They had \$1,264,720,000,000 reasons to lie. The Deep State netted over a trillion dollars. given someone currency or bonds, along with a notarized gift letter saying you have done so, or if you have given someone Power of Attorney over your affairs. The bottom line: If someone tries to turn in your currency or bonds without your authorization, you could have them arrested.

- **We, Ken and Barbie Cromar of the "Ken and Barbie vs. Goliath IRS Case,"** thought we would watch 5-10 minutes, but... Wrong! The more Jim, Tim & Jordan talked, the deeper and more spiritual it got. By the end we couldn't stop talking about how these three men had blessed us with knowledge, understanding, and desire to help save the trafficked children. And when Tim Ballard, also from our own Utah County, talked about how his wife was smarter and more spiritual than him — and how she helped him see God's will — we were inspired.
- **Tim, HELP!** We're neighbors and now that you've awakened the world, we need your help here at home to clean up child sex-trafficking in our own Utah County. Beware the wolves in sheep's clothing, especially those closest to you.
- **This includes Utah AG Sean Reyes** - who politically worked to oust a former challenger to his seat -- David O. Leavitt the Utah County Attorney -- by working with another questionable "law enforcement" officer Utah County Sheriff Mike Smith.
- **Together, Reyes and Smith** worked to highlight that David Leavitt (former Utah Gov. Mike Leavitt's brother) was being investigated for human trafficking, pedophilia, and Satanic Ritual Abuse, making AFFIDAVITS regarding it available to the public.
- **Once Leavitt was voted out and replaced with Jeff Gray from AG Reyes' own office** -- **apparently the sexually abuse kids were no longer important**, and Leavitt was apparently allowed to flee the country to Scotland - where he and his wife bought a castle! ‘This is a big deal.’ A House hearing on hundreds of billions of dollars worth of fraud perpetrated by pandemic aid scammers was hobbled Thursday when a key Biden administration official opted to skip her appearance. Isabella Casillas Guzman, head of the Small Business Administration, turned down an invite to appear before the House Small Business Committee, citing scheduling conflicts.
- **New emails reveal that Dr. Fauci was aware of risky gain-of-function research occurring in Wuhan, China** prior to the emergence of COVID-19. Why didn’t he tell the American people? Because he was in on it. He received multi millions for the Covid Vax that didn’t work.
- **“One of the worst smallpox epidemics took place in England between 1870 and 1872,** nearly two decades after compulsory vaccination was introduced. Leicester, with nearly 200,000 inhabitants, boasted a 95% vaccination record but it suffered more deaths than less-vaccinated London. Faced with this obvious evidence of the uselessness of vaccination, Leicester’s citizens rejected the program in favor of cleaning up the city. Under the leadership of James Briggs, Town Counselor and Sanitary Inspector, clean streets, clean markets and dairies, efficient garbage removal, sanitary housing and pure water supply replaced vaccination scars. In 1892-3 Leicester had 19.3 cases of smallpox per 10,000 population; similar-sized Warrington, with 99.2% vaccinated, had 123.3 cases.
- **“In Japan, in 1885, 13 years after compulsory vaccination, a law was passed requiring revaccination every seven years.** From 1886-1892, a total of 25, 474,370 revaccinations were recorded. Yet during this same period, Japan had 156,175 cases of smallpox with 38,979 deaths, a case mortality of nearly 25%. Slow learners, the government passed another act requiring every resident to be vaccinated and revaccinated every 5 years. Between 1889-1908, the case mortality was 30%. Prior to vaccination the case mortality was about 10%. “During a ruthless

campaign by the US in the Philippines in 1905, the native population were forcibly vaccinated several times. In 1918-1919, with over 95% of the population vaccinated, the worst epidemic the Philippines had ever known occurred.

- **In the Congressional Record of December 21, 1937, William Howard Hay, MD,** said, ‘The Philippines suffered the worst attack of smallpox, the worst epidemic three times over, that had ever occurred in the history of the islands and it was almost three times as fatal. The death rate ran as high as 60% in certain areas where formerly it had been 10-15%.’ Canada, 1919. STOP THE SLAUGHTER OF INNOCENTS.
- **The anti-vaccination movement in 1919 (20th century),** Toronto, Canada. In Canada, the main group was the Anti-Vaccination League. The Anti-Vaccination Society of America was the main group opposing mandatory (compulsory) vaccination in the USA. The society was founded in 1879. The USA, early 2000s (21st century). Outspoken vaccination critics such as Jenny McCarthy, Dr. Andrew Wakefield, and other doctors and celebrities were blamed by the media for starting the anti-vaccination movement. As noted above, the movement has been around since 1853. Drug companies are one of the largest advertisers on TV, Internet, newspapers, and magazines.
- **According to Robert F. Kennedy, Jr.,** the drug industry contributes up to 70% of advertising revenue to media companies. In 2017, the collective stock market capitalization of the drug companies (vaccine manufacturers) exceed \$1 trillion. As actor Jim Carrey noted, “A trillion dollars buys a lot of expert opinions. Will it buy you?” Mainly because of these movements, the public became aware of the dangers of vaccines. The lunatic idea of transferring animal diseases to humans to prevent diseases didn’t work. Compulsory vaccination was later repealed in every country because vaccines were found to be useless and poisonous. Several decades later, the drug companies began their mass advertising and marketing campaigns to “educate” the next generation on the benefits of vaccination. Vaccination has been a menace to each generation since 1796.”

- **Wed. 12 July Update Loy Brunson Supreme Court Case:** Yesterday Loy's 2nd Petition for a hearing was accepted by the U.S. Supreme Court and put on the docket (their schedule). They will soon set a new conference date for reconsideration. We have worked hard on this petition and once again are counting on your prayers! If our brother Loy gets a hearing it will only mean that your prayers and support made the difference. I believe in miracles and I believe that many of them come from prayer.
- **Wed. 12 July Update Raland Brunson Supreme Court Case:** As of yesterday the court has received 9,719 letters from people all over this country telling them to allow this case to be heard!! Thank you so much for your love and support!

- **First of all there are two judges on my case.** The magistrate judge (Jared C. Bennett) who offers a preliminary judgment, and Judge Howard C. Nielson, who makes the final decision. The magistrate judge Bennett has now handed the final decision of this case to Judge Howard C. Nielson. All letters from here on out will be sent to Judge Nielson for the final decision. If you are not sure about sending a letter to the Judge, wondering if it's even worth it and you feel like all judges in this country are corrupt, making you feel down, sad, and discouraged, and you find yourself gazing at a blurred reflection of yourself in that dark sea of abyss, then I have a suggestion for you. Click Here www.enoughisenough.me and send that letter! Thank you and God bless every one of you.
- **The Brunson Brothers have filed a number of petitions** that sued members of Congress and the Biden Administration for violating their Oath of Office by not protecting the People's Right to Fair Elections through certifying the 2020 Election before investigating 50 formally filed allegations of voter fraud.
- **Loy Brunson case was moving forward and has been docketed for Conference.** LOY ARLAN BRUNSON v ALMA S. ADAMS et al. Loy's petition was originally filed **April 19, 2023**, and denied **June 26, 2023**. The Appeal for a Hearing was docketed by the Clerk of the Court **July 11, 2023**.
- **Word received on Wed. 12 July** was that Loy's Appeal for Hearing will be taken to Conference again for reconsideration by the Justices. The date for this Conference is NOT yet scheduled, but is anticipated after the Justice return from summer break -- likely **October**. At this future "behind closed doors" Conference, if four of the Justices vote in favor of hearing the case, then the case would have a genuine Hearing with arguments before the nine Justices.
- **If this long-sought for Hearing in full and open public court** -- pursued for over two years and two cases (Raland's and now Loy's) -- is successful, then 388 US Congressman Defendants – including Joseph Biden, Kamala Harris, Nancy Pelosi and Mike Pence – could be REMOVED from office, and never be allowed to serve in any public office ever again: <https://t.me/BrunsonBrothersSCOTUS/319>
- **However, it is possible that an announcement of a Supreme Court decision** on those cases, plus another Voter Fraud case before the Supreme Court (presented by Sydney Powell?) could come at any time.

K. Fri. 14 July Era of High Tech Espionage! Cryptic Wealth and Shadows of NSA: Currency Revaluation and Redemption in a Surveillance State, Medeea Greere [Era of High-Tech Espionage! Cryptic Wealth and the Shadows of the NSA: Currency Revaluation and Redemption in a Surveillance State - American Media Group \(amg-news.com\)](#)

- **As you navigate this enigmatic landscape of currency revaluation,** armed with invaluable insider knowledge and potent currency names like Dinar, Dong, Rupee, ZIM, and Rial, a lurking presence casts its long shadow – **the NSA**. But why the surveillance, and what does it mean for the brave new breed of currency holders?
- **Currency holders are individuals who can sense the imminent financial shift** and stand prepared to seize the golden opportunity. Many of these audacious souls are predicted to go broke in the upcoming four to five years. The cure to this ominous fate lies in prudent personal finance management. Whether you're a currency holder dealing with millions or barely surviving with just enough, the solution is simple yet often neglected – discipline, budgeting, and planning.

- **Beware the Non-Disclosure Agreements (NDAs).** The US Treasury harbors another alarming expectation: many currency holders will breach these NDAs and lose not just their accumulated wealth but their entire accounts.
- **The NDAs aren't sinister documents spun in the web of bureaucracy; they are shields.** Measuring just 2-4 pages and with a lifespan of approximately 90 days, they are set to outline the rules of this novel game of wealth. They detail what you must not disclose to anyone, even other fellow currency traders. The NDAs must be perused and understood, not just glanced over – they are your guide in this tricky terrain.
- **The Unseen Watchers: NSA.** In this era of hyper-connectivity, your every move is under the watchful eye of a constellation of intelligence agencies, led by the omnipresent NSA. Your phone calls, emails, text messages, and every flicker of activity on social media platforms like **Facebook, Twitter, Instagram, Google, Youtube** are monitored, scrutinized, and evaluated. As you traverse this path, it's best to cloak yourself in anonymity. Opt out of social networks. Remember, familiar tools and platforms like FB, Google, Amazon Alexa have often served as **DARPA programs** to collect data on people – an unsettling thought, isn't it?
- **Decoding the Language of Discretion.** Following your appointment in this realm, certain words and phrases must be struck off your lexicon. Words like **“RV”, “Revaluation”, “GCR”, “global currency reset”, “currency reset”, “Dinar, Dong, Rupee, ZIM, Rial”, “exchange”, “rates”** – these are the triggers that set the NSA into high alert. You may ask, why so? These words are what the intelligence agencies use to flag potential NDA breakers.
- **In the aftermath of your appointment and the ensuing currency reset, a wall of silence must be erected.** Even casual mentions of your “recently received funds”, “windfall”, or “financial blessing” on any communication medium can lead to breaches. Your investment plans, use of funds in projects – none of these should be discussed, especially not the **RV/GCR source** of your newfound wealth. The NDA will clear this up, remember to read it carefully.
- **You are a potential target of scams, and your security should never be taken for granted.** You are chosen, tasked with making the most of this magnificent opportunity, but with great power comes greater responsibility. It's a thrilling journey, fraught with unexpected twists, intriguing shadows, and the exhilarating prospect of newfound wealth. Buckle up, stay alert, and make the most of this incredible opportunity.
- **NESARA, the National Economic Security and Recovery Act,** will zero out all credit card, mortgage, and other bank debts, striking a crippling blow to the entrenched banking systems and their profit-making mechanisms built around these debts.
- **The US will bid adieu to income tax,** a cornerstone of the federal revenue system. The IRS will be abolished. The employees, those used to the rigmarole of tax codes and audits, will find themselves transitioned into the US Treasury's national sales tax department. NESARA proposes the introduction of a 14% flat rate sales tax, applied only to new, non-essential items. Food and medicine would be tax-free as was used items like old homes.
- **NESARA promises increased benefits to senior citizens,** a move that stands to dramatically improve the quality of life for our elders.
- **NESARA also aims to return Constitutional Law** to all courts and legal matters.

- **NESARA will reinstate the original Title of Nobility Amendment.** Hundreds of thousands of Americans under foreign influences will lose their citizenship, be deported, and barred from re-entry for life. An alarming number of people will also find their hard-earned college degrees reduced to worthless pieces of paper overnight.

M. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

O. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

P. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
