*It is only wise to have a month's supply of food, water, cash and essential supplies for yourself  
and to share with others.*

[Battle Hymn of the Republic | The Tabernacle Choir - YouTube](#)

*Mine eyes have seen the glory of the coming of the Lord;  
He is trampling out the vintage where the grapes of wrath are stored.  
He hath loosed the fateful lightning of his terrible, swift sword;  
His truth is marching on.*

*He has sounded forth the trumpet that shall never call retreat;  
He is sifting out the hearts of men before his judgment seat.  
Oh, be swift, my soul, to answer him; be jubilant my feet!  
Our God is marching on.*

*In the beauty of the lilies, Christ was born across the sea,  
With a glory in his bosom that transfigures you and me.  
As he died to make men holy, let us live to make men free,  
While God is marching on.*

*Glory, glory, hallelujah!  
Glory, glory, hallelujah!  
Glory, glory, hallelujah!*

## *His Truth is Marching On*

**Judy Note:** As massive flames so hot they melted tires surrounded and engulfed Lahaina, Maui police blocked the only roads leading out of the traditional Hawaiian Capitol City.

On that fateful **Wed. 8 Aug. 2023 day** hundreds of imprisoned native Hawaiians died as the fires raged around them, while 2,400 children went missing.

**It was determined that days prior to the fires beginning,** FEMA authorities issued the order to set up blockades. The above Intel came from citizens who escaped those FEMA blockades.

**They finally called in the Marines.** FEMA had 2,500 employees in Maui. Some were killed in action as enemy combatants, a bunch escaped on airplanes back to the continental U.S, while others were still being hunted in Hawaii.

**That was another battle yet to come.** Armed Forces loyal to the criminal Biden regime had arrived in Maui to support FEMA and fight the Marines. Why?

**For years Gates, Winfrey, Zuckerberg, the UN, Bilderbergers** and hundreds of world billionaires including those involved in the Cabal's BlackRock and Vanguard, have tried to buy huge portions of Lahaina, but were denied by Lahaina citizens who remained true to their land and heritage. Their ancestors originally settled Lahaina, the land was where they buried their dead and where they worshipped their God. <https://beforeitsnews.com/politics/2023/08/30-minutes-ago-maui-massacre-moabs-exposed-theyre-all-in-on-it-where-are-all-the-children-absolutely-must-video-3297019.html>

**The Hawaiian native people's resolve** to hold onto the land of their heritage was daunting – and had been for some time. A massive human/child trafficking line ran through Lahaina – the second most expensive real estate in the world. And, Hawaii was the base between Australia, Taiwan, China and California for Oprah, Epstein, Zuckerberg, CIA, UN Elites and their international Child Sex Trafficking, Adrenochrome and Organ Harvesting network.

### **F. Biden's Impeachment Looms as Congress Unleashes a Storm of Revelations!, Conspiracy Cabal on Telegram**

- **The clock is ticking, and the removal of Joe Biden from power has begun!** Congress is gearing up to announce the dates for his impeachment, marking a pivotal moment in American history. But that's not all – House Speaker McCarthy drops a bombshell, hinting at the potential impeachment of Attorney General Merrick Garland for mishandling the Hunter Biden investigation.
- **These strategic moves are poised to shake the very foundations of the mainstream media.** Finally, the impeachment hearings will force their reluctant hand, compelling them to report on the crimes and misdemeanors linked to Biden's impeachment. Prepare for a seismic awakening as millions of Democratic voters are red-pilled, confronted with the shocking revelations surrounding their beloved president and the notorious Hunter Biden laptop.
- **CNN, a prominent player in this unfolding drama, will lead the charge in broadcasting the impeachment proceedings.** Could this be a sign of their gradual transformation, as they slowly flip their narrative and challenge the established order? And behind the scenes, whispers echo of a monumental interview where Trump returns to CNN, leaving the MSM, CIA, and FBI in a frenzy. CNN holds the key to unveiling information that has long been suppressed.
- **But let's dig deeper.** Who wields the unseen hand, manipulating the very fabric of reality? Who has captured the attention of Twitter, orchestrated changes within CNN, and exposed classified military operations in Ukraine? This enigmatic force fights against the looming threat of a fake alien invasion, safeguarding the interests of Trump and RFK Jr., and shedding light on the dark underbelly of child trafficking and human exploitation. They are the architects of the Great Awakening, leading humanity towards truth and liberation.
- **And now, in an unprecedented turn of events, Congress uncovers a treacherous web of deceit surrounding the fake alien invasion.** Classified military operations, hidden deep within the underground machinations of the deep state, are exposed. These operations harbor groundbreaking technologies that could revolutionize the world, liberating us from the shackles of oil and gas dependency. Prepare for a seismic shift as the grip of the elite cabal, who profit from these finite resources, is shattered.

- **But that's not all. Brace yourself for the next chapter in the fight against human trafficking,** as Congress prepares to launch an all-out assault on this heinous industry. Epstein, JP Morgan, the Clintons, and Biden are just a few names that will be dragged into the spotlight. The dark secrets of Pizzagate, once concealed by the CIA's mockingbird operations, will resurface. The time for truth and justice is at hand, exposing the sinister forces that have preyed upon our society for far too long.
- **Stay tuned, for timing is everything.** The stage is set for a dramatic unraveling, where the powers that be will be held accountable. The truth will prevail, and a new dawn is on the horizon.

## L. Maui Massacre

- **The Black Swan Event that happened on Maui has to do with many Deep State operations.** One of the many reasons Maui was attacked is because of the US Space Force Operations in Maui. Maui Space Surveillance Complex is a U.S. Space Force operating location for the 15th Space Surveillance Squadron. This base was attacked hours before the fires happen and a huge Cyber attack took place against the United States Space Force. Fortunately USSF was well prepared months before and weeks before removed all important computers, programs, Servers, Data. USSF left only fake dude systems and computer systems behind. Counter surveillance and operations were in place long before the fires.

- **Trump Mission on Telegram: Mass Murder, Holocaust, A Burnt Offering.** I've been collecting data, talking to eye witnesses, since this mass murder took place. There's missing children, \$34 billion a year the child trafficking industry. That's a lot of customers, a lot of Epstein Islands. Where are the kids here? Where are they? There are millions of dead people around the world courtesy of my birth nation and that's why it is my duty as an American to speak truth to power. I am a Hawaiian national and serve as deputy foreign minister of the Kingdom of Hawaii and we have treaties with nations around the world. There is a mass murder here, a holocaust, a burnt sacrifice. It is not enough for people to resign, due process of law must be employed. The US government is trying to cover up evidence. I charge Joe Biden with treason. Joe Biden is a communist. I'm disgusted with my birth nation, one mass murder after another.

**M. Kevin Annett has led the campaign to expose and prosecute genocide in Canada since 1998.** He serves as a special advisor to the International Tribunal of Crimes of Church and State (ITCCS), which forced Canada's admission of the Indian residential school genocide in 2008 and Pope Benedict's resignation in 2013. He is the author of twenty-five books, including *Murder by Decree: The Crime of Genocide in Canada* (2016), *Crimes against Humanity in Canada: The Evidence* (2023), and the award-winning documentary film *Unrepentant* (2007).

- *Archbishop Hiltz told all of us back in the spring of 2010 that all the evidence of the Mohawk school death records and the kids' graves had to be destroyed immediately.* – Former Anglican church staff researcher Leona Moses to the author, January 3, 2012
- *In another ten years, nobody's going to remember anything about you or the graves of those children. You can count on that.* – RCMP Inspector Peter Montague to the author, February 13, 2012
- *Anyone can see through an official lie unless they have need of that lie.* – George Orwell
- I. F. Stone once remarked that he didn't mind high level cover ups as much as the banal predictability of the exercise. The venerable Washington D.C. muckraking journalist might have had Christian Canada in mind when he made that remark.

**One of the blessings and curses** of having lived to nearly three score and ten years is that nothing surprises me anymore: especially when it comes to our homegrown atrocities. The speed and efficiency by which generations of slaughtered indigenous children were shoved into the ground or into furnaces by Church and State and then erased from official memory has been truly breathtaking, as has the burying of every effort to expose and prosecute that Canadian Holocaust.

The killers have the Canadian public to thank for that, since it takes an entire village to not only raise a child, but to murder one, and many.

**With that in mind, allow me an I. F. Stone moment** as I sigh and shake my sadder but wiser head about the latest trite obfuscation of our Group Crime pissing down on us from the summits of the Great White North. For it's become fashionable in these final days to claim that there are no mass graves of 'Indian residential school' children, even while admitting that many such children died. So, then, where did all those little bodies end up, if not under the ground? The Holocaust Deniers aren't saying.

**It's not an especially original claim.** As early as 1903, barely a decade after the first death camps called 'Indian residential schools' opened, the Canadian government began suppressing records of the enormous death rates in the church-run camps while claiming publicly that "very few" children were dying therein. Meanwhile, Ottawa was instructing their Indian Agents to give the Catholic, Anglican, and United churches a free hand to do whatever they liked to the children in the camps, "*taking care to avoid too close an inquiry*". (February 3, 1904)

**In more recent years,** when our grassroots campaign of death camp survivors began protesting the crime and launched our own investigate Tribunal in June 1998, guilty church officials quickly denied that any children had died in the 'residential schools'. One particularly imprudent and silly United Church clergyman named Max Warne actually screamed at me and some smiling Vancouver reporters, "*There was only one perpetrator in our residential schools, and I can guarantee that he never killed a single child!*"

**Comic relief aside,** the latest nay-sayers are no more sophisticated in their lies than was poor Max Warne. In their mad scramble to close the book on any recollection of genocide in Canada, church, media, and academic pundits are clumsily contradicting themselves as they hurriedly revise previously accepted truths.

**For instance,** even their own stage-managed, perpetrator-run "Truth and Reconciliation Commission" officially stated that over half the children died in the Indian 'schools' and were buried in mass graves at nearly one hundred former 'schools' across Canada. But now, Big Brother has rewritten his own history and shoved those remarks down the Great Canadian Memory Hole.

**Nevertheless,** it's been said – at least by Will Shakespeare - that murder will come out. But of course, the Bard lived long before the internet. Now that memory, knowledge, and official history can be reimagined and altered in the blink of an eye, and the shift is accepted and believed by masses of people including the so-called "awake" ones, hard-won truths and simple logic have nowhere to hang their hats anymore.

**Fortunately**, something deeper abides. It is embodied in not only the eyewitnesses to genocide but those of us who have fought for years to unearth the crime, and have held the bones of children in our hands and come to know the people who buried them.

**And so, the question remains:** where did the bodies of at least 65,000 children go? Our campaign and its voluminous research have repeatedly shown where: into the ground, at first, and then into ‘residential school’ furnaces when the staff ran out of burial sites. But according to the Canadian Press, since at least 1960, the Canadian government has been systematically destroying evidence of criminality and disinterring the mass graves of native children. That official Church, State, and RCMP-led “clean up” operation intensified when the ‘schools’ officially closed in 1972, and when our protests and church occupations kicked in after our June 1998 Tribunal. And anyone with a shred of memory or brain matter knows that.

**It seems strange**, then, that the perpetrators of Canada’s worst and most hidden crime feel the need to go to such ridiculous extents to wipe out all knowledge of their mass murder of children, when the brutal truth has been so well concealed. The death camp survivors have been bought off, scared off, or killed off, our campaign destroyed, and the graves and their incriminating bones mostly dug up and pulped. So why would the powers who got away with their crime reopen the case and mention the dead children? Is a latent guilt responsible, exhibited even in the lifeless echelons of power? Or is something more at work?

**One of the things you learn quickly on Canada’s west coast** is that a mass grave is no respecter of persons, either past or present. The same body dumping grounds that for years held the remains of the ‘residential school’ children or their smallpox-exterminated elders are still routinely used by today’s death squads run by China, the RCMP, and their underworld, government, and church associates. So naturally, those guys want the whole issue of mass graves to be as buried as completely as their victims, lest some inconvenient bones appear.

**One of the indicators** of this is that foremost among the deniers of residential school mass graves is the chief perpetrator of the Canadian genocide, the Church of Rome. Top Catholic Bishops have recently “debunked” the idea of such graves, without providing any evidence, of course. It is hardly a coincidence that the same church’s Vatican Bank is a chief financial underwriter of the Chinese economic takeover of Canada’s west coast and is bankrolling the extermination of native tribes occupying the natural gas and oil deposits so hungered after by Petro China and Sinopec.

**Early in 2012**, after our excavation at the Brantford death camp had unearthed children’s bones and was shut down by government-paid aboriginal ‘chiefs’ early, that shadowy RCMP spook named Peter Montague dropped by to gloat.

**After tossing me a grudging compliment** that I was still at it after fifteen years despite all his efforts, the black ops specialist gave me an insider’s grin and said,

**“In another ten years,** nobody’s going to remember anything about you or the graves of those children. You can count on that.”

**Montague** was right, as it turned out. But as I replied to him eleven years ago, “It doesn’t matter. For what is past is prologue. What is to come is in our hands.”

**The cop just stared at me with a worried look.** He obviously hadn’t read Shakespeare.

#### **P. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

*Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.*

*There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.*

*To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with*

*the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.*

**Q. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities”** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

**Jenny Hill's witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

**R. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**S. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
