Judy Note: *The Deep State has planned a fake Alien Invasion – that the World Alliance will buffer. Trump and the Military have already thwarted a Deep State Memorial Day Blackout.*

The Canadian Alliance Military has taken over the Canadian Government and will cleanse Canada from corrupt officials, while on Mon. 5 June Russia took out the Khazarian Deep State Satanists in Ukraine, along with their US funded bio-weapon cloning labs that tortured thousands of children to extract their Adrenochrome.

The Chinese Communist Party was found to be behind 2020 Election Fraud – which fake election put a puppet Biden in power – though was part of a global secret Military Sting Operation that has been used to replace politicians, high-ranking officials, generals and admirals.

US Inc, which includes the Federal Reserve and IRS, was a privately owned for-profit Corporation and did not represent the American People. Legally, any monies given to the IRS would be considered done on a voluntary basis. However, the power and psychological hold the IRS has on the American people is very real. Patriots like “Ken and Barbie vs. Goliath IRS” who have proven in a federal tax court that they did not owe the IRS monies, have been bombarded with SWAT Teams, harassed, jailed and had all their possessions including their fully owned home, taken away.

The Supreme Court has finally agreed to conference the Brunson Case on Thurs. 22 June 2023. If they heard the case and agreed that Congress failed to investigate 50 formally presented to Congress allegations of 2020 Election Fraud, the Biden Administration and all of Congress could be dissolved.

Claim your right to free and fair elections and support the Brunson Petition by writing the Supreme Court Justices. See #E below.

This all comes along with Russia destroying over half of Ukraine NATO's Air defense systems through the regions.
- **NATO in panic as the Ukrainian intelligence headquarters has been destroyed,** along with the destruction were intelligence members who carried CLASSIFIED Codes and Top level CLASSIFIED information and Military handles between NATO, CIA, UKRAINE and U.S. mercenary groups. M. Military/Trump Thwart Deep State Memorial Day Blackout:

<https://www.rumormillnews.com/cgi-bin/forum.cgi?read=223839>

- **Ahead of the holiday, the general's office received "credible intelligence" that the Deep State was planning a multi-pronged attack against two of the country's synchronous grids,** the Eastern and the Western Interconnections, which collectively power tens of millions of homes.
- **The Eastern Interconnection reaches from central Canada to the Atlantic Coast, south to Florida,** and back to the foot of the Rockies. The Western Interconnection stretches from western Canada, south to Baja, California, reaching eastward over the Rockies to the Great Plains. Texas, which has independent transmission lines disconnected from the national grid, was not included in the attack plan.
- **According to our source, a CIA whistleblower on May 19 arrived at Camp Pendleton** with a dire warning, saying the criminal Biden regime had put in motion an intricate mission to hack the grid and throw the country into turmoil. He reportedly had digital documents, approved by CIA Director William Burns, outlining the Deep State's methods and motives for wanting to plunge the U.S. into darkness. At 9:00 p.m. EST, May 26, the Deep State would activate the virus, the whistleblower said.
- **By May 10, the CIA had hired "foreign actors"** to man "remote intrusion centers" in Colorado and Georgia with the hardware necessary to deliver virus into the mainframes of American Electric Power and other major electric companies. The documents said the persons hired to man the intrusion centers were among the world's most skilled cybersecurity experts.
- **The virus would systematically collapse the grid** from coast to coast, and power companies' engineers, whose job is to monitor the reliability of energy transmission, would be powerless to mitigate or immediately purge the virus.
- **The CIA's documents projected 48 hours of darkness,** after which the virus would "self-extinguish," and transmission providers would resolve the issue and gradually restore service to their customers.
- **By then, the CIA calculated the country would be a tempestuous wreck.** Had darkness stricken the land, FEMA insurrectionists, looters, and, yes, rapists would have run amok across the country, inciting civil disobedience and mayhem. They were to pillage homes and businesses and shoot any resistance wantonly.
- **Meanwhile, Feds embedded in national militia groups** would instigate members to take up arms, telling their troops the Deep State was taking over.
- **From a replica of the Oval Office, Biden would blame the crisis on Chinese saboteurs** and promise Americans that his administration was doing everything possible to restore

power and order. As the nation descended into madness, Biden would tell the world that MAGA adherents were slaughtering Democrat lawmakers—torch and pitchfork style—from California to New York. He would unleash the Department of Justice on patriots stirred to action by government informants masquerading as patriots.

- **Worse, the CIA assessment seemed more interested in provoking patriots** and “testing Americans’ resolve” than addressing the catastrophic collateral damage and loss of life associated with their “exercise.”
- **Aircraft departures nationwide would halt**, and planes in flight would race to land or divert before airport backup generators failed and runways went dark. The chances of a significant incident were high.
- **On the ground**, railway switches could fail, intensifying the odds of collisions and derailments. The number of potential cataclysms is endless.
- **After two days of darkness**, the regime would magically restore power and applaud itself for quickly resolving the unpreventable outage.
- **Biden would recant the story** of Chinese saboteurs and apologize to Xi Jinping for making unforgivable errors. Instead, he would blame Vladimir Putin for the blackout and call for increased funding for Ukraine.
- **The scenario mentioned above might have played out had White Hats not interceded.** Our source said Gen. Smith allowed the spook on base because he had in the past supplied credible tips. FBI and CIA “5th Columnists” have proven instrumental in aiding the White Hats’ war against the Deep State.
- **The Whistleblower, however, didn’t know where in Colorado and Georgia the Deep State had set up intrusion centers.** He told Gen. Smith he’d endeavor to learn the locations, and the general mustered an untold number of White Hats to action, ordering them to call in every favor owed in hopes of gleaning the whereabouts of the Deep State’s cyber infiltration facilities. They had less than a week to solve the dilemma.
- **Gen. Smith appraised President Trump of the situation** and asked whether it was time to trigger the EBS, which White hats seized in March 2022 during an assault on FEMA’s Mount Weather stronghold. Trump told the general to hold off on the EBS while he, too, ruminated over the looming crisis and called in “huge favors people owe me.” Triggering the EBS too early, Trump said, might spark patriots into taking up arms, an act that would give the Deep State practical reason to retaliate against patriotic Americans truly.
- **Over the next two days**, U.S. Army Rangers, Special Forces, and Delta Force hit dead ends in Augusta, Georgia and Colorado Springs, Colorado. Acting on tips, they had breached two warehouses but found them empty, devoid of computers and internet connections.
- **Our source said White Hats stormed several more empty structures** and were losing hope when President Trump phoned Gen. Smith with tips that had verisimilitude. President Trump would not reveal the identity of his source and said the Deep State’s bunkers were near Pueblo, Colorado and Athens, Georgia. He even had GPS coordinates.
- **Special Forces went at once to Colorado, while Delta left for Georgia.**
- **In Pueblo, Special Forces surveyed an automotive repair shop** with a “closed until further notice” sign hanging above the office door. The two bay doors were closed, and the parking area was empty. From a distance they glassed the building and through a window saw computers atop two desks, but no people and no tools endemic to a vehicle repair shop. As Special Forces monitored the Pueblo shop, Delta Force in Athens had

eyes on what should have been a Laundromat. But the interior had several computer terminals instead of washers and dryers and tables for folding clothes. "There was no question we found the right places," our source said.

- **"Then came the decision to either shut them down on the spot or wait** until the 23rd to see who showed up. "Gen. Smith chose to wait; he wanted to catch and identify the criminals—or kill them. He knew we'd be playing it close."
- **At 6:00 p.m. EST, May 26, a white Ford Econoline van** pulled into the parking lot at the Pueblo automotive shop. Three men of undistinguishable origin, each packing a Heckler & Koch MP5 submachine gun, exited the vehicle and walked to the entrance. The lead target was fumbling with a key ring when a bullet hit him between the eyes. He fell dead.
- **Another round dropped the second perpetrator**, leaving only one villain left. He raised his rifle and fired blindly into the air, emptying the magazine, then dashed for the van. Six Special Forces arose from the shadows and subdued him.
- **They used him as a shield** to open the door in case the inside had booby traps. The pungent scent of gasoline assailed their nostrils when they set foot inside. No traps. But Ziplock bags filled with gas had been taped to the walls, ostensibly to put the place ablaze after the would-be cyber terrorists had finished their work.
- **Special Forces confiscated the computers**; they loaded their prisoner and the corpses into unmarked vehicles parked a few blocks away.
- **Delta Force met with a similar scenario in Georgia.** This time, though, no shots were fired. A yellow Hummer with four occupants had parked behind the Laundromat. No sooner had they opened the doors than Delta operators pulled them from the vehicle and incapacitated them. After gagging and zip-tying the prisoners, they removed the hardware from the 'Laundromat.'
- **President Trump was immediately given an assessment**, our source said. "Thanks to brave men and President Trump, a disaster has been averted. We want CIA Director Burns, but he's left the reservation. I haven't been given a sit rep on the prisoners' interrogations. America should breathe a sigh of relief," our source said.

N. Military Game Theory: "Storm Is Upon Us"

- **Q is a United States Military Intelligence Operation**, working hand-in-hand with the President of the United States. Some could easily argue that Donald J. Trump was hand chosen years ago by the United States Military to aid them in this critical and historic operation.
- **Q is not a single person, but a team of high-ranking persons with "Q" level security clearance**, executing operations that have been planned for many years (the plan).
- **Some of the objectives are:**
 - A) **A massive information dissemination program** meant to 1) expose massive global corruption and conspiracy to the people. 2) Cause the people to research further to aid further in their "great awakening".
 - B) **Root out corruption**, fraud and human rights violations worldwide.
 - C) **Return the Republic of the United States to the Constitutional rule of law** and also return "the People" worldwide to their own rule. In short, the Q operation is the greatest criminal sting and anti-treason/sedition event in world history. It certainly does

appear that we as a country are lawfully living out The Declaration of Independence once again.

- **Due to the classified nature of much of the information/evidence Q team holds**, they cannot just come right out with it, however, they can drop breadcrumbs that the people, often the 8chan "Anons", can dig into and help us all discover the truth.
- **Enemies in this war are monitoring Q as well.** Therefore, some of the information Q drops is strategically misinformation and disinformation. Think Military game theory and "THE ART OF WAR" by Sun Tzu.
- **Sure, none of us want to filter through and try to discern truth from falsehood**, however these warfare tactics really cause "We The People" no harm when they must be used, however they are devastating to the enemy and a necessary part of warfare. Military planning at its finest!

O. Global Economic Crisis Looming!, David Wilcock

- **Prepare for an unprecedented upheaval** as the world faces a looming crisis of inflation, with the United States at the center stage. Get ready for an impending collision that will have catastrophic consequences, as the complex interplay between Covid-19, Fauci, CDC, NIH, NIAIH, WHO (under the influence of Gates), gain-of-function experiments, and the shadowy forces of Rothschilds and Rockefellers are about to be fully revealed.
- **Brace yourself for mind-boggling revelations** as the plot of a stolen election unravels right before your eyes. Unveil the covert operations of the elusive C_a, the manipulative tactics of Facebook, Google, and other tech giants, and the sinister agenda that has ensnared the world in its grip.
- **It is time to embrace the truth**, my fellow seekers of truth, and spread vital information far and wide. The destiny of our nation, our freedoms, and our future lies in our hands. Patriots, come together in this battle for truth and justice!
- **Raise the alarm!** Let your voice resound! The time for awakening is NOW!

Q. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

R. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube http://www.youtube.com/watch?v=F626Lsrdwg4](#)

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down

to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

S. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

T. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
