## A Higher Perspective

[September 10, 2023 - #4904 Music & the Spoken Word \(thetabernaclechoir.org\)](https://thetabernaclechoir.org)

*If you have ever climbed to a mountain top, either physically or spiritually when trying to overcome challenges, and then rest to look over the terrain, you can see things from a higher perspective.*

*From that higher perspective we can think more clearly, see more accurately and understand truth and goodness with a sharper focus. Problems that once seemed imposing, suddenly look a little smaller, more manageable.*

*We may not be able to remain at such an elevated position forever; life, after all, must have it's ups and downs. But once we've seen things from above, we tend to approach life on the ground differently. We're a little kinder, more forgiving and more compassionate with others... and with ourselves. We hold on to hope and faith a bit longer, even in the face of heartache and difficulty.*

*Most of all, we can turn our hearts more readily to the Lord, having glimpsed our life, if only briefly, from a perspective a little closer to His.*

**Judy Note:** In 2020 when the Election was stolen, the Military took control of Washington DC and fenced it off. That meant Washington DC was no longer under control of The Crown. The foreign territory formerly known as District of Columbia has fallen. It is now fully under White Hat control where Biden is an actor and you're watching a movie. Kurdistan received \$500 billion to pay out on **Sat. 9 Sept.** **This past weekend** the ATMs, new coins and monies activated in Iraq, in the US and it was assumed, throughout the World. News of that GCR activation was scheduled to come out sometime between **now and Tues. 12 Sept.** at which time all other tiers would begin to be paid. Currency Exchanges and Zim Bond Redemptions were to be completed by **Sun. 1 Nov.** when the US Federal Dollar would be considered worthless.

- **Sat. 9 Sept. TNT:** The three letter agencies say that everything is done and that the time frame is from **Friday to Tuesday morning** for all of this to finally be over. The new ATMs, new coins and monies will be activated **this weekend**. So from **Friday night until Tuesday morning** is when they say this will all be finished. Everyone is excited about this weekend...on both sides of the "water" (here in the USA and in Iraq). They have been "dragging" that Kurdistan was supposed to receive \$500 billion to pay everyone last Thursday and now they say they will receive it on **Saturday 9 Sept.** On Wednesday they told us that this **weekend** was going to be very important and things are moving... so starting at **4 pm Friday 8 Sept. until Tuesday morning 12 Sept.** is when the three letter agencies say that we can have news. I don't know when it will happen. I just hope it happens **now**. That's what they tell us: that these days, all this is supposed to be finished.

- **Wolverine: On Fri. 8 Sept.** in Zurich, Yellow Dragon Bonds were paid out, while in Reno the Admiral put in the Redemption Codes and gave the green light for Whales to be paid. Everyone else will be paid on **Monday 11 Sept. and Tuesday 12 Sept.**

#### **E. The Black Swan Event: Maui Massacre, Charlie Ward**

- **The Massacre** that happened on Maui has to do with many Deep State Operations, but one of the many reasons Maui was attacked is because of the UNITED STATES SPACE FORCE operations that is in Maui.
- **Maui Space Surveillance Complex** is a U.S. Space Force operating location for the 15th Space Surveillance Squadron. This base was attacked hours before the fires happen and a huge Cyber attack took place against the United States Space Force.
- **Fortunately USSF** was well prepared months before and weeks before removed all important computers, Programs, Servers and data. USSF left only fake Dud systems and computer systems behind. Counter surveillance and operations were in place long before the fires.
- **The Deep State US Military Operations** were collectively monitored.
- **The Military intervention 11.3 of 2024** and following Military Tribunals will use the Maui Fires and attack on the US Military Space surveillance Base as an Act of War that will lead to procedures and protocols pertaining to Military intervention.

#### **F. Hawaii To Be The Kingdom of Hawaii as 50 Indigenous Nations Unite To Begin a New Earth.**

- **Mon. 11 Sept. 2023** makes it the 126th year of authenticity that there was never a treaty, consent or decree on the annexation of the Hawaiian Islands to US Inc. In other words, the people of the Hawaiian Islands have never agreed that they would become a state of the United States.

- **This AIN uniting of the Indigenous Nations** had been predicted by ancient Prophecy called the ‘Eagle and the Condor’ which stated in part, “When people from the four directions of the world come together, they will begin a New Earth,”
- **AIN welcomes more to treaty with them.** “Our higher purpose is to recover the sacredness of Mother Earth and to once again honor Great Creator for the magnificence and brilliance of creation. Our objective is to recognize, respect and reciprocate all people’s sovereignty, our right to self-govern and self-determination.”
- **Sir Don Kaulia has been a leader in uniting the Indigenous Nations, especially after the Maui Massacre.** “The ongoing issue of Hawaiian lands being illegally occupied weighs heavily on our hearts, as Hawaii's people. This issue strikes at the very core of our Hawaiian identity and cultural heritage. It resonates deeply within us, the Kānaka Maoli, the indigenous people of these islands, who have endured historical injustices, including the illegal overthrow of our monarchy in 1893 and the subsequent annexation of our beloved homeland by the United States.”
- **“I have been blessed to get support from the Sovereign Prince of Malta,** the Alliance of Nations and now President Putin’s Medical Supply Ship anchored in International Waters outside of Maui,” said Don Kaulia. “Several South Pacific Sovereign Island Nations are heading this way beginning with Sovereign Princess Moana from Aotearoa (New Zealand).”
- **“The world watches, and we implore you to act now,”** Don Kaulia said. “Restoring Hawaiian lands to Hawaiian hands, as called for in the Kū‘ē petition, is not just a matter of historical rectification; it is a step toward reconciliation, justice, and healing for us, the Kānaka Maoli, and all who have come to cherish Hawai‘i as their home. It is a testament to our enduring spirit of aloha and our belief that, together, we can forge a brighter future for Hawai‘i and its people.”

**H. Evidence Chinese Communist Party Satellites Overhead Maui At Exact Time of DEW**

**Attack:** <https://americanmediaperiscope.com/the-prather-brief-ep-92/>

The latest episode of [The Prather Brief on AMP](#) is an absolute bombshell, with his guest, computer programmer and advanced robotics developer, Steve Favis, who provides not only stunning evidence that indicates [Chinese satellites caused the Maui fires](#) but also a simple and reproducible method for others to confirm his findings and to then apply his method to investigate some of the other, suspicious fires of the past, such as the Northern California "wildfires" of 2017 and 2018.

Steve tells Jeff that when people started claiming that Maui had been attacked by DEWs, he wanted to determine if there had been something above Maui at the time of the fires. He used a commonly-used science and engineering program called [Mathworks MATLAB](#), which has a very accurate program called the [SGP4 orbit propagator](#), and he found two orbiting objects that passed over Maui at around the same times that three fires were initially reported. Then, he backdated publicly-available telemetry data from NORAD, which tracks all orbiting objects and he found that there were two satellites that corresponded to the initial reports of three separate fires on Maui.

Both objects are categorized by NORAD as "Unknown" with unknown payloads and both unknown objects are owned by the Chinese Communist Party. One satellite's pass over Maui corresponded with the Lahaina fire and the other satellite's pass over Maui corresponded with the Olinda fire and then it orbited back along the same path 24 hours later, corresponding to the Kula Fire.

He says that if it were one satellite, that would be one thing. But when there are two satellites and three fires – and they're always above Maui when these fires start – it's not an accident.

Steve also mentions how, just three days after the Maui fires started, on August 11th, Space Force launched its first targeting squadron, [The 75th Intelligence, Surveillance and Reconnaissance Squadron](#), which was activated out of Peterson Space Force Base, in Colorado.

Steve says he hopes this activation was in response to what he is convinced was a series of Directed Energy Weapons attacks in Maui.

Steve says that he has open-sourced his code on his website, at [MisterRobots.com/lasers](https://MisterRobots.com/lasers) and he encourages people with access to MATLAB – a lot of universities use MATLAB – and he encourages people who are programmers to run his 25 lines of code – and they will be able to validate that the telemetry data is exactly what NORAD has posted on their [SpaceTrack website](#).

Steve says once you get the telemetry data and you input the data into the program and you Convert the UTC Time to local Hawaii Time, they line up exactly at the same time that fires were reported. He says you just need the aerospace toolbox and aerospace plugins and navigation plugin and you can just literally copy and paste his code into MATLAB.

On his website, you'll see that he did the math for what it would take for lasers capable of melting cars and [flash-charring people's bodies into solid black sculptures, like this](#).

This was not a wildfire, Folks. Steve estimated that it would take a 70-gigawatt laser to do this, which would require a rocket that can launch a 44-ton payload into space, which lines up with China's [Long March line of rockets](#), which have that payload capacity. Steve says Chinese lasers are currently more advanced than ours and that they're powering [petawatt](#) lasers in short bursts in the lab. A petawatt is a million billion watts. That's 15 zeros.

When Steve pointed all of this out on Twitter/X, he was de-platformed. Because, of course he was! Twitter is back to its old, censoring self again.

Now, remember how back in January, the [green lasers seen over Hawaii, that were reported by The New York Post to be Chinese LIDAR scans for geospatial mapping of terrain](#)? It is thought that this mapping may have been necessary, in order to carry out successful DEW attacks.

And then, we find out that a few months later, in April through June, the [Army Corps of Engineers did their own LIDAR](#) scans of Hawaii. And let's not forget the Chinese balloons that the Pentagon and the Biden Regime were only too happy to allow to invade our airspace for a week earlier this year.

So, as Jeffery Prather said, The question then becomes, with the green lasers from a Chinese satellite in January and the DoD's LIDAR scans between April and June, who could have been responsible for the DEW weapons and the attacks?

In Jeff's assessment, it appears that elements of the DoD may have collaborated with China to do this. [In other words, it's the Deep State, the Globalists, whatever you want to call them, who control both militaries – or at least, aspects of them.](#)

1. You think TV shows and movies are made to entertain you.
2. You think medical doctors are health experts.
3. You think the government steals your money to build the roads.
4. You think that they spray poisons on your food because of the bugs.
5. You know mercury thermometers are banned because mercury is extremely toxic but you also believe mercury teeth fillings are completely safe in your mouth.
6. You think your vote counts.
7. You think the news is there to inform you.
8. You think the government is there to protect you.
9. You think alcohol is healthy for you in moderation.
10. You think it's OK to research and ask questions about a new car purchase, a new house purchase or a new appliance purchase but you also believe it's not OK to research or ask questions when the TV tells you to inject something under your skin that's killing and crippling millions worldwide. That of course you need to trust, no questions asked and full steam ahead.
11. You think a society of cowardly order followers, run by clinical psychopaths, will keep moving ahead into the future without any interruptions.
12. You think that working for the clinical psychopaths, as a government employee, is the ultimate dream job even though big brother is actively trying to remove you and your family because your pensions are already stolen and they don't want you to find out. "If I can just push one more dose of poison under my skin, maybe I can get to my pension, which is already stolen..." It only makes sense if you don't think about it.
13. You think a society of perpetual pleasure seekers, who don't want to work in order to earn their keep, will always survive and that having fun is one of your first amendment rights.
14. You don't notice that any time tyrannical authority tries to destroy you and your family... they keep telling you that it's all for equity, equality, freedom, human rights or for your safety.
15. You think poisons pushed your skin and taken into the mouth, prescribed by a person wearing a white butcher coat, is the only way to achieve optimal wellness and better health.

## **O. Phil Godlewski's History Lesson on the Global Banking System**

- **In the early 1900s**, the United States had gold-backed securities, currency backed by gold. Many people probably know that the dollar bills that were once printed they were backed by the U.S. Treasury Department and somewhere on the bill was written, "The value of this bill is..." showing its worth in the value of gold backed money.
- **In other words, a \$20 bill was worth 20 dollars of gold.** Currencies appeared in the 1800s and gained popularity in the early 1900s. Around 1912, a group of foreign bankers, not yet called the Central Bank or the Federal Reserve, was making a presence in the banking industry. There was JP Morgan and Prescott Bush. There were other big names in the banking industry such as the **Rothschilds, Rockefellers, Kissingers**, and others from all over the world who were in banking.
- **Around 1911 or 1912**, a group, foreign or domestic bankers tried to stop our gold-backed currencies because they wanted to introduce a Central Banking System to the United States as was already being done in other countries round the world.
- **The Central Banking System** would become the backer of our currency through the U.S. Treasury rather than the gold held, by the U.S. Treasury, which had previously kept in reserve to back up our currency. If you had a \$20 bill in 1905, for example, it was backed by the U.S. Treasury, who had \$20 dollars of gold on deposit to back the value of that \$20 dollar bill. The Treasury Department was required to keep enough gold on deposit to cover every bill in circulation throughout the United States.
- **The Central Bankers** came in and said: Let us back you up. We can provide you with all the money you need beyond what you have in gold deposits. We can also provide funding to the banks. So, instead of the local banks lending out their own money, let them borrow money from us and they can lend it to their customers, whether it's a mortgage or a personal loan. The Central Bankers basically said they were going to come in and completely take over our currency system. Many politicians liked it because it was an opportunity to put money into their pockets through a variety of ways.
- **But there was a group of very rich people**, John Jacob Astor, for one, and two others whose names you'll recognize. Astor and his associates were completely against the Central Bank idea. They foresaw that the path America would take would be very different if we began relying on foreign interests to back our currency.
- **They believed that backing our currencies with precious metals was the only way to survive.** Astor did not want to introduce a Central Banking System to the United States because he was afraid of increasing debt and had great concerns what would happen if a

default would ever occur. These three men were powerful enough to influence Congress to prevent the proposed Central Banking law from being passed because at that time there was still a House of Representatives, a Senate, and a President with the separation of powers to make laws. Astor and his friends strongly opposed the Central Bank, and prevented it from being passed into law.

- **It just so happened that in 1912**, John Jacob Astor and some of his rich friends, along with many others, decided to go on a trip across the ocean in an unsinkable ship. Ironically, that unsinkable ship was made by a company owned by one of Astor's competitors and his competitor was also one of the people who opposed Astor's idea of not introducing a Central Banking System to the United States.
- **That unsinkable ship that Astor** decided to take sank "after hitting an iceberg." That ship was the Titanic and Astor and his friends died at sea. A few months later, surely by coincidence, those Central Bankers who wanted to introduce a Central Banking System in the United States abolished the gold-backed currency and backed it with their currency.
- **The Federal Reserve needed \$20 trillion** in backing to implement the Central Banking system, which was provided and placed the U.S. under financial bondage. The Federal Reserve through the Central Banking System is still being operated today.
- **More than 100 years have passed** since it was implemented in 1913, and 110 years later, the same system still operates. This is your history lesson which we covered in about 5 minutes. The Federal Reserve System is not part of the federal government. In fact, it is owned by foreigners. Many Americans came to America and said they wanted to implement the Federal Reserve System. JP Morgan founded his own bank and Prescott Bush sold his interests. He does not participate in the Federal Reserve System. Only the Rothschild family remains in the Federal Reserve System. A foreign organization is operating under the guise of a federal organization right under our noses. Virtually every loan you have now is backed by that foreign organization.
- **All interest** you pay is given to a foreign entity.
- **Canada has a central bank**, Trudeau and Dominion. They are doing the same with their parliament as in Europe. European Central Banks, Indian Central Banks, Brazilian Central Banks, Chinese Central Banks, all over the place. We're all in the same position. Therefore, the National Economic Stabilization Revitalization Law was enacted. It was designed to eliminate all accumulated debt from the Federal Reserve Board (Fed).
- **You may have borrowed money from your local bank or credit union, but where are they getting their money?** Do you think we just keep handing out money to get mortgages every day? No, it's not their money. We got it from the Federal Reserve Bank. Everyone is. Credit card companies, personal loans, car loans. The companies making these loans all receive funding from banks, local lenders, and the Federal

Reserve. This means, under NESARA that all loans received from the Federal Reserve will be written off.

- **It was actually scheduled to take place on September 1<sup>st</sup>** – we received notification of what was going to happen. I had to write this down. I was shivering when I got the information.
- **A \$21 trillion check was written to the U.S. Treasury** with instructions to repay every dollar of the national debt. Pay it off. Eliminate the national debt for America. - Now we hear that the same thing is happening in other countries with their national debt. Pay off \$21 trillion?
- **I'm a little vague as to who the check is from**, but I have an idea. The person I'm pointing to is in charge of that alliance. (**Mr. Phil points to a photo of Trump in the background.**) \$21 trillion is going from the global alliance to the US Treasury Department. Not the Federal Reserve, not the IRS. The Ministry of Finance is the Ministry of Finance. It's a government agency.
- **\$21 trillion. You'll say, "Phil, the country's debt is more than that." Over \$30 trillion.** That's right. But how can it be recovered? There is also a considerable amount of debt that cannot be recovered. I'll explain that later too. If the national debt is paid off, no, it should be said that the national debt is paid off at the same time. – Then a lien will be filed against the Federal Reserve Board of the United States, US Internal Revenue Service. Corporations acting as all states, territories, or geographic locations within the United States. Liens are filed against all of these entities for \$999 trillion. "What do you mean, Phil?" A lien against the federal government, a lien against the state of Pennsylvania, a lien against the state of California, and a lien against my house.
- **Forget about the Federal Reserve.** The Federal Reserve System has been abolished and America no longer owes money to anyone. Loans can also be made freely available to ordinary citizens like you and me. The Ministry of Finance can start lending to citizens. The Treasury Department can begin lending to states. The Ministry of Finance can start lending to businesses. The Ministry of Finance can make all loans.
- **The 9/11 false flag was to stop the NESARA exposure.** Now let's see what they did to stop the NESARA exposure. Donald Trump was about to reveal NESARA's true identity in January 2021 after being re-elected to his second term. Do you know what they did? They stole the election. Far from stealing the election, he did it blatantly.
- **I know the White Hats had a huge amount of work to do.** He (Trump) needed time to (get control of the Federal Reserve and put someone in place who could/would cancel the National Debt) line up all the dupes before he could exercise his \$999 trillion lien against all the rogue organizations.
- **We've been talking specifically about the United States today, but this is happening all over the world.** At the same time, the operation is so massive that it is almost impossible to comprehend how there are so many moving parts happening all over the world at the same time. I can hardly understand how so much work went into this.

- **So, when exactly is EBS coming?** As I mentioned last time, EO13848 will expire on September 12th. <https://amg-news.com/phils-intel-bulletin-ebs-was-about-to-start-nesara-and-gesara-is-coming-soon-new/>

## **Q. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

*Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.*

*There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.*

*To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.*

**R. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities”** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

**Jenny Hill's witness to a Satanic Child Sacrifice Rite: Woman Sees Human Sacrifice - YouTube** <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

**S. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**T. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working*

*with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
