Pressing Forward Toward Heavenly Father

[October 1, 2023 - #4907 Music & the Spoken Word \(thetabernaclechoir.org\)](https://www.thetabernaclechoir.org)

We cannot expect our Father in Heaven to make our problems disappear.

Without friction, there is no forward motion. Without resistance, we build no strength.

He isn't trying to trick us, or trap us, or trip us up.

He wants us to be happy.

He wants us to succeed.

He so loved us that He gave us a Savior.

In a world of discouragement, of doubt and discord, He gave us commandments to Love Him

and to

Love One Another.

Our steps may be unsteady at times, but if they are steps toward Him,

the Journey can be Sweet, the Destination Glorious.

Judy Note to Be Prepared: *We are facing an impending Global Financial Crash including Cyber Attacks on banks, we can look out for the Domestic Terrorism of the US Department of Defense, World Health Organization, World Economic Forum, Bill Gates, Pfizer and Moderna, we live with a Democratic Party Dark Agenda that included allowing Open Borders, we are dealing with a Global Food Crisis and with the fiat US Dollar now not accepted for international trade, we're headed for a Christmas Season with major Goods Shortages.*

A. What We Think We Know as of Mon. 2 Oct. 2023:

- **On Sat. 30 Sept.** the US Congress diverted a government shutdown by borrowing monies from the Chinese Communist Party to fund themselves for the next 45 days. It has not been made public what kind of a deal the Democrats made with the CCP in order to keep the US Inc. government going until **Nov. 15 2023.**
- **Sun. 1 Oct.** was the beginning of the new fiscal year: We will have Freedom from Debt through implementation of a Global Currency Reset of gold/asset-backed currency.

- **On Mon. 2 Oct. Alex Collier** received word that the National Guard has been deployed throughout the United States.
- **5,000 Star Link Satellites were floating** across the sky and ready for an Emergency Alert System (EAS) Activation: <https://www.dailymail.co.uk/galleries/article-12575761/5-000-Starlink-aircraft-whizzing-Earth-outnumber-stars.html>
- **The EAS was not to be confused with** the pending FEMA Emergency Broadcast System (EBS) “Test” where the Cabal planned to attack our Phones, TVs and WiFi Technology **on Wed. 4 Oct. between 2 and 4 pm EST**. It was advised to turn them off during that time in order to avoid 5G attacks.
- **Congressional US Inc. President Impeachment hearings have begun on Joe Biden.** Though, Joe Biden was not really Joe Biden and has been played by several actors since his so-called inauguration in **Jan. 2021**.
- **The real Joe Biden faced the noose in Jan. 2021** just prior to his fake inauguration to US Inc. President after being charged and convicted of Crimes Against Humanity by the Military – which has been in charge of the American government since Trump turned it over to them after the 2020 Election that the Military found to be engrained in fraud. [Congress, Biden Arrested as Military Rescues Tortured Children From Tunnels Beneath Capitol Hill | Politics | Before It's News](https://beforeitsnews.com/politics/2020/11/trump-win-validated-by-quantum-blockchain-system-recount-of-votes-3217468.html)

<https://beforeitsnews.com/politics/2020/11/biden-elected-president-of-a-defunct-us-inc-via-voter-fraud-3217433.html>
- **US Inc. was not representative of US citizens, but a privately owned entity which took over and has controlled US Taxpayer monies since 1913.** US Inc. was run and privately owned by Bankers like Rothschilds and Rockefellers, the Crown Bank of London and Vatican.
- **US Inc. was broke.** They filed for Chapter 11 Bankruptcy in **2018** (the so-called Mortgage Crisis) and were awarded that Bankruptcy in **2020** Case #: 20-40375-KKS.
- **The Internal Revenue Service** which collected US Taxes, was also privately owned by the Bankers.
- **As was the Federal Reserve. In 2007** Alan Greenspan, chairman of the Federal Reserve from 1987 to 2006, said that the Federal Reserve was an independent agency that was not a part of the US government, was above the law and could print as much money as they wanted with no one to stop them.
- **That printing of fiat US Dollars has led to the Federal Reserve being shut down. In Sept. 2023** the Fed laid off over 300 workers and was taken off the Debt Clock. The Fed Building in Washington DC has been wrapped entirely in white plastic with excavation going on beneath it. The Fed had planned to finance itself through creation of non-asset-backed digital currency, but that idea was shot down by Congress since the fiat US Dollar was defunct.

- **The privately owned US Inc. government operated** under Admiralty Law (Maritime Law or Law of the Sea) and not under Constitutional Common Law, giving US citizens no standing in their own court system – the reason the Brunson petitions on voter fraud in the 2020 Election have not been heard and the reason Ken Cromar of the “Ken and Barbie vs. Goliath IRS Case” sits in jail with no way to defend himself even though he won his case in a federal tax court.
- **All of which and lots more would soon be explained and taken care of under Constitutional guidelines** upon activation of the Emergency Broadcast System (EBS) that will broadcast worldwide with documentaries in 55 languages and 600 dialects on all channels on the Planet, courtesy of the Alliance Space Force – a very different broadcast from the **Wed. 4 Oct. FEMA EAS Test** as explained below.

B. WARNING: Word was that during the FEMA Emergency Broadcast System “Test” on **Wed. 4 Oct.** the Cabal had plans to attack our Phones, TVs and WiFi Technology. Absolutely Do NOT participate. Turn off ALL devices. Unplug ALL computers. Disconnect ALL information technology from WiFi between **2 and 4 pm EST on Wed. 4 Oct.**

- **Emergency alert test is coming:** When is the test? What will it say?

- **5G frequencies and 5G Towers** were not designed to help with cell phone coverage, but were designed to be bio-weapons.
- **If you send out a certain frequencies such as found with 5G** for over a min. it will activate certain things in the body.
- **Those harming frequencies could be broadcast** during the **Wed. 4 Oct. FEMA Emergency Alert System Test** for the US.
- **Because of the dangers of frequencies that were engrained** in the Emergency Alert System Test it was advised to shut off phones, TVs, etc. between **2-4 pm EST on Wed. 4 Oct.**

D. White Hat Intel:

- **The United States is under Military Control.** This EVENT has already happened. These operations and Continuity of government (COG) is the principle of establishing

defined procedures that allow a government to continue its essential operations in case of a catastrophic event such as nuclear war.

- **In the US, COG is no longer limited to nuclear emergencies.** The Continuity of Operations Plan was activated following the September 11 attacks, more over these Operations coincide with the Department of Defense military laws of War that can be activated through Presidential Powers, Executive Orders that execute and addresses Military occupation Chapter 11.3 Laws of War COVERT and OVERT military operations.
- **Trump, Musk and Tucker Carlson** were working together behind the scenes.
- **The US White Hat Military** is controlling the Supreme Court SCOTUS.

E. Possible Global Currency Reset Timeline:

- **The Forex** was down all **Sun. evening 1 Oct, and then came up Mon. morning 2 Oct.** with all values set to Zero.
- **Mon. 2 Oct. Frank26:** “All Red High Alert”
- **Mon. 2 Oct. TNT Tony:** It’s all supposed to happen **Mon. night 2 Oct.** Banks have told people they have given SKRs to that they will be liquid **tonight Mon. 2 Oct.** Three letter agencies are saying **after 3 pm Eastern Mon. 2 Oct. into the night. Tues. 3 Oct.** is Iraq’s Independence Day, and on **Wed. 4 Oct.** they are to be accepted into the World Trade Organization.
- **Mon. 2 Oct. Stacy:** I was in my bank today. The manager told me he cannot divulge a date but the change in currency (his words) has been updated today. The screens show bolivar, dong and dinar. He didn’t know about the zim bonds or agro cheques but there are 206 currencies on their screen now. They cannot exchange until they are given the go. The software has completed and they tested the Delarue machine they have.

- **Mon. 2 Oct. MarkZ:** “I would say it’s a high possibility that we would go **this week.** I have a number of contractor sources in Iraq who verify that YES....HCL money is indeed moving and people are getting paid. Even in the Kurdish and northern Iraqi area where they have been waiting forever to get their salaries. One of my contacts said that he was told to hang onto as much Dinar as he could as they were expecting a value change in the very near future. Near enough that a few sources are traveling back to Iraq **later this week** in the hopes that this is “it” for them. So to answer the question (Is it possible **this week**?) well....things are sure lining up. ...I was hearing there was really strange military movement **over the weekend.** Reports from the National Guard and people being called up...being re-arranged...troop movements...looks like something is gearing up.”

- **Bruce: According to instructions** given to some Redemption Centers, Tier4b (us, the Internet Group) could be notified to set exchange/ redemption appointments **on Mon. 2 Oct.**
- **Judy Note:** Intel received from a high up source indicated that Tier4b may not be notified until **Fri. 6 Oct.**, with appointments starting the **next day.**
- **Tues. 3 Oct.** has been officially designated as the National Day of the Republic of Iraq to celebrate Iraqi freedom from the US Inc. **On that Tues. 3 Oct.** Iraq would likely declare that they were a Sovereign Nation. **On that same Tues. 3 Oct.** the Stock Market was expected to continue to sell off and when it hit 20% it would be at the point of no return and close early.
- **On Wed. 4 Oct** Iraq would be welcomed to the World Trade Organization with a fully reinstated Iraqi Dinar international traded currency. **Wed. 4 Oct.** was also considered the day when the official Stock Market Crash would happen. - **By Tues. 10 Oct.** the bulk of redemption appointments and exchanges were expected to be done.
- **On Wed. 11 Oct.** another possible EBS date with Biden removal – that would kick off a four month military action.
- **The second week of Oct.** the restitution and reparation funds will be given out for seniors over 60 in a lump sum; for ages 50-60 they will be paid out over a 12 month period and ages 30 to 49 paid out over a 15 year period. ...Bruce
- **The end of October** Sidney Powell has a date with the Supreme Court to present evidence on 2020 Election Fraud.
- **On Wed. 1 Nov.** it was the goal to have Currency Exchanges and Zim Bond Redemptions completed, at which time the US Federal Dollar would be considered worthless.
- **In November** Social Security will be paid out in much higher payments. ...Bruce
- **The SS R&R payments** start on a monthly basis beginning in **Jan. 2024.** ...Bruce
- **On 1 Jan. 2024** the fiat US Dollar will be worth nothing. **Also starting 1 Jan. 2024** all currencies across the Globe will be on par 1:1 with each other.

F. Rumored GCR Recent History:

- **Walkingstick (an Iraqi citizen and bank owner):** “The tender for the currency and coins has been met per request, meaning (requirements) for release of the new Iraqi Dinar exchange rate has been fulfilled.”

- **Wolverine:** “The funds have been released and placed on the Quantum Financial System.”
- **On Fri. 15 Sept. Iraq** officially RvD their Dinar.
- **On Fri. 22 Sept.** Iraq announced the new Iraqi Dinar International Rate as \$11.90.

- **On Fri. 29 Sept.** the HCL Oil payments to Iraqi citizens was being paid with an In-country Rate of \$5+
- **Fri. 29 Sept** was a dramatic beginning of the Stock Market Crash. The Chinese Communist Party Defense Minister, plus the CEO of the World’s largest real estate company, the CCP’s Evergrande, have gone missing – that halted Evergrande Shares on a Stock Market that was already in free fall, while odds soared for a US Government shutdown by **Sun. 1 Oct.** – any, or all of which could easily bring on a Global Financial Crisis that would trigger a Global Currency Reset.
- **Sun. 1 Oct** was the first banking day of October in the Mideast and start of the new US Fiscal Year. All banks were required to be on the gold/asset-backed Quantum Financial System rather than the old fiat currency SWIFT System by **Sun. 1 Oct.**
- **On Mon. 2 Oct.** the Iraqi WS Bank US Branch was open for business. As the Stock Market reopened sell offs would continue – that was expected to trigger an early close of all trading until **Tues. 3 Oct. morning.**

- **Mon. 2 Oct. US Fed official says high interest rates likely for ‘some time.’** This is the only way they can attract Treasury Bond investors to fund the debt but it’s going to backfire massively; more expensive capital is going to accelerate the collapse by causing prices to increase at a time when most folks are already defaulting on their payments and the rest of the world is through financing our toxic debt. The real issue here isn’t inflation or devaluation so much as De-Dollarization. The Fed is trying to pull another rabbit out of their hat but this time it won’t work bc we have shut down their illicit revenue streams that prop up the USD. <https://insiderpaper.com/us-fed-official-says-high-interest-rates-likely-for-some-time/>

If you don't comply, they will just shut down your bank account. And it's not like it hasn't happened before. Look to Canada. There were people standing up for their freedom, for their right not to get some unknown substance injected into their arms. They shut down their bank accounts. So if there was no cash, what are you going to do? They can just eliminate you with a flip of a switch. It's as simple as that.

H. Changemaker17: So here is my latest theory for the week - They always told us there will be no double dipping of currencies. Meaning on is not going to RV before the other so you can't use that money from exchange to go buy more currency. Iraq has their Independence Day Oct 3 and admission to the WTO Oct 4. They must reinstate their currency prior to the 4th and in doing so they make the currency "intentional". If what we heard is true about the US Congress repealing the Iraq war declaration last week that means that was the final thing that needed to be done in the US in order for US banks to exchange the Dinar. We have much hype about Oct 3-4 with an

EBS “ test “ and major Q deltas indicating everything from narrative shift to a Navy ship crashing and being “ bigger than we know “. To me it seems we will have a scare event around the 4th. We have head when we do have EBS / lock down it could last 72 hrs. Many prophets have prophesied that there will be a scare event then exchange after. We have the Biblical message of “turning the table over on the money changers” appearing on the US Debt clock all while the Forex is zeroed out and has all currencies added. Bank personnel have confirmed now seeing over 200 currencies on their screen including Dinar, Bolivar, & Dong. Monday Oct 9th is Columbus Day and a bank holiday. We always heard the RV will be done on a 3 day weekend. To me it seems it could be scare event / EBS Wednesday the 4th. We go into lock down for 72 hrs and we get RV notifications going into the weekend. The stock market will be blown up Monday. Whiplash always said it would literally be blown up and blamed on a CME when no one is in it. No stock without source, merge it into stellar ... the Q delta that says private exchange last is dated Jan 22. The other delta mentioning currency said think currency think fireworks. Sep 11th was Ethiopian New Year, 22 days later bring us to Oct 3. It really seems it is all converging for this week into the weekend.

However, the NEW category of US M2 \$ TO USA \$ RATIO NOW is 1 7 7 6! Haha! Hysterical! 1776: Our Constitutional Republic.

S. Her name was Nicole Turcotte. She was one of the crowd of young students who had listened enthralled as I spoke of the children who had been killed just down the road. And, being young, Nicole was resolved to do something about it.

The weekend after my lecture at her North Saanich high school, Nicole and five of her friends took some of my leaflets and quietly infiltrated the United Church's annual meeting in Victoria. They made a beeline for the youth delegates' table and began talking to them about the Indian residential children who had died in droves at the hands of their church.

"The next thing I knew, some big guy grabbed me by my arm and pulled me up," Nicole recalled. "Then he dragged me to the door and pushed me out. I told him I had every right to be there, that it was a public place and I was protected by the Charter of Rights and Freedom. But he laughed and said, *'We're the United Church of Canada. The Charter doesn't apply to us!'*"

Twenty years later I still remember the tears in Nicole's eyes as she told me what had happened and fervently demanded to know, "*How do they get away with it?*"

How indeed? - Kevin Annett Eagle Strong Voice

T. An Open Letter to Canadians who wear Orange Shirts: (This statement by Kevin Annett is endorsed by Squamish, Stolo, Chilcotin, Cree, Ojibwe, Huron and Mohawk indigenous elders.)

- **Most of you aren't indigenous** and have likely never been sexually sterilized, tortured, or forced to eat maggots as a child, even though you've all paid for those atrocities with your tax money. So, we'll keep this basic.
- **If your child was raped**, tortured to death, and thrown into a pit, would you want to be "reconciled" with her killers? Would you accept an "apology" from them and a bit of money to look the other way? Of course not. Then why are you expecting indigenous people to do so?
- **How dare you speak of "reconciliation"** when the Church and State killers of 60,000 native children are still walking free and the full truth of their crime remains as buried as their victims?
- **Under the law, anyone who plans and commits the mass murder of children and then hides the evidence of their crime must be prosecuted.** That includes priests, popes, kings, prime ministers, and even the guy who drove the kids to the killing grounds that you mistakenly call "Indian residential schools", where over half the children died.
- **Under the law, issuing apologies and some money** doesn't buy those responsible for such mass murder a free Get Out of Jail Pass. Nor does mouthing feel-good platitudes

about "reconciliation" between the Church and State killers and their victims. And anyone who helps the criminals do that and evade justice is equally guilty of the crime and can go to jail.

- **That puts all of you up shit creek.** It would, at least, if Canada operated according to the rule of law. But fortunately for you, and unfortunately for your victims, it doesn't.
- **As we are witnessing,** when the government and churches commit genocide, it's not a crime and nobody goes to trial or jail for it. They not only get away with it but rewrite history by sponsoring Orange Shirt events that make deliberate genocide look like a series of unfortunate "abuses" done with the "best of intentions". And they're able to do so because of people like you who talk "justice" while you break the law by allowing the genocidal Catholic, Anglican, and United churches to operate, even as they continue to harm and traffic children.
- **Years from now,** when children are still being slaughtered by the same criminals and you ask who is responsible, just look in the mirror.
- **DON'T LET THAT HAPPEN.** Take off your orange shirts and stop believing the lies of your genocidal system.
- **Don't let the killers use you to mask their crimes.**
- **Learn the truth and let it free you from your present complicity with mass murder:**
- **BOYCOTT** the Catholic, Anglican and United Church and halt their tax exemptions!
- **EVICT and BANISH** these genocidal churches from our country!
- **RECLAIM** their wealth and church buildings as reparations for their victims!

W. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

X. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: Woman Sees Human Sacrifice - YouTube <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

Y. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

Z. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
