"The Dream of a Nation"

[November 07, 2021 - #4808 Music & the Spoken Word \(thetabernaclechoir.org\)](https://www.thetabernaclechoir.org)

Veterans and those in uniform tend to give their best, serve nobly, give much to preserve and defend all that we hold dear. "The dream of a nation where freedom would endure" would still only be a dream if not for their selfless service.

This sacred responsibility to keep the dream alive belongs not only to women and men in uniform. All who are blessed by our nation's legacy have a duty to preserve and defend it.

Freedom has endured thus far through the work and prayers of centuries, and that's how it will continue. That work surely includes standing up for freedom and taking seriously our shared civic duty. It must include shunning contention, respecting and valuing others, listening to and learning from those different from us, and simply being neighborly and kind.

If we can do that, then perhaps someday our children and grandchildren will read about us and feel grateful and inspired – grateful for the legacy we've passed along, and inspired to preserve it for another generation.

Judy Note: A Worldwide Black Swan Event was soon expected that would cause activation of the Emergency Alert System, along with a Communication Blackout across the Globe under Worldwide Martial Law – that would be followed by Internet Closure and Star Link Satellite Internet Activation that would control a Global Currency Revaluation.

- **The CIA/FBI DEEP STATE were getting ready** to pull off the CYBER-ATTACK of the century and getting ready to blame PATRIOTS and label them white supremacists. F. Overview of Redemption Process, Bruce

1. The redemption/purchase/redemption process has been streamlined and will be easy and straightforward. The appointment will last about 20-45 minutes. You'll be in and out quickly.
2. You will receive the relevant instructions for the appointment by means of a written message by email, or you may find it on various dinar websites.
3. Follow the instructions provided in the message or email, where you will be instructed which toll-free number to call (#800) and/or which website to access.

4. The call may ask you to verify who you are by answering questions based on publicly available information. This process is similar to when you present an online application to open a bank account or loan.

5. You may be required to electronically sign an NDA (Non-Disclosure Agreement/Agreement of non-disclosure). Read carefully so that you understand what you are accepting. The NDA is to protect you. Print a copy for your records and for future reference. At the appointment, you will sign a printed copy of the NDA.

6. When you call the #800 you will schedule an appointment for redemption of Zim Bonds or exchange of foreign currencies. The number you're calling may correspond to a region or specific location. You will be asked to provide the zip code that corresponds to your home or place where you want to carry out your appointment. If it is different from your home, so that you are directed to the nearest location.

7. When you call, you may be asked if you have Zimbabwe (Zim) bonds. This is because not all locations will be able to redeem Zim. Never say how much you have, and legally they can't ask.

8. You can redeem in any country. You do not need to make your exchange / sale / redemption in your city, state or country of origin. It is recommended that if you live in a small town, you redeem in another city where they don't recognize you. This is for your safety. No restrictions if you want to go to another country.

9. Bring to the Appointment:

- 2 photo IDs: driver's license, passport, government ID or anything with your photo
- 2 recent copies of statements, utility bills to verify your address.
- If you are homeless or have no permanent address, explain this at the appointment.
- Social Security Card and/or Birth Certificate. These may not be necessary, but wear it especially if you don't have a photo ID.
- If you have a bank account with a level 1 bank (HSBC, Santander, BBVA, etc.) take your account number (a recent statement or blank check that has that information.)
- If you have a trust, take a copy of the cover pages and the registration page, certified by a notary. They should need copies of those pages.
- Currencies / Bonds: carry them separately by country and denomination, from large to small. If you have coins, place each one in a small plastic bag.
- If you have a lot of coins or a lot of bonuses, it is recommended that you create a tally sheet of the amount of each coin/bonus you have.

10. Allow yourself plenty of time before. Identify where you are going and where you can park if you are in a big city/urban area. If you ask for a ride, ask someone else trusted or use a regular taxi service, preferably do not use Uber-type services, Didi or Lyft.

11. Don't share with anyone the purpose of your date or what you're doing.

J. The Brunson Supreme Court Case Regarding the Takedown of the Biden Administration and all of Congress.

- **Latest on Brunson Case:** With Waiver signed the Doors to the Supreme Court were now open a little wider. The Counsel for the 388 Defendants, Solicitor General Elizabeth B. Prelogar, in a one sentence "pass" to the court on May 24, 2023. This immediately opens the door for the nine Justices to consider the case in Conference (if not decided by June, then in October) when the Supremes vote behind closed doors on whether the Loy A. Brunson vs. Alma S. Adams, et al, case #22-1028 will be heard in the Supreme Court. <http://www.cedarhillscitizens.org/in-loy-a-brunson-v-alma-s-adams-et-al-at-supreme-court/>

- **The Brunson Case alleged that 385 members of Congress**, plus Biden, Harris and Pence, committed Treason by violating their oath of office to protect the Constitution by not investigating 50 formally presented allegations of fraud in the 2020 Election. If SCOTUS ruled that Congress did not investigate the 50 allegations of fraud before certifying the 2020 Election (which they did not) and therefore violated their Oath of Office, then the Biden Administration and all of Congress could be automatically suspended. M. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

N. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen

Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

O. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

P. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
