M. Obama Funding Iran, Who Were Funding Terrorists:

WTH! A senior House Republican aide told The Post that the cash influx followed an even more generous payout of \$1.7 billion that the Obama administration made to Iran in 2016, eventually contributing to Saturday's attack that triggered the Jewish state's first declaration of war in 50 years. "There is a straight line from Obama's giveaway to Iran, to Biden's enriching of Iran to Iran's war on Israel," the aide said. Noronha, who served under former Secretary of State Mike Pompeo, said Malley and his negotiating team "purposefully funneled billions of dollars to

[Iran] through lack of sanctions enforcement and provision of sanctions relief that has given them somewhere between \$50 and \$80 billion over the last two and a half years.”

N. Sun. 8 Oct. Bombshell!!! Martial Law Unleashed: EBS Alert’s Urgent Broadcast and How Redemption Centers Might Be Our Only Hope! | Alternative | Before It’s News (beforeitsnews.com) ETHAN WHITE ... BOMBSHELL !!! MARTIAL LAW UNLEASHED: EBS ALERT’S URGENT BROADCAST AND HOW REDEMPTION CENTERS MIGHT BE OUR ONLY HOPE! (rumormillnews.com)

- **Deep State arrests:** California alone has witnessed up to 8000 arrests, with over 3000 in the Northeast U.S., particularly concentrated in the New England area.
- **Rumors suggest** that the populace might be urged to stay indoors for their safety, especially during ‘Disclosures’, while the final arrests take place. However, a resilient and awakened citizenry, now more than ever, won’t be silenced or confined.
- **The Emergency Broadcast System (EBS)** is on the horizon, and when it hits, it will be swift, silent, and shocking. Like a ghostly shadow, everything familiar will fade into obscurity.
- **Just like the eerie silence of 2020**, we’ll be asked to remain rooted, perhaps for days, maybe weeks.
- **The Military**, it seems, has a broader purpose. As the last of the so-called Satanists face arrest and are sent to GITMO, the Military is also gearing up to distribute food, especially to the elderly. This is not just about control but also about care.
- **There’s chatter about the Military** potentially overseeing the nation until fresh elections are held, precisely 120 days post the Gesara announcement. The focus should shift towards electing individuals with business acumen, particularly those who can rejuvenate local businesses, and more importantly, food-growing enterprises.
- **The bustling stock market?** Halted. The digital world you’re so intricately linked to? Gone. And trust me, when the EBS alert vibrates your cell phone, echoing the chilling announcement, you’ll know it’s begun.
- **These messages**, sourced from the Starlink, are there to stay. Deleting them? Forget about it. They’re imprinted, lasting reminders of the changing times.
- **Essentials First:** Stock up on clean drinking water. Ensure there’s enough food, not just for you, but for your pets too. Medicines? Get them in advance. Remember, the digital world is on a hiatus, so medical records are inaccessible.
- **Cash is King:** In a world where digital transactions become obsolete, cash will be your savior. ATMs might be out of service, and swiping those cards at gas pumps? Dream on.
- **Mental Fortitude:** When the shock hits, it’s vital to keep your wits about you. Before you extend your hand to others, ensure you’re mentally fortified. Some might be in a state of shock, unable to respond. In such cases, a breath of fresh air, a gentle walk, might help.

- **Your TV, phone, and internet** will spring back to life, unveiling a spectacle titled ‘Disclosures’. Rumor has it, it might even grace the big screens. But this isn’t your typical Netflix binge. It’s a 24/7, 8-hour block broadcast, lasting anywhere between 3 to 10 days.
- **The content?** Oh, it’s the raw, unfiltered truth of events, spanning Military Tribunals and even, hold your breath, Public Executions. Areas drenched in corruption, like Los Angeles and New York, might experience extended viewing periods.
- **But when the switch is flipped back**, expect a metamorphosis. A world pulsating with positive energy, devoid of evil’s grasp. The internet? Transformed. Banking systems? Revolutionized. This, dear readers, is the dawn of an era of transparency and abundance. A veritable paradise on Earth.
- **However, as the layers peel back**, revealing covert operations, prepare to be flabbergasted. The faces you recognize might just be elaborate masquerades, Hollywood-grade masks, CGI marvels, and eerily realistic Body Doubles. Ever watched the ‘Truman Show’? Our reality might not be far off, with the scripted drama unfolding since 2015.

Q. George Soros Closes Offices across \$25 Billion Evil Empire

The \$25 billion international network of foundations started by George Soros is shuttering offices around the world as it prepares to cut more than 40 per cent of its staff. Employees of the Open Society Foundations' Africa operations received correspondence last week detailing the next steps of the process, which includes closing half a dozen offices in Africa, in addition to Baltimore and Barcelona, according to a copy of emails. "With the decision by the board in June to cut the staff by more than 40 per cent, our staffing size and footprint by necessity needs to diminish," said Binaifer Nowrojee, OSF's vice president of programs.

S. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

T. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

U. Jenny Hill's witness to a Satanic Child Sacrifice Rite: Woman Sees Human Sacrifice - YouTube <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

V. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

W. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing*

truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
