Wake Up, America!

We have a corrupt Main Stream Media, Facebook, Instagram, Twitter, US President, FBI, CIA, Department of Justice, Judicial System, Voting System, Banking System, Health Officials, Speaker, plus State & US Government politicians, yet they all try to convince us that Trump & his supporters are the problem.

It's Time To Take Our Country Back!!!

Judy Note: We are Slaves No More as of Mon. 20 March – the First Day of Spring 2023.

Since the early 1900s the Rothschild's/ Rockefeller's US Inc, UK Royals and Vatican have owned and ran the Global Central Banking System. In order to gain more power and completely control peoples of the world, these same Illuminati higher ups authored a plan to implement a One World Order Depopulation Agenda.

In a worship of Satan under direction of the Ninth Circle Satanic Cult run out of the Vatican, these Satanists stole US Taxpayer monies and used the services of various Mafias in order to maintain an International Kidnapping, Child Sex Abuse and Torture, Adrenochrome Production, Organ Harvesting, Guns and Drugs Trafficking Ring.

In a quest for power and to honor Satan, they regularly tortured, sexually abused and killed millions of children in human sacrifice rites, created World Wars, financing them on both sides, plus poisoned and illegally taxed humanity.

Considering us as their slaves, they maintained power by blackmailing politicians and the Main Stream Media to do their bidding, using their ill-gotten gains to fund pedophilia parties and Satanic Child Sacrifice rites at the UN, Epstein Island, Castles and Estates across Europe and the Netherlands, Bohemian Grove, the Playboy Mansion, the US White House, plus thousands, of privately owned estates across the Globe.

Now peoples across the World could finally consider themselves as Slaves No More, thanks to the Global White Hat Alliance, President Trump, BRICS nations and their Global Currency Reset of 209 nations that, after 1,600 banks imploded worldwide, became official on the **first day of Spring Mon. 20 March**.

- **Global Financial Collapse:** Since **Friday 10 March 2023**, over 200 US banks and 1,400 banks worldwide have collapsed, plus the Federal Reserve was bankrupt.
- **Since that same Friday 10 March, banking systems** have been using the new Unified Payment Interface (UPI) on the Quantum Financial System (QFS) for foreign currency swaps. <https://dinarrecaps.com/our-blog/goldilocks-prepare-yourselves-for-the-old-guard-to-fall-3-11-2023>
- **A Global Currency Reset** of 66 nations happened on the first day of Spring, **Mon. 20 March**. More would follow to eventually add up to 209 nations in the new gold/ asset-backed system.
- **By Wed. 22 March**, through #ISO20022 and the new StarLink Satellite System, currencies of the world were completed their digital integration of bank accounts from the Global Central Banking System to the Quantum Financial System (GFS).
- **“Project Sandman”** has now completed, where 100+ nations’ global agreement ended the dominance of the US Dollar and Petrodollar.
- **The Federal Reserve** was technically bankrupt. In **2023** the Fed will post its first annual operating loss of \$80 billion since 1915. It will have a negative capital of \$38B. This loss does not count the \$1.3 trillion unrealized loss on it’s portfolio.

Judy Note: I apologize for publishing a Wed. 15 March section in my Update titled “How to use the new Quantum Financial System Universal Digital Currencies” – information that was now believed to be bogus, as was the website: <https://www.quantumledgerfirm.net/register.php>. Q) The Storm Rider on Telegram gave me the information and was vigorously promoting what now appeared to be a scam that was in no way connected to the Quantum Financial System. Unfortunately, there were nefarious ones who tracked our communication, our Intel exchanges and various updates – including mine. Their number one goal appeared to be exploiting our weaknesses and doing us harm.

This Restored Republic via a Global Currency Reset Update as published on Dinar Chronicles, has been redacted. For an un-redacted version see a PDF copy at the report's end.

A. Global Currency Reset:

Bond Holders** were to receive their final emails in order to access their funds **tonight Tues. 21 March**. Tier 4B (Us, the Internet Group) would receive emails to make appointments within 12 hours of Bond Holders receiving those final emails. The rate is very high, I was informed, but subject to correction. The rate was \$14.38. I pray the Intel received from so many sources is correct. It is my understanding that some may be able to cash out tomorrow (**Wed. 22 March**), but the bulk of the Dinarians will be at the bank later." <https://dinaresgurus.blogspot.com/2023/03/rv-update-by-okie-via-twitter-21-march.html>

C. Restored Republic:

- **Breaking: Trump to be indicted Wednesday 22 March** and will be asked to surrender for arraignment **next week.**
- **Anonymous High Up Contact: Remember, everything is "smoke & mirrors" ... from the possible Trump arrest to the Big Guy / fake president's arrest.** The war is still happening largely behind the scenes, with major [DS] players, in every profession, being taken out one-by-one! Whenever the military hammer finally does fall, it will primarily be an "ankle brace" round up & the mass incarnation of the remaining "small fries," many of whom have already been convicted under Military Law. The Alliance is now focused on the evil ones capabilities to "make war" and do massive damage... i.e. the Alliance is focused on the destruction of their monetary supply (Central Banks / Fed). Once this final phase of the mission is complete, all else will manifest rather quickly! I still maintain, in 7 days, 7 weeks, or in 7 months... no one knows, but a select few.
- **Wed. 15 March Brunson Petition:** "Okay, so we sent the 3rd petition to the US Supreme Court 10 days ago (overnight express) and it finally arrived in Washington D.C. this morning at 1:32am. USPS is claiming "weather conditions" as to the reason for the delay. Anyway, it looks like through their claims department I won't be charged for shipping (oh wow man) but at least it arrived in the city! Next, the Office of the Clerk will sign for it, and then they will let us know if they are willing to put it on the docket. I'll let you know!"
- **JFK Secrets on Telegram:** "Corroborated now by 3 people in my sphere, and my own research. In my assessment, it is now my very strong belief that: SCOTUS has accepted the Brunson case in a 5-4 decision, and will hear it. SCOTUS will rule on the merits of the case, not the posturing of it. The US Military is involved in the background with this process, and made contact with the Supreme Court in the last 7 days." #NothingCanStopWhatIsComing #WWG1WGA "It must go through the Courts. It must carry weight" Q
- **Help save your right to vote in fair and free elections** by adding your name to the Brunson Petition, adding the wording for the Justices "Misprision of Treason" through

sending an Affidavit to SCOTUS. Those Affidavits that included the wording “Misprision” seemed to have had a significant impact. In this case Misprision meant that Congress may have committed Treason by not investigating claims of 2020 Election Fraud. If SCOTUS was aware of that Election Fraud and didn’t do anything about it, then those Judges too, could be guilty of committing Treason. **Patriots worldwide can help Save the US Constitution by Adding their name to the Brunson Petition.** See: BrunsonBrothers.com

D. On Trump’s Arrest, Tom Fairbanks, Community Support Foundation

- **This Arrest for Trump** involves the matter of Habeas Corpus.
- **First of all, the indictment** is not an arrest warrant. A warrant for arrest would have to be filed and sent to the governor of New York, who would have to issue a Governor's Warrant to Governor DeSantis, who would have to accept the Warrant in order for Trump to be extradited to New York.
- **DeSantis has already stated** that the case against Trump is bogus. DeSantis can issue an Application for Writ of Habeas Corpus as an effort to validate the claims against Trump.
- **Habeas Corpus** is the most important matter facing the nation. Was Habeas Corpus ever reinstated after President Lincoln suspended it in 1863? That question needs to be answered first.
- **Secondly, President Trump** issued a declaration that we are at war, so even if Habeas Corpus had been reinstated, President Trump's Executive Order suspended it again. So, New York cannot issue the indictment because the Military is the only one who has lawful authority.
- **This could get interesting rather quickly!**

RE: ATTENTION: The New York's AG's threatened arrest of you requires a "Governor's Warrant" signed and sealed by Gov. Hochul

Dear President Trump,

Thank you for the many sacrifices you and your family have made in behalf of We the People and the protection of our God-given rights secured under the Constitution from both "enemies foreign and DOMESTIC".

As friends of the Brunson Brothers' and their case #22-380 at the Supreme Court, and in preparation of our own cases heading towards SCOTUS we have researched a CONSTITUTIONAL matter that we offer for consideration by your Counsel in your Defense.

The Threatened Arrest for President Trump Centers on the Matter of Habeas Corpus.

Bouvier 1856 Law Library on Habeas Corpus - HABEAS CORPUS, remedies A writ of habeas corpus is an order in writing, signed by the judge who grants the same, and sealed with the seal of the court of he is a judge, issued in the name of the sovereign power where it is granted, by such a court or a judge thereof, having lawful authority to issue the same, directed to any one having a person in his custody or under his restraint, commanding him to produce, such person at a certain time and place, and to state the reasons why he is held in custody, or under restraint.

#6. By the habeas corpus law of Pennsylvania, (the Act of February 18, 1785,) the benefit of the writ of habeas corpus is given in "all cases where any person, not being committed or detained for any criminal, or supposed criminal matter," Who "shall be confined or restrained of his or her liberty, under any color or pretence whatsoever." A similar provision is contained in the habeas corpus act of New York. Act of April 21, 1818, sect. 41, ch. 277.

#7. The Constitution of the United State art. 1, s. 9, n. 2, provides, that "the privilege of the writ of habeas corpus shall not be suspended, unless when, in cases of rebellion or invasion, the public safety may require it and the same principle is contained in many of the state constitutions. In order still more to secure the citizen the benefit of this great writ, a heavy penalty is inflicted upon the judges who are bound to grant it, in case of refusal.

First of all, the indictment is not an arrest warrant. As reported, the Manhattan district attorney, Alvin L. Bragg, must ask the grand jury that has been hearing evidence about the former president to vote on whether to charge him. A majority of jurors must agree to do so.

Then a warrant for arrest would have to be filed and sent to Kathy Hochul, Governor of New York, who would have to issue a Governor's Warrant to Governor Ron DeSantis.

Governor DeSantis would have to accept that Warrant in order for President Trump to be extradited back to New York. Governor DeSantis has already stated that the case against you, President Trump, is unlawful and bogus, which shows that he is not interested in participating in the egregious violations of the Constitution and Rule of Law. However, Governor DeSantis can issue an Application for Writ of Habeas Corpus on as an effort to validate the claims against Trump and that decision can be made in the State of Florida.

Habeas Corpus is probably the most important matter facing the nation especially in light of the fact that on September 15, 1863, by Proclamation 104:

Abraham Lincoln, President of the United States proclaimed and, "*made known to all whom it may concern that the privilege of the writ of habeas corpus is suspended throughout the United States, and required all magistrates, attorneys and other civil officers with the United States and all officers and others in the military and naval services of the United States to take distinct notice of this suspension and it give it full effect, and that this suspension will continue*

throughout the duration if the said rebellion or until this proclamation shall, by a subsequent one to be issued by the President of the United States be modified or revoked."

On April 2, 1866 President Andrew Johnson issued Proclamation 157 – Declaring that Peace, Order and Tranquility, and Civil Authority Now Exists in and Throughout the Whole of the United States of America. President Andrew Johnson, who acknowledged that he was President of the United States, declared by his proclamation that:

The "insurrection which heretofore existed in the State of Texas is at an end and is to be henceforth so regarded in that State as in the other States before named in which the said insurrection was proclaimed to be at an end." President Johnson further declared, "And I do further proclaim that the said insurrection is at an end and the peace, order and tranquility, and civil authority now exist in and throughout the whole of the United States of America."

However, there was no other specific reference in President Johnson's Proclamation 157 to President Lincoln's Proclamation 104, which required notice of revocation or modification.

Thus, President Johnson's Proclamation 157 did not alter or change President Lincoln's Proclamation 104 and that President Johnson's Proclamation 157 only affected the State of Texas and the other named States AND the United States of America, which is a wholly different entity than the United States. (Watch "Show Me Proof Habeas Corpus is no longer Suspended" on YouTube Covers Executive Order 104 September 15th 1963 - <https://www.youtube.com/watch?v=UFn0Gw1DH6A>)

We are some of those who have concerns and understand that the rebellion Abraham Lincoln, President of the United States referred to, is still ongoing, and we are unable to find evidence of a subsequent proclamation from a President of the United States modifying or revoking Proclamation 104. Thus before any court could rule on an Application for a Writ of Habeas Corpus, SCOTUS would have to make a Declaratory Judgement as to whether or not Habeas Corpus had been reinstated.

Secondly, you, President Trump, issued a declaration that we are at war, so even if Habeas Corpus had been reinstated, your Executive Order suspended it again. So, New York cannot lawfully issue an indictment and Warrant for Arrest of you, President Trump, because it appears that the Military is the only one who has lawful authority for the last 140 years.

President Trump, you are not an enemy of the states and thus you should be attempting to seek redress under the provisions of Proclamation 104.

Additionally, you may find of interest the Admissions by the five Justices of the UTAH SUPREME COURT earlier this month, wherein they ADMIT to Paul Kenneth & Barbara Ann Cromar (sometimes known as "Barbie & Ken") of Cedar Hills, Utah, that the state of war declared by Abraham Lincoln has never been revoked and where in the Justices do NOT provide Habeas Corpus remedy for this patriotic couple defending themselves from a similarly weaponized DOJ and IRS for their exposing of corruption in their small town where he served as a City Councilman for 5 and a half years.

The original "Rebellion" of the slavery promoting government has never been officially and lawfully ended. You, Mr. President can take advantage of this actionable "Abuse of Process" in violation of USC Title 18 sec. 242 - Denial of Constitutionally protected Rights under the Color

of Law, and, USC Title 18 sec. 241 - Conspiracy to Deny Rights, and ironically possible New York government officials in RICO violation, to help insure that it does.

The above violations of law could lead to Mr. Bragg's disbarment and prosecution for violation of USC 5 § 3331- Oath of office, and 18 U.S. Code § 2381 - TREASON in the Courts, for which there is one appropriate and irreversible penalty of death by hanging.

This could get interesting rather quickly! - Please pass this on to your esteemed Counsel for immediate consideration.

We are grateful for Your Every Effort to Protect Yourself and All We the People from criminal "DOMESTIC enemies.

May God Bless You and Your Family's Every Righteous and Godly Effort,

G. Judy Note: On Trump’s Arrest:

- **It is my opinion that in the event of Trump’s indictment, the Military** would be obligated to announce – likely through an Emergency Broadcast – that since Trump was in reality the Acting US President, he could not be indicted since he was still in office.
- **Also, the Military would most likely reveal that Trump** had handed over his presidential powers to the US Military prior to the 2020 Election and even though they were officially in charge, they had been answering to Trump since Biden was supposedly inaugurated.
- **In addition, the Military would need to explain that Biden was not elected the US President** due to massive fraud in the 2020 Election that produced false results. It has been proven through official Watermarked Ballots calculated by the Military during the 2020 Election, that Trump won that 2020 Election by an over 80% vote in all 50 states.

H. International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring:

- **Mark Zuckerberg and other senior leaders of Meta**, are facing shareholder litigation over claims they’ve spent years ignoring “rampant” sex trafficking and child exploitation that have “flourished” on Facebook and Instagram.

- **More than 300 top scientists** penned an open letter demanding that President Barack Obama shut down Dr. Anthony Fauci's dangerous gain-of-function research. The authors included four Noble Laureates and scientists from Harvard, Stanford, John Hopkins, Yale, MIT, UCLA, Oxford, Princeton, and all of the world's top universities.

- **California:** An Amtrak train has derailed in Port Costa, California with multiple passengers onboard.

K. Med Beds:

- **Electro Magnetic Therapy early 1900s:** Based on Nikola Tesla's discovery that every disease in the body vibrates on a certain frequency, which then can be measured. It's well documented that Tesla has never went to a doctor, as he was able to cure himself of any ailments. These simple electric devices were able to kill the disease-causing bacteria and parasites by generating low-frequency waves of electromagnetic energy which enter the body, and targets the bacteria and parasites that cause ailments in the body.

L. Amazon Implementing Mark of the Beast:

- **Amazon** is rolling out biometric tech at shopping malls across the US that allows you to go into a shop and pay with your hand.
- **Amazon One:** They are essentially showing us a sneak peak of their new mark of the beast tech 'creatively' called "Amazon One", that most of you connected the dots already that it's a reference to one world order.
- **The fact that you are carrying biometric information at your palm** and letting the Amazon handle it should be enough for concern, but many of these microchips will be a

target of different hackers trying to steal your private information. Now if a man made this technology, then trust me a man will hack this technology as well.

- **This has one and only purpose** to slowly groom you to accept the microchip when it is offered to you. Since the technology advanced sufficiently to allow people to buy things using their bodies, it's a very short step to then putting that technology inside your body.

O. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

P. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

Q. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

R. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
