...Donald J. Trump Live on Telegram **Thurs. 24 Nov. 2022**

Judy Note: From Intel just received it appeared that Martial Law including activation of the Emergency Broadcast System could take over **sometime this coming week.**

We hear from the White Hats that many countries were getting ready for Military vs. Deep State Military coups in their own countries, from Ukraine Military Operations to the China Coup **last month.**

However, the Fall of the Cabal has it's own consequences. The US Inc. default on **October 14th** meant that the imports of oil from the Middle East and goodies from Asia were drying up. That was why empty container ships were being recalled from the US to elsewhere.

As a result shortages of daily items have begun in earnest. You are encouraged to have as much storage of food, water, cash and essential items as you can afford.

- **Last week Juan O Savin reported** that the General Population was at an Awakened Level of over 81%. Therefore, the EBS was set to activate at any time.
- **Why didn't the Military take over way back before Biden's so-called Inauguration** (which was in reality the funeral of Joe Biden – with actors playing him since)?
- **It didn't happen because there was work to be done:** the Chinese Communist Party was still on the loose and more Weapons of Mass Destruction (WMDs) to be found

(previously they believed there were ten, but then found out that it might be as high as fourteen).

- **One WMD was on that Evergreen Ship stuck in the Suez Canal:** [Trafficked Children, Bodies, Weapons Found on Evergreen Ship Blocking Suez Canal | Politics | Before It's News](#)
- **Fox News reports that the Chinese Communist Party has set up police stations all over the US**, saying they are monitoring Chinese Nationalists. Hundreds of Chinese drones have been seen in restricted air space over Washington, D.C. in recent months. What's Really Going on?
- **US Railroad Strike begins Fri. 9 Dec.**
- **Trump filed to be president of the US Republic**, not president of US Inc, and he didn't mention he was running in 2024. He also announced his running mate as John F. Kennedy Jr. *"My fellow Americans, this is to announce that John Fitzgerald Kennedy Jr. is alive and going to be the Vice President of the United States."*...Donald J. - **Fulford Report:** "The death of Evelyn de Rothschild was probably linked to stress from that family having lost control of the financial printing presses that kept the entire US/Ukraine horror show going. It is no coincidence that his death was followed by the collapse of Sam Bankman-Fried's FTX and his hedge fund, Alameda Research. This was a giant money laundering operation that took the over \$100 billion pledged for Ukraine and sent it to finance election theft in the US, Mossad sources say."

A. What We Think We Know as of Fri. 25 Nov. 2022:

- **Trump & Kennedy Jr.** were in a bid for a Restored Republic Presidency in a **2023 Election**.
- **Invasion Declared at US Border:** Texas Gov Abbott was sending 10 APC's, (Armored Personnel Carriers) with Tanks, to the Texas/Mexico Border where Abbot has officially declared that an invasion was occurring. <https://americanprosperity.com/invasion-declared-an-official-declaration/>
- **The Alliance Special Military Forces around the world were making Mass Arrests** on Deep State Elites charged in 170,000 indictments of Pedophilia, Espionage, Sedition and Treason.
- **For nearly two years an estimated 600 Jan. 6 Patriot Prisoners** have languished in a DC prison without bail, have been denied medical care, and beaten by racist and hateful corrections officers. [Please help support Chrestman's legal fees here.](#)
- **It is actually against the law to pay taxes** to the bankrupt-independently-owned-by-the-Cabal IRS. Ken and Barbara Cromar have experienced innumerable injustices in their

over five year battle with that Goliath IRS. Their case was now making it's way to the US Supreme Court. If they succeed it will be a fantastic win of Freedom for all taxpayers. You can help them in a quest for justice while providing a great Liberty Education gift to your loved ones by buying Ken's amazing documentaries "*MIRACLES: In God We Trust*" and "*A More Perfect Union*" DVDs & Blu-rays. The Special Offer of \$25 includes free shipping (good through 5 Dec. 2022 to insure arrival in time for your Christmas gifting). For those who donate more to help "Barbie & Ken" fight to take their case to the Supreme Court, they will also include a FREE pocket Constitution with each video. Also, in the spirit of Christmas, for those who cannot afford to donate - but are in need of MIRACLES themselves - a set of DVDs are being offered FREE for the asking! B. Global Currency Reset:

- **By Saturday night 19 Nov.** all remaining US troops had been withdrawn from Iraq, after which the new Iraqi Dinar rate was released, and then would be put on the Forex and announced to the Public on **Sun. 27 2022** – triggering the Global Currency Reset.
- **The BRICS nations** of Brazil, Russia, India, China and South Africa, plus 14 (perhaps over 100) other countries including Jordan, Saudi Arabia, Germany, Kuwait and Iraq now had gold/asset-backed currencies and were already functioning and trading under the Global Currency Reset Financial System.
- **According to Elon Musk** (who owns and ran the new Star Link Satellite System – see more on him in #), although the Quantum Financial System was up and running for BRICS and other nations, the US would be officially on the QFS **sometime between right now and mid-December**. The new Internet would be up and running on the Quantum System by the **end of December**.

C. Restored Republics:

- **It was also said that the gigantic [Pharma laboratories](#)** would start the Black Swan Event, with which everything else would begin.
- **Sometime between now and the end of December** we will experience the Global Currency Reset of 209 nations, as well as the distribution of wealth, disclosure of 6000 cures and restoration of freedom in Republics across the Globe – with Events that will change the World forever.

It was a cover for running guns and missiles to various terrorist groups.

Bin Laden or a body double went down **May 1 of 2011** and Seal Team Six about **three months later**. Iran, which had been harboring Bin Laden, was asked by Brennan to set him up in Pakistan for Obama to get a photo trophy to help with re-election. Then, Iran

extorted the Obama Administration for \$1.52 Billion to keep the secret. It was paid in cash.

On May 24th, 2011, the Obama administration (Biden) leaked operational details and who in the operational forces were involved in taking out Bin Laden. Then, on **August 6th, 2011**, 33 individuals including 22 Navy Seals, with knowledge of the Bin Laden scandal, were sent on a slow, heavy Chinook helicopter to a village in Afghanistan where they were shot down like a sitting duck. A stinger missile found in the wreckage was traced back to the CIA.

F. Election Fraud:

- **Kari Lake Lashes out on Maricopa County's Blatant Discrimination Against Election Day Voters.** "They did it in broad daylight. It was blatant. There was no subtlety to what they did when they discriminated against people who chose to vote on Election Day," attested Lake. "The only printers they certified were the million-dollar run back printers. And that story is about to fall real soon..."
- **More Arizona counties refuse to certify results** following a scandal-filled election. Once more, Arizona has become ground zero for election problems after Democrats, as usual, have moved to game the system so that more of their candidates win in a suddenly ‘purple’ state. More counties have begun to voice doubts that the election in Maricopa County was legitimate after hundreds of citizens and poll workers have complained to the elections board about several problems at dozens of polling stations, including malfunctioning tabulators, printers with no ink, and lengthy lines lasting hours. <http://www.naturalnews.com/2022-11-23-more-arizona-counties-refuse-to-certify-results.html>

- <https://www.westernjournal.com/see-court-arizona-gop-ag-candidate-officially-files-first-lawsuit-challenging-2022-election/> It looks like the recently anointed governor-elect of Arizona, Katie Hobbs, is headed to court. Hobbs currently serves as Arizona's secretary of state. **Since she refused to recuse herself from her official duties, it was her responsibility to oversee the Grand Canyon State's election processes, which were at the center of controversy on Election Day.** Reports indicate as many as 48 percent of voting locations in Maricopa County, Arizona, suffered printer or tabulator malfunctions, creating incredibly long lines and multi-hour wait times for voters in the county. The Western Journal received over 20 exclusive videos featuring Arizona voters and polling location workers explaining the barriers they encountered while attempting to cast their ballots as a direct result of the malfunctions. Given that these long lines could have discouraged same-day voters — voters expected to lean Republican — Republican Arizona Attorney General candidate Abraham Hamadeh is suing to contest the election results.

- **Evergreen Ship Gets Stuck, Again.** A year after the Suez Canal fiasco, bad luck strikes again for Evergreen. The Ever Forward ran aground near Baltimore, Maryland. The container ship is owned by Evergreen, the shipping company behind the Suez saga. A year after a giant container ship was stuck in the Suez Canal for nearly a week, disrupting global trade for months, another Evergreen Marine Corp. ship has run aground, this time

near the U.S. capital. The Hong Kong-flagged Ever Forward beached after leaving the Port of Baltimore Seagirt Terminal on Sunday evening, according to map data compiled by Bloomberg. The 334-meter vessel was en route to Norfolk, Virginia, when it became stuck in the Chesapeake Bay. "The vessel's detention does not prevent other vessels from entering the Port of Baltimore," Maryland Port Authority Director William P. Doyle said in a statement. "Efforts to free the vessel have been ongoing since last night and will continue today. The Coast Guard is monitoring the situation." Evergreen has assigned divers to inspect the vessel for damage and is participating in a coordinated effort to refloat the ship as quickly as possible, the company said in a text message Tuesday. An investigation into the cause of the seizure is underway, the company added. Last year, the 400-meter Ever Given, a ship chartered by Evergreen that is longer than the Eiffel Tower and weighs 220,000 tons, was stuck in the Suez Canal for six days. The ship and its 17,600 containers blocked the canal in both directions, causing a backlog of more than 400 ships held up by the incident. <https://insiderpaper.com/massive-container-ship-from-same-firm-that-blocked-suez-canal-runs-aground-in-u-s/>

and what this reveals, among other things, is that the so-called "auditing" process behind the failed Crypto Currency exchange was severely lacking at best.

- **Fulford Report:** The death of Evelyn de Rothschild was probably linked to stress from that family having lost control of the financial printing presses that kept the entire US/Ukraine horror show going. N. White Flag Surrender and Elon Musk, SG Anon: <https://beforeitsnews.com/opinion-conservative/2022/11/sg-anon-discusses-white-flag-surrender-with-nicholas-veniamin-must-video-3647577.html>

- **In Elon Musk's purchase of Twitter** not only did we gain control of their "Psychological Command Center" we also managed to show the corruption, BOTS, willful suppression and censorship of Finance, Business, Healthcare, Big Pharma, Wall Street and Central Banksters.
- **Most of the banksters have been dealt with**, but their families as well as individuals who take orders from them may still be scampering about thinking how they are going to continue the agenda that they have been told they must continue.
- **Host:** "They say Elon Musk wants to chip us and put something into our brain... to make us hybrids or half robots. So do you think Elon is a Black Hat who is under the control of the White Hats? Or is he organically a white hat?"

- **SG: My belief about Elon is that he CAPITULATED.** If you ask him whose side he is on, he will say that he is on the side that wins. He is a survivalist. Most of these individuals are.
- **Elon has an extremely questionable history...** and a very close proximity to some very disturbing and very upsetting things.
- **After President Trump's election in 2016, and after his world tour in 2017... the Crown Prince Ben Salmon** went on a world tour of his own. He met with nearly all of the Billionaires, major industry Titans, the movers and shakers around the world... and essentially he was the ENFORCER for this Alliance.
- **Ben Salmon asked Musk:** “Are you going to capitulate and agree to work with us... or... we will remove you and replace you with a double, or remove you and reorganize the Plan ... you will simply vanish and your legacy will be tarnished.”
- **I believe Elon is a Businessman.** He recognizes when a 'deal is a deal'... and if it is good or bad. So it is my opinion that Elon capitulated and agreed to play a role for the acquisition of Twitter and the destruction of censorship with speech suppression.
- **It was very easy for him to make that optical leap for the General public,** because it considers him to be outspoken as a 'free speech Absolutist'. I believe Elon is playing a part that saved his legacy and it may prolong his life, but there is still some chance that he will see Justice of his own for crimes that he has been part and party to in his past.
- **SG: My understanding is that Elon played an integral part in some of the trafficking operations,** and that he has very deep knowledge about where these children originate from and where they go to. His father was involved in a 'human mining operation'... which was an enormous child sex trafficking ritualistic child trafficking operation... in AFRICA. So this is an individual who is a "part of the Club". He has been to the parties. He is very aware of what these individuals believe... how they think and feel. I am not going to sit here and say that Elon has physically participated in these crimes. But what I am highlighting is that Elon Musk has had close proximity to this level of criminality ... and has never spoken forward. That in itself should be pause for concern.

O. White Hat Intel:

- **The Deep State Democratic National Committee/DAVOS** was desperately trying to PUSH China into WAR.
- **World News AGENCIES** reporting Russia is about to attacks as Deep State U.S. Intelligence agencies push the narrative.
- **Several U.S commanders and open Military sources** all confirm nothing is happening out of the ordinary. Back CHANNELS confirm the only way CHNIA WILL attack Taiwan is if U.S. mil decide to open a base in Taiwan or if U.S. attacks CHNIA directly.
- **As the White Hats move in closer to exposing the FBI investigation into the Bidens and the exposure of FTX widens,** the Deep State is desperate for WAR to bring in confusion, WAR is perfect for stealing U.S. Tax dollars through Money Laundering.

- **The Music Industry is in a panic.** The CIA has activated to fully attack Kanye West after Kanye fully admitted to music industry satanic rituals and sacrifice including his own mom being sacrificed, along with Michael Jordan's father.
- **A huge movement of mainstream rap artist** in the past two months are talking openly about SATANIC music industry and rituals by ELITES. The once hidden subject is NOW imploding on several podcasts and YouTube drops.
- **Another unknown YouTube personality from the African Black community named CHARLESTON WHITE** has recently gained millions of followers on different channels where he is EXPOSING the music industry and Rappers . He is attacking the Rappers directly with several info drops of their killings and CIA, FBI, Fed connections. WHITE says Rappers talk about helping the black communities but in truth their music talk about killing, killing, killing their own people and the largest Mass killings happening in the United States is from black on black killings, connected to Rap gangster music.
- **2023** will see the fall of J-Z and exposure of the Satanic Music System.
- **Military General personal and officer staff of colonials** are setting up for the opposition of Mil. Operations that are against the current U.S. President is about to take place. The council of National Security know that the President (BIDEN) is about to act and start Mil operations against it's own Mil. (White HATS) The clock is Ticking.
- **The 200,009 thousand sealed indictments** is about to be released. The indictments pertain to those who were involved in creating 911 TREASON by high ranking U S. Officials and several U.S. Presidents.
- **There was Human Trafficking** by U.S officials, Military branches and commanders including U.S. bases that were connected to CIA, Epstein, Clinton operations. Several Intelligence agencies have been captured by FOREIGN operations.
- **The White Hats** were arresting all foreign and Domestic Agents who conspired in Treason, planned placed Military coups against a sitting US President Donald J. Trump.
- **The Deep State Cabal** was activating Military Operations against it's own Military in hopes they can stop the 200,009 indictments from coming out that expose everything.
- **In Africa Russian Troops** were helping Mali fight the Rothschild paid Military regimes. The Mali mil coup in August 2020 was a kickoff to warn Rothschild/ UN/ NATO that their pillaging of Africa was at an end. Immediately several African countries followed by COUPS in Chad in April 2021, Mali again in May 2021, and Sudan.
- **In Sudan, coup leader Gen. Abdel Fattah Burhan** has dissolved civilian rule and arrested civilian Prime Minister Abdalla Hamdok and other leaders. But the takeover has reignited resistance, with protesters returning to the streets in cities and towns across Sudan to denounce the power grab.
- **António Guterres**, United Nations secretary-general, has urged the Security Council to act to deter "an epidemic of coups d'état." But the African Union and 15-member

Economic Community of West African States (ECOWAS) have responded with mixed messages.

- **Other countries with family dynasties** at risk of coups include Equatorial Guinea, Togo, Congo-Brazzaville and Benin.
- **Now the Military** was moving in Brazil on the face of Election fraud.
- **Many countries were getting ready for Military vs. Deep State Military coups** in their own countries, from Ukraine Military Operations to the China coup last month.

P. Benjamin Fulford Report:

- **The Khazarian Mafia headquartered in Zug, Switzerland, is trying to negotiate a peace agreement** with the rest of the world as their top man Evelyn de Rothschild dies and their empire collapses. As a part of this, the Octagon group, the head of Interpol, the new Chinese emperor and a group of Swiss billionaires (who control the area around Lake Geneva), have asked the White Dragon Society to send a representative to Switzerland. The situation has even reached the point where Russian men in black, who deal with paranormal entities, have made a move (more about this later).
- **The WDS has decided to wait for the old Swiss-run Khazarian mafia-controlled “new world order,” to collapse.** This collapse is now taking place at an accelerating rate, especially with the ongoing implosion of the United States.
- **Last week’s G20 meeting in Bali, Indonesia,** may be the last show of control by the KM who will try to portray Russia as being “isolated,” when in fact the opposite is true: the United States has become the laughing stock of the world.
- **Russian Foreign Minister Sergei Lavrov, who just arrived in Bali says the situation in the world is still very tense** because of “insistent attempts of the US-led Western alliance to stave off the complete loss of their global leadership in a hope to continue to resolve their problems at the expense of other members of the international community.” This is the goal of the neo-colonial concept of the rule-based world order advanced by the Americans and their allies.” He then added “the overwhelming majority of countries” do not support this agenda.”
- **Most importantly, Germany and the EU have broken with the KM-controlled US and made a deal with Russia.** That has now been confirmed by Russian Defense Minister Sergey Shoigu ordering his troops to the Russian side of the Dnieper River.
- **As the Russian Tass news agency notes:** “Germany intends to improve relations with Russia and China, despite US’ objections...Let’s not forget that the Netherlands lifted sanctions against Russia...the US does not have the power to impose order on the world and introduce new rules.”
- **The KM control grid** has been reduced to Canada, the US, Ukraine and Switzerland.
- **Even this won’t last long because the KM-occupied US collapsing both politically and economically.** The fact they say they cannot figure out who won the November 8th mid-term elections until December or beyond illustrates the political paralysis. That is

why “Arizona election officials are prepared to work through Thanksgiving and possibly Christmas as well”.

- **Even if the Rockefellers can keep their Biden clown show** going on for a bit longer, the ongoing US economic collapse will bring it all down sooner rather than later.
- **Even Silicon Valley is now being hit.** Over just the past week alone 20.000 people have been fired. Twitter, Facebook (Meta), Stripe, Salesforce etc. have been dumping staff and places like Amazon and Google are close on their heels
- **This is just the beginning of the pain** because the US default on October 14th means imports of oil from the Middle East and goodies from Asia are drying up. That is why empty container ships are being recalled from the US to elsewhere.
- **And as a result shortages of daily items** have begun in earnest.
- **The death of Evelyn de Rothschild** was probably linked to stress from that family having lost control of the financial printing presses that kept the entire US/Ukraine horror show going.
- **It is no coincidence that his death was followed by the collapse of Sam Bankman-Frieds’ FTX and his hedge fund, Alameda Research.** This was a giant money laundering operation that took the over \$100 billion pledged for Ukraine and sent it to finance election theft in the US, Mossad sources say.
- **“This FTX situation may be the straw that breaks the financial system and the Fake Biden circus show,”** the sources note.

R. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

S. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

T. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

U. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
