### **"It's Time"**

**They underestimated us all. They thought their demonic plan would have worked in the details and everyone would have kneeled to their deranged will. They were terribly wrong. They will never change what we really are...God's creation!**

### **Prepare For Emergency Broadcast System Activation:**

The EBS will involve Ten Days of Communication Darkness where Phones, Internet, Credit/Debit Cards and ATMs will not work, while three eight-hour documentaries a day will be broadcast on TV and Radio 24/7.

*It's wise to have at least a month's supply of food, water, cash and essential items on hand.*

**Judy Note:** The Bank of International Settlements, Swiss Central Bank and US Federal Reserve Gold Vaults were empty. Banks were closing across the planet. The Cabal's fiat US Dollar was

only good for the next three months in the US, Canada and Mexico. All other countries were refusing to trade with the fiat Federal Dollar.

**The Iraqi Dinar revalued in-country on 29 March** and began trading internationally on the back screens of the Forex as a gold/asset-backed currency. It was said that the Global Currency Reset would go liquid for the general public following a Stock Market crash, and the Stock Market was said set to crash on **Fri. 28 April**. Redemption Staff have been notified to come in to work full time for a couple of weeks starting on **Thurs. 27 April**.

#### **A. Global Currency Reset:**

- **No one was privy as to when Tier4b** (us, the Internet Group) would be notified to set redemption/exchange appointments, but all requirements for the Global Currency Reset appeared to have been met. It was assumed we could go at any time.
- **Sat. 22 April MarkZ:** I have had a few bond people check in this morning...they are being told to be prepared to travel and be in place by **Thurs. 27 April**. Many paymasters are already there and do not need to travel....but those that do are making plans right now. Group leaders were also told to be in place by **Thurs. 27 April**. And many Main Stream Economists are looking for the crash to occur on **Fri. 28 April**. Isn't that interesting. So they want everybody and everything in place by Thursday and a crash projected on Friday. There is a massive push right now on news. Usually Mondays are quiet and newsless...but today...news is coming at a million miles an hour.
- **From the Rumor Mill today-** Redemption Center folks got called in were told things are moving forward very quickly. And they only had a few days to get everything completed... and then they will be working full time for a couple of weeks ...So they were told to get groceries get things done ect....they are about to get very busy and are scrambling right now.
- **The Cabal's Bank of International Settlements and Swiss Central Bank Gold Vaults were empty** – with no explanation as to where the gold went.
- **As of Sat. 1 April** gold-backed currency was the only true currency in the World.
- **The Cabal's fiat US Dollar was only good for the next three months in the US, Canada and Mexico.** All other countries were refusing to trade with the fiat Federal Dollar.
- **The \$100 Billion** the Biden Administration sent to Ukraine – and then laundered out – can only be used by US and UK corporations like Amazon.
- **The Federal Reserve was said** to have only monies enough to last through the **end of April**.
- **Stock Market Crash Alert:** Mark your calendars for **Fri. April 28**.

## B. Recent History of the GCR

- **By Wed. 29 March** the Iraqi Dinar had revalued in-country and was trading on the back screens internationally as a gold/asset-backed currency.
- **On Sat. 1 April** the new Global Financial System became official, including the gold/asset-backed US Note.
- **As of Sun. 2 April** Bond financing that funded the GCR, had been completed.
- **On Mon. 3 April** Bond payouts began.

- **By Wed. 5 April the fiat Federal Reserve US Dollar** was no longer accepted in any country except for the US, Canada and Mexico. Those three countries would accept it for about another three months as the world transitioned to gold/asset-backed currencies including the new gold/asset-backed US Treasury Note.
- **Thurs. 6 April:** Dubai 1 working capital funds became liquid. In Iraq they began exchanging Iraqi Dinar at the new in-country rate.
- **By Mon. 10 April** the Global Currency Reset had been fully funded; Dubai 2 groups of Sovereign Buyers started contracts with various trusts; large file sellers and funds were paying out to various entities and Chinese Bond Holders received their Q Cards from HSBC (from 12 versions of Chinese Bonds), with a promise that they would have access to 1% of funds on their Q Cards by **Fri. 14 April.**
- **The Chinese Elders, Trump, Manuchin, Shelton, 5 Iraq representatives and a representative from 29 different countries whose currencies were all going up in value, were in Reno for the GCR launch – that happened one minute after midnight Fri. morning 14 April, when the GCR Codes were released.** That same morning Bond Holders and US Native Americans received their first payment of 1% of their payout.
- **On Sunday 16 April** the shift to all things Quantum began. All banks around the world were connected to and using the QFS (Quantum Financial System) exclusively. Any bank that attempted to transfer money via SWIFT and not have a digital certification attached to each transfer, would lose its ability to be in the banking/ financial industry. This was about putting a final nail in the coffin for "Money Laundering" and wrongdoing.
- **By Mon. 17 April** the World Bank had published the Global Currency Reset release codes and Central Banks were trading the new US Treasury gold/asset-backed Note.
- **By Tues. 18 April full Liquidity had been released for the GCR,** plus all GCR participating countries were transitioning to NESARA/GESARA and their own gold/asset-backed currencies. Iraqi ATVs were activated **Tues. morning 18 April.**
- **Bond sellers** received their Q cards **Wed. 19 April,** the others did on **Thurs. 20 April.**
- **On Thurs. 20 April** the Iraqi Stock Market stopped it's activity for five days.

### D. Help Save Our Beloved Constitution, Which is Hanging by a Thread:

- **Raland Brunson:** My neighbors and I are now preparing and sending letters to my Judge. I want him to know that this is more than just about me. It's about America. It's about We The People and the protection of our US Constitution.
- **I want him to give my defendants** a chance to explain why it was important that they denied my petition to save America. I want a ton of letters to show up at his office.

Boxes of letters. I want him to be thinking about this case before he sleeps, and the first thing he wakes up is how to deal with the thousands and thousands of letters that are piling up in his office. I want to remind him that his job depends on it. That his freedom depends on it. I want him to have the courage to do what he knows is the right thing.

- **Right now he's getting pressure** from my defendants to dismiss this case but we, my brothers and I have given him the legal authority to allow this case to go forward. I want him to feel the pressure that his conscious will bear upon him as a result of our voice.
- **Join with me.** Click on this link and you will see the letter that I want the judge to get from you. Click on the next link and the letter will be automatically sent for and on your behalf. Have the courage to do this. Your voice will echo with my voice into the heart and mind of this judge, this judge of mine who has the power to set this whole thing straight, and clean up America with one simple swipe of his pen. God bless you for your courage.

- **The Brunson Case alleged that 385 members of Congress**, plus Biden, Harris and Pence violated their oath of office to protect the Constitution and committed Treason by not investigating 50 formally presented allegations of fraud in the 2020 Election. If SCOTUS ruled that Congress did not investigate the 50 allegations of fraud in the 2020 Election before certifying the Election (which they did not) and therefore violated their Oath of Office, then the Biden Administration and all of Congress would automatically be suspended.
- **On March 17 2023 Raland and Deron Brunson** served a law suit against Supreme Court Justices Elena Kagan, Sonia Sotomayor and Ketanji Brown Jackson, accusing them of aiding and supporting enemies of the United States Government by refusing to protect the Constitution by denying hearing a petition regarding allegations that there was interference in 2020 Presidential Election. The law suit alleged that the Supreme Court Justices were guilty of Misprision of Treason, which is "the deliberate concealment of one's knowledge of a treasonable act or a felony."
- **The Justices** secured attorneys to represent them in a judgment by a US District Court whereby they could be impeached and removed from office.
- **The Brunsons** were preparing a settlement offer that if these Justices could acquire the vote of another associate Justice, which would give the Brunson petition the four needed votes to grant a hearing on their original case, then the Brunsons would drop the case against them!

This 4 yr old boy loved soccer and wanted to be a footballer when he grew up. Instead he was drugged and raped 94 times and choked to death by Pence.

- **In the 1500s the International Bar Association** was created by entities of the Roman Vatican Empire in collusion with the Pope, UK Queen and Henry the 8<sup>th</sup>.
- **In the late 1800s US Inc. created the American Bar Association (ABA)** as a branch of the British BAR. Both are controlled by foreign entities. Their Rules of Civil Procedure were written under old Roman Law and do not apply to The People.
- **Every person who is part of the BAR** are foreign entities who are trespassing on Human Rights.
- **These BAR Associates**, society, corporations have been working under massive fraud, under cover of Law for a long time throughout the World, in every country.

- **The illegal practices** of all judges, lawyers and those who enforce the illegal procedures of the null and void dead corporation entities (Vatican/Royal Crown/US Corp) are and will be subject to arrest for Crimes Against Humanity.

**J. World Food Shortages:** Now the climate totalitarians are coming after rice, a food staple for more than 3.5 billion people around the world. As I've mentioned before, unelected globalist bodies (UN, WEF, IPCC etc) are using the climate scam as a trojan horse to seize control of the global food supply (among other things). Why? They know millions of people are waking up to their totalitarian New World Order/Great Reset agenda, but if you can control the global food supply, you stand a much better chance at keeping them in line.

**K. The buildings sport the POW flag, still.

### **M. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

**N. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities”** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

**Jenny Hill's witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

**O. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**P. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
