- **Biden’s Deep State Democratic Congress** approved US Taxpayer monies go to Ukraine. The Deep State then printed more fiat US Dollars through their privately owned Federal Reserve and then converted it to Crypto Currency by investing in FTX. Midterm Election. Right after the Election FTX took out Bankruptcy, leaving even more US Taxpayers who bought into FTX, plus those who were paid through FTX Crypto Currency, Holding the Bag.

**K. "Died Suddenly" Documentary:** [DIED SUDDENLY: "This time, The Genocide Will Be Televised," Stew Peters Promises – Stew Peters](#) [Home – Stew Peters](#)

- **There are FIVE BILLION human beings** walking around as ticking time bombs. Just waiting to die suddenly. "This time, the genocide will be televised." ...Stew Peters
- **Healthy adults are dropping dead all across the globe.** In the last 18 months, the term "Died Suddenly" has risen to the very top of "most searched" Google terms. On **November 21st, at 5:00 Eastern Standard Time**, in what promises to be the documentary of a generation, Matthew Skow and Nicholas Stumphauzer at Stew Peters.com will deliver "Died Suddenly."
- **Common sense, hard working Americans** — anxious to have an honest conversation about what we're seeing play out in the real world — have been suppressed and silenced. "Died Suddenly" promises to end that suppression forced on us by the powers that be. The EPIC blood cost paid will come to be known as a Covid-Caused Holocaust.
- **Whether it's the actuaries, insurance companies, embalmers, OB-GYNs, veteran doctors and pathologists, or military flight surgeons,** Americans who have witnessed this destruction will stand for it no longer.
- **After *Died Suddenly*, America will no longer ignore the alarming rates of people dying suddenly.** Pro athletes in the prime of their careers, have been dropping dead in record numbers. Formerly rates of athletes collapsing or dying during their contests hovered around 5-10 per year. Last fiscal year the number of athletes collapsing or dying suddenly approached 1000.
- **Pilots and doctors in peak condition are stroking out.** Over *eighty* Canadian doctors in the prime of their health have dropped dead. These are unbelievable numbers of young people in the prime of life. Healthy eighteen-year-olds. Vibrant, young adults in their twenties.
- **These fibrous white-colored blood clots** are being taken out of the victims. The clots are the texture of calamari that embalmers have never seen before — until last year. Consistently — over and over again — they're seeing them. And the common denominator? The injection.

- **The press wants to suppress this, the story of the *century***, because they're owned by big pharmaceutical companies. Every show that anchors Mainstream Media's Programming is brought to you by Pfizer or Moderna or some other head of the hydra.
- **Every single doctor in the United States** has had his or her licensure threatened, whether implicitly or directly.
- **Virtually every politician being threatened by Epstein-style influence operations** — and yes, that influence goes straight to the Oval Office by way of former Chief of Staff Mark Meadows.
- **We here at the Stew Peters Network are NOT bought and paid for.** We are all about humanity, all about saving lives. We WILL break through the censors. We WILL wake up humanity and end this deadly operation.
- **One day historians will call this the genocide that wasn't televised.** Well, now the post-Covid holocaust will be aired out for the world to see. This time, the Covid Genocide will be televised. And it MUST stop now.
- **Because now they're targeting our kids** by adding dangerous, often deadly injection to childhood vaccine schedule for a "disease" that almost never impacted children. Approximately ZERO children were seriously affected by covid-19. But they certainly started dropping like flies with the clot shot. A congressman's daughter died. Earnest Ramirez's best friend and son is gone forever.
- **Every one of us knows someone** or knows *about* someone who has died suddenly. And the stories keep coming.
- **With the drastic rise in the infertility rate** we're seeing we may well have lost an entire generation.
- **This is the extinction-level population reduction** event the Georgia Guidestones warned us about. They *told* us they wanted to depopulate the planet, that they want to decrease the number to around 500 million humans. That is a population reduction of approximately 7.5 BILLION human beings — or about eighty-five percent of the human beings on planet earth. The global elites engineering this reduction are all heavily invested in making that population reduction a reality.
- **And the killer press is complicit.** Don't let their propaganda fool you. We most assuredly are NOT in this together. Right along with those who manufactured, mandated, invented this murderous technology that delivered all these hundreds of thousands of deaths, the press are complicit in the holocaust, as well.
- **When we here at the Stew Peters Network** are done, it will be blatantly obvious to every American that it is time for a Nuremburg style criminal tribunal to INDICT, to TRY and to FRY those who are complicit with pushing the genocide by inoculation right alongside the network of Deep State sycophants who perpetrated this mass die off.
- **Many members of the press** and their clapping seal politician pals — desperate to get air and seem compassionate — are just as culpable in delivering the killer shot as those who designed and mandated the mainlining of this poison.

- **Until I take my last breath**, I will fiercely push to expose every last one of those devils responsible until justice is served. Died Suddenly represents the return volley. On Monday, November 21 at 5pm EDT, please join millions of your fellow Americans in watching Died Suddenly. [StewPeters.com](http://StewPeters.com)

## **L. The Invisible War and Takedown of the Cabal from A to Z: Cloning, Synthetic People, Organic Robots, Twins, Body Doubles**

- **Military Tribunals began** operating in the U.S. in early 2019, authorized by an executive order from President Trump.
- Subjects such as Treason and Crimes Against Humanity fall under the military's jurisdiction and allow for a quick trial in camera, usually resulting in executions or long stays in GITMO.
- **It is reported that many public figures** are nowadays replaced by clones - doubles.

**Real clones:** These are humans grown in test tubes (known as "in vitro") or implanted in the womb and have the same genetic makeup as another human.

**Synthetic people:** These "people" look exactly like real people, although they are made of certain tissues obtained from cattle, for example.

**Organic robot:** This is artificial life created in a completely different way than clones or synthetic humans. Organic Robotoid technology is used to create the most accurate copies of very important people.

**Twins:** There is a program that finds twins of prominent people, as well as a program that secretly creates identical twins that are separated at birth and never seen again.

**Executed people:** have clones and doubles.

- **Now that we know that human cloning is real**, we can look at some of the most obvious clones/ duplicates of famous public figures. These "clones" are merely placeholders, to drain the swamp, until society awakens to the point where their crimes against humanity can be fully exposed. The clones will expose the original if not accepted the so called "Rommel Death"
- **We should keep in mind that any "famous person" could be a clone**, a double, an actor, a masked person, a holographic image, or a CGI.
- **In following few links you can watch the videos on the topic cloning.** This will help you to understand and to connect the dots - we are in the endgame and in the last battle for the surviving of the human race. That's fact. Accept it or not, it will not change the fact - your ignorance is the power of the enemy and to know what we are facing is the basis of this crucial battle for the humanity's existence.

#### N. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

**Since 1990** I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

**P. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives*

to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

**Q. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all. Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
