

Restored Republic via a GCR: Update as of Tues. 21 March 2023

Compiled **Tues. 21 March 12:01 am EST** by Judy Byington, MSW, LCSW, Therapist ret, Journalist, Author: “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty-two multiple personalities”

The World is On the Cusp of a Near Death Experience

Set To Fail This Week Were Over 200 US Banks and Over 1,400 Banks Worldwide.

Expect banks to close, ATMs, Credit/Debit Cards and even the Internet may not work during a 10-30 Day Conversion Period to the new asset-backed Quantum Financial System.

It is only wise to store at least a month's worth of food, water, cash and essential items.

“Who is My Neighbor?”

[July 10, 2022 - #4843 Music & the Spoken Word \(thetabernaclechoir.org\)](https://www.thetabernaclechoir.org)

A good neighbor is one who, filled with compassion, overcomes boundaries and fulfills their needs that are only visible to the heart.

Judy Note: On Mon. 20 March the new gold/asset-backed Quantum Financial System replaced the Cabal's fiat currency Central Banking System. Now they were testing the system, so the technology won't be available until around **Wed. 23 March**.

- **The World was on the cusp of a Near Death Experience: This week** over 200 US Banks and over 1,400 Banks worldwide were set to fail.
- **On Mon. 20 March** the new gold/ asset-backed Quantum Financial System (QFS) replaced the Cabal's fiat currency Central Banking System. There were 11,000 institutions in 200+ countries which adopted the QFS ISO20022 Digital Payment System.
- **Beginning Wed. 23 March** technologies would kick in on the QFS Quantum Server (which now houses the IMF and World Bank) as Central Bank Digital Currency (CBDC) disconnected from the Central Banking System.

- **During the transition be prepared** for 2-4 weeks where ATMs, Credit and Debit cards and even the Internet may not work.

- **Breaking! Biden was rumored to be arrested.** The media IS NOT reporting this! Biden has been charged for his hidden ties with Ukraine. ...Trump Mission on Telegram

Judy Note: I apologize for publishing a Wed. 15 March section in my Update titled “How to use the new Quantum Financial System Universal Digital Currencies” – information that was now believed to be bogus, as was the website: <https://www.quantumledgerfirm.net/register.php>. Q) The Storm Rider on Telegram gave me the information and was vigorously promoting what now appeared to be a scam that was in no way connected to the Quantum Financial System. Unfortunately, there were nefarious ones who tracked our communication, our Intel exchanges and various updates – including mine. Their number one goal appeared to be exploiting our weaknesses and doing us harm.

This Restored Republic via a Global Currency Reset Update as published on Dinar Chronicles, has been redacted. For an un-redacted version see a PDF copy at the report’s end.

A. Global Currency Reset:

- **“The ISO20022** (digital currency transfers from the old Cabal Central Bank SWIFT System to the new BRICS gold/ asset-backed Quantum Financial System) **comes into play on Mon. 21 March**, so we will see what happens immediately and what takes time. Trump’s arrest does two things: (1) It distracts from the transition from the old Swift System to the ISO20022 and (2) It shows the world how corrupt the DOJ is. Exciting times. Wednesday is an important day.” ...Charlie Ward
- **Mon. 20 March Oakie:** The (Dinar) rate is very high. I was informed, but subject to correction. The rate was \$14.38. I pray the Intel received from so many sources is correct. It is my understanding that some may be able to cash out tomorrow, but the bulk of Dinarians will be at the bank later. The plane is going to land. No one can control details of the wind speed, navigational system details, or the exact flight plan. That is clear and so are the skies. We simply continue to have patience and wisdom knowing this will come to fruition. <https://twitter.com/OkieOOM>

B. Mon. 20 March Changes Begin Today, Goldilocks: [“Changes Begin Today” – Seeds of Wisdom RV/GCR Update\(s\) from Goldilocks 3-20-23 | Dinar Chronicles](#)

Judy Note: As I am suspicious of some things Goldilocks has to say, I have only printed that part of her report that makes sense to me.

- **The Migration of ISO20022** has gone smoothly in Europe. It looks like the International Payment System that unifies all of the payment systems from around the world is connecting the world as we speak to each other.
- **Remember, Europe** has more payment connections than anywhere else in the world. It was the nation we had trouble with last November that kept us from moving forward at that time.
- **“Europe’s T2 and Australia’s HVPS** have migrated to #ISO20022. @swiftcommunity (start of the CBPR+ coexistence phase) and @PaymentsCanada (Lynx) have not yet announced whether the transition from MT to MX messages has been successful.”
- **Australia:** “Robert Magee, Director of the ISO 20022 Program @AusPayNet: ‘Congratulations to our 50 Participants in the Australian High Value Clearing System on successfully going live with #ISO20022 today. Even though we didn’t get to go live last November, all of our Participants were fully tested, certified and read to go on time. A rare feat, considering that this type of large-scale whole-of-industry initiative is notoriously difficult to deliver successfully.’ (Source: LinkedIn)”
- **“The #ISO20022 migration in Europe** seems to have gone smoothly on the system side. The @ecb reports full functionality for #TARGET2, T2S and TIPS. You can check the current status on the link below.”
- **It is important to note** that the old Financial System is currently undergoing bank failures around the world as the new digital asset-based Trading System is being activated today.

C. Restored Republic:

- **Wed. 15 March Brunson Petition:** “Okay, so we sent the 3rd petition to the US Supreme Court 10 days ago (overnight express) and it finally arrived in Washington D.C. this morning at 1:32am. USPS is claiming "weather conditions" as to the reason for the delay. Anyway, it looks like through their claims department I won't be charged for shipping (oh wow man) but at least it arrived in the city! Next, the Office of the Clerk will sign for it, and then they will let us know if they are willing to put it on the docket. I'll let you know!”
- **JFK Secrets on Telegram:** “Corroborated now by 3 people in my sphere, and my own research. In my assessment, it is now my very strong belief that: SCOTUS has accepted the Brunson case in a 5-4 decision, and will hear it. SCOTUS will rule on the merits of the case, not the posturing of it. The US Military is involved in the background with this process, and made contact with the Supreme Court in the last 7 days.”
#NothingCanStopWhatIsComing #WWG1WGA "It must go through the Courts. It must carry weight" Q
- **Help save your right to vote in fair and free elections** by adding your name to the Brunson Petition, adding the wording for the Justices “Misprision of Treason” through sending an Affidavit to SCOTUS. Those Affidavits that included the wording

“Misprision” seemed to have had a significant impact. In this case Misprision meant that Congress may have committed Treason by not investigating claims of 2020 Election Fraud. If SCOTUS was aware of that Election Fraud and didn’t do anything about it, then those Judges too, could be guilty of committing Treason. **Patriots worldwide can help Save the US Constitution by Adding their name to the Brunson Petition.** See: BrunsonBrothers.com

D. Trump Arrest:

- **Mon. 20 March Evening:** New Yorkers are expected to hold a rally against the indictment and arrest of President Donald J. Trump.
- **Steel barricades** are being placed by the NYPD in front of the Manhattan court house in expectation of protests about the arrest of President Trump.
- **BREAKING:** Law enforcement does not expect Trump to be arraigned until next week (assuming indictment) as the Manhattan grand jury – which has been meeting secretly to hear evidence for weeks – has another witness on Wednesday.

E. Bank Closures:

- **Collapsed Silicon Valley Bank** was in deep with Chinese banks and companies. SVB was especially popular among Chinese biotech groups that operated between the US and China, according to the Financial Times.
- [186 More Banks “Are At Risk Of Failure”, And That Could Push Us Into The Next Great Depression](#)
- **Hal Turner:** UBS just offered to acquire Credit Suisse, for \$1 billion. This means that \$CS shareholders would be paid **\$0.27 per share**. An 87% DISCOUNT to the \$2.01 closing price on Friday. This is either the biggest lowball offer of all time or Credit Suisse is in serious trouble. <https://haltunnerradioshow.com/index.php/en/news-page/world/we-have-entered-the-most-lethal-financial-crisis-since-1930-ubs-offers-one-billion-for-credit-suisse>

F. International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring:

- **On Mon. 20 March** a US judge said JPMorgan Chase must face a lawsuit by the US Virgin Islands accusing the bank of enabling the late financier Jeffrey Epstein’s sex trafficking.

- **On CBS Sun. 19 March JP Morgan** advertised wealth management services. With the banks having financial trouble, I wonder where they think the clients will come from hmmm?
- **Utah State Treasurer Marlo Oaks** denounced the controversial environmental, social, and governance (ESG) investment movement as part of “**Satan’s plan.**” The official pushed back against the movement that is rooted in woke politics and social engineering. Oaks blasted ESG as well as the United Nations’ Sustainable Development Goals (SDGs) as part of “outcomes-based systems.” ESG involves a rating system that factors in such leftist utopian goals as climate change, corporate diversity, and social justice. In other words, the dream of a woke bureaucracy that would fail if put to a vote is realized through corporate activism. K. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

L. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same

Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

M. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

N. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
