- **The Zim Bond** is denoted in the Zimbabwean Dollar, and is payable in that currency or its equivalent, just as the US Treasury Bond is payable in our dollar, same thing.
- **The bearer bond** is a sovereign bank debt instrument, issued by the Reserve Bank of Zimbabwe.
- **I don't see a way to get around the fact the Zim Bond is denoted in the Zimbabwean Dollar**, being traded now on Forex currency markets, when the bond clearly says to pay to the bearer of the face value of the bond in that currency. What other way is there to be seen?
- **As of 5/31/23 as seen at <https://forbes.com/advisor/money-transfer/currency-converter/>** currency-converter, at the very end of their list of currencies being traded you will find ZWL (Zimbabwean Dollar), the face value of a single 100T ZWL bearer bond, converted to USD, comes to the very tidy sum of 310,600,000,000 USD or 310.6 B USD per 100 T ZWL. 1 ZWL = 0.003106 USD and 1 USD = 321.9670161 ZWL.

#### F. White Hat Intel, Telegram:

- **Explosive Development:** Pentagon Shuns Tech Giants Microsoft and Amazon! The military unleashed a powerful blow, rejecting contracts from Bill Gates' Microsoft and the CIA/Mossad-connected Amazon, shaking the very foundations of their services.
- **Military Enforcing Their Might:** Hold on tight, as the plot thickens! The CIA's servers, with half of them residing under Amazon's umbrella, and the surprising assassination of Haiti's president on the same fateful day that Microsoft (owned by the CIA) and Amazon (tied to CIA/Mossad) faced contract denials, reveal a startling web of intrigue. Could it be that the slain president possessed explosive information linking the CIA, Amazon, and Microsoft?
- **But the puzzle doesn't end there.** We dig deeper, unearthing submarine tunnels in Haiti, intricately connected to the likes of Clinton, Mossad, CIA and the infamous Epstein. And brace yourselves, folks, because it all circles back to the enigmatic subterranean network in Texas that I've been shedding light on... and clandestine operations.
- **The Threads Merge, forming a Tapestry:** The revelation unfolds before us like a tangled web, connecting the dots across various layers of power. And the protagonist in this unfolding drama is none other than the 45th President himself, who boldly takes on social media giants Facebook, Twitter, and Google in a legal showdown. Deep within those CIA servers hosted by Amazon lies a treasure trove of information, while Microsoft's networks, software, and backchannels clandestinely penetrate the Pentagon and the computers of world leaders. Illegal data collection, spying, the infamous Obama Gate, and the far-reaching FISA scandal all become integral pieces of this high-stakes puzzle.
- **Summer Set to Ignite with Unprecedented Revelations:** As the summer heat intensifies, so does the pressure on those who have operated in the shadows. The time for

truth and justice is at hand, with revelations bound to send shockwaves through the corridors of power. Brace yourselves, for the world is about to witness a scorching summer like never before!

- **Unveiling the Shadowy Web:** Illuminati, Papal Knights, and Secret Alliances! Prepare to be astonished as we peel back the layers of clandestine power and hidden connections that span centuries. The Illuminati, driven by their pursuit of a utopian New World Order, aimed to shape our world using enlightenment principles. But their banishment by the Bavarian government in 1782 only scratched the surface of a much deeper conspiracy.
- **Descent into the World of Knighthood:** The Knights of Malta, with roots predating the Order of St. John, wield immense influence. Surprisingly, even the Archbishop of Canterbury holds the esteemed title of Papal Knight under Francis I. And behold, the enigmatic Jacob Rothschild is a Knight of the Queen's Order of the British Empire and the Order of Merit. With the Queen deferring to the Pope, the Rothschilds' ties to European Knighthoods become clear, serving as crucial allies to the Papal Knights of Malta. Notable figures like Ronald Reagan and George H. W. Bush were also bestowed with the prestigious Knight of Malta award from the Order of Merit.
- **Unraveling the Web of Intrigue:** Within this intricate tapestry, we discover that the illustrious Rothschilds were known as the "Guardians of the Vatican Treasury." Famed Knight of Malta, Pat Buchanan, is revealed as a key player collaborating with the CIA's Operation Mockingbird, a covert program aimed at controlling the U.S. media. Further down the rabbit hole, we encounter the Duke of Gloucester, the Grand Prior of the Knights of St. John, and the First Grand Principal of the Supreme Grand Lodge of Royal Arch Masons of England. The intricate dance continues as the Pope defers to the Jesuit Superior General, and even King Abdullah of Jordan emerges as a product of Jesuit training from Georgetown University.
- **Uncovering the Jesuit Connections:** Behold the I.H.S. symbol, prominently displayed at the Jesuit World Headquarters in Rome. Nestled within this sacred emblem, we encounter nests symbolizing a rising Phoenix. According to Manly P. Hall, this mythical creature represents resurrection and a Christ-like figure. Chris Pinto, on the other hand, suggests that the Phoenix embodies the false Christ of the new Aquarian Age.
- **From the Middle East to the World Stage:** The reach of these Papal Knighthoods extends beyond borders, encompassing Jewish and Arabic leaders in the Middle East. Notably, Nadhmi Auchi, an Iraqi-British billionaire businessman and Papal member of the Royal Order of Francis I, is said to have connections with Saddam Hussein's regime. French President Nicolas Sarkozy's rendezvous with Syrian President Al-Basshad, another Knight of the Order of Francis I, further illustrates the interconnectedness. The Vatican-loyal Constantinian Order finds support from Ex-President of Lebanon Emile Lahood, while influential members of the House of Saud, such as Prince Khalid al Faisal and Prince Bandar bin Khalid, proudly bear the Papal Order of Francis I.

- **A Shocking Betrayal of Interests:** Shimon Peres, the Jesuit-trained statesman, garners Vatican support and is even knighted into the British Queen's Orders of Saints Michael & George. Some, like Barry Chamish, label Peres as a Sabbatean due to his alignment with Vatican interests over those of regular Jewish people.
- **Astonishingly, apostate Labor Zionists, predominantly Ashkenazi Jews, aided Hitler's Nazi Empire,** subjected Sephardic Jewish children to dangerous radiation experiments, and continue to exert powerful influence in Israel today. Freemasonry, a mysterious society with roots in the Kabbalah, intertwines with Romanism and ancient Babylonian religion, creating an eerie parallel.
- **Unlocking the Truth Behind the Veil:** Join us on this mind-bending journey, exposing the hidden ties between secret societies, Papal Knighthoods, and the enigmatic web of power that transcends borders. Brace yourself, as the revelations shake the very foundations of our understanding!

- **In America alone** there are over 188 Deep Underground Military Bases situated under most major cities, US AFBs, US Navy Bases and US Army Bases, as well as underneath FEMA Military Training Camps and DHS control centers. There are also many Deep Underground Military Bases under Canada.
- **Almost all of these bases are over 2 miles underground** and have diameters ranging from 10 miles up to 30 miles across! They have been building these bases day and night, unceasingly, since the 1940s. These bases are basically large cities underground connected by high-speed magneto-levity trains that have speeds up to 1500 MPH.
- **David Wilcox on Denver DUMB:** There is the Deep Underground Military Base underneath Denver International Airport, which is over 22 miles in diameter and goes down over 8 levels. It's no coincidence that the CIA relocated the headquarters of its domestic division, which is responsible for operations in the United States, from the CIA's Langley headquarters to Denver.
- **Constructed in 1995**, the government and politicians were hell bent on building this airport in spite of it ending up vastly over budget. Charges of corruption, constant construction company changes, and mass firings of teams once they had built a section of their work was reported so that no "one" group had any idea what the blueprint of the airport was.
- **Not only did locals not want this airport built nor was it needed, but everything was done to make sure it was built despite that.** Masonic symbols and bizarre artwork of dead babies, burning cities and women in coffins comprise an extensive mural as well as a time capsule – none of which is featured in the airport's web site section detailing the unique artwork throughout the building.

## L. Benjamin Fulford - Revealed: The Secret Empire of the Rothschilds, Rockefellers, and Morgans:

- **Prepare to uncover the shocking truth about the world's most influential families and their iron grip on the global economy.** The Federal Reserve Cartel, comprised of the Rothschilds, Rockefellers, and Morgans, holds unparalleled power that extends far beyond the realm of oil.

- **Picture this: The Four Horsemen of Banking, including Bank of America, JP Morgan Chase, Citigroup and Wells Fargo,** join forces with the Four Horsemen of Oil, such as Exxon Mobil, Royal Dutch/Shell, BP, and Chevron Texaco. But their domination doesn't stop there. They have extended their reach to encompass the music industry through an intricate network of private banks. These behemoths, along with Deutsche Bank, BNP, Barclays, and other European old money giants, control the strings of the music industry, enabling them to dictate its direction and influence.
- **The nefarious deeds of the Rockefeller dynasty** are far-reaching, starting with their military-commercialization of music in the early 1900s. They orchestrated a diabolical plan to shift the world's standard tuning of music to 440 pitch. This insidious frequency was known to provoke greater aggression, psychosocial agitation, emotional distress, and even physical illnesses. Behind the scenes, this manipulation led to financial gains for those complicit in the monopoly, including agents, agencies, and companies connected to the North American Rockefeller crime cartel and elite organizations.
- **Fast forward to the late 1980s, when the Rockefellers summoned the top music executives and talent** to a highly secretive meeting in Los Angeles. Their sinister agenda? To usher in the era of Controlled Rap Music, tightly linked to the privatization of U.S. prisons. These privately owned prisons, operated by the Rockefellers, Rothschilds, Bush family, and other influential figures, served as money laundering operations, tax exemption schemes, and pyramid scheme operations.
- **The Rockefellers devised a cunning plan to control the rap industry and target black communities** by promoting violent music that fueled oppression and civil unrest. They brought together top executives and leading black artists, binding them with confidentiality agreements. Their objective was clear: coordinate the violence within the rap music movement, while major record labels gained exclusive rights for production and distribution across the United States. As a reward, they would receive shares and points within the private prison systems.
- **The Masonic plan unfolded with precision,** resulting in over 1,500 private prison systems housing more than 1 million black teenagers by 1990. These vulnerable youths, expressing the generational trauma imposed upon them, unknowingly contributed to the Rockefellers' malevolent scheme. The private prison systems reaped billions annually from the government, creating a vast money laundering network through inflated products, such as ramen noodles priced 8 times higher than their actual value. The flow of hundreds of billions from government funding, pyramid schemes, and insurance companies transformed the privatization of prisons into a multi-trillion-dollar venture.
- **Local courts and judges mercilessly sentenced petty criminals and first-time offenders, filling the ever-expanding private prisons.** As a result, the United States now holds the dubious record for the highest number of incarcerated individuals in the world, with an unprecedented number of prisons. This was not an accident—it was a meticulously orchestrated plan by the Rockefellers.
- **Their influence doesn't end there.** These silent thieves also manipulate elections, ensuring their grip on power remains unbroken.
- **Unmasking the true face of those who control the world,** the Rothschilds and Rockefellers find themselves in the crosshairs of military alliance operations aimed at dismantling the Rothschilds' deep state power in Europe, the UK, Russia, and China.

- **Reserve Bank reveals \$37 billion loss, largest in its history.** The Sydney Morning Herald <https://www.smh.com.au/politics/federal/reserve-bank-s-bond-program-helped-save-jobs-and-economy-20220921-p5bjpg.html> Reserve Bank reveals \$37 billion loss, largest in its history. The Reserve Bank bought almost \$300 billion in government debt during the pandemic.
- **All Central Banks around the world are bankrupted now** — it is just not revealed to the public yet, and maybe it's a good thing. This is the Alliance's 'Softest Landing' approach to avoid maximum tragedies, suffering & casualties for all citizens.
- **There's already chaos with people**, in multiple countries, not being able to get their money out of banks. If all humans find out that banks are insolvent & do not have liquidity, then everyone will rush to the bank to pull their money out & that would cause the biggest global panic & crash in ALL major countries. It would be complete utter chaos that even the Military Alliance will not be able to handle.
- **The bankruptcy reveal will be done publicly in phases** to ensure not creating a full meltdown of citizens all over the world, all at once. As the old financial system transitions into the new QFS, citizens will be able to transfer their 'old' money into the new system. However this sounds a lot easier & smoother than reality.
- **In reality, we cannot transfer from the old slave debt money system to a new one without pain & suffering.** Hard-earned money & valuable assets will be lost. This is why I've shared my perspective on how & where to store your assets during this greatest transition of financial systems. We are no longer at the precipice. It is no longer the 'calm before the storm'. The storm is here now.
- **As more & more people figure out** what is truly going on inside the matrix financial systems & government, it is not going to be fun. It will be more intense than the last 3 years of dealing with the CONvid agenda.
- **There is a SILVER lining** in all this. There is a MASSIVE SILVER LINING that is coming after this storm — but for now, take cover.
- **We are heading into very turbulent waters.** We are going to witness unimaginable jaw-dropping global events. It will be devastating to those that are not ready. It will be exciting for some. It will be the Greatest Show & Events to unfold for those in their Heart Space, holding their Highest LOVE Frequency & being well-prepared. Protect yourself, protect your home & hold your assets in physical possession. GOD BLESS!

**N. Brunson Supreme Court Case: Takedown of the Biden Administration, Congress.**

- **The Brunson Case alleged that 385 members of Congress**, plus Biden, Harris and Pence, committed Treason by violating their oath of office to protect the Constitution by

not investigating 50 formally presented allegations of fraud in the 2020 Election. If SCOTUS ruled that Congress did not investigate the 50 allegations of fraud before certifying the 2020 Election (which they did not) and therefore violated their Oath of Office, then the Biden Administration and all of Congress could be automatically suspended. #### **P. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

**Q. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities”** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

**Jenny Hill's witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

**R. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**S. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
