Judy Note: There were 50% of US Banks that were not Basil 3 Compliant when the gold/asset-backed Global Financial System officially took over on **Tues. 3 Jan**, meaning those banks that weren't accepted by the new financial system because they were functioning on fiat money were now being forced to either consolidate with other banks, or close down.

- **By the next week on Mon. 9 Jan.** the non-asset-backed Crypto Market tanked, although that major fall of the Market wasn't reported in the Mainstream Media.
- **Liquidity** for that Global Currency Reset has begun.
- **Next Tues. through Thurs. Jan. 17, 18, 19** have been designated as major Event Days (possibly announcement of NESARA/GESARA?).
- **Washington DC was a Ghost Town**, with federal offices vacated. Charlie Ward verified that Washington DC has been closed and was being dismantled. He said that everything you see about Washington DC was on a stage somewhere. The Constitutional Government was now based in Temple Texas and the US Treasury was on an Indian Reservation near Reno Nevada.
- **Tues. 10 Jan. 2023 Fox News:** "House Republicans to vote on a bill that would abolish the IRS, eliminate the National Income Tax and replace it with a national consumption Tax." ...Insider Paper
- **Reporter Nancy Drew:** "In the two yrs I've been here in Washington DC and the hundreds of times I've passed the IRS Building, I've yet to see a single person enter or exit the building."
- **Q The Storm Rider 777:** "DC is a Ghost Town – no money, broke District. Ten square miles of central DC buildings closed down. EMPTY."
- **Juan O Savin:** "There's stuff going on up there [in D.C.]. NOBODY KNOWS WHAT'S GOING ON. You notice all those Federal Offices don't really have a lot of people in them right now. So where are they? They're not working from home!!"

A. Global Currency Reset – what we think we know as of Tues. 10 Jan:

- **On 1 Jan. 2023** the World financial system changed from the Cabal owned SWIFT System to the new gold/asset-backed Quantum Financial System.
- **By Tues. 3 Jan.** only 50% of the US Banks were Basil Compliant and qualified to be on the system.
- **On Mon. 9 Jan.** the Crypto Market that had nothing as backing was said to have tanked.
- **On that same Mon. 9 Jan. Charlie Ward** (Dr. Ward is over some major banks and head of the Redemption Committee) said: "Liquidity has started and mass amounts of monies were being moved right now. ...A lot of test payments have been made. ...A lot was happening around the **17th -19th Jan.** ...**This week** Americans on vacation in Europe reported not being able to withdraw cash from their American Banks. ...Only 50% of banks in America were Basil compliant on **Jan. 3.** ...**This week** some banks will close but you don't need to worry because all accounts have been mirrored by the Quantum Financial System."

- **Tues. 10 Jan. MarkZ:** The window opened on the **Mon. 9 Jan.** and goes to around **Tues. 31 Jan.** One group of sources swears it will happen between **Wed. 11 Jan. and Sat. 14 Jan. of this week.** Another one thinks it will happen between **Thurs. 12 Jan. and Tues. 17 Jan.** Most of the folks are betting on **late this Thursday to the beginning of next week.** Just some horse betting from folks involved in the process. I am just very confident it will happen this month. The PTB do not want us to know the date. They are going to keep throwing out dates and curves to keep us guessing. They are doing this on purpose. Try to stay off the roller coaster. It will drive you nuts. We continue to see movement on NDA's from whales, paymasters and groups.
- **High Up Contact: Sun. 15 Jan. 2023** was the Deadline for all levels to be fully loaded and ready to disperse funds, including Level 5, the General Public.
- **High Up Contact: March 2023** was the deadline to have all countries' currencies of the world exchanging at a 1:1 with each other – a situation expected to last up to **five years.**

B. Tues. 10 Jan. 2023 The Big Call, Bruce: Thebigcall.net 667-770-1866 pin123456#

- **Many** were under gag orders and NDAs so it was hard to get information.
- **Late last night** the US Treasury indicated that Bond Holders were getting notifications starting this afternoon **Tues. 10 Jan.** and Bond Holdings monies were moving to Bond Seller Accounts yesterday and today. They should have access to funds **Wed. or Thurs.**
- **The Internet Group Tier4b** should get notifications to set our appointments around the same time as Bond Holders have access to funds on **Wed. or Thurs.**
- **There were four** Regional Call Centers in the US.
- **Canada, Mexico and other countries** around the Globe will not have Redemption Centers like we do in the US. The US has over 7,000 Redemption Centers. Canada has 1100-1200 Redemption Centers. HSBC and Scotia are the Banks in Canada. Mexico and Latin America have Sencandor Bank and will do Zim redemption.
- **HSBC was the lead bank outside the US,** so check there for Redemption Centers.
- **The US screen and contract rates** were different in other countries.
- **The Zim** was worth a lot no matter the country you were redeeming.
- **NESARA funds** (US retribution funds for interest paid) should kick in for US seniors **Mon. 16 to Fri. 20.**
- **Jan. 17, 18, 19 Tues-Thurs.** were major event days.

C. Restored Republic:

- **Charlie Ward:** <https://t.me/officialcharliewardshow/51492>
- **American Patriot, Telegram:** We are currently and have been under Military control. In the end, Military Law TRUMPS any Civil Law and that includes a corrupt SCOTUS.

- **Charlie Ward:** “Washington DC has been closed and is being dismantled. Everything you see about Washington DC is on a stage somewhere. Temple Texas and Reno Nevada (US Treasury) is where the Constitutional government is now based.”
- **Nancy Drew:** “In Washington DC the Wright Brother Bldgs or the FAA (Federal Aviation Administration) are surrounded by barbed wire fencing and concrete barriers, and have been for at least 2 yrs now. Why would this be necessary for so long now? They also have a POW flag in front. There are only 5 buildings, out of all the govt district that I’ve seen sport the POW flag. The Crapitol, the WH, the VA, the Pentagon and the FAA. Hmmm.”
- **Nancy Drew:** “In the entire 2 yrs I've been in Washington DC and the 100's of times I've passed the IRS bldg, I have yet to see a single person enter or exit the bldg. Where is everyone? Could the US Treasury have absorbed it? It is still completely surrounded by sandbags as well.”
- **Washington DC** is on foreign soil, same as GITMO. There will be no more Congress, Senate and House of Pedo Fraudsters. The White House was now empty and closed. Washington DC was a Military District where Tribunals have been held and executions have been taking place since **2021**.

D. The Supreme Court has denied hearing the Brunson case saying they didn’t have Standing in the case. If the Supreme Court has proof through millions of letters from people who support the Constitution and believe that Congress broke their Oath of Office to protect that Constitution by not investigating allegations of fraud and foreign interference in our elections, how can they say no one has Standing in the Case? This just shows how corrupt our Judiciary System is.

Actually, the Brunsons have already succeeded! – Their purpose was to expose the truth of the violations of the Oaths of Office and the corruption of officials and judges. Is it possible that SCOTUS had to be exposed as well? See: <http://www.cedarhillscitizens.org/community-support-foundation-discouraged-i-get-that/>

The game isn’t over. It’s only half time. Our beloved Constitution is hanging by a thread. If we are denied fair elections as evidently we have been in the past, we don’t live in a Free Society. We encourage all, both inside and outside of the United States, to pray about what is happening to our global society and then encourage your relatives, friends and associates to support the US Constitution – which is a template to be used for all free nations across the World – by sending a letter to the US Supreme Court Justices:

Keep those letters coming: Write Attention to the “Nine Supreme Court Justices”
Express support of Brunson vs. Alma S Adams et al, No: 22-380.
Sign your name, date it and make a copy.

Send the Original in a stamped envelope addressed to: Supreme Court of the United States, 1 First Street, NE, Washington, DC 20543.

Put the copy (and \$1 to say thanks and help in the fight) and send in a stamped envelope to Loy & Raland Brunson, 4287 South Harrison Blvd. #132, Ogden, Utah 84403.

The first ones were discovered nearly a year ago, but more have been popping up in recent months. These devices appear to be relaying data across a wide area. As first

reported by KSLTV 5 in Utah, the mysterious devices consist of a battery box, a solar panel, and an antenna. "These towers have been bolted into different peaks and summits and ridges around the foothills," Tyler Fonarow, the city's recreational trails manager, explained.

- **As of 16 Sept. 2022 the Guardians – US Space Force and Alliance –** had seized Military power on all Satellites, Communication Grids, Banking servers data and full financial transactions in the UK from the Deep State and given operations back to The People's UK Military Army and Generals.
- **White Hat Military in the UK** had King Charles III under Military control.
- **It's expected King Charles III** will be a (planned) failure that would collapse the Committee of 300 who run the Western World Governments and Fortune 500 Companies.
- **The plan to use King Charles III** to massively fail would lead to Nuremberg Trials and World Tribunals.
- **When the World Military Operations** and End Game finished, people would have the debt relief they dreamed of and the Banking Cartels would be gone and money restored to the People of the World.

I. From Tom Fairbanks:

- **Another 12 months of this!** I don't know how many people will be able to hold on. Discouragement is running high and their faith is waning. - I get that!
- **When the Israelites crossed the Jordan River**, the waters did not part until they were already in the water.
- **Misach, Shadrach and Abednego were already locked** in the fiery furnace and it was getting hot before their protectors showed up.
- **Daniel was already captive** as the main course for the hungry Lion's meal before his deliverance presented himself.
- **David was prepared with 5 smooth stones** anticipating that it might take more than one shot to accomplish his assignment.

- **And I am sure that the Brunson Brothers might feel like their effort may have been a complete waste of time** after SCOTUS rejected their petition. NOT EVERYTHING IS AS IT APPEARS!!!!
- **The Brunsons have already succeeded!** - Their purpose was to expose the truth of the violations of the Oaths of Office and the corruption of officials and judges. Is it possible that SCOTUS had to be exposed as well?
- **We have been told over and over that Military is the only way.** Why? Because our government has been completely captured by a foreign enemy, aided by many who have sold their souls to the enemy.
- **It's only the view from where we sit** that makes us see defeat. Life is full of many aisles, so get up and change your seat! The game is not over, it's only half time.

- The Military without "We The People" results in Civil War. "We The People" without the Military results in certain bondage. Only together can we even hope to recover, maintain and sustain the precious Constitutional Republic for which our forefathers fought and died.
- Our prayer -going forward- must be a request for God Himself to reach down with a gentle breath of His mighty power to touch those angry hearts who know only how to berate and belittle, to name-call and accuse others when the truth of the matter is that we are all in this together, loving our God and loving this land that He so graciously gave to us.
- Coming ashore in 1607, Rev. Robert Hunt made a Covenant between Almighty God Himself and this nation at Jamestown (VA), the site of our first colony founded in 1607: May this "Covenant of Dedication" remain to all generations, as long as this earth remains, he said. (...that would be us...)
- Let us pray that God's grace -working in all of our hearts- will enable us to cross the victory line of RESTORATION in harmony -together- with forbearance and charity given freely, one to another. ["Above all, maintain constant love for one another, since love covers a multitude of sins, 1 Peter 4:8] So that we may yet -again- become "one nation under God, Indivisible, with liberty and justice for all."

L. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

M. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

N. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

O. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
