that they are ready to sign and put into effect the moment one of those scenarios comes to pass. They are defined by the Federal Emergency Management Agency (FEMA) as the "Final drafts of Presidential messages, proposed legislation proclamations, and other formal documents, including DOJ-issued cover sheets addressed to the President, to be issued in event of a Presidentially-declared national emergency."

**Jenny Hill's witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

### **J. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

**Since 1990** I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

**L. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**M. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
