If my sources are correct it will start on Wed of this week. Within hours of that...we go. The chatter from the banks is ongoing meetings throughout the day and into this evening. I’ve got some private banking contacts that are part of this process and are hoping to be able to send out their announcements and notifications late tonight or tomorrow. This is still their goal. They are very hopeful that by tomorrow they will be able to send out announcements. I am sharing this because I am hearing it from a lot of different sources on the banking side who have been involved in meetings today with logistics. G. The Brunson Brothers Petition hearing at the Supreme Court was set for this Fri. 6 Jan.

- **The Brunson Petition** concerns the question, “Did Congress honor their oath to protect the Constitution when a foreign entity tried to change the vote in the 2020 Election?” There were exactly 100 Congress people who filed Fraud Complaints surrounding the 2020 Election, but Congress refused to investigate before they certified the Election. According to Rule 11 that was considered Treason. A positive ruling on the Brunson case could take down the Biden Administration and all of Congress.

- **Another Sample Letter:** To The Honorable Nine Supreme Court Justices:

It is our prayer that you will rule in favor of Brunson vs. Adams et al Case 22-380 that requests Congress people uphold their oath of office to support our beloved Constitution.

According to Rule 11, that oath included investigating possible intervention in Elections by foreign entities. In this case it was a suspected interference by the Chinese Communist Party in the 2020 Election.

By ignoring 100 officially registered complaints of possible Election Fraud before certifying the 2020 Election, Congress failed to protect The People and sanctity of our sacred votes in not only the 2020 Election, but this Congressional failure to act cast doubts for the integrity of both past and future Elections.

Elected officials who ignore their oath to support our beloved Constitution should be held accountable and do not deserve to hold office.

- **Write Attention** to the “Nine Supreme Court Justices”
Express support of Brunson vs Alma S Adams et al, No: 22-380.
Sign your name, date it and make a copy.
Send the Original in a stamped envelope addressed to: Supreme Court of the United States, 1 First Street, NE, Washington, DC 20543.
Put the copy (and \$1 to say thanks and help in the fight) and send in a stamped envelope to Loy & Raland Brunson, 4287 South Harrison Blvd. #132, Ogden, Utah 84403.
- **Your effort would not be in vain.** Both the Supreme Court and the Brunsons were registering the letters – well over 50,000 received so far.

H. Juan O Savin:

- **“You’re looking at groups working together** to own & control Elections, Business contracts, Global Alliances, all across the board for their own gain. If I mention certain categories the algorithms would be flagged because of who I am & this video would be down.
- **The Minders:** “I had a conversation with a sitting U.S. Senator sitting at a bar, having a drink discussing a very important matter. He says, “Yeah, I really can’t even comment on that. I don’t know that I even want to listen to it.” I’m kind of shocked. He says, “You know – they listen. They’re not listening on my phone, they’re listening on yours and the guy two seats over. I never ever discuss it. I can’t make a vote on this because of that. You don’t realize how controlled your conversations are.”
- **This was a sitting Senator** who’s in the community. The people that are controlling conversations they want to burn the world down and rebuild it in their own image. That’s their intent.
- **All these whistleblowers** in various agencies are desperately trying to get information out about what they know about improprieties in numerous Government agencies.

- **When the Directors of CIA, NSA & FBI refused** to let the information go to the President and Congress concerning Foreign Interference in the Election by China, those agency heads blocked these people's information they had developed from getting to the American people.
- **These people have gotten more & more pissed off** that nothing's been done. You're going to have revelation after revelation after revelation & if they can't get it through appropriate channels these people will find other ways.
- **It was China**, the way they hold the corporations, these mirrored funds providing the financing to get control of the companies that control our Elections.
- **It's going to be mind-shattering** to most Americans & will affect politics in ways that are going to result in some type of flip.

J. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with

the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

K. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

L. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

M. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
