“The Essentials of Freedom”

[July 2, 2023 - #4894 Music & the Spoken Word \(thetabernaclechoir.org\)](#)

Freedom is not just a feeling, or an institutional pronouncement. Freedom is found in what we do each day, in the efforts and actions of free people: respect, compassion, peacemaking and understanding.

Judy Note: *“America is engulfed in a massive amount of prosecutorial misconduct, it suffers from weaponization of Law Enforcement, while crime and inflation are rampant. Our borders are open, elections rigged, economy is in shambles, energy independence is gone, our leader is mercilessly mocked and our country is being destroyed both inside and out.” ...SGAnon*

F. Barbie & Ken vs. Goliath IRS Update: <http://www.cedarhillscitizens.org/rumble-truth-be-told-barbie-ken-cromar-with-host-todd-callender/>

- **Barbara and Ken Cromar** were in an epic battle with the Deep State and our corrupt judicial system. Even though they had proven to a federal tax court that they owed no monies to the IRS, the Deep State descended on them with 75 men SWAT Teams and not only took their home, but all their possessions including expensive equipment Ken used to make a living.
- **If it happened to the Patriot Cromars, it could happen to you.**
- **Cromar's interview on the CLOUTHUB "Truth Be Told"** Show hosted by Todd Callender had more than ½ million views in the first four days. Callender said, "We've never had any video on CloutHub reach 640k views – it's almost impossible to get that many views on Bitchute and Rumble."
- **Callender has scheduled another interview** with the Cromars on July 21, specifically to discuss how the Cromars went about getting a LAND PATENT onto their property.
- **Ken feels that the Deep State** was telling them that Land Patents were their Achilles Heel and the Land Patent was THE main reason for the 75-man SWAT Team to descend on the Cromars.

G. Donald J. Trump is Still US President:

- **Why is there an individual document in the Federal Register** that specifically says the month of January 2021 is titled Reconstitution of the EXECUTIVE Branch?

- **How come Executive Order 13848** is all about Foreign Interference in Elections yet it was signed September 12, 2018, which was 2 months before ANY Election under CIC Trump?
- **Now explain to me why “Biden” has extended EVERY single Executive Order** where DJT declared a National Emergency?
- **Why is his newest “Press Secretary”** on record in a “press conference” being asked about the Space Force replying: “we invite them to come over anytime” when that’s not remotely how the Military operates with its COMMANDER-IN-CHIEF?
- **Why is it in every news article** talking about the National Guard deploying it never mentions Biden the President, or Commander-in-Chief?
- **How come “Biden” spent majority of his 2020 Campaign** on the topic of shutting down Guantanamo Bay aka GITMO? If he is President, how come he does not revoke Executive Order 13823 and sign his own Executive Order to close it down?
- **Many Veterans would truly love and be fired up** if they would read, study, and apply what’s going on via Military Laws, Orders, Regs, Code Language, Optics, Comms paired with the Constitution, Laws, Orders, Codes, Statutes, Acts. - **Former FEMA Whistleblower Celeste Solum explains that the Corona PCR "test" is implanting a microchip.** So the Nasopharyngeal Covid19 PCR "tests" were never tests at all. They are implanting chips, inserting Nanobots called Nanites with a bioweapons payload for the brain, while at the same time harvesting DNA. The PCR swab is inserted straight to the Nasopharynx behind the nose and forehead where your eyes are. It's at the blood brain barrier and next to your pineal gland. I believe they are knocking out people's senses with these Bioweapons and killing human intuition and your ability to cognitively see what they are doing to us. They're knocking out our senses and targeting the brain with Nanites that carry a payload as Celeste spoke about in previous videos. This is war. Serious warfare. **DECLINE THE "TESTS", REFUSE THE MASKS AND NEVER LET THEM STICK YOU WITH A NEEDLE.**

L. Ben Fulford:

- **The long-awaited military move against the Khazarian Mafia** in the West appears to be unfolding. The riots in France, Belgium and Switzerland bear all the hallmarks of this. Men in identical black uniforms wearing police-style boots are wreaking havoc across the continent while pretending to be Muslim protesters. This is classic military agent provocateur action designed to ready public opinion for martial law. It is the age-old P3 Freemason “ab chao ordo” or “orderout of chaos” strategy. The idea is to create so much mayhem the citizenry welcomes a military take-over to “restore order.”
- **The fact this type of sabotage is taking place in Switzerland means some sort of military-type move against the BIS, the WHO and other KM power centers there is likely.** The same is true of Belgium where the European Union has its headquarters. The other thing to note is the “Muslim” rioters are systematically targeting Chabad death cult facilities across Europe.

- **These “riots” appear to be coordinated with “pride events”** promoting homosexuality and pedophilia. Notice the French riots started just as former male prostitute and fake French President Emmanuelle Macron was appearing at an event promoting homosexuality.
- **This happened in tandem with simultaneous marches throughout the West** featuring naked men parading in front of children. They were chanting things like “We’re here, we’re queer and we are coming for your children.”
- **In another move to wake the sheeple, the fake Joe Biden presidential avatar is making many bizarre performances and statements.** For example, he said “I sold a lot of state secrets and a lot of very important things...” while meeting with Indian Prime Minister Narendra Modi. The corporate propaganda media tried to cover this up as a “joke,” but we all know it’s true.
- **Congress passed resolution 503 calling for the impeachment of Joe Biden** “for high crimes and misdemeanors,” and yet not a word about this from the corporate media prostitutes.
- **We know the real Biden is long gone** but the point here is the Joe Biden symbol of corporate power is being actively set up for formal (optical) impeachment, CIA sources comment.
- **Also, House Speaker Kevin McCarthy** says Congress is going to impeach Biden’s Attorney General Merrick Garland based on information coming from whistleblowers.
- **Another thing we notice is that thousands of flights are being canceled around the United States** as the July 4th holiday approaches. This is to prevent Khazarian mafia members from escaping, pentagon sources say.

M. Tucker Carlson on Richard Nixon:

- **If any president could claim to be the people's choice, it was Richard Nixon.** Richard Nixon was re-elected in 1972 by the largest margin of the popular vote ever recorded before or since.
- **Nixon got 17 million more votes than his opponent.** Less than two years later, he was gone. He was forced to resign and in his place, an obedient servant of the federal agencies called Gerald Ford took over the White House.
- **Richard Nixon believes that elements in the federal bureaucracy were working to undermine the American system** of government and had been doing that for a long time. He often said that. He was absolutely right.
- **On June 23, 1972, Nixon met with the then-CIA director, Richard Helms, at the White House.** During the conversation, which thankfully was tape-recorded, Nixon suggested he knew "who shot John", meaning President John F. Kennedy. Nixon further implied that the CIA was directly involved in Kennedy's assassination, which we now know it was. Helms's telling response? Total silence, but for Nixon, it didn't matter

because it was already over. Four days before, on June 19, The Washington Post had published the first of many stories about a break-in at the Watergate office building.

- **Unbeknownst to Nixon** and unreported by The Washington Post, four of the five burglars worked for the CIA.
- **The first of many dishonest Watergate stories was written by a 29-year-old metro reporter called Bob Woodward.** Who exactly was Bob Woodward? Well, he wasn't a journalist. Bob Woodward had no background whatsoever in the news business. Instead, Bob Woodward came directly from the classified areas of the federal government. Shortly before Watergate, Woodward was a naval officer at the Pentagon.
- **He had a top-secret clearance.** He worked regularly with the intel agencies. At times, Woodward was even detailed to the Nixon White House, where he interacted with Richard Nixon's top aides.
- **Soon after leaving the Navy,** for reasons that have never been clear, Woodward was hired by the most powerful news outlet in Washington and assigned the biggest story in the country.
- **Woodward's main source for his Watergate series** was the deputy director of the FBI, Mark Felt, and Mark Felt ran — and we're not making this up — the FBI's COINTELPRO program, which was designed to secretly discredit political actors, the federal agencies wanted to destroy — people like Richard Nixon.
- **And at the same time, those same agencies were also working to take down Nixon's elected vice president, Spiro Agnew.** In the fall of 1973, Agnew was indicted for tax evasion and forced to resign. His replacement was a colorless congressman from Grand Rapids called Gerald Ford.
- **What was Ford's qualification for the job?** Well, he had served on the Warren Commission, which absolved the CIA of responsibility for President Kennedy's murder.
- Nixon was strong-armed into accepting Gerald Ford by Democrats in Congress. "We gave Nixon no choice but Ford", Speaker of the House Carl Albert later boasted.
- **Eight months later, Gerald Ford** of the Warren Commission was the president of the United States. See how that works?
- **So those are the facts, not speculation. All of that actually happened. None of it's secret.** Most of it actually is on Wikipedia, but no mainstream news organization has ever told that story. It's so obvious, yet it's intentionally ignored and as a result, permanent Washington remains in charge of our political system.
- **Unelected lifers in the federal agencies make the biggest decisions in American government** and crush anyone who tries to rein them in and in the process, our democracy becomes a joke.

- **The just published Western article** “Untold Reality of Russia’s Wagner Group In Bakhmut Ukraine, First Hand Account, What the Media Won’t Tell You”, contains a video of two former members of the Australian army, Willy OAM, the guy with the red beard, interviewing a former mate who is on the ground fighting for Ukraine, and notes:
- **“He concedes, albeit reluctantly, that Ukraine is losing** and is suffering massive casualties...
- **He admits that the Wagner Group is not suffering major casualties** and are fighting very smart and are well-equipped based on his personal observation...
- **Bluntly states that Ukraine is sending 60 year old, untrained, ill-equipped conscripts** (i.e., guys grabbed off the street) into the meat grinder....
- **He tries to put a gloss on Ukraine’s prospects for victory**, but when you listen to him tick off the corruption, the poor leadership, the lack of supplies, incompetent commanders and stupid battle tactics a clear picture of a Ukrainian Army on the brink of destruction emerges.”

O. The US Blew Up the Nord Stream Pipeline In an Act of War Against Russia:

- **The socialist Biden Regime** plotted an Act of War against Russia in the bombing of the Nord Stream Pipeline.
- **The You Tube channel Monkey Werx** focused on tracking U.S. civilian and military flights, which posted a radar video (relevant info starts at the 2 minute mark) showing the Norwegian Navy P8 surveillance plane dropping the sonar buoy to trigger the explosives that blew up the Nord Stream Pipeline.
- **Knowing that Russia would respond to this Act of War**, American multi-billionaire Elon Musk ordered his Space X company to immediately limit Ukraine using his Starlink internet service for military operations.
- **In response to this Act of War**, top Kremlin media advisor Sergey Savchuk released an open letter, “The United States Has Achieved The Status Of A Terrorist Country.”

Q. As Elon Musk finds himself on the verge of indictment, the Deep State, in alliance with DARPA and the Rockefeller-controlled CIA, launches a relentless offensive to bring Musk down and regain control of Twitter, a vital tool in their agenda.

- **But the White Hats are not backing down**, employing game theory operations and countermeasures to protect their interests.
- **Startling inside reports reveal that Musk is not a mere pawn but a strategic bait**, deliberately placed to expose the truth. His knowledge encompasses critical events and issues, as well as the deep corruption embedded within the Deep State.
- **From secretive LLC corporations** to the vast military-industrial complex and the insidious control of CIA-DARPA over social media, Musk possesses information that could bring the entire Deep State apparatus crashing down. Shockingly, he holds vital intel on the classified weapons deployed during the notorious 9/11 attacks, unraveling the truth behind that fateful day.
- **Unveiling the Veiled: Deep State's Desperate Pursuit:** Behind the scenes, the Deep State military machinery is desperately scrambling to seize Musk's servers, computers, and data storage systems housed in undisclosed underground facilities across California, Texas, and Florida. These covert operations connect to SpaceX, where cutting-edge supercomputers and quantum computers power groundbreaking advancements in technology. Musk's profound understanding of the military's involvement in 9/11 becomes even more significant as he unravels the truth behind the utilization of Tesla Energy Weapons, harnessing the infinite power of zero-point energy. These enigmatic forces, unseen to the naked eye, permeate our lives and shape our destiny.
- **Declassifying the Secrets: John Hutchinson's Revelations:** Enter Dr. John Hutchinson, whose groundbreaking experiments and classified projects in the 1970s led him on a path towards Tesla's zero-point energy and antigravity technology. While his discoveries shocked his colleagues, the military had long been aware of the potential hidden within these energy realms, dating back to the 1950s. Hutchinson's foray into electrostatics, magnetic fields, and RF generators yielded astonishing results. His zero-point energy experiments ignited wood with no visible evidence and reduced metal structures to dust in an instant.
- **Revisiting 9/11: Unmasking the Truth:** Reexamining the catastrophic events of 9/11 through a new lens, we witness the Towers' peculiar collapse. Instead of crumbling in a conventional manner, they disintegrated into fine ash in a matter of moments. The official

narrative of intense heat from the plane crashes melting the steel is debunked by the presence of people standing near intact steel columns moments before the collapse. The millions of tons of steel used in constructing the Twin Towers mysteriously vanished, leaving behind a residue of ash.

- **Musk's Alliance with the White Hats: Unveiling Classified Projects:** Musk, acting in concert with the white hats within the military, intentionally incorporated classified projects and military secrets into his vast database, much to the chagrin of the Deep State. Through his subsidiaries, sources, and contacts, Musk has initiated a gradual disclosure process since 2016. Operating through untraceable links, he has financed projects worldwide, revealing classified information pertaining to the cabal's sinister agendas, including the truth about the death vaccine and the plandemic.

T. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

U. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

V. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

W. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
