“American Anthem”

The Dream of a Nation

[Veterans Day Special: The Dream of a Nation \(11/7/21\) | Music & the Spoken Word - YouTube](#)

More than 20 years ago Gene Scheer read a book about the creation of the US Constitution. It made him realize the passionate dedication of the founders of this nation – a nation that would one day become a symbol of Freedom for the World. He felt inspired to write the song “American Anthem.”

All we've been given by those who came before

The dream of a nation where freedom would endure

The work and prayers of centuries have brought us to this day

What shall be our legacy? What will our children say?

Let them say of me I was one who believed in sharing the blessings I received

Let me know in my heart when my days are through,

America, America, I gave my best to you.

Judy Note: There were all kinds of signs that a **Global Economic Collapse Event** was happening right now and would continue to plunge in a slippery slope with the collapse of Cabal corporations after the RV.

A Global Currency Revaluation of Currencies and Redemption of Zim Bonds would soon set the stage for the World's recovery.

Hold on tight. There is no cause for discouragement. There is no room for despair. You are The Chosen if you bought revaluing currencies and/or Zim Bonds. You have set yourself up to play an important role in rebuilding our World. Go forth with courage.

One person's opinion on how the Global Financial Collapse will happen only after the RV: "I think I'm getting it. Could it possibly be that it's not what we all think? This is a 'controlled military operation'. Yep, got it. I think you know it, too. Hint: Each industry has to be shut down, such as CVS pharmacy (no need for medication when you have med-beds) and Apple stores (when you have Q, phones). How do you close stores down? How do you crash the economy? How do you get people to lose their jobs? Yep." ...Rubix Q on Telegram **Wed. 27 Sept.**

"Because the comms are getting really obvious and the markets are on their last legs, jobs are being cut and harder to find, more truth coming out in Mainstream Media about jobs and corruption everywhere. This week Trump was shown with a gun after his speech in South Carolina and it links to the Q drop that is shaped like a gun with the text reading BOOM BOOM BOOM BOOM Blackout." ...Al on Telegram **Wed. 27 Sept.**

- **CHILD TRAFFICKING:** Beulah George "Georgia" Tann was an American social worker and child trafficker who operated the Tennessee Children's Home Society, an adoption agency in Memphis, Tennessee. Tann used the unlicensed home as a front for her black market baby adoption scheme starting around the 1920s. Tann died of cancer before the investigation made its findings public. Tann's custom of placing children with influential members of society normalized adoption in the U.S., and many of her adoption policies (often designed to obfuscate the origin of her adoptees) have become standard practice. This is still going on today with the help of corrupt judges, police, lawyers, politicians, doctors, nurses, and CPS (Child Protective Services) of course.
- **STATS:** Every year, approximately eight million children are reported missing worldwide. In the United States, 2300 children are reported missing per day (Nearly 400,000 young ones were abducted in 2020 alone). Every two minutes, a child is reported missing in Europe.

Q. FOX NEWS Unleashes Classified Revelations, Ben Fulford

- **Hold on tight** as we embark on an eye-opening journey into the shocking revelations recently dropped by FOX NEWS. Brace yourselves; the truth is far stranger than fiction.
- **The Whistleblower's Explosive Allegation:** First, we delve into an explosive revelation. A CIA whistleblower has stepped into the limelight, revealing to Congress that the agency offered a jaw-dropping incentive to officials investigating the origins of COVID-19. Their mission? To alter their stance, shifting from the belief that the virus originated from a Wuhan lab leak to a perplexing "unable to determine" verdict. The liberal

community was rocked by this revelation, setting off a chain reaction of investigations into the virus's creation, Fauci's ties to the CIA, and the creation of COVID itself.

- **The Chemtrail Controversy Unearthed:** But wait, there's more. FOX NEWS took aim at the skies, uncovering a startling story out of Missouri. This bombshell report exposed alleged (CIA) U.S. military operations that involved spraying predominantly black communities with cancer-causing agents from airplanes via chemtrails. As if that weren't enough, they detailed the intentional installation of exhaust systems on buildings, releasing radioactive isotopes and harmful chemicals into impoverished communities.
- **The Congressional Unearthing Begins:** Now, the real digging commences. Congress has rolled up its sleeves, delving deep into state records and archives, unearthing evidence of the CIA's covert cancer-causing chemtrail operations spanning decades. Shockingly, the trail of this depopulation agenda leads back to the Rockefellers, a family deeply enmeshed with other elite dynasties, steering the vaccine networks and global medical industry. This web of power birthed figures like Fauci, set the CIA in motion, and handed over the reins to the likes of George W. H. Bush and George W. Bush, architects of bioweapons projects, including the infamous gain-of-function research.
- **A Worldwide Disclosure Unfolds:** Behind the scenes, the Military Alliance has ensured that both CNN and FOX NEWS continue to drop these red pill revelations, awakening liberals and the unwittingly compliant. Classified information is infiltrating civilian sectors, with leaks hitting the internet and select mainstream media outlets. This global dissemination ensures that declass drops resonate across languages and borders.
- **The Plan for a Global Awakening:** A global resistance revolution is underway, spurred by the impending failure of Plandemic II and the world's rising opposition to the globalist elite's agenda. The Military Alliance is orchestrating this worldwide resistance to the deep state cabal's sinister operations.
- **Tucker Carlson's Strategic Move:** Even Rupert Murdoch, the owner of FOX NEWS and a CIA asset, couldn't censor the two monumental reports. Recognizing the power of Twitter, the Military Alliance orchestrated Tucker Carlson's move from FOX to Twitter to ensure maximum impact.
- **Hold On, The Truth Unfolds:** Buckle up, dear readers, for we are witnessing an unprecedented unveiling of classified information and truths long buried. Stay vigilant as the stage is set for further revelations that will shake the foundations of our understanding.

R. Stanley invented a car that was powered 100% on water. He was poisoned by two "NATO" investors because his invention was going to change the World.

- **The basic principle is this:** Molecules have a positive and negative negative magnetic side. Normal electrolysis can use the magnetic principles of water to rip it apart, but it uses a ton of energy.

- **If the exact resonant frequency of the water is used, along with special circuitry that multiplies the voltage**, while reducing the amperage to as little as possible, the resonant frequency will cause the water molecule to temporary "elongate".
- **A normal oxygen molecule has 6 electrons**, but can hold up to 8 in it's stable state. That makes it accept the 2 electrons of the hydrogen atoms. When the water molecule elongates, it allows the hydrogen atoms to be separated from the oxygen atom very easily. In turn, this produces "hydroxy gas", called "Brown's Gas" or "HHO", which are basically forms of hydrogen and oxygen.

U. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

V. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: Woman Sees Human Sacrifice - YouTube <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

W. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

X. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working

with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
