Judy Note: *On Mon. 5 June the announcement of upping the US Debt Ceiling to \$36 Trillion with nowhere to borrow the money put the Stock Market in a death spiral; on Memorial Day the Military thwarted a Deep State nationwide Blackout; right now the White Hats were in the process of attacking the fake White House in Georgia where Actor Biden has played president of the US and Russia has pretty much won the war in Ukraine – a Deep State sanctuary for money laundering where thousands of children were tortured in US funded bio-weapon labs.*

A. Global Currency Revaluation:

- **On Thurs. 1 June** all banks around the world which had passed the Global Quantum Financial System’s Fed ISO 20022, came online to the new financial system, meaning all electronic payments for 209 countries’ financial network were now able to communicate with each other at lightning speed. Those thousands of banks that didn’t qualify because their monies weren’t gold/asset-backed would now be closed.
- **For 42 hours beginning Tues. night 30 May** Bond Holders received their packages by FedEx, with deliveries starting up again on **Sunday 4 June** - continuing on for another 3-4 days. “Some Bond People have been paid” ...Bruce, MarkZ and Free Inhabitant
- **Sun night 4 June** the new Iraqi Dinar Rate, the Kingpin of the Global Currency Revaluation, was settled on bank screens and ready to go international.

- **Mon. 5 June MarkZ:** “I’m hearing the Drop Date is **Tues. 6 June**. That’s why I have such great expectations for **this week**. I am getting inundated with the expectations we will see massive movement **this week**. Today the US Treasury dropped their bonds.”
- **Mon. 5 June Wolverine:** Iraq is done guys. Buckle your seats and get ready to go warp speed. God bless you all.
- **Mon. 5 June, US Corp Buys Time Before Liquidation**, Fulford, Windlander: US Corporation buys time by extorting Thai gold, conning Chinese Royals. The US of America Corp. managed to avoid default by extorting gold from the Thai Royal family and conning Chinese royals to hand over some of their gold. However, this stunt is not going to go unpunished and the Corporation is still going to be liquidated. A member of the dragon family says Chinese royals based in Taiwan were fooled by a fake King kickbacks. However, the Khazarian Mafia reneged on their promises as soon as they got the money. The Dragon Family now says they did not sanction this deal and promised to take certain counter measures. The King of Thailand, who is being held hostage in Germany, was forced to trade gold belonging to the people of Thailand for worthless US Treasury bills, according to Thai royal family sources. Presumably, the fact his eldest daughter has been in a medically induced coma since January had something to do with the blackmail. In addition to this, on the day the US "debt ceiling deal" was announced official Chinese news outlets were bragging about promises they extorted from their American debt slaves. Charles promised "to fund massive humanitarian projects," didn't.

- **At the end of this week** and after Tier4b was in progress, there was promised to be a massive “clean up” in many Redemption Areas around the world.

B. Mon. 5 June Update Global Financial Crash, Shiela:

- **Wall Street in for bloodbath starting Monday 5 June**, experts say.
- **After US President Joe Biden signed a debt ceiling deal on Saturday**, the Treasury unleashed a tsunami of new bonds to quickly refill its coffers, Bloomberg reported. This will be yet another drain on dwindling liquidity as bank deposits are raided to pay for it, something Wall Street warns markets are not yet ready for.

- **JPMorgan Chase strategists estimate a flood of Treasuries** will compound the effect of quantitative tightening on stocks and bonds, knocking almost 5% off their combined performance this year.
- **Citigroup strategists also offer a similar calculus**, showing a median drop of 5.4% in the S&P 500 over two months could follow a liquidity drawdown of such magnitude, and a 37 basis-point jolt for high-yield credit spreads.
- **The sales, set to begin Monday**, will rumble through every asset class as they claim an already shrinking supply of money.
- **With default averted, the Treasury will kick off a borrowing spree** that by some Wall Street estimates could top \$1 trillion by the end of Q3. What will happen when those billions go through the financial system is not easy to predict, but chaos is likely to reign in the markets.
- **For now, relief about the US avoiding default has deflected attention** from the looming liquidity aftershock. Yet as bank reserves shrink significantly, stocks are expected to fall and credit spreads widen, with riskier assets bearing the brunt of the losses. "It's not a good time to hold the S&P 500," said Citigroup.
- **"We think there will be a grinding lower in stocks**, and no volatility explosion because of the liquidity drain," says Ulrich Urbahn, Berenberg's head of multi-asset strategy. "We have bad market internals, negative leading indicators and a drop in liquidity, which is all not supportive for stock markets."

There are no safety studies required, nothing at all to make sure they're actually safe with no short or long-term health risks. Without long term safety testing, there is no way to know the potential adverse impacts on health over time. There are already concerns about allergenicity. How do you identify this ice cream? G. Our Federal, State, County and City Governments Are US Inc. For-Profit Corporations Of Rich Elites Protected By Limited Liability, Contrary to the Constitution Which is Supposed to Protect an Individual’s God-Given Rights, Barbie and Ken vs. Goliath IRS:

- **During our incredible journey of 5 years 6 months**, 18 court cases, victims of two SWATs including a 75-man paramilitary SWAT with 2 helicopters, 2 MRAPs (tanks), multiple snipers, two lawsuits against the IRS Commissioner, which we won. -- one of the most interesting things we've learned is that the battle is very simple: The Kingdom of God vs. LUCIFER INC. LLC

- **Most people want to believe** that when their government official swear an Oath of Office to protect and defend the Constitution against "enemies foreign and domestic," that the oath taker really means it.
- **Sadly, they immediately begin taking their paychecks from INCORPORATED entities** whose names sound legitimate, but are actually "for-profit" businesses that have new allegiances that are to the organization and NOT to protecting you and me -- We the People.
- **If your government, church, club, association is Incorporated** you can be sure that -- knowingly or unknowingly -- they have taken on the cloak of death -- CORPORATION or corpus baited there by the promise "limited liability" and "protection". This is contrary (antithetical) to the Spirit of the Constitution which is focused on protecting the individual's God-given rights BUT ALSO holding him personally accountable for his actions.
- **REMEMBER: Pfizer, Moderna and Johnson & Johnson etc.** who gave us "the poke" are all corporations, and no individual is responsible. In fact, our federal government went one step further and GUARANTEED their immunity from ANY lawsuit.
- **WOW! We, Barbie & Ken Cromar,** have learned that our little 'ol Cedar Hills, Utah is actually incorporated as CITY OF CEDAR HILLS City with D-U-N-S number: 027712301, and our once great Utah state is now actually STATE OF UTAH incorporated -with a DUNS #009094301 AND an E.I.N. #87-6000545 -- both *for-profit* entities pretending to be Constitutional authorized governments. But they are NOT!
- **Once you understand that there are only two sides,** The Kingdom of God (good). vs. LUCIFER INC LLC (bad), that's when all the chaos were now suffering under because of the FBI, CIA, etc. all starts to make sense.
- **For a shocking LIST of proof** of the incorporation of our government at every level: <http://www.cedarhillscitizens.org/what-our-state-county-city-and-federal-gov-are-all-corps/>

H. David Wilcox:

- **According to NSA sources, "White Hats" are currently attacking the Fort McPherson base complex in Atlanta, Georgia.** It is here that the Rockefeller citadel of AT&T and CNN conducts fake psychological operations of the Joe Biden administration.
- **To see how bad things are with psychologists,** watch how stupid Biden reads quotes from his teleprompter. "End quote. Repeat the line".
- **According to Canadian intelligence sources,** Biden's fall will be followed by a similar move in Canada. "Justin Castro will be removed from office and humiliated in front of the world community. The Canadians, supported by the Military Alliance, are waiting for a signal to act," they promise.

- **Dutch farmers warn Prime Minister Mark Rutte:** "The protests will continue. We have the support of millions of people. There will be actions that Holland has never seen.
- **People in China** are rebelling against the CCP machine. Banks collapsed there, and the police were unable to stop the protesters by fraudulently manipulating their mobile devices to make them look like they had "Covid."
- **The Chinese people** should understand that George Soros boasted that his people took over China in 1987. We had a video of him saying that, but it seems to have been deleted from our computers and from the internet. However, the fact that the regime there agrees with the fake pandemic and the accompanying excessive social control is a clear sign that they are not working for the Chinese people.
- **An MI6 source says:** "The days of the G7, G20 and the like are over. Their failure will be reflected in an economic crisis leading to global unrest, similar to what we are seeing in Sri Lanka. ...All these archaic prime ministers should be captured and shot along with all these old habita Clear the deck."
- **When the regime finally falls,** people will hear a lot of shocking things. The nature of the horrifying truths that will come to light during the public trials and hearings will follow the worldwide defeat of HMM.
- **Mel Gibson told the Truth about Pedophiles and child Sacrifice...** It cost him his acting career. He said he had enough money and had nothing to worry about.

I. From Anon: I had a dream last night. I asked God how much longer we have with this evil fraudulent regime in power. He took me to what looked like a giant newspaper. It had every single plan of the Deep State and the White Hats counter written on them. It went further back than DJT.

I was taken to the very last page. It had three Events on it.

- Banks Collapse
- Communication Blackout
- Ebola/Marburg: In the Ebola Marburg Event the word SHOWTIME appeared.

I ran to David with the newspaper in my dream to tell him SHOWTIME was coming and that I had released a word called SHOWDOWN. They had to do with one another.

As soon as I tell David I see POTUS address the nation from a podium and blow the lid on the entire operation that took place behind the scenes. It was all made public now.

The covert operation had just become an overt operation. The Military took over and the rest of the steps left on the newspaper were how to Restore the Republic.

J. White Hat Intel:

- **Behind the Scene Trump is preparing** to make the US a World Super Power in the honor of goodness and greatness of the American People.
- **No matter what happens in the next months inside the Near Death Civilization Event** plans are already under way for Trump to publicly return as Commander in Chief (in real time Trump is the Commander in Chief, and Cheyenne mountain recognizes him as the true leader and authority over the Highest military commands).
- **The Plan for Trump to build the United States into a Global Economic Power** within one year and half is connected to highest volumes of Natural resources and gas. Oil and global energy the United States posses.
- **China, Russia, South American BRICS nations** all know the U.S. is going to produce over 25-30 million barrels of oil a day and take over the world energy structure market.
- **Trump is already in talks with South America and China** as the U.S. will out produce Russian Energy.
- **After the Great Collapse and Near Death Civilization Events of 2023 2024**, the Golden Age of 2025, 2026, 2027 begins. Plans are already being played out for the dismantling of the CIA, FBI and 11.3 Tribulations Storm Arrests.
- **Military Intelligence assessments throughout the World know Trump would take over the World's Power Energy Structure.** BRICS Nations would be begging to be part of the US Super Power – a clean power away from the CIA Globalists. The Swamp has to be drained first before Trump creates the greatest nation on Earth to give Freedom to the rest of the World through a Gold-backed system.
- **After the restoration of the US Super Power**, the truth of free energy will unfold. A fake Alien invasion will be exposed on a national level – that will lead to declassification of technology connected to infinite energy of med beds, floating crafts, floating cities – far beyond what anyone thought possible.
- **Everything comes in stages** including bringing down the Deep State Satanic Cabal connected to World Leaders, Banks, Corporations Blackmail System of Human Trafficking Rings and World War mongering.
- **Everything you are watching is staged.** This includes the Deep State pushing their agenda. It WILL all back fire. This is called Game Theory Operations and will lead to Military intervention.

Could it be that the slain president possessed explosive information linking the CIA, Amazon, and Microsoft?
- **We dig deeper,** unearthing submarine tunnels in Haiti, intricately connected to the likes of Clinton, Mossad, CIA, and the infamous Epstein.
- **It all circles back to the enigmatic subterranean network in Texas** and clandestine operations.
- **The revelation unfolds before us like a tangled web, connecting the dots across various layers of power.** And the protagonist in this unfolding drama is none other than the 45th President himself, who boldly takes on social media giants Facebook, Twitter and Google in a legal showdown. Deep within those CIA servers hosted by Amazon lies a treasure trove of information, while Microsoft's networks, software, and backchannels clandestinely penetrate the Pentagon and the computers of world leaders. Illegal data collection, spying, the infamous Obama Gate, and the far-reaching FISA scandal all become integral pieces of this high-stakes puzzle.

- **Unveiling the Shadowy Web: Illuminati, Papal Knights, and Secret Alliances!** Prepare to be astonished as we peel back the layers of clandestine power and hidden connections that span centuries. The Illuminati, driven by their pursuit of a utopian New World Order, aimed to shape our world using enlightenment principles. But their banishment by the Bavarian government in 1782 only scratched the surface of a much deeper conspiracy.
- **The Knights of Malta**, with roots predating the Order of St. John, wield immense influence. Surprisingly, even the Archbishop of Canterbury holds the esteemed title of Papal Knight under Francis I. And behold, the enigmatic Jacob Rothschild is a Knight of the Queen's Order of the British Empire and the Order of Merit. With the Queen deferring to the Pope, the Rothschilds' ties to European Knighthoods become clear, serving as crucial allies to the Papal Knights of Malta. Notable figures like Ronald Reagan and George H. W. Bush were also bestowed with the prestigious Knight of Malta award from the Order of Merit.
- **Within this intricate tapestry, we discover that the illustrious Rothschilds were known as the "Guardians of the Vatican Treasury."** Famed Knight of Malta, Pat Buchanan, is revealed as a key player collaborating with the CIA's Operation Mockingbird, a covert program aimed at controlling the U.S. media. Further down the rabbit hole, we encounter the Duke of Gloucester, the Grand Prior of the Knights of St. John, and the First Grand Principal of the Supreme Grand Lodge of Royal Arch Masons of England. The intricate dance continues as the Pope defers to the Jesuit Superior General, and even King Abdullah of Jordan emerges as a product of Jesuit training from Georgetown University.
- **Behold the I.H.S. symbol, prominently displayed at the Jesuit World Headquarters in Rome.** Nestled within this sacred emblem, we encounter nests symbolizing a rising Phoenix. According to Manly P. Hall, this mythical creature represents resurrection and a Christ-like figure. Chris Pinto, on the other hand, suggests that the Phoenix embodies the false Christ of the new Aquarian Age.
- **The reach of these Papal Knighthoods extends beyond borders, encompassing Jewish and Arabic leaders in the Middle East.** Notably, Nadhmi Auchi, an Iraqi-British billionaire businessman and Papal member of the Royal Order of Francis I, is said

to have connections with Saddam Hussein's regime. French President Nicolas Sarkozy's rendezvous with Syrian President Al-Basshad, another Knight of the Order of Francis I, further illustrates the interconnectedness. The Vatican-loyal Constantinian Order finds support from Ex-President of Lebanon Emile Lahood, while influential members of the House of Saud, such as Prince Khalid al Faisal and Prince Bandar bin Khalid, proudly bear the Papal Order of Francis I.

- **Shimon Peres, the Jesuit-trained statesman**, garners Vatican support and is even knighted into the British Queen's Orders of Saints Michael & George. Some, like Barry Chamish, label Peres as a Sabbatean due to his alignment with Vatican interests over those of regular Jewish people. Astonishingly, apostate Labor Zionists, predominantly Ashkenazi Jews, aided Hitler's Nazi Empire, subjected Sephardic Jewish children to dangerous radiation experiments, and continue to exert powerful influence in Israel today. Freemasonry, a mysterious society with roots in the Kabbalah, intertwines with Romanism and ancient Babylonian religion, creating an eerie parallel.

K. So what have the “Conspiracy Theorists” gotten right so far?

- 1) No Weapons of Mass Destruction in Iraq
- 2) Hillary Stole the primary from Bernie
- 3) No Russian Collusion
- 4) Covid was complete bullshit
- 5) The Vaccine didn't work
- 6) Everyone is connected to Jeffery Epstein
- 7) JFK was an inside job
- 8) J6 was a intelligence operation
- 9) BLM was a Marxist front
- 10) Cancel Cultural was Corporate driven
- 11) Smollet was a fraud
- 12) Obama spied on Trump
- 13) Assad didn't gas his own people

So we were right about all of this but we are completely wrong about the 2020 election being rigged and stolen! Gotcha!

L. Brunson Supreme Court Case: Takedown of the Biden Administration, Congress.

- **The Brunson Case alleged that 385 members of Congress,** plus Biden, Harris and Pence, committed Treason by violating their oath of office to protect the Constitution by not investigating 50 formally presented allegations of fraud in the 2020 Election. If SCOTUS ruled that Congress did not investigate the 50 allegations of fraud before certifying the 2020 Election (which they did not) and therefore violated their Oath of Office, then the Biden Administration and all of Congress could be automatically suspended. - Did you know that the bodies of the great emperors were buried in golden coffins and covered with honey to prevent putrefaction?
- Did you know that a bee lives less than 40 days, visits at least 1000 flowers and produces less than a teaspoon of honey, but for her it is a lifetime.

O. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

P. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

Q. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

R. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
