“All of Us Together”

[Love Thy Neighbor: A Special Tabernacle Choir Event - YouTube](#)

We may think complex problems require complex solutions, though the answer can always be found in ancient wisdom: “Love one another. Treat all with dignity. Share your blessings with the less fortunate and give special attention to those who are sick in body and spirit.”

Living in a free society means we must depend on each other. Preserving our freedom will require our cooperation and compassion. Each of us plays a part in making our society moral and free by our habits of heart, thought, speech and action. It is indeed a moral achievement to do what is good for all of us – together.

Judy Note: This update is dedicated to the wonderful native peoples of Hawaii who are still suffering tremendously from the Cabal's recent DEW Attack. I just received this email from their leader Sir Donald Kaulia, Sovereign Regent, Kingdom of Akua, Hawaiian Islands:

Thurs. Evening 17 Aug. Update: “FEMA's leadership continues to be a problem causing many confusion and uncertainty especially confiscating containers filled with supplies that have been restricted from entry into Lahaina. I will continue to update you on the progress. Aloha, Sir Don

I have known Sir Don for years and find him to be a humble, honest, hard working, yet fearless leader of his people. It is my prayer that all of us can reach out to them in their time of need – our corrupt FEMA and US Inc. government certainly has no concern – they are trying to eliminate them and take over their beautiful land.

Sir Donald previously wrote, “Since Day One the Kingdom of Akua Foundation has supplied protein straight from our farms to the college culinary for the chefs to prep hot meals direct to Lahaina. Our Kahuna (whom is also the FEMA Chaplain) owns the farm, so we were able to bypass the road blocks like a “Trojan Horse.” FEMA is terrible and unorganized.”

The Cabal was believed to have Directed Energy Weapon Attacks on Hawaii and across the World as part of their Depopulation Agenda designed to usher in a New World Order’s Great Reset when they would have complete control over your pocketbook, and life.

In Hawaii recent DEW Attacks were responsible for over a thousand missing very independent and proud native Hawaiians who refused to sell their land. The Satan worshipper Cabal had concentrated the fires on sacrificing native children who were home alone from school and now were in a position to take over their parent’s valuable land. The attacks have also successfully eliminated Hawaiian crops, food sources and small businesses as part of a well planned Agenda to destroy the world’s economy.

Of importance was the destruction of evidence of Voter Fraud stored in the strategic defense of the US. Space Force on the island: **President Trump Claims the DoD and Space Force have the real results from the 2020 Election:** <https://www.rumormillnews.com/cgi-bin/forum.cgi?read=227708>

The evidence of Voter Fraud issue went back to the 2020 Election. It was believed that the Chinese Communist Party worked with dictators of several countries, the CIA and Democratic Party leadership to interfere in the 2020 Election. They used Dominion Voting machines (partially owned by Pelosi that could change the votes), a Satellite owned by the Vatican and a CIA office in Germany to change the vote in key states for their desired results.

Way back on 3 Nov. 2020 the Military had verified Voter Fraud in the 2020 Election through a count of official watermarked ballots that ran in tandem with voter tabulations in the various states. The results: Trump easily won the vote in all 50 states by over 80%.

Since the vote was interfered with by a foreign power, such voter fraud was considered an Act of War. Neither Biden, nor Trump had won the fraud infested election. Continuity of

Government measures required now using the 1954 Code & Law of War Manual that nullified the 2020 Election and Trump has remained Commander in Chief.

On **Wed. 2 Dec. 2020** Trump had invoked the National Defense Activation Act (NDAA) due to Foreign Intervention and Election Fraud in the 2020 Presidential Election. The NDAA covered the dramatic increase of DoD Special Forces military arrests from **Nov. 2020 to May 2021**.

As part of those Department of Defense Special Forces arrests and prior to his so-called “Inauguration” Biden was taken to GITMO, tried and found guilty in a Military Tribunal. He has been played by actors ever since. [US Under Military Law, Congress Arrested, War With CCP Won and No One Knows It | Politics | Before It's News \(beforeitsnews.com\)](#)

The actor Joe Biden was actually sworn in as president of a bankrupt and defunct US Inc. Corporation just prior to his pre-recorded-in-Hollywood-by-Castle Rock Entertainment Inauguration.

For the event Washington DC, Capitol Hill and the White House were secured within miles of barbed wire fences and 60,000 National Guard troops. A week later over 30,000 troops and the barbed wire fencing remained. Why?

An answer came early Mon. morning 25 Jan. when from 3am to 6am arrests of 80 to 140 Congress people appeared to be underway at Capitol Hill – after which Congress seemed to have disappeared for a while. Why? [Live Streamer Mustang Medic - A live look at DC' \(bitchute.com\)](#)

In reality an Interim Military US Government had taken over Washington DC and has been running our country ever since. The two US governments: (1) a legitimate Interim Military US Government empowered by the Constitution and the Department of Defense under Military Code 11.3, and (2) an illegal, fraudulent foreign paid-for, foreign controlled (on the foreign ground of the District of Columbia) fake Biden Administration.

Trump has been heading a White Hat Global Military Alliance that hopefully, was on top of the Direct Energy Weapon Attacks on Hawaii and across the Globe.

A. Terrorist DEW Attacks on Hawaii:

The Maui wildfire, which started August 8, has burned through more than 2,500 acres across historic towns like Lahaina. It is now the deadliest wildfire incident in the United States in over a century, and it is also the worst natural disaster in Hawaii's history. To date, at least 106 people have been killed, and more than 1,000 remain missing. The wildfires appeared deliberately set to achieve maximum destruction.

When the fires began Hawaii's Democrat governor & Biden loyalist Josh Green ordered road closures, which greatly impeded any escape as towering flames laid waste to residential and resort communities in Maui. Residents reported people burning in the streets and bodies floating in the ocean – a result of victims trying to escape.

Now FEMA and the Hawaii National Guard were preventing citizen relief convoys from delivering food, water and other essentials to displaced persons. FEMA was disorganized and unhelpful.

B. MORE LIES FROM THE HAWAIIAN GOVERNMENT: WHY DIDN'T THE EMERGENCY SIRENS GO OFF IN LAHAINA? Based on the conversations I've had with NUMEROUS residents of Lahaina, this is one of the most pressing questions.

- **So many people truly believe COUNTLESS lives were lost** due to residents receiving NO WARNINGS of an emerging crisis.
- **And of course, they're being LIED TO by their government**, as the narrative about why the sirens stayed silent keeps changing.
- **On Monday, Hawaii Gov. Josh Green (D) said ALL the sirens were broken.** The sirens were tested August 1—A WEEK prior to the fire
- **On Tuesday, Gov. Green changes his story**, saying "some" of the sirens were broken. BUT THE STATE HAS NOW ADMITTED THAT NOBODY EVEN *ATTEMPTED* TO ACTIVATE THOSE SIRENS.
- **In a VERY tense press conference**, a reporter asked the head of the Maui Emergency Management Agency if he regrets not sounding the sirens.
- **And of course—even though over 100 are confirmed dead and over 1,000 are still missing**—he said he would do the same thing again, adding "sirens are primarily used for tsunamis."
- **MAUI'S OWN WEBSITE REFUTES THIS:** "The all-hazard siren system can be used for a variety of both natural and human-caused events; including tsunamis, hurricanes, dam breaches, flooding, wildfires, volcanic eruptions, terrorist threats, hazardous material incidents, and more."

- **There are 400 sirens statewide**—80 of which are on Maui—blasting 121 decibels in a 3,400ft radius. PEOPLE WOULD HAVE BEEN SAVED.
- **So many people lost their lives**, loved ones, and literally everything they had. But they're STILL being lied to by their elected officials.
- **AT WHAT POINT DOES THIS BECOME CRIMINAL?**

C. Thurs. 17 Aug. Maui Massacre, Michael Baxter @Real Raw News [Maui Massacre | Real Raw News](#)

US Marines are having to shoot cops and FEMA and National Guard thieves and murderers in Maui. One US Marine killed. 13 bad cops/FEMA/National Guard criminals killed for robbing corpses of people they murdered.

United States Marines in Maui have seen firsthand atrocities committed by the Deep State—bloated, bullet-riddled bodies floating facedown in a crimson tide; Hawaii National Guardsmen rummaging through the pockets of dead islanders and tourists; FEMA and the Red Cross forbidding citizens access to nearby food, water, and shelter.

On Front Street in Lahaina, a uniformed police officer shoots a pedestrian in the back for unknown reasons. The cop then spots a bystander filming the incident on a cell phone, and shoots him, too.

A bullet strikes his cranium as he digs into a dead man's pockets and tries to yank a wedding band off a lifeless, swollen finger. He touches his hand to his forehead and glances at his bloodstained fingers in disbelief. He slumps over, his pistol falling from his other hand.

He was the fifth Deep State cop Marines had killed since arriving in Maui late Wednesday afternoon.

As reported yesterday, General Eric M. Smith at Camp Pendleton ordered Marines to Maui to investigate claims that the Hawaii National Guard and FEMA were terrorizing disaster victims.

A source in the general's office told Real Raw News that Marines arrived in Maui at 4:00 p.m. and immediately witnessed and responded to unimaginable carnage. He called the death toll "catastrophic." He would not quantify how many Marines went to Maui, but his gloomy tone suggested that Deep State forces outnumbered White Hats significantly. Backup, he said, was on the way.

"We really didn't expect local law enforcement to fight alongside the feds and the National Guard," he said. "What Marines saw is nothing short of engineered genocide."

Near the Lahaina loading dock, Marines found a makeshift mass gravesite, 15 scorched corpses piled atop one another in an industrial dumpster. The fire had not killed them, our source said. Instead, someone had used a flamethrower to burn them alive, then deposited the corpses in the trash.

"We're certain of this because they were shot first," our source said. "No doubt the media will end up saying fire killed them. They were murdered, and yes, children too."

After dark, Marines happened upon a FEMA/National Guard encampment where agents and Guardsmen were divvying up ill-gotten loot undoubtedly pilfered from the victims' bodies. The criminals sat in collapsible mesh chairs illuminated beneath standing LED lamps, arguing over who would get which stolen items. The dispute ended abruptly as Marines opened fire and killed the six Deep State villains.

"General Smith's rules of engagement: weapons free," our source said.

"Weapons free" is military jargon allowing Marines to engage hostile targets at will.

Elsewhere, a Marine scout-sniper squad saw cops and Guardsmen hurling corpses scattered about the sidewalk into a garbage truck, as if the dead were disposable trash. The Marines unleashed a hailstorm of automatic fire that quickly took down their targets, but not before a Maui police officer's lucky shot claimed the life of a valiant Marine.

The Marines, our source said, had 13 engagements Wednesday night, including a running firefight against a heavily armed National Guard platoon.

"Battle damage assessments are still coming in, but this isn't ending anytime soon. The Deep State is entrenched, but we're there for the long haul, and we'll fight until every last fed and corrupt cop is dealt with or driven from Hawaii," our source said.

- **Russia has publicly accused Deep State actors and Big Pharma of manufacturing the Covid pandemic** to take over the world. They listed Obama, Clinton, Biden, and Soros of being the main “Ideologists” behind the plot.
- **VACCINE WARNING:** U.S. Doctors warn the world to stop taking the Covid Vaccines, they are toxic, lethal, ineffective and must be stopped. They damage the brain, heart, liver, bone marrow, fetus, causing harm in the human body leading to injury and death.
- **Official UK document from the Ministry of Health** reveals COVID never existed. This now being the case means the masks, lockdowns, vaccines and PCR tests were all acts of criminality. This needs to be shared so the public realise the hoax is now officially in the public domain. They lied to us. Truth is coming. Soon they won't be able walk down the streets.

- **Eurostat Reveals the Most Vaccinated Countries Are STILL Seeing High Rates of Excess Mortality.** "This [fewer deaths] is what we would expect everywhere because during the pandemic, the people that died were the people that were most vulnerable, and therefore they died a few years earlier than they would have done, and they're not dying now. So we would expect lower death rates globally, everywhere at the moment. But we're seeing the exact opposite of that," remarked Dr. John Campbell.
More vaccinated countries:
 - Finland - 12.4% more deaths than expected.
 - Ireland - 12.16% more deaths than expected.

- Austria - 13.175% more deaths than expected.

Less vaccinated countries:

- Romania - 12% fewer deaths than expected.
- Bulgaria - 8.74% fewer deaths than expected.
- Hungary - 2% fewer deaths than expected.

Q. Ben Fulford: Government, Big Pharma, and their lapdog MSM, were complicit in violating all 10 points of the Nuremberg Code with their Covid vaccine campaign.

- 1. Were the public given “voluntary informed consent”?** No -We were lied to, and told everything was 100% safe.
- 2. Was the result good for society?** No -It did NOT stop transmission and has proven to be harmful to many who were at little to no risk from Covid.
- 3. Were there prior experimentations on animals the “justify the performance of the experiment”?** No -Animal experiments were conducted, but the results and validity of the data are in question due to the lack of data, and lack of safety/efficacy in humans.
- 4. Did they “avoid all unnecessary physical or mental injury”?** No -We were subject to 24/7 propaganda, brainwashing, and coercion from employers, media, and government entities. Not to mention the negative vaccine side effects such as Pericarditis and Myocarditis.
- 5. Did they stop possible “lethal or disabling procedures”?** No -Government health agencies continued to push the experimental shots despite the debilitating side effects and potential death. They went great lengths to cover up VAERS and all talk of vaccine injuries on social media.
- 6. Did the “degree of risk outweigh the benefits”?** No -99% of people were not at risk from SARS-CoV-2, and the experimental mRNA shots did not prevent transmission.
- 7. Were proper preparations and facilities prepared to prevent “remote possibilities of injury, disability, or death”?** No -Subjects were brainwashed and largely unaware they were being experimented on and did not know they were at risk of injury, disability, and potentially death.
- 8. Were the experimentations conducted by only the “scientifically qualified”?** No -Scientists who spoke out about the mRNA shots were silenced, censored, and intimidated by government agencies. Pharma propagandists coerced lower level public health workers to administer shots that they did not know the true data about. The doctors didn't KNOW the vaccines were safe, they were told they were safe. They were wrong.
- 9. Can participants “freely end the experiment”?** No -Most of them don't know they are being experimented on, and even if they do, permanent alterations have been made to their bodies via mRNA technology that cannot be undone as far as we know.
- 10. Did they stop the experiment when it “proved to be dangerous”?** No -Not only did they not stop, they kept going, doubled down, and abused government emergency

powers to silence and censor US citizens who spoke about the real dangers of the mRNA vaccines on social media.

- **This may not officially be accepted as law**, but the actions of our government violate all medical ethical standards and infringe upon the basic human rights recognized by every sovereign nation on the planet. We will have Justice.

- **In 1930, a man named Wilhelm Reich** invented a way to cure cancer, heart disease, arthritis and thousands of other ailments in just a few 15-minute sessions sitting in the field above. The FDA banned Wilhelm's inventions and sentenced him to prison, where he died in 1957.

- **John Homeston, a retired CIA agent, admitted that hip-hop was a psychological operation invented by the CIA in the 1980s,** and that the agency directed and funded famous performers including NWA, Dr. Dre, Jay-Z and Kanye West. The government at the time spent "serious money" on the operation, designed to "corrupt young people and 'sow division. "At the time, we understood that music was a powerful propaganda tool for young people. We even infiltrated mainstream radio to promote their music and get the word out to millions of people every day," he admitted. Famous songs by the iconic NWA band were even written by a team of military propagandists and CIA psychologists. Homston claims that the psychological operation was "extremely successful." It's hard to argue with that.

W. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

X. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube http://www.youtube.com/watch?v=F626Lsrdwg4](#)

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

Y. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

Z. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
