[October 9, 2022 - #4856 Music & the Spoken Word \(thetabernaclechoir.org\)](https://www.thetabernaclechoir.org/2022/10/09/#4856)

A loving niece has regularly called her widowed 94 year-old Aunt Helen. They smile, laugh, even shed a few tears together as Aunt Helen recounts her life while her niece records the conversation for posterity. Over the course of these visits, the niece has been struck by how clearly Aunt Helen remembers people and experiences from so many years ago. In particular, she seems to remember best those who were kind to her. She talks most vividly about moments of joy and acts of kindness.

A. Global Currency Reset:

- **Judy Note: A High Up Source indicated** that the funding for the RV has already been released to the US Treasury and was in the Quantum Financial System ready to be distributed. The liquidity for Tier4b to begin appointments would be coming from the Rodriguez Trust **some time before, or on, Mon. 20 Feb.**
- **Thurs. 9 Feb. Bruce: An international bank** said that once USTN was available at the banks Tier4b appointments would start – and that could be **within the next couple of days.**
- **Thurs. 9 Feb. MarkZ:** “From the banking side I am continuing to hear they are expecting us to start banking around the **19th-20th** and Nesara to kick in. I am hearing around the 20th Nesara/ Gesara starts. We will see. This means we have to have the

RV/Reset before then. They would have to move quickly from where they are floating now in Iraq to a full blown revaluation. It's possible and I hear they are prepared for it. ...What I am being told is we will get to exchange at a Contract Rate once it crosses around the \$1 mark. I think they may do one more small rate increase just to get the dollars off the streets and the Dinar back in the hands of Iraq citizens. Then I think they could go Wham – a Revaluation. ...They have two choices (on the Stock Market): a complete crash would force the Reset/RV. They can certainly do it before if they want to....But, if they continue to be idiots they can let it crash in a controlled demolition, or an ugly, ugly event.”

- **The retribution funds** for 62 and older: compilation of money paid in taxes, interest paid, birth certificate, marriage licenses, divorce decrees that were traded as a bond – will be paid back. Their total into 1 payment per year for 11 years annual tranches starting 15 Feb. through the end of the month 28 Feb.
- **Social Security** will eventually increase and paid on three Weds, one restitution check on the other Wed.
- **Some Bond Holders** received funds (1%) today **Thurs. 9 Feb.**
- **Tier 4B** notification will be triggered by Bond Holders getting access to their funds.
- **On Thurs. 9 Feb. an international bank** said that once USTN is available at the banks Tier4b appointments will start – and that could be within the next couple of days.

- **The Brunson Case again goes before the Supreme Court on Fri. Feb. 17.**
- **It asserted that 385 members of Congress**, plus Biden, Harris and Pence, broke their Oath of Office to protect the Constitution and called for removal of those traitors from office for failing to investigate 50 allegations of fraud in the 2020 Election.
- **The case now rested** on one question, “If there is no penalty for breaking the Oath of Office, then why have it at all?”
- **You can support the Constitution by sending a letter in support of the Brunson Case 22-380 to the Supreme Court:** <https://rumble.com/v27wgtq-send-your-letter-to-the-supreme-court-in-support-of-the-brunson-case-22-380.html>

D. IRS Agents have confirmed that you are not required to pay income tax.

- **After proving in a Federal Tax Court** that they owed no monies to the IRS, Patriots Ken and Barbara Cromar were twice visited by SWAT Teams in their quiet middle-class neighborhood, arrested, their fully paid for home repossessed and sold, and all possessions thrown in unknown dumpsters including expensive equipment Ken used to

make a living – but that didn't stop them fighting to reinstate their rights in cases working their way through a corrupt legal system to the Supreme Court.

- **1961 Project MKULTRA** – Is the CIA writing mistruths in their records? The records on Subproject 94, part of Project MKULTRA, dated 22 November 1961, describe the purpose of brain implants. “Miniaturized stimulating electrode implants in specific brain center areas will be utilized . . . to provide an understanding of the mechanisms involved in the directional control of animals and to provide practical systems suitable for (deleted – ‘human’?) application.”
- **Retarded children at D.C. Children’s Center** in Laurel in a section called the District Training School were used as human guinea pigs for both private industry and the government. Among the experiments, was the testing of NeoBazine a diet pill commonly referred to as “rainbow pills.” They contained thyroxin, which caused tremors, nervousness, insomnia, and tachycardia. It was being tested for its safety and efficiency. In October 1964 the FDA found that the drug was not safe for use.

- **1962 Children at DC Children’s Center used to test diseases**
The children at D.C. Children’s Center were again used to test a drug for skin diseases, which doctors strongly suspected caused serious side effects to the human liver. More than half the children tested suffered some liver dysfunction. Eight were admitted to D.C. General Hospital for intensive care.

- Journalist Seymour Hersh documents whistleblower account of the DoD destroying #Nordstream

- US Navy divers planted explosives under cover of BALTOP 22 exercise

- Norway dropped sonar bouy that broadcast detonation command
- Act of WAR against not just Russia but against NATO allies, too
- The USA proves it is a terrorist nation that destroys civilian infrastructure
- U.S. willing to sacrifice EUROPE to try to damage Russia
- China tested hyperglide vehicles (HGVs) dropping from high altitude balloons
- HGVs can carry nuclear warheads or conventional explosives for precision strikes
- Biden proved the USA will do nothing to protect America's airspace
- Covid #vaccines found to increase death risk by 7% per year, per booster, EACH year (accumulative)
- 30 year old man taking 5 boosters will lose 24 years off his life expectancy
- Sea levels are stable around the world, no "rising oceans" crisis exists at all: NOAA data
- Data proves no correlation between CO2 emissions and sea levels - #climatechange is a HOAX

L. Central Banks Attempting to Control Humanity Through Fiat Digital Currency, Medeea Greere

Judy Note: This Cabal-proposed Central Bank Digital Currency System would not be backed by anything, and has already been rejected by major nations. The Global Financial System on the Quantum Computer StarLink Satellite System was going into effect and will be working off of the gold/ asset-backed currency of 209 nations.

- **The Central Banks are preparing to replace all cash money with a digital currency,** the CBDC (Central Bank Digital Currency). This will give them full control over humanity, as they can then monitor every transaction, limit what you can spend, and even delete your funds at will.
- **It is promoted as something that will make our lives easier.** The truth is that it would mean total tyranny for all of humanity.
- **Our digital funds** would be connected to our digital ID, which will be connected to our vaccine status and social credit scores.
- **Imagine no longer being able to access your funds** – when your digital ID shows that you haven't received your umpteenth vaccine booster.
- **Or envision how your spending would be limited** as the result of posting something on Facebook that the government doesn't like.
- **Or worse: what if governments simply erase your bank account** because you don't agree with their policies?

O. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

P. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](http://www.youtube.com/watch?v=F626Lsrdwg4) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

Q. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

R. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady

who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
