Fatherhood: A Sacred, Holy Calling

[June 18, 2023 - #4892 Music & the Spoken Word \(thetabernaclechoir.org\)](https://www.thetabernaclechoir.org/)

Just as our Heavenly Father is patient with His children's failings, we must be patient with our own – and with those of the fathers in our lives. Like all of us, they are learning and growing along the way. In the case of fathers who are absent, or even abusive, we can look to our Heavenly Father for the love, guidance and example that we might have missed. We can do the same when death has, for a time, taken a father from the family circle.

Fatherhood is a sacred, holy calling “on Earth as it is in Heaven” (Matthew 6:10). In every generation, good fathers are always remembered, always valued and always needed. We love and respect the hallowed name of Father.

C. 34 Q Clearance: (Judy Note: This was put out several years ago, but appeared to pertain to what's happening right now):

- **My fellow Americans,** over the course of the next several days you will undoubtedly realize that we are taking back our great country (the land of the free) from the evil tyrants that wish to do us harm and destroy the last remaining refuge of shining light.
- **On POTUS' order,** we have initiated certain fail-safes that shall safeguard the public from the primary fallout which is slated to occur 11.3 upon the arrest announcement of Mr. Podesta (actionable 11.4). Confirmation (to the public) of what is occurring will then be revealed and will not be openly accepted.
- **Public riots** are being organized in serious numbers in an effort to prevent the arrest and capture of more senior public officials.
- **On POTUS' order,** a state of temporary military control will be actioned and special ops carried out.

- **Rest assured,** the safety and well-being of every man, woman, and child of this country is being exhausted in full.
- **However, the atmosphere within the country** will unfortunately be divided as so many have fallen for the corrupt and evil narrative that has long been broadcast.
- **We will be initiating the Emergency Broadcast System (EMS)** during this time in an effort to provide a direct message (avoiding the fake news) to all citizens.
- **Organizations and/or people** that wish to do us harm during this TIME WILL be met with swift fury – certain laws have been pre-lifted to provide our great military the necessary authority to handle and conduct these operations (at home and abroad).

- **If someone tells you Satellite weapons don't exist.....**ask them about the 16,000 Patents for satellites and space weapons that exist and nasa owns nearly half the the Patents through subsidiary Patent holders.
- **One of the first and easiest weapons ever created for satellites weapons** was based off a magnifying glass. Particles of Quantum light and direct electromagnetic radiation are narrowed to highly localized area and results in concentrated fields of heat. In the outer regions of space outside the Earth's hemisphere the electromagnetic radiation in its raw form entirely creates solar heat, electricity and used for advanced weapon systems in aeronautics and satellites in CLASSIFIED military projects across the world.
- **It is forbidden by National Security** for all Branches of the U.S. Military to divulge information on CLASSIFIED military weapons and advanced weapons due to WORLD treaties, Military treaties and common Space treaties. (This means nobody is allowed to talk about space weapons in military branches that could breach NATIONAL treaties of Satellite weapons and Other space weapons).

N. Exposed Secrets from Area 51, Telegram:

- **With the Trump Arrest** the CIA/FBI created False Flag Events including shootings as they tried hard to create violent civil unrest leading to Civil War Scenarios.
- **Be careful as the Deep State starts mass cycles of deadly shootings** through the U.S. and then blame Trump supporters, QAnon, Patriots, or on transgender bullying scapegoats for their actions.
- **They were inside 3rd stages of 4th and 5th generation warfare** and pitting humans against humans in deadly human tragedy scenarios and looking for an outcome to blame on the political oppositions and bring in near death U.S. Civil unrest (war) Event that would lead to UN intervention in the US.

- **This has always been the Deep State Pentagon CIA/ Obama/ Rockefeller/ Rothschild** plans. Their idea was to bring in the U.N. and create quick laws in massive Civil War unrest scenarios and give power to the U.N. over the U.S. and their military.
- **The Deep State's final move** was to arrest U.S. military commanders loyal to the Constitution, Republican followers, Trump loyalists, or seemingly rogue commanders who would not support their Deep State Agendas.

O. US Citizen Scam, Ben Fulford:

- **All of our governments are corporations** and are responsible for the creation of about 800 thousand laws called statutes, which are designed to control the Sovereign people of America. Just like the King, these statutes cannot be enforced against the Source of Law, which are the living, breathing, flesh and blood Sovereign people.
- **All of the Agents in power** beginning with the King, Vatican, Founding Fathers and now our presumed public officials, wanted to obtain power and control over America. The Constitution pretty much prohibited them from achieving those ends. So they began to devise ways to change the Sovereign Americans into corporate fictions.
- **These Agents also decided and reasoned that they cannot educate the masses without exposing their treachery, and so our private and public education must be controlled.** Without any real Constitutional basis, the U. S. Department of Education was created. The Constitution made it the responsibility of each state to educate its people and several states challenged the Congress in the courts.
- **The matter was eventually heard by the U. S. Supreme Court**, which has never been a Constitutional Article III Court from its inception, which I will explain.
- **The Supreme Court ruled that the federal government** was entitled to oversee the educational requirements of "United States Citizens" by virtue of their Constitutional powers to regulate Commerce!
- **Bad law is bad law**, no matter how you turn the paper and that ruling gave the federal government the green light to initiate its "brainwashing" process of the American public.
- **On every form you file to receive "government benefits"** and even the "voter registration form" there is a question that asks: Are you a United States Citizen? YES / NO and everyone circles the YES answer. Didn't you? Now look up the definition of a "United States Citizen" in a reputable law dictionary. You will discover that a United States Citizen is a phrase designed to identify a "corporate fiction." Clever, isn't it? You and every other American had no idea that you were admitting you were a corporate fiction when you circled that YES answer, and you did it under penalty of perjury!
- **The sovereign states had been abolished in 1790** by the adoption of Article 1 of the Statutes at Large, which converted all the sovereign states into federal districts and gave the federal government lawful jurisdiction everywhere.
- **In consideration of the fact that the federal government is a corporation** and that corporations can lawfully own other corporations and all the American subjects to be

educated have admitted under penalty of perjury that they are corporations, the Supreme Court ruled in favor of the corporate federal government. [See how sneaky and tricky lawyers can be? And all the more reason why lawyers should never be allowed to serve in government or in judgment of us]

P. Rockefeller Admits being Cabal One World Order Working Against US Citizens:

- **In his 2002 autobiography**, 'Memoirs', former patriarch of the Rockefeller oil and banking dynasty, David Rockefeller, admitted to being "part of a secret cabal", "conspiring with others around the world to build a more integrated global political and economic" one world order.
- **"Some even believe we are part of a secret Cabal working against the best interests of the United States**, characterizing my family and me as 'internationalists' and of conspiring with others around the world to build a more integrated global political and economic structure—one world, if you will. If that's the charge, I stand guilty, and I am proud of it."
- **David Rockefeller** was the co-founder of numerous globalist organizations, including the Club of Rome and the Trilateral Commission.

S. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

U. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

V. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
