The Circle of Life

[Circle of Life, from The Lion King | Alex Boyé & The Tabernacle Choir - YouTube](#)

From the day we arrive on the planet
And blinking, step into the sun
There's more to see than can ever be seen
More to do than can ever be done
There's far too much to take in here
More to find than can ever be found
But the sun rolling high
Through the sapphire sky
Keeps great and small on the endless round

It's the Circle of Life
And it moves us all
Through despair and hope
Through faith and love
Till we find our place
On the path unwinding
In the Circle
The Circle of Life

It's the Circle of Life
And it moves us all
Through despair and hope
Through faith and love
Till we find our place

On the path unwinding
In the Circle
The Circle of Life

Judy Note: Pray For The Children

What we think we know as of Fri. 15 Sept. 2023:

- **Back on Thurs. 1 April 2021** over a thousand both dead and barely alive Trafficked Children were discovered on the Evergreen Barge trapped in the Suez Canal – a story that has yet to make the Mainstream Media. [Trafficked Children, Bodies, Weapons Found on Evergreen Ship Blocking Suez Canal | Politics | Before It's News](#)
- **As of Fri. 15 Sept. 2023** over 2,000 children remain missing from the Maui Massacre on **Aug. 8**. Just prior to the fires the White Hats were about to make arrests on a Child Sex Trafficking, Adrenochrome and Organ Harvesting Network operated in underground DUMB Tunnels that ran beneath Elite Hawaiian properties owned by the likes of Oprah Winfrey, Bill Gates, Mark Zuckerberg and others, including a CIA operation headquarters. Yet not a word about it on the Mainstream Media. [2,400 Children Missing in a Winfrey, Gates, Zuckerberg, CIA Child Trafficking Cover UP | Crime All-Stars | Before It's News \(beforeitsnews.com\)](#)
- **This same network connected to 32,000 miles of Underground DUMB Tunnels across the Globe** – that Special Forces teams had been destroying the tunnels of and rescuing millions of children from since **2018** – the facts of which, of course, have never been reported by the Mainstream Media. - **Fri. 15 Sept. Oregon:** Fires in Oregon have evacuated 10,000 people, with thousands more put on Alert status to evacuate.
- **As of Fri. 15 Sept. all US Banks were working for the US Treasury:** When you go into a bank like Wells Fargo to exchange, you are not doing business with Wells Fargo. You are doing business with the US Treasury. They are contracting with that bank to use the space but the people don't work for the bank they are contracted by the US Treasury.
- **Thurs. 14 Sept. Janet Yellen Arrested for Treason,** Michael Baxter. Investigators from the U.S. Army's Criminal Investigation Division (CID) on Tuesday arrested Secretary of Treasury Janet Yellen at a Maryland hotel, alleging that the Deep State despot had engineered a diabolical scheme that clandestinely sent hundreds of billions of American tax dollars to Ukrainian President Volodymyr Zelenskyy, far more than the \$75bn the criminal Biden Regime has admitted to giving its felonious collaborator in Ukraine.
- **Trump, Cheyenne Mountain and the US Space Force** were in charge of the US and pulling the strings for the Global Alliance Military White Hats.

- **Biden Impeachment:** [Breaking News: GOP Leaders Accuse Biden Of 'Biggest Corruption Scandal' In US History! Impeachment!! - Forbes](#)
- **Congress was on the brink of exposing** a sinister connection between world banks including JP Morgan and the Biden family – that have been linked to a network of corruption, pedophilia and human trafficking with ties to infamous figures like Jeffrey Epstein.
- **The White Hats were exposing corruption that connected a Gay Obama and his male partner Michelle, Biden, the Deep State** and a web of global power players. This web stretched from Hollywood and the media to the courts and banking sectors. It included the U.S. education system where there was a disturbing realm of child indoctrination aimed at children's sexuality and orientation that amounted to pedophilia. These agendas were not only insidiously promoted within the US Education System, but by Hollywood, the media, courts and banking sectors, all with the goal of sexualizing young children.
- **2020 Election Fraud: 46 of 50 states** have recounted the 2020 Election votes and confirmed that Biden lost, Trump won. 4.8 MILLION ballots trafficked in the 2020 Election. 7% of mail-in ballots were trafficked in every Swing State the organization "True the Vote" has looked into, "It's an organized crime that was perpetrated on Americans."
- **The world has become a radioactive nightmare.** The advent of microwaves, Wi-Fi routers, wireless mobile phones, smart meters, and all the associated technology that goes along with these things – this includes 5G technology – is wreaking havoc on human health to a degree never before seen in history. Chronic EMF exposure at levels the governments of the world deem as "safe" is linked to a range of health problems: increased cancer risk, cellular stress, increase in harmful free radicals, genetic damages, structural and functional changes of the reproductive system, learning and memory deficits, neurological disorders and negative impacts on general well-being in humans and there is growing evidence of harmful effects to both plant and animal life. 4G and LTE are similarly damaging to cells, tissue, and DNA. 5G never should have been approved in the first place: It's untested and unsafe. - **On Thurs. 14 Sept. the Panama Canal** shut down and forty percent (40%) of the Global Supply Chain came to a halt. [Hal Turner BULLETIN: The Panama Canal Has Stopped! - American Media Group \(amg-news.com\)](#)
- **African leaders Nelson Mandela, FW De Klerk and Desmond Tutu** were all 33 Degree Freemasons (meaning they were required to perform a child sacrifice to obtain the 33rd Degree). The real Mandela never came out of prison – that was a look alike.

A. Global Currency Reset:

- **The US Treasury Assistant Secretary** made a comment per Rod Steele that everything is and has been signed off and should be approximately 96 hours from her return from Baghdad, Iraq. She returned **today Fri. 15 Sept. X 96 hours = Tues. 19 Sept.**
- **Fri. 15 Sept. TNT:** Tony was informed by his bank contacts that they were facing a heavy workload and **by Mon. 18 Sept. we should be exchanging.**
- **Fri. 15 Sept. MarkZ:** Lots of expectations for **Sunday 17 Sept. and Mon. 18 Sept.** during meetings with Iraq and the US Treasury on HCL agreements where they will be addressing the exchange rate of the dinar. Iraq wanted a worldwide announcement to the general public of a rate change somewhere around the **20th or 21st.** That does not mean we are waiting until then. Groups are positioned and ready. People are all in place. Agreements are done. All we are waiting on is the switch to be pulled.
- **Thurs. 14 Sept. Bruce:** Three excellent sources said Tier4b (us, the Internet Group) should get notified **Fri, Sat or Monday 15, 16 or 18 Sept.** We are at a any day, any hour basis. Release to Bond Sellers should happen **Fri, Sat or Monday 15, 16 or 18 Sept.** Tier4b to be notified after Bond Holders – or by next **Tues. 19 Sept.** Military personnel and Bond Holders have exchanged but do not yet have access to their funds. **On Tues. 12 Sept.** the US Treasury gave word to Redemption Centers that everything was signed off and ready to go.
- **Mon. 11 Sept. Hernán Robert Hbravo:** It is reported in Iraq that everything is ready and agreed with the United States Treasury for the Revaluation of the DINAR currency. All documentation was studied and agreed upon between the government of IRAQ and the US. The documentation was delivered on **Mon. 11 Sept. 2023,** to the United States Treasury for prompt signature.
- **As of Fri. 15 Sept. Banks were no longer independent, but working for the US Treasury:** When you go into a bank to exchange like Wells Fargo you are not doing business with Wells Fargo. You are doing business with the US Treasury. They are contracting with that bank to use the space but the people don't work for the bank they are contracted by the US Treasury.
- **Our inside source, a brave individual deep within military intelligence circles** (identity classified for obvious reasons), has dropped a piece of information that might just shake the very foundations of the global economy: 97 of the top 100 central banks

are currently under transformation to become fully operational under the QFS + RTGS system. The remaining 82 smaller central banks are gearing up for this transition. On October 1st all BANKS have to be working with the QFS, THAT'S WHY WE THINK IT HAS TO BE DONE **BEFORE SEPTEMBER 30**.

- **Fri. 15 Sept. Rubix Q:** I have a friend who is a personal Dinar dealer in the United States. He is telling me that his vendor just got all of his dinar confiscated and is no longer allowed to sell. They are tightening the noose in Iraq and they are stopping people from taking it overseas. The US Treasury has caused a wave that is causing vendors to immediately stop. This tells me that's it's a wrap...the initiation process begun. When the brokers are told to stop selling it let's you know we are an inch away...you won't be able to double dip once you make your appt. Second, what you have is what you have...it has been said that when we are close that brokers/dealers will be restricted from selling. As far as BTC, it's going to zero. XRP is the mother of all digital gold backed assets.
- **DINAR REVALUATION CBI:** The Central Bank and US Treasury are discussing implementing international compliance instructions in the banking system, 15 SEPT <https://dinarevaluation.blogspot.com/2023/09/cbi-central-bank-and-us-treasury-are.html>

B. Global Economic Crisis:

- **Rep. Tom Emmer introduced a bill to ban** the Federal Reserve from creating a Central Bank Digital Currency. A CBDC is nothing more than a CCP-style surveillance tool that can be weaponized to oppress the American way of life.
- **Tues. 12 Sept. [Janet Yellen Arrested for Treason | Real Raw News](#)** Investigators from the U.S. Army's Criminal Investigation Division (CID) on Tuesday arrested Secretary of Treasury Janet Yellen at a Maryland hotel, alleging that the Deep State despot had engineered a diabolical scheme that clandestinely sent hundreds of billions of American tax dollars to Ukrainian President Volodymyr Zelenskyy, far more than the \$75bn the criminal Biden Regime has admitted to giving its felonious collaborator in Ukraine.
- **As of Fri. 15 Sept.** 97 of the top 100 Central Banks were under transformation to become fully operational under the QFS + RTGS system. The remaining 82 smaller Central Banks were gearing up for this transition.

- **Fri. 15 Sept. Rubix Q on Telegram:** Auto workers are now officially on strike outside the Ford assembly plant, which makes the Bronco and Ranger, in Wayne, Michigan. It's not coming back just like Hollywood on strike. When they go on strike it's a bye-bye. No jobs, no company so what happens to the economy. https://t.me/police_frequency/100798

C. Thurs. 14 Sept. Inside the Exclusive World of Redemption and Exchange Centers, Ben Fulford.

- **If you have purchased currency from an authorized dealer in the US** an email from powerhouses like Wells Fargo Bank or even Chase – both top tier 1 banks for Exchange + Redemption Centers – is on its way to your inbox.
- **The US Treasury** provides these email lists. No one can truly verify if they're on this exclusive list. And thus, to ensure maximum reach, the Safelink website, the ultimate tool for exchange, will be spread like wildfire across major online platforms and chat forums.
- **While estimates suggest there are 10 to 12 million individuals in the US holding foreign currency** or securities, only a measly 3 to 4 million find their way to the Wells Fargo email list. The reason? Scores of people innocently bringing currencies home after vacations, dutiful military personnel from places like Iraq, charter flights operations, and many more reasons you wouldn't suspect.
- **Anyone longing for higher exchange rates via the Exchange or Redemption Center** will be granted a unique personalized 800 number (not to be confused with the pedestrian '1800' numbers). This number, mind you, is **one-time-use only**.
- **If anyone chooses to walk into a bank directly without this unique digital access**, they're effectively shooting themselves in the foot. The reason? Banks can only offer what's known as the screen rate or the Forex rate, a measly sum compared to what one could obtain.
- **Exchange rates in the US stand as fixed, unyielding monoliths** – unless, of course, one possesses a particularly hefty amount.
- **(Zim) Bonds? Now, they're a different ballgame.** The rates of exchange, the interest, the fees after working with banks – it's all up for negotiation, pulling the strings behind closed doors.
- **Your unique rendezvous at the Redemption or Exchange Center, however, comes with strings attached.** No second helpings allowed! If you think you can dance twice at the same ball, think again. Should anyone attempt a sly double-dip, the repercussions will be swift and severe.
- **A second appointment?** Reserved for a different basket of currencies scheduled half a year later.

- **The Redemption and Exchange Centers** will be open for a brief window of **4 to 6 weeks**.
- **Private Bank teams**, with their vast networks, swoop in, ensuring anyone with redemptions over \$1 million is shepherded into trust setups, private banks, and an exclusive world of perks not available to the average Joe.
- **Redemption Centers exist** for the sole purpose of redeeming (Zim) bonds, and Exchange Centers designed for currency-only aficionados.
- **The safety at these centers?** Top-notch. I have a hunch the military might be lurking in the shadows, ensuring iron-clad security.

D. Restored Republics:

- **Both United States Press Secretaries have confirmed that Joe Biden is not the President** of the United States making decisions, it's Barack Obama calling the shots. Jen Psaki: "I love working for President Obama." Karine Jean-Pierre: "So today as you all saw just an hour or so ago President Obama announced"
- **The Dark Side on Telegram: All the ships are sailing in the same direction now...about to arrive at their common destination in the month of RED SEPTEMBER:** Durham revelations. Trump Raid. Seth Rich. Ukraine biolabs/Nazis. Nord Pipeline sabotage. Maxwell's international sex trafficking ring. Financial crisis. Biden Crime Family investigation. Iran Deal shenanigans. Fentanyl drug smuggling. Open border crisis. 9/11 revelations. Massive election fraud being facilitated by foreign controlled EMS run by CCP agents. Trump & his team doing even more openly public blatant endorsements of the Q community. Buckle thyself up and gird thy loins in proper fashion. It's going to be biblical. The Hunters Become The Hunted.

E. Maui Massacre

- **Did we find the 2,000 missing Maui Children?** They said no helicopters were able to fly but we found a video of one.... It looks like a shipping container helicopter and next door (the next island) we have 11 storage containers. G. Timeline

- **On Feb. 4 2021 the Bankruptcy of the U.S.A Corporation was finalized,** the paperwork filed in Tallahassee, Florida.
- **On Fri. 1 Sept. 2023** full integration of the Quantum Financial System took place after the US National Debt of close to \$33 Trillion was paid off. This triggered the Global Currency Reset.
- **On Thurs. 7 Sept. Executive Order 13848** was extended for a year by Biden. The order signed by President Trump, regarded imposing certain sanctions in the event of foreign interference in US Elections. The word "foreign" is in reference to US Inc. that was formed as an illegal corporation government residing on foreign soil in the ten square miles of the District of Columbia, or Washington DC.
- **Fri. 8 Sept.** monies were moving for the Global Currency Reset. In Zurich, Yellow Dragon Bonds were paid out, while in Reno the Admiral put in the Redemption Codes and gave the Green Light.

- **Dr. Jane Ruby says Marburg Disease** (ebola, hemorrhagic fever) has been declared (released by govt) that is triggered by 18 GHZ 5G microwave radiation in the jabbed (those who got the covid19 boosters). Todd Callender who has worked in the health and insurance industry for 20 years says the same thing. 18 GHZ is 666 microwave frequency. The antidote to Ebola (Marburg Disease) is Green Tea Extract. We did not get the jabs but may have been infected by people who did, so we take a capsule daily of Green Tea Extract capsules as a precaution which is 400mg from Now Foods. Have it on hand and be ready to increase the dose if 5G is turned on in your area (cell phone towers). But 5G iPhones and other 5G devices can emit 18 GHZ frequency even if the 5G towers are turned off. Go to 4G iPhones and computers. 3G is better but no longer available to my knowledge. 4G causes cancer but is still a radio wavelength while 5G (and 6G is coming) are microwave weapons that can cause convulsions, heart attacks,

strokes, and other diseases such as Ebola if flashed with the connecting frequencies to the condition triggered. We keep our flip top 4G iPhones in a metal case available at amazon.com when carried on our person or nearby since that prevents the flashing unless it is being used.

K. Fri. 15 Sept. White Hat Intel:

- **For the past ten years Military Intelligence** has been tracking the Chinese Communist Party (CCP) and their captured operations of the three branches of U.S. government.
- **In the past seven years the White Hats Military ALLIANCE** has set traps to COLLAPSE the CCP operations down inside the US.
- **The stolen 2020 US Election** will be prosecuted through Trump Presidential executive orders, Laws of War protocols and Devolution plan U.S. military 11.3 Laws of War military occupation of the United States.
- **In this time of Military Law** Special Forces commands and protocols enacted by JFK , Regan and Trump administrations and EO's give all military powers to ARREST, CITIZENS, ORGANIZATIONS, Powers and Elites in Government, Politicians and all those who complied with foreign powers (CCP) in a military COUP against the United States and it's military.
- **The CIA with the CCP financial institutions, banks and financiers control Hollywood** and their governing bodies. The CCP also controls large net works of social Media interests through subsidiary banks and investors.
- **The full corruption of the CCP** is tied to CIA operations, Wall Street, Blackrock and world banks, including Espionage through the Biden Crime family, Obama administration, the Clintons foundations and financial ties.
- **The Deep State of the Rockefellers, Duponts, Rothschild's, Royal Elites and Bilderberger groups** were connected to the CCP directly and Chinese (CCP) power over EU corporation and world military intelligence information gathering.
- **These are reasons** Hollywood, CIA and Mainstream Media will not condemn CHINA for the virus or WUHAN.
- **Fauci, Biden and Obama** will not condemn the CCP WUHAN because they helped create the COVID Virus with CCP Wuhan and moved the virus from Fort Detrick, Chapel Hill to Wuhan China.
- **The U.S. Military White Hat** operations are currently in progress and watching Deep State US Military Intelligence and Deep State US and CIA work directly with the CCP.
- **As the fires ignited on August 8, 2023 6:37 a.m in Lahaina Hawaii,** CCP NORAD 555836 (Direct Energy Weapon) Lazer Satellites were over Lahaina and U.S. NORAD operations helped cover up the CCP satellites labeled NORAD were flying over. But White Hats with several computer science and advanced Robotic engineers and military intelligence were TRACKING the CCP [DEW] Lazer Satellites and their operations.
- **The White Hats** are painting a picture and dropping military information into the public sector via private boards and citizens who can EXPOSE the CCP joint CIA controlled DIRECT ENERGY WEAPONS operations of the bankrupt US Corporation directly connected to Treason, Military Tribunals and arrests.
- **In due time all land** bought by the CCP, Bill Gates, Jeff Bezos and other Elites will be returned to U.S. citizens.

- **Trump's Executive Orders will allow the seizure of assets** of all those who conspired in a military COUP and corruption connected to foreign occupation, intelligence and interference in U.S. elections. They will face prosecution and penalties of all assets seized and could face life in prison and the death penalty.

L. Thurs. 14 Sept Exposure to microwaves, cell phone radiation causes dangerous free radicals called PEROXYNITRITES to accumulate in the body, Ethan Huff

- **The world has become a radioactive nightmare.** The advent of microwaves, Wi-Fi routers, wireless mobile phones, smart meters, and all the associated technology that goes along with these things – this includes 5G technology – is wreaking havoc on human health to a degree never before seen in history.
- **Every major mobile phone carrier in the United States** – and many outside the United States, save for Russia and a few other places where 5G is banned – is slapping up 5G, and soon to be 6G, transmission nodes anywhere and everywhere they can despite there being *zero* safety studies showing that chronic exposure to 5G is safe. The result is widespread illness in a variety of forms.
- **The type of 5G deployed across America** relies primarily on a bandwidth known as the millimeter wave. This is the same type of radiation found in the naked body scanners at U.S. airports, and it is known to cause a burning sensation on the skin – this is why many air travelers were opting out and choosing an invasive pat down instead. Millimeter wave radiation is also linked to eye and heart problems, suppressed immune function, genetic damage, and fertility problems.
- **The Federal Communications Commission (FCC)** openly admits that there has not been even a single study conducted on 5G either by the agency itself or by any of the major players in the telecommunications industry – and no studies are planned for the future, either. This means that Americans are being fried day in and day out by an untested radiation type, the long-term effects of which are still being uncovered.
- **Not only are people being exposed to 5G towers** that emit millimeter waves, but also to the hand-held devices that communicate with them. This includes 5G-equipped "smartphones," laptop computers, tablets, and all sorts of other electronic wireless devices.
- **According to Dr. Joseph Mercola**, persistent exposure to microwave frequencies such as those emitted by these products trigger mitochondrial dysfunction, as well as the production of peroxyxynitrite, a harmful substance that occurs when a certain free radical called superoxide anion reacts with nitric oxide (NO). The end result is the potential formation of all sorts of chronic health problems, not the least of which are cardiac arrhythmias, anxiety, depression, autism, Alzheimer's disease, and infertility, to name just a few.
- **"Peroxyxynitrite interacts with lipids, DNA, and proteins** via direct oxidative reactions or via indirect, radical-mediated mechanisms," explains a 2008 study published in the

peer-reviewed journal *Physiological Reviews*. "These reactions trigger cellular responses ranging from subtle modulations of cell signaling to overwhelming oxidative injury, committing cells to necrosis or apoptosis."

- **The study further found that peroxynitrite generation plays a direct role, pathogenically speaking, in serious health conditions** such as stroke, myocardial infarction, chronic heart failure, diabetes, circulatory shock, chronic inflammatory diseases, cancer, and neurodegenerative disorders.
- **In a petition filed with the United Nations (UN)** by more than 230 international EMF scientists, it was further explained that chronic EMF exposure at levels the governments of the world deem as "safe" is linked to a range of other health problems as well.
- **"Effects include increased cancer risk**, cellular stress, increase in harmful free radicals, genetic damages, structural and functional changes of the reproductive system, learning and memory deficits, neurological disorders and negative impacts on general well-being in humans. Damage goes well beyond the human race, as there is growing evidence of harmful effects to both plant and animal life."
- **4G and LTE are similarly damaging** to cells, tissue, and DNA.
- **5G never should have been approved** in the first place: It's untested and unsafe
- **So far, these pleas for government regulators to do something have accomplished nothing.** A 2017 call for a moratorium on 5G technology was ignored, despite being endorsed by more than 180 scientists and doctors from 35 countries who say that 5G should remain banned "until potential hazards for human health and the environment have been fully investigated by scientists independent from industry."
- **"RF-EMF has been proven to be harmful for humans and the environment,"** this cohort of field experts added, further noting that "5G will substantially increase exposure to radiofrequency electromagnetic fields on top of the 2G, 3G, 4G, Wi-Fi, etc. for telecommunications already in place."
- **Dr. Ronald Powell, PhD**, a retired scientist of applied physics at *Harvard University*, believes that "there is no safe way to implement 5G in our communities ... there are only 'bad ways' and 'worse ways,'" he says.
- **Amazingly, out of more than 35,000 published articles on EMFs**, only *seven* involve medical or biological studies. And not a one of these seven involved modulating or pulsing the signal as happens in real life for 5G transmission, according to Dr. Joel M. Moskowitz, PhD, director of the Center of Family and Community Health School of Public Health at *UC Berkeley*.
- **Over the past 100 years, EMF exposure has increased an astounding one quintillion times** – a quintillion is a million trillion, or a million million millions. That is a *lot* more radiation than a person can even imagine or quantify, let alone endure for very long before serious health problems arise.

- **A few easy ways** to help minimize your EMF and 5G exposure is to not use a 5G phone, for one. It is also ideal to rid your home of as many "smart" appliances and devices as possible, as well as to turn off your phone and wireless router at night while you sleep.

N. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

O. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: Woman Sees Human Sacrifice - YouTube <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

P. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

Q. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
