Black Swan Events

In Full Force

Global Financial Collapse Has Begun

Chase Bank Closing Branches Nationwide

Russian Navy & Missiles Have Arrived in Cuba

The US Military Has Confirmed A Myocarditis Spike After Covid Vaccinations

The Supreme Court has ruled that agencies formed by Congress aren't part of the Republic, such as the FBI, CIA, IRS, NIH, CDC, FDA and even local School Boards. This verdict challenges the very existence of such organizations and gives Power Back to The People in their own states. The US Federal Government could now be pruned back to a mere 10% of its current status.

The Storm is Upon Us

The Time Has Come!

Time to Shock the World

The start of Joe Biden's impeachment was said to have begun on Tues. 25 July.

It's only wise to have at least a month's supply of food, cash, water and essential items on hand.

"The Dream of a Nation"

[November 07, 2021 - #4808 Music & the Spoken Word \(thetabernaclechoir.org\)](https://www.thetabernaclechoir.org)

All who are blessed by our nation's legacy have a duty to preserve and defend it. Freedom has endured thus far through "the work and prayers of centuries," and that's how it will continue.

That work includes standing up for Freedom and taking our shared civic duty seriously. It includes shunning contention, respecting and valuing others, listening to and learning from those different from us, and simply being neighborly and kind.

If we can do that, then perhaps someday our children and grandchildren will read about us and feel grateful and inspired – grateful for the legacy we've passed along, and inspired to preserve it for another generation.

Judy Note: On Tues. 25 July Bruce reported that the new financial system QFS would start implementation at **midnight Tues. 25 July and complete at midnight Wed. night 26 July.**

Tier 4b (Us, the Internet Group) would receive notification to set exchange appointments and Bond Holders would receive access to their funds on **Wed. 26 July or Thurs. 27 July**, with a possibility that exchanges and redemptions would begin on **Fri. 28 July.**

GESARA would be announced on **Thurs. 27 July** and **NESARA** would happen on **Sun. 30 July or Mon. 31 July.** The general public Tier 5 could exchange currency at the new rates at a bank beginning **Thurs. 3 Aug.**

From the Shanghai Cooperation Organization (SCO) Call (see below) we learn that currency exchange and Zim Bond redemption appointment notifications will be done through social media and groups (not through emails from Wells Fargo), plus that the RV would happen after **Bretton Woods III** was made public.

That Bretton Woods III likely referenced the FOMC meeting on **Wed. 26 July** where a Stock Market correction would very likely take place – that would lead into the next day on **Thurs. 27 July** when the Banks were required to be Basel 3 compliant (have their assets gold/asset-backed), or they would be shut down – all of which would result in shocks and adjustments in our markets and payment systems as currencies moved into a real value and created a Global Financial Crisis.

Head of the Global Redemption Committee Charlie Ward said the RV would happen after that Global Financial Crisis occurred.

- [Black Swan: The European Union - First Domino to Fall Following the Landmark West Virginia vs. EPA Verdict - American Media Group \(amg-news.com\)](#) Recently, a seismic shift in the balance of power happened as the Supreme Court passed a landmark verdict in the case of West Virginia vs. EPA (Environmental Protection Agency). The verdict declared that agencies formed by Congress aren't part of the Republic. This single judgment opened the door to challenge the very existence of such organizations, and by extension, the convoluted, bureaucratic labyrinth they represent. Think of the **FBI, CIA, IRS, NIH, CDC, FDA**, even your local school boards. Following the West Virginia vs.

EPA verdict, all these agencies' futures hang in the balance. The verdict has reset the stage, giving power back to the people, and the government might be pruned back to a mere 10% of its current expanse.

WARNING: There were reports that some were asking you to hand over your foreign currencies and/or Zim Bonds to them saying they would exchange or redeem them for you. DO NOT give in to this scam. Only the purchaser of the currency or bond can legally exchange or redeem that currency or bond at a Redemption Center for the higher rates. Exceptions were that if you had given someone currency or bonds, along with a notarized gift letter saying you did so, or if you gave someone Power of Attorney over your affairs. The bottom line: If someone tried to turn in your currency or bonds without your authorization, they could be arrested.

Judy Note: If you were reading this Update as posted on Operation Disclosure Official, be aware that some information has been redacted. For the complete un-redacted version, see the PDF copy at the end of this Update on Operation Disclosure Official.

A. Restored Republic via a GCR, Charlie Ward

- **US Inc. has been dissolved** due to the demise of their fiat Federal Reserve US Dollar and a subsequent Global Financial Collapse that was now in the works.
- **A Global Currency Reset** based on gold/asset-based currencies of 209 nations would soon complete.
- **There would be a restoration of the US government to a New US Republic** based on fundamentals of the original Constitution. This New Republic was said to be based in Texas.
- **So far there were 27 states** which have agreed to join the New Republic. Canada, Mexico, Australia and New Zealand also have asked to join. Hawaii would revert back to it's original status as a sovereign nation – the Kingdom of Hawaii.
- **All 50 State Flags have been removed from the Smithsonian** American History Museum in Washington DC. Old Glory and the Museum's flag remain hung. According to Nancy Drew, before the state flags were taken down they were put at half mast for a while, as Old Glory and the Museum's flag hung above them. Was this a hint about the changeover to the New US Republic?

B. URGENT REPORT: Global Economic Crisis Looming!, Benjamin Fulford

- **Prepare for an unprecedented upheaval** as the world faces a looming crisis of inflation, with the United States at the center stage. Get ready for an impending collision that will have catastrophic consequences, as the complex interplay between Covid-19,

Fauci, CDC, NIH, NIAIH, WHO (under the influence of Gates), gain-of-function experiments, and the shadowy forces of Rothschilds and Rockefellers are about to be fully revealed.

- **But that's not all! Brace yourself for mind-boggling revelations** as the plot of a stolen election unravels right before your eyes. Unveil the covert operations of the elusive C_a, the manipulative tactics of Facebook, Google, and other tech giants, and the sinister agenda that has ensnared the world in its grip.
- **It is time to embrace the truth**, my fellow seekers of truth, and spread vital information far and wide. The destiny of our nation, our freedoms, and our future lies in our hands. Patriots, come together in this battle for truth and justice!
- **Raise the alarm!** Let your voice resound! The time for awakening is NOW!

C. Restored Republic:

- **JFK Jr. Private on Telegram.** “I have known Donald J. Trump since I have known myself. Trump has been my friend for a long time. However, I didn't expect that he would help me as much as he did. Trump warned me about the government and told me the government's plans. He helped me get away. He helped me stay alive for so many years. Trump saved my life. Everything will be exposed on **Fri. 4 Aug.**”
- **Sometime soon** the Supreme Court would announce their decision on the Brunson Case and another 2020 Voter Fraud case before the Court. That decision was likely to reverse the 2020 Election due to massive Election Fraud. Such would then dissolve the Biden Administration and all of Congress and likely be accompanied by activation of the Emergency Broadcast System where the Military would take over for a short period of time until new elections could be held.
- **Aug. 2023:** Exposure, Arrests of Major Satanic Child Sacrifice and Pedophile Groups.
- **Med Bed appointments** could be made **sometime soon.**
- **When Trump's presidency ended**, JFK Jr. would come in as President, while Trump would be elevated to Global Financial Ambassador to make the GESARA changes around the Globe according to Bruce.
- **Fall 2023** Massive protests and riots were forecasted to shake Canada's core, ushering in a winter of discontent in the **latter part of 2023 and early 2024.**
- **2026: U.S. (public) Tribunals slated for 2026** would coincide with Canadian Tribunals and World Tribunals that would connect everything from Deep State Human Trafficking, to World Plandemic Deep State Operations, to creation of the Virus.
- **"Even this nation will be on the verge of crumbling to pieces and tumbling to the ground and when the Constitution is on the brink of ruin, this people** will be the staff upon which the nation shall lean and they shall bear the Constitution away from the very verge of destruction." ...Joseph Smith, **March 10 1844**, from Archives of the Church of Jesus Christ of Latter-day Saints.

D. Global Currency Revaluation: Central Banks were shutting down – bankrupted with the old financial systems in ruins. Congress, White House, IRS, Feds, Federal Reserve - all gone. U.S.

Corporation declared bankrupted. But fear not, for from the ashes emerges a new era of financial freedom!

E. Shanghai Cooperation Organization (SCO) Call:

- **Some 50,000 + people** all received the very same information.
- **Emphasis** was placed on the importance of dis-info narratives that exist out there causing confusion. "Please check your sources" was stressed multiple times. Grounded personalities will excel in understanding and to strip away the noise and confusing narratives that exist out there.
- **Notifications** would be done through certain social media and groups.
- **Rates** will be the same for everyone to ensure fairness and transparency. Rates are not affected by Humanitarian Projects.
- **Trusts** will be available on Stellar (no need for trust prior to redemptions)
- **Humanitarian projects** would come later 2024/25. SCO and Stellar lists of projects will be available for one to choose from at your appointment.
- **There are currently no set timeframe limits for appointments/redemptions.** Everyone will have a chance to get through the process.
- **"Bretton Woods III** would have to be made public before any RV."
- **Quantum phones:** Newer phones already have the hardware capability in them for upgrades. Older phones will require hardware and upgrades. Locations will be provided for this tech service.
- **XRP buybacks** - there will be an opportunity for this. More information will be forthcoming in the next couple of months.

F. Exchange and Redemption Appointments:

- **Tues. 25 July Bruce:**

The new financial system QFS, in conjunction with the USN and Star Link System, would be implemented starting at **midnight Tues. 25 July and go through midnight Wed. night 26 July.**

- **Tues. 25 July MarkZ:** Rumors are all over the place right now...that today is going to be huge and tomorrow will be great...I am hearing a lot about **the 27th** for a few days now...rumors that people have money ...I just have not seen that economic receipt yet. But, I am seeing a lot of people under an NDA or being effectively “hushed” right now. That makes me feel warm and fuzzy.

- **On Thurs. 27 July Basel 3 Compliance will be implemented in the banks,** with banks closed that cannot prove gold/asset-backed assets. Along with the previous day’s Stock Market correction, bank closures would create shocks and adjustments in our markets and payment systems as they moved into a real value.
- **Thurs. 27 July was also slated as the day to activate NESARA/GESARA. This last week of July** US citizens expected to receive restoration allowances that paid them back illegal interest given to the Cabal, plus their SS payments would increase. [INTEL - July 27th 'Restart of Planet Earth' & The GESARA / NESARA Announcement - Schedule of Events \(rumormillnews.com\)](#)

- **Sloan: Just went to Chase ATM** to deposit cash...Can't accept ...went inside. No one will lend U.S. money, not China, Russia or Saudi Arabia. Then the Federal Reserve will print it. De-dollarization is established. S. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

U. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

V. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
