### **Global Financial Collapse Imminent**

**Since Friday 10 March, 71 US banks and 1,400 banks worldwide have collapsed, plus the Federal Reserve was bankrupt – all of which would instigate a Global Currency Reset.**

*“Let us all press on in the work of the Lord, that when life is o'er we may gain a reward. An unseen power will aid me and you in the glorious cause of Truth. Fear not, for the enemy deride. Courage, for the Lord is on our side. If we do what's right we have no need to fear, for the Lord our helper, will ever be near. Let us heed not what the enemy may say, for the Lord, the Lord we will obey.”*

**Judy Note: Juan O Savin** recently discussed “Project Sandman” where 100+ nations have a global agreement to end the dominance of the US Dollar and Petrodollar.

**He stated**, “Most of the conditions to trigger the Sandman Option have been met. One of them was the Petrodollar abdication with Saudi Arabia no longer requiring the US Dollar to buy oil. Another one is tension between the United States, Russia, and China. ...An outstanding requirement would be the operational BRICS Reserve Currency. Basically once the BRICS Reserve Currency comes online, then all of these things are met and all of the US Treasuries come back into the United States.

“**So this is planned** to happen on a Sunday night. Then on Monday our way of life as we know it is over.” <https://prepareforchange.net/2022/03/25/100-nations-have-global-agreement-now-being-deployed-called-project-sandman-to-drop-and-end-dominance-of-u-s-dollar-and-petrodollar/>

- On **Mon. 20 March 1<sup>st</sup>** through #ISO20022, currencies of the World integrated digitally with the Quantum Financial System (GFS), while live test runs on GCR Banking transactions would be made **throughout Monday** on the new StarLink Satellite System.
- **On Fri. 17 March President Trump announced on** Fox News that he was set to be arrested on **Tues. 21 March**, but by **Sunday 19 March** Trump made a second announcement, this time on Telegram that his arrest on Tuesday may not be happening. Meanwhile, hundreds of Americans began showing up at Trump Tower in New York to express support for Trump’s rumored arrest.
- **The UN has an arrest warrant** out on Putin. No worries: the Trump/Putin arrests could be for optics – the White Hat Military was in charge and it appeared that they were through with the game playing: Rumor was that this week Biden would disappear.
- **Biden’s Got to Go. He Believes In:**
  - Defunding the Police
  - Open Borders
  - Destroying Our Military
  - Voter Fraud
  - Inflation
  - Raising Taxes

**A. Sun. 19 March White Hats on Standby for Trump Tuesday**, Michael Baxter  
<https://www.rumormillnews.com/cgi-bin/forum.cgi?read=219315>

- **President Donald J. Trump** has asked Gen. Eric M. Smith not to intervene on Tuesday unless the Deep State and criminal Manhattan D.A. Alvin Bragg have an ulterior motive unrelated to the Stormy Daniels Saga for reeling him in—such as trying to compel him to relinquish an item no longer in his possession, like the “nuclear football” that holds the launch codes to the United States’ nuclear triad.
- **Ahead of leaving Washington in January 2021**, Trump invoked the Insurrection Act of 1807, which cedes authority of the country to the military in times of national crisis, such

as a Deep State takeover. He transferred the codes to Gen. Berger, who, upon resigning his post as White Hat commander in Jan 2023, transferred them to Gen. Eric Smith.

- **The Deep State, a source in Gen. Smith's office told Real Raw News**, has repeatedly threatened White Hats to surrender the codes "or else." "Meaningless threats," our source said. "It's just a hypothetical scenario of course, but imagine if they brought Trump into a back room and standing there are Lloyd Austin and Gen. Milley. We have contingencies in case things go south."
- **He said Trump and Gen. Smith spoke at length Saturday night** to discuss theoretical eventualities and formulate responses to Deep State treachery. White Hats, he added, will have a force in both Palm Beach and Manhattan, but they will be incognito and ready to come to Trump's defense if Gen. Smith gives the order. When asked which units—Special Forces, Rangers, Delta Force, Marines, etc.—would be present, he wouldn't elaborate but said, "The best we have." He hinted that Trump would have a way to signal White Hats.
- **And when asked if such a "signal" would stop the Deep State** from disappearing Trump, or replacing him with an imposter or a programmed clone, he said, "They can't disappear Trump. He's too prominent a figure. It would spark a civil war. Clone? Who's to say the real President Trump isn't stashed away safe and they'll end up with a clone. I'm kidding, of course. Look, the Deep State has tried to send Trump to jail for years, they got nothing on him, so they're using this Stormy Daniels crap because they think it will hurt him. They're dead wrong. This will galvanize people into backing Trump and make his 2024 official return to the presidency a sure thing."
- **Trump and Smith**, he added, hope protests remain peaceful; they don't want to see patriotic Trump supporters gunned down by hordes of crooked feds.
- **"We've learned there will be a massive federal presence**, over 600, including snipers on rooftops. This is part of the reason we'll engage only if necessary. We don't want civilians caught in the crossfire, and we don't want to give the Deep State reason to imprison more innocent supporters of President Trump," our source said.
- **"President Trump is a genius**. He's five steps ahead of the opposition," he said in closing.

**B. Judy Note: I apologize for publishing a Wed. 15 March section in my Update titled "How to use the new Quantum Financial System Universal Digital Currencies"** – information that was now believed to be bogus, as was the website: <https://www.quantumledgerfirm.net/register.php>.

Q) The Storm Rider on Telegram gave me the information and was vigorously promoting what now appeared to be a scam that was in no way connected to the Quantum Financial System. Unfortunately, there were nefarious ones who tracked our communication, our Intel exchanges and various updates – including mine. Their number one goal appeared to be exploiting our weaknesses and doing us harm.

**This Restored Republic via a Global Currency Reset Update** as published on Dinar Chronicles, has been redacted. For an un-redacted version see a PDF copy at the report's end.

**C. Global Currency Reset:**

- **On Mon. 20 March** #ISO20022 went active, where currencies of the World digitally integrated with the Quantum Financial System (QFS).
- **It was reported that last weekend** European banks moved into the QFS with live transactions monitored through Monday to ensure that all payments were correct and reached the correct recipients.
- **Mon. 20 March** was the first day of Spring, was Barron Trump's birthday, when ISO 20022 went active and according to Bruce, was also when Bond Holders would have access to their accounts, plus before **noon on Mon. 20 March** Tier 4b (Us, the Internet Group) was expected to receive notification to set exchange/ redemption appointments.
- **On Mon. evening 13 March** two High Up Contacts reported that the new rates were locked in on Bank Screens; Tier 1 had already gone; Tier 2 was processing and Tier 4 (including Us, the Internet Group) would go within a couple of days.
- **Sun. 19 March RV Update, Wolverine:** 71 US banks and 1,400 banks worldwide have collapsed since **last Friday 10 March**. The FDIC (Federal Reserve) was leaving. No one can control details of the wind speed, navigational system details, or exact flight plan. That is clear and so are the skies. We simply continue to have patience and wisdom knowing that this will come to fruition. It took a little longer to land than I had anticipated because the elevation of the Airport is much higher than originally anticipated. We have been given permission to land and are now in a final approach with the Airport and destination in sight and should be landing momentarily. We should have you at the gate in a very short time now. Those with understanding will appreciate the magnitude of what I posted.

- **The Federal Reserve** was technically bankrupt. In 2023 the Fed will post its first annual operating loss of \$80 billion since 1915. It will have a negative capital of \$38B. This loss does not count the \$1.3 trillion unrealized loss on its portfolio.

USPS is claiming "weather conditions" as to the reason for the delay. Anyway, it looks like through their claims department I won't be charged for shipping (oh wow man) but at least it arrived in the city! Next, the Office of the Clerk will sign for it, and then they will let us know if they are willing to put it on the docket. I'll let you know!”
- **JFK Secrets on Telegram**: “Corroborated now by 3 people in my sphere, and my own research. In my assessment, it is now my very strong belief that: SCOTUS has accepted the Brunson case in a 5-4 decision, and will hear it. SCOTUS will rule on the merits of the case, not the posturing of it. The US Military is involved in the background with this process, and made contact with the Supreme Court in the last 7 days.”

- **Help save your right to vote in fair and free elections** by adding your name to the Brunson Petition, adding the wording for the Justices “Misprision of Treason” through sending an Affidavit to SCOTUS. Those Affidavits that included the wording “Misprision” seemed to have had a significant impact. In this case Misprision meant that Congress may have committed Treason by not investigating claims of 2020 Election Fraud. If SCOTUS was aware of that Election Fraud and didn’t do anything about it, then those Judges too, could be guilty of committing Treason. **Patriots worldwide can help Save the US Constitution by Adding their name to the Brunson Petition.** See: [BrunsonBrothers.com](http://BrunsonBrothers.com)

## F. Sun. 19 March Goldilocks: ISO 20022 Stablecoins and Digital Tokens

- **Mon. 20 March** is a very exciting day for all of us. We begin our journey into the digital asset-based trading ecosystem through ISO 20022.
- **The final phase of development in the QFS** will be a determination made between Stablecoins and Digital Tokens.
- **Stablecoins** are backed by commodities with a fixed rate of a commodity value placed on them.
- **Digital Tokens** are value derived by the amount of money held in a customer's digital wallet.
- **The banking system** believes that a more stable rate can be placed on Digital Tokens versus Stablecoins.
- **Both tokens** represent stability and security for the holder of them. The commodity system that backs both of these assets is held in the custody of financial institutions who mint them.
- **When all of the dust is settled** on the coming transformation of our markets currently being tokenized, we will then be able to place tangible monetary values on the currency / digital currency sector of the market to support them.
- **Legislation on our monetary reforms** will be formulating and becoming visible this month. As Congress votes on this final process and development of the QFS, we will get a clearer picture as to when and how our currency revaluations will take place around the world.

- **"On Monday, 20 March 2023**, more than 11,000 institutions in over 200 countries and territories, their vendors and technology teams, and many domestic payments platforms will start their migration to ISO 20022 for payments and related messaging."
- **This is one of the largest migrations** ever taken by a financial institution in the history of our world.
- **Once we have this payment system in place** that will unify various Payment Systems from all over the world, we can then formulate prices on the digital currency values and currency values going forward.

#### **O. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

**P. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities”** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

**Jenny Hill's witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

**Q. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**R. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working*

*with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
