*When you walk through a storm hold your chin up high and don't be afraid of the dark.  
At the end of a storm is a golden sky and the sweet, silver song of a lark.  
Walk on through the wind, Walk on through the rain, though your dreams be tossed and blown.  
Walk on, Walk on with hope in your heart, and you'll never walk alone.  
You'll never walk alone.*

- **Operation Q: [Military Game Theory: The Unfolding of Operation Q \(video\) - American Media Group \(amg-news.com\)](#)**

**Firstly, it is an extensive information dissemination program**, geared towards shedding light on global corruption and conspiracy, encouraging the masses to venture deeper into research, fueling their “great awakening.” This awakening refers to an understanding of the scale and severity of the corruption and manipulation that is taking place worldwide, an understanding that is often obscured by mainstream narratives.

**Secondly, Operation Q aims to obliterate corruption**, fraud, and human rights violations on a global scale. Its mission is to dismantle the crippling shackles of manipulation that bind nations and inhibit progress, restoring fairness and justice to the world stage.

**The third objective is to return the United States to its constitutional rule of law** and restore governmental control to the people. This is not merely confined to America; the ripple effect of this operation is meant to echo across borders, liberating people worldwide. In essence, Operation Q is poised to be the most significant anti-treason, anti-sedition event in global history, a rerun of the Declaration of Independence but on an international scale.

- **Raland J Brunson's Case:** As of June 5, 2023 my Federal Court Judge has received 8,337 letters (thank you for your awesome support!!) from people all over the country telling him to allow Sonia Sotomayor, Elena Kagan, and Ketanji Brown Jackson to explain, in my lawsuit against them, as to why it was so important that they supported enemies of the Constitution by voting against hearing my case against Joe Biden, Kamala Harris and over 300 members of congress by voting against investigating the allegations that there was interference with the 2020 Presidential Election. Any day now Judge Jared C. Bennett, will be making that decision. Will he honor his Oath of Office by allowing this case to go forward or will I be compelled to appeal it to the 10th Circuit Court of Appeals? We shall see.
- **Loy Brunson's Case:** The Supreme Court has set a conference date (not a hearing date) but a date for them to discuss the case and vote if it is worthy for an official hearing. In order to have your case be heard by the US Supreme Court you have to get permission from them. You have to file what is called a "petition for writ of certiorari" where the Supremes will decide if they want to hear it or not. This conference date is set for June 22!!! The sole purpose of my lawsuit against the three Supremes is to have either my case, or my brother Loy's case heard. We want a hearing!!!

- **Study proves natural immunity** is superior to inoculation.
- **Vaccine – the biggest medical fraud in history:**

“**One of the worst smallpox epidemics** took place in England between 1870 and 1872, nearly two decades after compulsory vaccination was introduced. Leicester, with nearly 200,000 inhabitants, boasted a 95% vaccination record but it suffered more deaths than less-vaccinated London. Faced with this obvious evidence of the uselessness of vaccination, Leicester’s citizens rejected the program in favour of cleaning up the city. Under the leadership of James Briggs, Town Councillor and Sanitary Inspector, clean streets, clean markets and dairies, efficient garbage removal, sanitary housing and pure water supply replaced vaccination scars. In 1892-3 Leicester had 19.3 cases of smallpox per 10,000 population; similar-sized Warrington, with 99.2% vaccinated, had 123.3 cases.

**“In Japan, in 1885,** 13 years after compulsory vaccination, a law was passed requiring revaccination every seven years. From 1886-1892 a total of 25, 474,370 revaccinations were recorded. Yet during this same period, Japan had 156,175 cases of smallpox with 38,979 deaths, a case mortality of nearly 25%. Slow learners, the government passed another act requiring every resident to be vaccinated and revaccinated every 5 years. Between 1889-1908, the case mortality was 30%. Prior to vaccination the case mortality was about 10%. “During a ruthless campaign by the US in the Philippines in 1905, the native population were forcibly vaccinated several times. In 1918-1919, with over 95% of the population vaccinated, the worst epidemic the Philippines had ever known occurred.

**In the Congressional Record of December 21, 1937,** William Howard Hay, MD, said, ‘The Philippines suffered the worst attack of smallpox, the worst epidemic three times over, that had ever occurred in the history of the islands and it was almost three times as fatal. The death rate ran as high as 60% in certain areas where formerly it had been 10-15%.’ Canada, 1919. Stop the Slaughter of innocents.

**The anti-vaccination movement in 1919** (20th century), Toronto, Canada. In Canada, the main group was the Anti-Vaccination League. The Anti-Vaccination Society of America was the main group opposing mandatory (compulsory) vaccination in the USA. The society was founded in 1879. The USA, early 2000s (21st Century).

**Outspoken vaccination critics** such as Jenny McCarthy, Dr. Andrew Wakefield, and other doctors and celebrities were blamed by the media for starting the anti-vaccination movement. As noted above, the movement has been around since 1853. Drug companies are one of the largest advertisers on TV, Internet, newspapers, and magazines.

**According to Robert F. Kennedy, Jr.,** the drug industry contributes up to 70% of advertising revenue to media companies. In 2017, the collective stock market capitalization of the drug companies (vaccine manufacturers) exceed \$1 trillion. As actor Jim Carrey noted, “A trillion dollars buys a lot of expert opinions. Will it buy you?” Mainly because of these movements, the public became aware of the dangers of vaccines. The lunatic idea of transferring animal diseases to humans to prevent diseases didn’t work. Compulsory vaccination was later repealed in every country because vaccines were found to be useless and poisonous. Several decades later, the drug companies began their mass advertising and marketing campaigns to “educate” the next generation on the benefits of vaccination. Vaccination has been a menace to each generation since 1796.”

## I. Countdown to the US explosion begins after Biden's failed trip to the Middle East, David Wilcock.

- **The fake US President Biden failed to get oil** during his recent trip to the Middle East with his hand outstretched. This means that the countdown to the explosion of the United States and Western Europe has begun. The revolution is in the air, and there will be no turning back, numerous sources agree.
- **Biden's handlers hoped to use Iran as an "enemy"** to justify massive arms sales in exchange for oil. Saudi Arabia's ambassador to Washington, Remma bin Bandar al-Saud, summed up the opinion of the region, calling the "oil for security" paradigm "outdated and reductionist." The absence of weapons for oil means the absence of oil for the United States and its client states. The absence of oil means the absence of economic activity.
- **Meanwhile, the Khazarian mafia**, like a dying beast, spits out fear porn, biological weapons and threats of war in a desperate attempt to prevent the inevitable. However, their medical mafia is systematically hunted down and killed.
- **Let's now look at the real meaning of Biden's visit to the Middle East.** His inability to get permanent free oil in exchange for money printed out of nothing will have consequences far beyond the United States. This will mean the end of the BIS, the UN, the EU and perhaps even the papacy.
- **First, the BIS, or central bank of central banks, was founded in 1930 using Asian gold.** This gold was lent to the Germans to help them fulfill their obligations under the Treaty of Versailles, signed at the end of the First World War. In return, the Asians were promised that the United Nations would be created as a world parliament with ancient royal families. East and West (family of dragons), acting as background overseers.
- **However, at the end of the Second World War, the victorious Allies broke their promise to spend the gold** they were given on the development of the entire planet. Instead, their Marshall Plan developed only the countries they controlled (now known as the G7).
- **In retaliation, the Asians cut off any further access to their gold.** When the U.S. ran out of gold, we had the "Nixon shock" of 1971. It was then that the dollar was separated from gold. Instead, the countries of the world had to buy oil for dollars.
- **It was a giant sugar high for the USA.** The countries of the world had to have a trade surplus with the United States in order to buy oil. This has led to a strong dollar and free money for Americans. However, as a result, the US industry has lost its competitiveness, and more than 50 years of trade deficits have turned the US into the country with the largest debt in world history.
- **Then, finally, in 2008**, the rest of the world decided to stop lending to the US, which led to the "Lehman shock".
- **Then the Americans were able to buy time** by promising to put a black communist as president. At this point, readers should know that communism was created by the Vatican

or, I should say, the P2 Freemasons who control the Vatican, and that Obama was/is their domestic slave.

- **In any case, Obama's ploy convinced Asians** to hand over 700 tons of gold to the Federal Reserve Board under the leadership of Alan Greenspan. This was used more than a thousand times to create \$23 trillion that allowed the UNITED STATES OF AMERICA CORPORATION to exist until 2020.
- **When the money ran out in January 2020**, the West, controlled by the Khazarian mafia, responded with a massive attack using biological weapons and vaccines. They hoped to kill enough people to stay in power. This attempt failed.
- **They also managed to get some funding for the US CORPORATION** by promising to bring back Barack Obama with Joe Biden acting as his figurehead.
- **Now, as a result of the general disgust at the antics of the fake Biden regime, this money has been cut off.** This is the prehistory of truly historical events that are unfolding before our eyes.

#### **J. Corrupt IRS and Federal Reserve, Edward Griffin:**

- "When I did my research on this topic I came to the conclusion that the Federal Reserve system does not need to be audited, it needs to be abolished. The reason I say that is because if they audit the Federal Reserve system they would find out that it is doing exactly what it's supposed to do. It's all out in the open. It's one of the greatest scams of all history. Out on the surface"

7 reasons to abolish the FED:

- It is incapable of accomplishing its stated objectives
- It is a cartel operating against the public interests
- It is the supreme instrument of usury
- It generates our most unfair tax
- It encourages war
- It destabilizes the economy
- It is an instrument of totalitarian control

#### **K. David Wilcox: Alien Invasion**

- **The Pentagon wants a violent narration** of an Alien invasion.
- **There were Whistleblowers coming forward** and powerful White Hats who were going to counter the violent invasion propaganda Deep State narration

- **While the Pentagon Mainstream Media** was claiming there was going to be an Alien invasion, White Hats were pushing real Disclosure – the Pentagon was already involved with the Alien Agenda and technology.
- **This game theory move traps the Pentagon CIA** as the leaks and Whistleblowers come from within their own divisions (proving there was a cover up and agenda happening).
- **No Mainstream Media outlet reported** on a Whistleblower who exposed that the Pentagon had knowledge of advanced UFO technology (and more). The New York Times and Washington Post didn't touch the story.
- **This says the Deep State did not want the Whistleblower to get coverage** on his story as it would connect the Pentagon/CIA/DOD to an Alien Agenda cover up and Deep State Operation in progress.
- **Counter moves were being made against** the fake Alien Invasion Rockefeller Deep State Operation.

#### L. Carolyn Bessette Kennedy on breathing:

- **Do you wonder why breathing is such an important aspect** to all ancient practices? Why do you feel different when you breathe different? Why does breathing help you calm down?
- **Breathing is the key to much more than we know** and I think you should calm down take a second and breathe and just allow the more oxygen into your brain. It triggers very important things in our body and mind...
- **One of the most important steps in taking control of your life in the metaphysical is to know your body.** How can you heal or activate the things in your body without knowing where and what they are? The most important thing before that is to breathe. Look up the Wim Hof technique. You won't regret it.

#### **N. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

**Jenny Hill's witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

**P. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**Q. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
