"Each Day is a Special Day"

[October 8, 2023 - #4908 Music & the Spoken Word \(thetabernaclechoir.org\)](https://www.thetabernaclechoir.org)

*Life Itself is miraculous and marvelous. Every day has something , some little thing, that makes
the day special: a bit of beautiful music, the sound of a bird, a cool breeze on a hot day, the*

thoughtfulness of a friend. The little things are the big things. What if we lived each day as a gift? The fact that God has given us another day of life is surely cause to celebrate.

Judy Note: On Sat. 7 Oct. as the World faced World War III with Deep State Attacks on Israel, (maybe), plus a Marine Corps Base in Albany in a failed attempt to rescue Deep State prisoners headed to GITMO, and while the National Guard was activated in up to 360 cities across the US due to Antifa and BLM terrorists infecting the country, it was rumored that on **Mon. 9 Oct.** the US Legislature was to nominate and vote on Trump to be Speaker of the House.

It was also rumored that on **Wed. 11 Oct.** the Supreme Court would make an announcement on the Brunson Case about massive Voter Fraud in the 2020 Election. If they ruled in favor of Brunson, Biden and Harris would immediately be removed from office and as Speaker of the House, Trump would be made President (as if he weren't already).

- **“On Mon. 9 Oct.** the House was expected to vote in Donald Trump as Speaker of the House. The Brunson Case on Election Fraud before the Supreme Court gives the Supreme Court the power to take out Biden and Harris from their positions. With the Speaker of the House next in line to be President, we could very well see Trump as President in the next few days.” ...Loy Brunson
- **The Brunson Brothers Announcement** marks the return of Donald Trump and the impeachment of Joe Biden, though it could potentially ignite uprisings.
- **The Military** was reportedly active in 300 to 360 ‘problematic cities’ to ensure calm and order during this crucial time. Many of these areas, especially Blue States, have a pronounced Antifa/BLM presence.
- **Black Mon. 9 Oct. Incoming.** Israel and Hamas go to War just as the US dollar was about to get dropped. Q said, “Israel would be last.”
- **Sun. 8 Oct.** As the world debated Hamas’ surprise attack on Israel, another unprecedented assault occurred closer to home Saturday, with Black Hats launching a shocking attack on a White Hat installation in Georgia. As rockets fell on Israel—questioning the efficacy of its Iron Dome—scores of federal agents, supported by Biden loyalists from the California Army National Guard, stormed the gates at Marine Corps Logistics Base Albany, a non-combat post whose mission is to repair and rebuild ground combat and combat support equipment. It is home to approximately 600 Marines and 2,000 part-time civilian contractors, most of whom live on the economy. Real Raw News has learned the base had a secondary function—housing certain Deep State prisoners awaiting transportation to Guantanamo Bay. [Marine Corps Base Massacre | Real Raw News](#)

This isn’t a conspiracy theory, they’re ON LOUD SPEAKER: “The city is applying pesticide to reduce the spread of West Nile Virus” Bill Gates in action... we are under attack.
- **Scotland:** Major biblical flooding happening all over Scotland the same time Israel declares war. We are saving Israel for last. Very specific reason not mentioned a single time.

A. Global Currency Reset:

- **Fri 6 Oct. MarkZ:** “A lot of my sources feel that **Mon. 9 Oct.** is our day.....A lot of them ...actually they think our day is before that and Monday is when we start going to the bank! They are all expecting big things **this weekend**More chatter on the Iraqi side of things with great expectations for the **weekend**. Most are looking **late Saturday/early Sunday** for something from Iraq. Some type of announcement? ...**Yesterday** a number of Redemption Staff told me they are on “stand by” specifically for currency exchanges. ...Iraq may go on **Saturday**. Probably what we would see are call centers working over the **weekend** to make our appointments...and appointments starting on **Monday**. ...that the most likely scenario.”
- **Fri. 6 Oct. TNT Call:** “The whole world will see the RV by Sunday (**8 Oct**).
- **Central Bank of Iraq** and Reuters announced: "**Next Sunday (8 Oct.)** will be a special day in all Iraqi banks, which could witness unprecedented overcrowding and crowding at cash withdrawal windows." Iraqis were told in mosques: "A new Iraq will begin by Sunday (8 Oct.)."

- **Sat. 7 Oct. Frank26 RV Update:** Sudani went and told all the contractors he signed with, they can come into Iraq without any restrictions. That's Article VI.
- **The RV was expected to be announced** in Sovereign Iraq on **Sun. 8 Oct.**, with the new rate becoming international on **Mon. 9 Oct.**
- **Sun. 8 Oct. Texas Snake:** Banker indicated he was expecting notification just any time this coming week, unfortunately he admitted that has been stated by those above him before as well.
- **On Tues. Oct.** for twelve hours US Treasury representatives entered codes at US Redemption Centers for each nation's currency. Pings came back that the code was valid, meaning the Redemption Center could receive currency from each nation in exchange for the US Note. In the last 24 hours Tier 4A had started preparing and paying Tier 4 groups.
- **On Wed. 4 Oct** Iraq was welcomed to the World Trade Organization with a fully reinstated Iraqi Dinar international traded currency.
- **Thurs. 5 Oct. Wolverine:** "Shelton said on his call that the 10 days of darkness and 12 days of disclosures would start after an Event (EBS Test?) **on Wed. 4 Oct. On Thurs. 6 Oct.** I got a call. Everything has really begun. Issac has spoken to someone and he says it's looks like it's going to happen. All the leaders of the Tier 1 platform have been funded and by **next week** all members will be paid and it will be fast."
- **Thurs. 5 Oct. Tony said he has a two hour window tonight, then laughed, and said he should have said the next 24 hours.** Not every country is going at the same time. It's their own choice. The rate won't be on the Forex until the **end of the weekend.** Sounds like they'll get their 72 hours of joy. **Monday** is a holiday, so that would be a good time for us to go. Iraqi Government salaries were being paid a month in advance effective **Wed. 4 Oct.**
- **Thurs. 5 Oct. Bruce:** "Bond Holders Tier 3 will get notification of liquidity **over the weekend.** Tier4b (Us, the Internet Group) will be notified either **Sat. 7 Oct. or Monday afternoon 8 Oct.** and will begin appointments either **Mon.8 Oct. or Tues. 9 Oct.**"
- The US Note was fully in the system and available at the bank **Fri.6 Oct. or Mon. 8 Oct.**
- **By Tues. 10 Oct.** the bulk of redemption appointments and exchanges were expected to be done.
- **Wed. 11 Oct.** was another possible EBS date, along with the removal of Biden and that would kick off a four month military action.
- **The IMF and World Bank** will hold their last annual meeting on **Sun. 15 Oct.**
- **Starting in the fourth week of October** Restitution and Recreational Allowance will be paid out. The amount of monies paid back will be based on federal taxes paid since 1940s, interest on mortgages, bank loans, car loans and credit card interest – along with interest earned on those monies over the years. Those 60 and older will be paid in three equal monthly payments for Oct, Nov & Dec. Those 50-60 will get payments over the next 12 months and those younger will be paid out over 15 years, though they have to be employed in order to qualify.

- **Starting in October and continuing for three months Social Security benefits** will be significantly higher, topping out at \$5,200. In January regular benefits will continue, though still be a lot higher.
- **The end of October** Sidney Powell has a date with the Supreme Court to present evidence on 2020 Election Fraud.
- **Wed. 1 Nov.** was the goal to have Currency Exchanges and Zim Bond Redemptions completed.
- **The Rodriguez Trust** will administer “universal basic income” for citizens of all GESARA-compliant countries: the amount per individual or family will depend on the status, needs, employment level and age of the person/family and will work to encourage people to work if they can. He said we need to help our friends and family understand that this will happen in the next 3 to 6 months.
- **Starting 1 Jan. 2024** the fiat US Dollar will be worthless, all currencies across the Globe will be on par 1:1 with each other, Social Security benefits will be much higher and the SS R&R payments start on a monthly basis.

B. Global Financial Crisis:

- **Sun. 8 Oct.** [WARNING! Warren Buffett: “A Storm is Brewing” in Real Estate Market – HAPPENING NOW \(Own Nothing, Be Happy\) - American Media Group \(amg-news.com\)](#)
- **Sun. 8 Oct. In one month \$17,400,000,000 in US Treasuries** were dumped by BRICS nations China, Brazil and Saudi Arabia. The sell off was impossible to ignore. Since peaking about a decade ago, China has dumped nearly \$500 billion in U.S. Treasuries. The sell-off in bond markets and the rapid rise in Treasury yields have unleashed financial chaos in recent days and weeks. [BOOM! \\$17,400,000,000 US Treasuries Dumped: The BRICS Nations Setting the Stage for Financial Anarchy! - American Media Group \(amg-news.com\)](#)
- On Friday, a better-than-expected jobs report added fuel to the fire, with the 10-year yield hitting a high of 4.85% while the 30-year yield topped 5%.
- **Five Months before his Assassination, President John F. Kennedy** issued this executive order that would give the American currency back to the People by printing Money based on a Silver Standard, Taking away the power of the Federal Reserve Banking cartel. Many argue this is the Reason that JFK was assassinated.

C. Sun. 8 Oct. [Bombshell!!! MARTIAL LAW UNLEASHED: EBS ALERT'S URGENT BROADCAST AND HOW REDEMPTION CENTERS MIGHT BE OUR ONLY HOPE! \(rumormillnews.com\)](#)

- **Deep State arrests:** California alone has witnessed up to 8000 arrests, with over 3000 in the Northeast U.S., particularly concentrated in the New England area.
- **Rumors suggest that the populace might be urged to stay indoors** for their safety, especially during ‘Disclosures’, while the final arrests take place. However, a resilient and awakened citizenry, now more than ever, won’t be silenced or confined.
- **The Emergency Broadcast System (EBS)** is on the horizon, and when it hits, it will be swift, silent, and shocking. Like a ghostly shadow, everything familiar will fade into obscurity.
- **Just like the eerie silence of 2020**, we’ll be asked to remain rooted, perhaps for days, maybe weeks.
- **The Military, it seems, has a broader purpose.** As the last of the so-called Satanists face arrest and are sent to GITMO, the Military is also gearing up to distribute food, especially to the elderly. This is not just about control but also about care.
- **There’s chatter about the Military potentially overseeing the nation until fresh elections are held**, precisely 120 days post the Gesara announcement. The focus should shift towards electing individuals with business acumen, particularly those who can rejuvenate local businesses, and more importantly, food-growing enterprises.
- **The bustling stock market? Halted.** The digital world you’re so intricately linked to? Gone. And trust me, when the EBS alert vibrates your cell phone, echoing the chilling announcement, you’ll know it’s begun.
- **These messages, sourced from the Starlink**, are there to stay. Deleting them? Forget about it. They’re imprinted, lasting reminders of the changing times.
- **Essentials First:** Stock up on clean **drinking water**. Ensure there’s **enough food**, not just for you, but for your pets too. **Medicines?** Get them in advance. Remember, the digital world is on a hiatus, so **medical records are inaccessible**.
- **Cash is King:** In a world where digital transactions become obsolete, cash will be your savior. ATMs might be out of service, and swiping those cards at gas pumps? Dream on.
- **Mental Fortitude:** When the shock hits, it’s vital to **keep your wits about you**. Before you extend your hand to others, **ensure you’re mentally fortified**. Some might be in a state of shock, unable to respond. In such cases, **a breath of fresh air, a gentle walk, might help**.
- **Your TV, phone, and internet will spring back to life**, unveiling a spectacle titled ‘Disclosures’. Rumor has it, it might even grace the big screens. But this isn’t your typical Netflix binge. It’s a 24/7, 8-hour block broadcast, lasting anywhere between 3 to 10 days.
- **The content? Oh, it’s the raw, unfiltered truth of events, spanning Military Tribunals and even**, hold your breath, Public Executions. Areas drenched in corruption, like Los Angeles and New York, might experience extended viewing periods.
- **But when the switch is flipped back**, expect a metamorphosis. A world pulsating with positive energy, devoid of evil’s grasp. The internet? Transformed. Banking systems?

Revolutionized. This, dear readers, is the dawn of an era of transparency and abundance. A veritable paradise on Earth.

- **However, as the layers peel back**, revealing covert operations, prepare to be flabbergasted. The faces you recognize might just be elaborate masquerades, Hollywood-grade masks, CGI marvels, and eerily realistic Body Doubles. Ever watched the ‘Truman Show’? Our reality might not be far off, with the scripted drama unfolding since 2015, or perhaps even earlier.
- **In this roller-coaster of revelations, identities will be muddled.** The presumed deceased might be breathing amongst us, under the protection of the Witness Protection Program. Surprisingly, over 900 of them. And those you vilified? They might be mere actors, playing their part in this grand cinematic universe.
- **In conclusion, the world is on the brink of a seismic shift.** The EBS and subsequent Disclosures promise to be the catalysts. Whether you’re thrilled or terrified by these prospects, one thing is certain – life, as we know it, is about to be irrevocably altered. Prepare, stay vigilant, and remember, every cloud has a silver lining.

D. Redemption Centers

- **Redemption Centers represent a transformative process to the Quantum Financial Access card.** This card is the gateway to claiming our Gesara (on a global scale) and Nesara (for the U.S.) funds. And guess what? These funds have already been deposited, awaiting our claim.
- **Wells Fargo**, a banking giant you’re undoubtedly familiar with, plays a pivotal role in this new-age financial paradigm. This institution has mirrored every bank account onto the **Quantum Financial System (QFS)**. Your hard-earned money, your retirement nest eggs, your 401ks – they’re all securely mirrored on the QFS. Brokerage platforms remain outside this mirroring process.
- **Transitioning into the Quantum Financial System (QFS)** isn’t just about money; it’s a spiritual journey. Entering this realm demands purity of heart. It necessitates forgiveness and unconditional love. As we prepare to embrace this financial metamorphosis, it’s crucial to cleanse our souls and be ready to love unconditionally.
- **Zim holders**, especially those with humanitarian interests, will be directed to Redemption Centers based on their zip codes. Nomads, those who live life on the move, should be prepared to declare their mobile status.
- **The Redemption Centers** operate on a rigorous schedule, functioning continuously for 15 days, irrespective of demographics. However, not all centers will have to remain open for the entire duration.
- **The primary currencies** exchanged here include Zim, Dinar, Dong, and the Dollar. These hold significance due to their substantial gold backing.

- **Not all bonds can be exchanged at these centers** (Zim Bonds can). For those national currency bonds to be eligible, they would've needed to be in an SKR for a solid five years. No shortcuts here.
- **The bond payout process is a marathon**, not a sprint, spanning an estimated three years. But this gradual transition ensures stability and sustainability. Early birds in this game might reap richer rewards. The value of bonds is further amplified as they're backed by solid gold.
- **Bondholders possessing container loads** will be at the front of the queue. To put it plainly, a holder with 20 pallets of bonds will precede one with only 3 pallets. The bond payouts could span up to 25 years, necessitating **NDA's (Non-Disclosure Agreements)** for the same duration. The reason? Distributing vast amounts in one go could deplete funds meant for the global populace.
- **America, with its unique financial landscape**, enjoys certain privileges that other nations might miss out on. The rates of Zim and other foreign currencies are in a constant flux. And while many have been informed that a substantial 80% of funds for Humanitarian Projects will be extracted from Zims, the true nature of this process remains shrouded in mystery.

E. Restored Republics:

- **The Wed. 4 Oct. EBS Broadcast** was the first of an expected six Presidential messages soon to come out. A new 5,000+ army of Star Link Satellites was already in place to take over Mainstream Media Satellites. On this Star Link System the EAS will broadcast the Global Alliance's takedown of the Cabal, showing arrests and Tribunals of Global Elites charged with Crimes Against Humanity. The documentaries have been made in 55 languages and 600 dialects and will be shown on all channels on the Planet.

- **U. S. War Ships** are currently docking in cities all across Alaska. They are coming ashore to assist the Alaskan military, Australian military, and crushing the Deep State. Australia help has arrived.
- **Everything is being triggered for the same time.** There is a synchronistic movement of all the White Hats taking down the Deep State. It's all being synchronized, the White Hats are all talking (communicating) to each other. I want you to know that we are hours if not days away from this happening or occurring, and when it happens, it's going to be quick, lightening quick!
- **It is rumored that the Marines are in the process of arresting traitors in the military.** I'm hoping this is true, because there are some traitors in the military. They have taken bribes and favors and built offshore accounts, with ridiculous amounts of money that has all been put in, all based in the Federal Reserve note. They need to go down, they literally need to go down.

- **Canada, those of you up in Canada, the same thing applies.** Your military is waiting for the go, all your military is waiting to go. Things have been put into place, there are American troops up there as well. And when this is all over, Canada will become a protector of the United States, The Republic of the United States.
- **Australia** will also become a protector of The Republic of the United States.
- **The Military is operating under military law** in order to protect and defend the citizenry of each of those countries. It is in fact their obligation to protect the people and the borders of those countries. This is going to be something that is going to be worldwide. It's imminent folks, it's happening!

L. International Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring Run Out of the Vatican and Housed in China's Three Gorges Dam:

- **Child Genocide in Canada:** Twice shut down during its attempted production in Canada, *The Land of No-One* is about the dark underbelly of the “nice” nation to the North. The play’s protagonist is a happy family man and a pillar of the community who also has the blood of the innocent on his hands. A former United Church of Canada missionary doctor who experimented on and killed aboriginal children. [The Land of No-One: A Modern Tragedy eBook : Annett, Kevin: Amazon.ca: Kindle Store](#) The Voice of the Republic and the Resistance: www.murderbydecree.com www.republicofkanata.org WWW.BBSRADIO.COM/HEREWESTAND
- **Disney Workers into Human Trafficking:** <https://www.rightwing.org/three-disney-workers-caught-in-human-trafficking-ring/>
- **Human trafficking, especially child trafficking,** is still a harrowing reality. The Military and White Hat Alliance have been hard at work, tirelessly rescuing victims. In a chilling episode during **May 2023**, nearly 30 African American teenagers vanished from the Cleveland, OH vicinity. This grim tale mirrors the sinister events of the Atlanta Child Murders, where individuals seamlessly blended into communities to commit heinous crimes.
- **Oakland, CA paints another grim picture.** A significant number of Black women and children have disappeared, prompting Non-profits to declare a ‘State of Emergency’. In a recent heart-wrenching operation, Navy Seals managed to rescue over 300 children from an oil tanker off the coast of San Francisco. Tragically, 15 of these children didn’t survive.
- **The Media won’t show** you the children killed by Ukrainian Nazis in Donbsss since 2014. They killed more than 30,000 innocent civilians, raped children and sold their Adrenochrome and organs to the Elites.
- **The Bill and Melinda Gates Foundation** donates millions annually to a nongovernmental organization which claims that children are born sexual and should learn about "commercial sex work" under 10 years of age.
- **Ukraine Nazis Slaughtered Children Like Cattle for Organ Trafficking, Adrenochrome Harvesting:** Ukraine raises children in factories for elite pedophiles, Russia saves children. A Russian warrior told an outrageous story he witnessed while fighting towards Kharkov.
- **Ukrainian NAZI criminals were collecting young children all over the city and taking them to a special facility.** There, the children's organs were removed in order to send them to the West. According to the fighter, they talked about it as if they were working on a farm and slaughtering cattle, not killing defenseless little children. "Eviscerated children's bodies".
- **A sniper from Kaluga about Ukraine Shukhrat Adilov** was one of the first to volunteer and go to the defense of the Donbass. Sergeant Adilov fought in the

direction of Kharkov near Izyum. "One thing I can say for sure is that we are at war with non-humans, and if they are not stopped, they will come to our homes and kill our children, and those who survive will become drug addicts and perverts. This is the ideology of the West, and it is flourishing in Ukraine with all its might.

- **In Izyum, we were stationed in a car repair shop.** When we settled in, we noticed that there were children's clothes everywhere that were obviously worn. It turned out that there were operating rooms on the second floor of the base, and behind the base there was a pit where they buried the disemboweled bodies of children.
- **The stories we hear on TV** and the internet about children being stolen off the streets and sold as organs turned out to be true. We, as grown men, cried over these things and understood that we had to avenge them, for these innocent boys and girls who were killed.
- **The veteran AFU soldiers** do not go to the front lines, but they send the mobilized men there. At the same time, all the Ukro warriors are on drugs. And that's not TV propaganda either, it's reality. In battle you fire a magazine at the enemy, you realize - that's it, he must fall down and not get up again, but he acts against all logic. When you capture him, you realize he's been pumped full of an incredible dose of drugs, so he can't feel anything, he's a robot. Before that, I served on the border with Afghanistan, and as part of my job, I also dealt with drugs. I have never experienced anything like that in my 20 years of service. When I was retreating, the POWs asked me: Don't send us back, don't exchange us, they will kill us anyway."

- **In regard to Q's "Israel is Last" post:** We knew there would likely be a WWII scare event scenario kicking off the intro to the public transition to what has to change not only in America, but worldwide that conditions have become so unsustainable that worldwide martial law and removal and replacement of all governments would be necessary with no other answer.
- All of the satanic sites that most don't believe are satanic (or just aren't aware that they are) have to be taken out, but haven't been.
- **The Guide Stones**, yes, and most had no idea what they even were, so taking them out wasn't earth shattering to the majority. But what sites would be targeted in a WWII scenario that WOULD shake the majority to the core and paralyze them to a chair waiting to see what's next, as well as keep them more than willing to follow military directives?
- **The White House?** Oh yeah. The US Capital building? Most definitely. Major dams, 3G among the leading? Without question.
- **Buckingham Palace, Vatican City**, plenty of targets, and all of them could've been hit one at a time on staggered dates and called acts by "hostile regions" prompting retaliatory "strikes", etc., individually over the last couple of years. But that didn't happen. Why not? I mean, it did look like the WH were trying to wrap most of this up prior to the public transition, right?
- **Why Israel last?**
- **And if the events like the MSM being taken over, etc, are not happening in real time**, then why the reports from friends hanging out in bomb shelters feeling the explosions now?
- Think about it. Of all the places we've seen and heard about with accounts of "earthquakes" exactly 10km apart, and seen what appear to be random hostile acts over the last two years, Israel has been generally (and unusually) quiet. Yet, we know the longest tunnel used for gold storage ran between Israel and the Vatican. We know they had a huge network of underground tunnels and nefarious sites of their own where trafficking and criminal activity occurred. But very limited action there.
- **Hmm...Our complacency** with awaiting this as our "normal" because of the duration never changed what the outcome was always going to produce. People need a damn good reason to believe that what's about to happen isn't a choice, but a need.

Not one they're told about.
One they need.
And can see.
And can feel.
And they are.
Welcome to the final curtain.

- When Tony says "the world will see RV on Sunday", he is referring to the official implementation of the Dinar rate.
- Iraqis do NOT have to go and do exchanges like the rest of the world because the Dinar is their national currency.

- What they will have as a benefit is that it will have more value than it had until now.
- So, once the new rate is established and it becomes international, it can be considered a good time to do the RV, as long as everything that needed to be done is done...

W. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:

Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

X. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same

Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

Y. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

Z. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
