

Restored Republic via a GCR: Update as of Fri. 24 March 2023

Compiled **Fri. 24 March 12:01 am EST** by Judy Byington, MSW, LCSW, Therapist ret, Journalist, Author: “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty-two multiple personalities”

The World Has Just Entered a Black Swan Event

Where Banks Were Defaulting Across the Globe

As of Thurs. 23 March the Deep State Cabal’s major Central Bank Credit Suisse, was in default, plus the FDIC has withdrawn their bid to buy Silicon Valley Bank – both of which has created a domino effect that was bound to take out big banks across the world.

The Quantum Financial System Took Over Control of the Global Financial System on the First Day of Spring, Mon. 20 March.

BQQQM!!!

The Truth Will Shock the World

Big Event Sun. 26 March

WWG1WGA!!!

Russian soldiers in Ukraine claimed that they rescued children who ranged in age two through seven, who were being kept in pits on a farm to be sold as sex slaves for elite pedophiles across the Globe, or would have their organs harvested & sold to European/ Israeli transplant centers.

The Trump Arrest was not happening after, on Wed. 22 March, the New York DA was found to be hiding close to 600 pages of pro-Trump evidence from the Grand Jury.

On that same Wed. 22 March and for a third time, the Supreme Court denied even to take a look at the Brunson case – which alleged that Biden, Harris, Pence and 385 members of Congress committed Treason by not investigating 50 allegations of 2020 Election Fraud done under direction of the Democrats in collusion with the Chinese Communist Party.

“Striving To Be Like Him”

[November 06, 2022 - #4860 Music & the Spoken Word \(thetabernaclechoir.org\)](https://www.thetabernaclechoir.org)

We are following the Lord whenever we show love and compassion. Whenever we are kind, forgiving and fair-minded, we are helping to bring His Light into our lives and into the World.

Judy Note: BRUNSON vs ADAMS is a case against 385 persons in Congress, plus Biden, Harris and Pence. The people named in the suit voted to certify the 2020 Election. Anybody in Government service swears an oath to protect the Constitution from all enemies Foreign and Domestic. The fact that Congress certified the vote without verifying that the votes were valid meant they didn't protect the citizens' Constitutional Right to fair representation. This is a Treasonous act. The remedy is they can no longer hold office. ...Juan O Savin

Though the Brunson case was just “declined” by SCOTUS - the Brunson Brothers have NOT given up and were filing another case within the next 30 days.

Patriots can help the Brunsons and Cromars (of the “Ken and Barbie vs. Goliath IRS” case) fight for our Liberty!

For a donation of \$25 (with free shipping) Patriots will receive "MIRACLES: In God We Trust" and "A More Perfect Union" DVDs, plus two Pocket Constitution booklets.

- **The Deep State Cabal's major World Bank Credit Suisse**, was about to default on it's Derivative Contracts, which would then create Credit Default Swaps and trigger a “Black Swan Event” that would set in motion a Domino effect set to take out big banks across the world.
- **A new Bombshell Document has destroyed** the Manhattan DA's Case against Trump. **On Wed. 22 March** Trump was set to be indicted, charged with a felony and set for arrest. Instead, the New York Grand Jury investigating Trump was dismissed after a 2018 letter surfaced from Michael Cohen's lawyer. The letter was addressed to the FEC and declared that Cohen used his own personal funds to pay Stormy Daniels. The Trump Camp was not a party to the transaction and did not reimburse Cohen for the payment. The document was among close to 600 pages of evidence in favor of Trump that the DA had intentionally withheld from the Grand Jury investigating Trump. It's OVER.
- **The Cabal Deep State's version of the story:** “The grand jury in the Trump hush money case will reconvene on **Thurs. at noon** after the Manhattan District Attorney told the panel not to show up on Wednesday amid fears of unrest should an indictment be handed down against Trump.” Then later **Thurs. morning**, it was announced, “The Trump grand jury in Manhattan will not meet about the case for the remainder of the **week**. The grand jury is expected to reconvene on **Monday** to consider the Trump case.”

- **Speaking of our corrupt legal system, also on Wed. 22 March the BRUNSON vs ADAMS** case was again denied a hearing before the US Supreme Court. The suit was against 385 persons in Congress, plus Biden, Harris and Pence – all of whom voted to certify the 2020 Election without investigating 50 cases of alleged Voter Fraud. Much of that alleged fraud involved possible interference in the US 2020 Election by the Democrats in collusion with the Chinese Communist Party. The case charged that Congress didn't uphold their oath to protect the US Constitution from enemies Foreign and Domestic and thus failed to protect the US citizens' Constitutional Right to fair representation – an act of Treason that the US Supreme Court has now three times refused to even take a look at.

Judy Note: I apologize for publishing a Wed. 15 March section in my Update titled “How to use the new Quantum Financial System Universal Digital Currencies” – information that was now believed to be bogus, as was the website: <https://www.quantumledgerfirm.net/register.php>.

Q) The Storm Rider on Telegram gave me the information and was vigorously promoting what now appeared to be a scam that was in no way connected to the Quantum Financial System. Unfortunately, there were nefarious ones who tracked our communication, our Intel exchanges and various updates – including mine. Their number one goal appeared to be exploiting our weaknesses and doing us harm.

If you are reading this Restored Republic via a Global Currency Reset Update as published on Dinar Chronicles, please understand that it has been redacted. For an un-redacted version see a PDF copy at the report's end.

A. Global Currency Reset:

- **Thurs. 23 March Bruce:** On **Thurs. 23 March** a HSBC vice president said that within the next two days Tier4B would be receiving their appointments to exchange currency and redeem Zim Bonds. **Since last Sat. 18 March** the Iraqi people have been exchanging their Dinar in-country at a strong rate – the monies received being spendable. The new Iraqi Dinar Rate came out last **Mon. 20 March** and began trading up from there on the Forex.
- **Thurs. 23 March MarkZ:** “There are a lot of expectations starting about 7:00 tonight. So rumors on the bond side and settlement side are that things are going to start this evening. That is what I am hearing this morning guys. We all hope and pray it is accurate. I am not hearing anything negative. Hearing that some of the groups are sending their leaders back to Reno. So there is a lot of chatter that things may be starting over this evening. We shall see. We know we are close.”
- **On Mon. 13 March The Kingpin of the Global Currency Reset** – the Iraqi Dinar – revalued in-country and began trading on the Forex.

- **On Mon. evening 13 March** two High Up Contacts reported that the new currency rates of the Global Currency Reset were locked in on Bank Screens; Tier 1 had already gone; Tier 2 was processing and Tier 4 (including Us, the Internet Group) would go very soon.
- **On Mon. 20 March a Global Currency Reset** of 66 nations happened on this first day of Spring. More nations would follow to eventually add up to 209 nations in the new gold/ asset-backed system.
- **By Wed. 22 March**, through #ISO20022 and the new StarLink Satellite System, currencies of the world had completed their digital integration of bank accounts from the Global Central Banking System to the Quantum Financial System (GFS).
- **“Project Sandman”** has also completed, where 100+ nations’ global agreement ended the dominance of the US Dollar and Petrodollar.
- **The Federal Reserve** was technically bankrupt. In **2023** the Fed will post its first annual operating loss of \$80 billion since 1915. It will have a negative capital of \$38B. This loss does not count the \$1.3 trillion unrealized loss on it’s portfolio.

B. Thurs. 23 March Bruce, The Big Call [The Big Call Universe \(ibize.com\)](https://www.ibize.com) 667-770-1866, pin123456#

- **Since last Sat. 18 March** the Iraqi people have been exchanging their Dinar in-country at a strong rate that was spendable.
- **Iran, Iraq and North Korea** official delegations were in New York today.
- **Today Thurs. 23 March the HSBC vice president** said Tier4B would be getting appointments within the next two days.

- **Half a million QFS cards** for Bond Holders would be going out.
- **The new Iraqi Dinar Rate** came out last **Mon. 20 March** and began trading up from there on the Forex.
- **If you are a Zim Holder with a Humanitarian Project**, have a 2-3 page summary of it and leave a copy of such at your exchange.

C. Cabal Central Bank Failures:

- **Wed. 22 March UBS To Terminate Deal to Acquire Credit Suisse, Hal Turner:** <https://halturnerradioshow.com/index.php/en/news-page/world/bulletin-ubs-seeking-to-terminate-credit-suisse-deal> The UBS is reportedly engaged in meetings right now seeking to terminate it’s deal to acquire Credit Suisse. If UBS backs out, then Credit Swiss will fail, enter Bankruptcy, and that will mean a Bulge-Bracket-Bank (a.k.a. "too big to fail") has gone under. The effects on the Global Financial System are, right now, incalculable. A Credit Suisse Default would trigger Credit Default Swaps, and would put the bank in default on all its Derivative Contracts. This could be a “Black Swan Event” that sets in motion a Domino effect, taking out big banks all over the world.

- **Credit Suisse Deal, Chairman Powell:**
<https://haltturnerradioshow.com/index.php/en/news-page/world/fed-chairman-powell-s-body-language-about-credit-suisse-deal-going-well>
- **FDIC Delays Bid to Buy Silicon Valley Bank:**
<https://www.zerohedge.com/markets/fdic-unexpectedly-delays-bid-deadline-silicon-valley-private-bank>
- **JUST IN: Dutch central bank (DNB) suffered a loss of almost half a billion euros last year - the first loss since 1931. Substantial losses are also expected for the coming years. The Central Bank does not expect to be able to make a profit again until 2028.**
- **The Cabal's Central Banks were shutting down worldwide.** In the US, Congress, White House, IRS and Federal Reserve all have been shut down because the U.S. Corporation has been bankrupted.
- **Since Friday 10 March 2023**, over 200 US banks and 1,400 banks worldwide have collapsed, plus the Federal Reserve was bankrupt. [Feds Announce Emergency Measures To Save US Banks | Conservative Insider](#)
- **Since that same Friday 10 March, banking systems** have been using the new Unified Payment Interface (UPI) on the Quantum Financial System (QFS) for foreign currency swaps. <https://dinarrecaps.com/our-blog/goldilocks-prepare-yourself-for-the-old-guard-to-fall-3-11-2023>
- **The QFS Destroys the Central Banking System: [QFS Destroys Central Banking System - QFS Stops the Deep State in Their Track - Global Currency Reset - Trust The Plan! - American Media Group \(amg-news.com\)](#) With activation of the Quantum Financial System**, the world will be flooded with gold-backed currencies designed to eliminate the old Cabal financial system where Central Banksters were in control over all financial transactions. The Alliance will have completely destroyed the Rothschild Central Banking system that has been designed by Meyer Amschel Rothschild (1744 – 1812) to control the world economy and put the world population into debt slavery.

D. Restored Republic:

- **The Alliance has confirmed that their goal of defeating the Deep State** has been far more complex, time-consuming and difficult than had been anticipated and planned for. It is becoming increasingly obvious that world-changing information is about to be made public, probably sooner than expected.
- **This coming November 2023 Donald Trump** was likely to be re-elected as the first President of the new Republic of America. This was planned to be accompanied by the much-anticipated mass arrests. There were literally over one hundred seventy thousand sealed criminal indictments ready to be executed, with some already executed.

- **Brunson Brothers Supreme Court Docket #22-380:** The US Supreme Court chose not to docket my 3rd petition. In their letter written to me: "This case is considered closed in this Court, and no further consideration by this Court is possible." I know this news is a disappointment to many of you and may cause you to lose all hope in our court system and government, but I believe that the majority of this nation is holding together a prayer, a common prayer, a prayer that the Constitution will soon be protected by those who swear to do so. I so believe in this prayer. I believe that this prayer coming from so many of us will be answered. In the Lord's due time. Now we go to Plan D, our brother Loy's lawsuit. I will give you an update on this in a few days.
- **Wed. 22 March Brunson vs. Adams: SCOTUS "declined" the second petition** - Case #22-380 is dead, though Brunsons were NOT deterred."The Supreme Court has declined to docket the second petition for rehearing. The Loy Arlan Brunson case will probably be moving forward to the Supreme Court or the 10th Circuit Court of Appeals within the next 30 days." <https://t.me/BrunsonBrothersSCOTUS/402>

- **Anonymous High Up Contact: Remember, everything is "smoke & mirrors" ... from the possible Trump arrest to the Big Guy / fake president's arrest.** The war is still happening largely behind the scenes, with major [DS] players, in every profession, being taken out one-by-one! Whenever the military hammer finally does fall, it will primarily be an "ankle brace" round up & the mass incarnation of the remaining "small fries," many of whom have already been convicted under Military Law. The Alliance is now focused on the evil ones capabilities to "make war" and do massive damage... i.e. the Alliance is focused on the destruction of their monetary supply (Central Banks / Fed). Once this final phase of the mission is complete, all else will manifest rather quickly! I still maintain, in 7 days, 7 weeks, or in 7 months... no one knows, but a select few.

E. International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring:

- **Russian soldiers are claiming that they've made a hideous discovery inside Ukraine, where they say that children between the ages of 2 and 7 are being raised in factory farm conditions** before the attractive ones are sold as sex slaves to elite pedophiles and those who don't find buyers are "carved up like discarded waste" as their organs are harvested and sold for use at European and Israeli transplant centers.

- **Tues. 21 March: Banks to face Lawsuits Over Ties to Epstein:** JP Morgan and Deutsche Bank knowingly benefited from their links to sexual predator Jeffrey Epstein according to complaints. A US judge has cleared the way for three lawsuits against banking giants JP Morgan and Deutsche Bank, alleging both companies knowingly benefited from their relationships with convicted sex predator Jeffrey Epstein.

H. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

I. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

J. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

K. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing*

truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
