Judy Note: The Supreme Court has finally agreed to make a Ruling on the Brunson Case – that could dissolve the Biden Administration and all of Congress:

- **After the Supreme Court's second denial** to hear the Brunson case which dealt with Congress' failure to investigate possible Fraud in the 2020 Election, SCOTUS received Notice that they could have committed Misprision.
- **Misprision occurs if** Judges are aware of Treasonous Events (such as Congress' failure to investigate possible Fraud in the 2020 Election) and don't do anything about it, they could be guilty of being in on that Treason.
- **Evidently in the past seven days** the US Military became involved in that charge of Misprision, visited the Supreme Court and suddenly SCOTUS finally accepted the Brunson case in a 5-4 decision to not only hear it, but would make a ruling on the merits of the case, not the posturing of it.
- **A favorable ruling by SCOTUS in favor of Brunson** could very well dissolve the Biden Administration and all of Congress.

A. Global Currency Reset:

- **Mon. 7 March Evening MarkZ:** I still do not think we will be waiting that long. I think we are getting a lot of misinformation right now. Someone is having fun playing with us, which means we are close. ...As far as I'm concerned it could be any moment. We just don't know. ...News from Iraq: *"Cabinet approves the draft budget tomorrow"* This is the rough draft. Maybe the full budget later this week. This does not mean we are waiting for the budget to RV. It can go before. ...What I'm hearing from all my Iraqi sources is that they plan to introduce in a wide scale fashion the lower denominations this month and the training for all the folks. ...The bond side is pretty quiet. The banking side is still convinced it will happen at any second."
- **Mon. 7 March Texas Snake:** "Very positive information has been provided from the Treasury to Tier 1 banks, including my personal banker, confirming that our event is going ahead."
- **Judy Note:** The below is made in my opinion only. Official instructions will be published on the Secured Website when it is released:

We have been told that all Tier 1 Banks have received the Source Codes and on **Sun. evening 5 March** those banks loaded the new rates into their computers – the banks planning to do exchanges after certain security issues were addressed.

The Kingpin of the Global Currency Reset, the Iraqi Dinar, has revalued with rates fluctuating on bank screens.

When that Iraqi Dinar International Rate settled, it would have no affect on the special rates Tier4b will receive, which have already been determined based on a percentage of Crude Oil Contract pricing.

No Contract Rates were available for the other foreign currencies, but if one exchanged those currencies at a Redemption Center rather than a bank, they would receive higher rates.

The Zimbabwe Zim Bond can only be redeemed at a Redemption Center and must be redeemed in a certain time frame yet to be announced.

Redemption Centers will only be open for a certain time frame, after which foreign currencies can be exchanged at a bank, but done so at the lower exchange rates.

Redemption Center appointments will be made by accessing a Secured Website sent to foreign currency and Zim Bond holders by Wells Fargo Bank. The Secured Website would also be published in this Update and on various Dinar websites.

- **Charlie Ward: “We’re going through a huge transition** period right now: The Bank of England’s been closed for 2 weeks... the Bank of Spain, the Bank of Holland, the Bank of Germany... a lot of Central Banks have been closed for 2-weeks... because in my view, and it’s only my view, they’re moving over from the SWIFT system to the Quantum Financial System.”
- **Charlie Ward: The SWIFT system** was only controlled by the Federal Reserve which was as corrupt as it comes... they were printing money and then giving it to us and then wanting it back with tax and interest... [usury]... that’s about as corrupt as it gets... But the Quantum System is completely different... It’s a very clean and clear system that’s been set up specifically to be backed by gold, precious metals, to be backed by something, we’ve got the USN, the US Note which will be backed by gold, we’ve got the US Coin which will be backed by Gold or Silver... and I did a Zoom yesterday with Ron Steel... the second part of the interview had so much about the QFS.

- **Oklahoma:** Emergency crews were responding to a train derailment in Verdigris, Oklahoma.
- **Dan Scavino:** Corroborated now by 3 people in my sphere, and my own research. In my assessment, it is now my very strong belief that: SCOTUS has accepted the Brunson case in a 5-4 decision, and will hear it. SCOTUS will rule on the merits of the case, not the posturing of it. The US Military is involved in the background with this process, and

made contact with the Supreme Court in the last 7 days. #NothingCanStopWhatIsComing #WWG1WGA "It must go through the Courts. It must carry weight" Q

G. Russia Liberation Army vs. Deep State Headquarters in Ukraine:

- **The Russians** have destroyed more than 50 Level Four Top Secret illegal Biolabs both above and below ground in the Ukraine countryside.
- **On Mon. 6 March Hal Turner reported on Talk Radio** that about the 50 Ukrainians... who entered Russia and attacked a civilian area... killing a child and two men. NATO weapons are all over the place in Ukraine. Also, In Ukraine, the Wagner group captured one of the Leopard tanks, and inside of the tank were Polish soldiers... not Ukrainian soldiers. All of that is 'acts of war' by every legal definition. NATO and the US are DIRECTLY IMPLICATED...guilty.

H. Great Awakening...Beginnings:

- **All the NATO equipment** that arrived in 2021_2022 and January 17, 2023 to Europe has now been transferred to UKRAINE border. Now the DEEP STATE in EU U.S. is waiting for CIA FALSE FLAG OPS.

- **This EXPOSURE** is getting too close for Deep State DC. What's next is HUGE HUGE MASSIVE FALSE FLAG EVENT they are slating for the Continental United States.
- **In the past two months** several cities have put in new Warning sirens and military tornado sirens and upgrades on Civil defense Sires across the U.S.
- **Currently NATO** is preparing MASSIVE open military operations against RUSSIA and preparing as military sats scamble images and try to hide the gathering of tanks. Weapons, munitions artillery through detailer separate regions of Poland. _
- **MILITARY CABLES IN EU .U.S ARE ON HIGH ALERT FOR RUSSIAN ATTACK**
- It's known through White Hats in all regions this Attack coming is a False Flag and staged, created by the CIA, Rockefellers, Obama, Vatican, DAVOS Deep State Regime.

I. The Rothschild Khazarian Mafia attempted to retake America in 1812 on behalf of the Khazarian Mafia but failed because of Russian interference:

- **This failure enraged the Rothschild KM**, and they once again plot eternal revenge against both the Russians and the American colonists and plan to infiltrate and hijack both nations and asset strip, tyrannize, and then mass-murder both nations and their populace.
- **The KM's attempts to set up a private American central bank** are blocked by President Andrew Jackson, who called them Satanic and vowed to route them out by the grace and power of Almighty God.
- **The Rothschild banksters regroup** and continue their covert attempts to install their own Babylonian money-magick bank inside America.
- **Finally, in 1913, the Rothschild KM succeeds in establishing a major beachhead inside America — and an evil enemy of all American enter the gates of America:** In 1913, the Rothschild KM was able to establish a beachhead by bribing crooked, treasonous members of Congress to pass the illegal, Unconstitutional Federal Reserve Act on Christmas Eve without a required quorum. The Act was then signed by a crooked, bought off President, who was a traitor to America, like the members of Congress who voted for it.
- **The Rothschild KM then create an illegal taxation System in America:** The KM put an illegal, Unconstitutional tax system in place, in order to make sure that Americans would have to pay for high-level USG spending, approved by a bought-off, crooked Congress and Presidential puppets, put in place by corrupt KM campaign finance.
- **It is easy for the KM to garner enough money** to elect anyone they want because when you control a bank that is a secret major counterfeiter, you have all the money made for you that you desire. At about the same time that they created their illegal tax system in America, they also bribed members of Congress to approve the Internal Revenue Service, which is their private collection agency incorporated in Puerto Rico.
- **FBI: Soon afterward, they set up the Federal Bureau of Investigation** to protect their banksters, to serve their cover-up needs and prevent them from ever being prosecuted for

their child sacrifice rituals, pedophile networks; and to also serve as a covert Intel operation on their behalf. Note that the FBI has no official charter according to the Library of Congress, and has no right to exist, or issue paychecks.

K. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

L. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

M. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

N. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
