- **On June 19th, 2023, the Bank of England migrated to the ISO20022 messaging system for Chaps and RTGS.** Over 60 countries worldwide utilize the real time gross settlement system or RTGS. This was another important migration effort into the QFS that would unite quantum computer systems in even more countries. It was believed that this completed the major banking systems around the world now inside the ISO20022

messaging system. The remaining Banks have until **2025** to complete this process. Those interested in financial inclusion will make this deadline.

- **On Tues. 20 June the Bank of England began its process of migration into the ISO20022 messaging system.** This completes the process of inclusion inside major banks around the world regarding this International Message System that will be included on every International Payment Transfer. This was a very pivotal moment in the digital banking system around the world. The importance of this migration will carry us into the third quarter of this year with the full power of quantum financing systems operating around the world synchronized and standardized with a backing of real assets such as gold. - **Tues. 20 June Wolverine:** Ok I was told that right now we need to start fixing ourselves and go to 5D. We need to stay in harmony and not allow our emotions control us. We are now closer than ever to embrace the biggest gift that God had bestowed on us and thank and I repeat thank God for being chosen into this incredible world we are about to face. This was no accident as God saw your heart at the earlier stage but during the journey there are some people that their hearts got contaminated with hate and greed and there will be consequences for these people. This was a task by God to see who are the real chosen. The people that didn't make it, it was meant to be and they are in heaven with our Lord. I will be given the green light and once I receive it you will only hear an opera nothing more. Thank you for supporting this crazy Wolverine as it's been hard and not easy as I too have changed and I have become closer to God than ever before. So get ready and buckle your seatbelts as this time we are about to go light speed and see a new world that God has promised us and we the Chosen Ones will have an incredible job to do which is help our fellow man. God bless everyone.

- **Judy Note:** It was my opinion that the above was well produced, but had one important flaw: The Military Alliance was not controlled by Biden, or Schwab, or the WEF. The Alliance Military always has been under control of the White Hats. It was the White Hats who were calling out the Military in major cities to insure peace when the world banks, Stock Market and entire Global Financial System went down, which appeared to be happening right now - so the Global Currency Reset could take place.

**L. NESARA implements the following changes:**

1. Zeros out all credit card, mortgage, and other bank debt due to illegal banking and government activities. This is the Federal Reserve's worst nightmare: a "jubilee" or a forgiveness of debt.
2. Abolishes the income tax
3. Abolishes the IRS. Employees of the IRS will be transferred into the US Treasury national sales tax area.
4. Creates a 14% flat rate non-essential 'new items only' sales tax revenue for the government. In other words food and medicine will not be taxed; nor will used items such as old homes.
5. Increases benefits to senior citizens
6. Returns Constitutional Law to all courts and legal matters.
7. Reinstates the original Title of Nobility amendment. Hundreds of thousands of Americans under the control of foreign powers will lose their citizenship, be deported to other countries, and barred from reentry for the remainder of their life. And millions of people will soon discover their college degrees are now worthless paper.
8. Establishes new Presidential and Congressional elections within 120 days after NESARA's announcement. The interim government will cancel all "National Emergencies" and return us back to constitutional law.
9. Monitors elections and prevents illegal election activities of special interest groups.
10. Creates a new U.S. Treasury, 'rainbow currency,' backed by gold, silver, and platinum precious metals, ending the bankruptcy of the United States initiated by Franklin Roosevelt in 1933.
11. Forbids the sale of American birth certificate records as chattel property bonds by the US Department of Transportation.
12. Initiates new U.S. Treasury Bank System in alignment with Constitutional Law
13. Eliminates the Federal Reserve System. During the transition period the Federal Reserve will be allowed to operate side by side of the U.S. treasury for one year in order to remove all Federal Reserve notes from the money supply.
14. Restores financial privacy
15. Retrains all judges and attorneys in Constitutional Law
16. Ceases all aggressive, U.S. government military actions worldwide

17. Establishes peace throughout the world
18. Releases enormous sums of money for humanitarian purposes
19. Enables the release of over 6,000 patents of suppressed technologies that are being withheld from the public under the guise of national security, including free energy devices, antigravity, and sonic healing machines.

Because President Clinton had no interest in signing NESARA into law on October 10, 2000; under orders from U.S. military generals, the elite Naval Seals and Delta Force stormed the White House and under gunpoint forced Bill Clinton to sign NESARA.

During this time Secret Service and White House security personnel were ordered to stand down, disarmed, and allowed to witness this event under a gag order.

## **N. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

**O. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities”** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

**Jenny Hill's witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

## **P. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**Q. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
