Oct. 31 All Hallows Eve

When Children Are Raped and Sacrificed in Honor of Satan

Israel Loses It's Corporate Status

The Fiat US Petro Dollar Will No Longer Be Accepted for Oil Purchases

Which Will Cause a Stock Market Crash

And According to Trump, Oct. 31 Is Also When "The Lights Go Out."

A Revolution Is Coming!

A Revolution Which Will Be Peaceful If We Are Wise Enough.

Compassionate If We Care Enough.

Successful If We Are Fortunate Enough.

A Revolution Which Is Coming Whether We Like It Or Not.

We Can Affect Its Character.

We Can't Alter Its Inevitability.

...President Trump

Horse Sense:

You can lead a human to knowledge, but you can't make it think.

A Dark Winter was predicted during 2024. It's only wise to be prepared and store several months worth of cash, water, food and essential items for yourself and to help others.

[You'll Never Walk Alone, from Carousel \(thetabernaclechoir.org\)](http://thetabernaclechoir.org)

When you walk through a storm
Hold your head up high
And don't be afraid of the dark
At the end of the storm
There's a golden sky
And the sweet silver song of a lark

Walk on through the wind
Walk on through the rain
Though your dreams be tossed and blown

Walk on, walk on, with hope in your heart
And you'll never walk alone
You'll never walk alone

C. Global Financial Crisis:

- **On 1 Nov. the Saudis stop accepting the USD for oil payments.** The US arrangement with Saudi for the USD to be used as the primary currency was how the USD came to be known as the "petro dollar" after we came off the gold standard & the Fed needed a substitute to base it's value on. So when SA stops using the USD Petro Dollar it will lose its value and crash. This will then precipitate the stock market crash like a falling domino. And this coincides with the end of the Nation State of Israel.
- **On Mon. 30 Oct. the Treasury Department dropped a financial bomb: The deficit for fiscal year 2023 was \$1.7 trillion,** growing 23 percent in a single year as the Treasury used \$879 billion just to service the federal debt. But "Bidenomics" means the worst is yet to come, and multi-trillion-dollar deficits are the new normal.

No one has yet shown that human emissions of carbon dioxide drive global warming, and if they did, they'd also have to show that the natural emissions—and that's 97% of the total—don't drive global warming. Then I look back in time through my geological eyes, and look at times in the past when we have very high carbon dioxide contents of the atmosphere, up to hundreds of times higher than now, and we see that we didn't have runaway global warming... But what we did have is six major ice ages."

K. Mon. 30 Oct. Benjamin Fulford Report:

- OPERATION SCARIANT 2023 is being used to launch Plandemic 2.0. Plandemic 2.0 is an integral piece of the Great Reset implementation plan and New World Order agenda to be executed in earnest this Fall of 2023.
- OPERATION SCARIANT, which features the extremely ‘scary’ Omicron subvariant known as Eris, is the main show for folks who are still captivated by this ridiculous government-sponsored but extremely serious genocidal enterprise.
- Nevertheless, there are numerous reasons why the Khazarian genocidal bioterrorists are hellbent on rolling out Plandemic 2.0 this Fall.
- The following list presents only some of the most significant NWO goals, WEF objectives and WHO targets.

(1) To cover up the massive excess death numbers directly resulting from the ongoing Covid vaccine genocide across America (and global depopulation scheme)

(2) To stealthily kill vaccinated children who are now much more vulnerable to the bacterial infections associated with Eris (aka Omicron [B.1.1.529] a subvariant of SARS-CoV-2

(3) To intensify the slow-motion slaughter of vaccinated 20 to 45 year-olds who are now much more susceptible to myocarditis, pericarditis, blood clots and other fatal heart ailments

(4) To further turbo-charge the numerous medical ailments and health conditions, chronic diseases and autoimmune syndromes, psychological disorders and psychiatric illnesses across the entire population, all of which have seen HUGE upticks post-Covid vaccination

- (5) To murder as many retirees as possible in order to reduce the Social Security & Disability, Medicare and Medicaid rolls
- (6) To massacre as many individuals, who suffer from multiple comorbidities and/or terminal diseases, who are still living after Plandemic 1.0
- (7) To eliminate as many Baby Boomers as possible as well as the Beat Generation elderly, especially the anti-establishment types
- (8) To provide maximum distraction from the many Democrat crime sprees being investigated by the House
- (9) To divert the attention of the electorate from the multiple crime waves perpetrated by the Biden Crime Family and especially by the POTUS Imposter and Criminal-in-Chief
- (10) To create maximum chaos, confusion and conflict throughout the last year of the 2024 election cycle so that the Democrats can steal yet another POTUS election, as well as to set the stage for a long-planned American Bolshevik revolution
- (11) To provide a pretext to deploy yet another highly weaponized and lethal Covid ‘vaccine’ by which to rapidly intensify Plandemic 2.0.
- (12) To significantly supercharge the previously administered kill-shots, clot-shots and cancer-shots thereby increasing SADS and SIDS as well as excess deaths across the board.
- (13) To sufficiently scare the American people back into the same space of extreme fear and anxiety about the COVID-19 contagion so they will fully submit to the Covid Super Vaccination Agenda.

S. Time Magazine reports that Ukraine struggles to rally financial support after its failed counteroffensive and amid allegations of widespread corruption.

- A top Ukrainian presidential advisor warns that "people are stealing like there's no tomorrow" when asked about bribes and corruption.
- 59% of Americans don't want Congress to provide more weapons to Kyiv, up from 35% in June.
- The southeastern fifth of Ukraine, where the population is predominantly Russian speakers, remains under Russian control.
- Zelensky's close advisor warns that "He deludes himself. We're out of options. We're not winning. But try telling him that."
- Ukraine's shortage of soldiers is more dire than its deficit in arms and ammunition. Draft officers pull men off trains and buses and send them to the front.
- The death toll has long surpassed 100,000 on each side of the war, forcing the draft of the elderly, raising the average age of a Ukrainian soldier to around 43 years.
- Corruption remains widespread despite Zelensky firing numerous officers and the Defense Minister.
- Zelensky is worried that the focus of Ukraine's allies in the U.S. and Europe and of the global media has already shifted to Israel, Palestine, and the Gaza Strip.

Why are Time Magazine and the corporate media starting to throw Ukraine and Zelensky under the bus? <https://twitter.com/KanekoaTheGreat/status/1719089058008457377>

W. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

Y. Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

Z. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

ZZ. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
