- **The Ukraine government lost track of 20,000 children** who they claimed were deported or forcibly deported by Russian soldiers, but that number could be as high as 300,000. However, what he didn't say was that Ukraine housed an international Child Sex Trafficking, Adrenochrome and Organ Harvesting Ring in it's Underground Tunnels

– where Russian soldiers rescued children. There were documented videos of an organ harvesting facility where children were killed for their organs.

### **"Ken and Barbie vs. Goliath IRS" Case Update:**

**Judy Note:** Ken Cromar was sitting in jail facing a ten year sentence even after Militarized IRS SWAT Teams took away his fully paid for home and destroyed all his possessions including expensive camera equipment he used to make a living – even though he won his case in a Federal Tax Court that he owed no money to the IRS.

The privately owned by bankers IRS was obviously trying to make an example of the "Ken and Barbie vs. Goliath IRS" Case and wield their power, even though our taxes were collected and used by foreign entities and our courts were designed against our ability to gain Justice and Freedom to protest against those Constitutional rights being taken away.

**From: Ken Cromar**

**Good morning Americans!**

**It's day 76 for me in the IRS/FBI Gulag.** I was kidnapped by them on August 30th in a small Wyoming town bordering Idaho. I have now been held hostage these many days as a political prisoner of the IRS and FBI terrorism task force. They say I am a danger to society. All I've done is stand up for the truth and the law. The law is our friend.

**A secret grand jury convened on our case on April 19th** this year (an ominous day... WACO, Hitler's birthday, etc.) I and my legal team don't believe a lawful grand jury was convened. We requested immediately, but not received yet, recordings, transcripts, and other evidence. Barbie and Ken vs Goliath IRS trial by jury is about to play out December 11th. They want to put me away for ten (10) years and at 64 that's essentially the rest of my life.

**Getting info from my own legal team has been blocked** numerous times and our 6" thick worth of research and court documents, we assume, have been stolen and made available to the prosecution to learn our defense strategy.

**The prosecutors have defied the court order to provide all Discovery by September 19th.** Didn't happen. The DOJ/Washington D.C. laptop was to contain 697 files of evidence, but **when I received it finally, November 6th** at 1:18 p.m., it had an additional 575 files, making a total of 1,272 files for me to review and find out what their claims against me are. Upon just a

quick review, I've discovered a number of items that prove our innocence and their guilt. Which items we intend to use in court.

**Despite all their best efforts to deny my rights to access my legal team and their work in my behalf,** we have miraculously created amazing documents that have been filed on the court that the team believes should get me released. The prosecutors are determined to win and destroy the Cromars at all costs.

**Today my team and I will be filing** a number of additional important documents on the court record.

**May I please request your prayers for wisdom, light, knowledge, and justice upon me,** upon the federal magistrate, Dustin Pead, and prosecutor, Mark Woolf, as well as Utah State Judge Christine Johnson, who had intended to sentence me this Friday, November 17th, but we filed a motion for continuance (delay until after the federal trial). The criminal IRS cabal is doing everything possible to win, but this is the Lord's battle to destroy that corrupt and deceitful financial empire.

**Thankfully, Barbara has not been kidnapped.** Please pray for her safety, too. Our Cromar family favorite scripture is Proverbs 3:5-6 5 "Trust in the Lord with all thine heart; and lean not unto thine own understanding. 6 In all thy ways acknowledge him, and he shall direct thy paths."

**Thank you for being our friend, loving the Constitution and supporting us in our battle to protect it.** May liberty and justice prevail in this epic David and Goliath battle. We believe in miracles.

**With love and respect,** Ken

**Ken has so appreciated the postcards** he's received and would love more. Plain postcards, pre-stamped, handwritten, complete return address (no address labels or stick-on stamps) Please mail to: Paul K. Cromar # 567164 Davis County Jail P.O. Box 130 Farmington, UT 84025-0130

### **G. The Globalist Agenda:**

- **The Globalists** were perpetrating a War on farmers all over the World.
- **The unelected Globalists** were pushing to eat bugs, creating artificial meats and buying farm land that they won't utilize in order to create a food crisis all over the world.
- **Globalists at the World Economic Forum and UN** were fabricating every kind of pretext imaginable to seize millions of acres of land from independent farmers, under the banner of UN Agenda 2030, but so that they could control the World's food supply.

- **The objective** was always the same: remove people off of the land so that you can remove their freedom, so you can bring them under control.
- **They want to crush small business** because being independent of them was how you're going to fight back.

The parliament infected Europe with shameless partisanship! The infection became so contagious that they infected other institutions, like

the European Commission. The parliament has abandoned the basic function of representing its people. Instead it has become a machine that implements the so-called European Agenda, thus alienating millions of voters. The parliament has become a vehicle of the left, to impose their monopoly with their fierce intolerance towards dissenting views. Call it what you will, but DEMOCRACY it is NOT.”

- **On Mon. 13 Nov.** Deep State Zionist Netanyahu threatened, “If Israel loses this war, then Europe is next and America after that.”
- **With Russia now winning the war in Ukraine** US Taxpayers were no longer interested in funding that war. The Military Alliance has pretty much taken down the Deep State Cabal’s lucrative international Child Sex Trafficking, organ and Adrenochrome Harvesting Ring, while the bankruptcy of the Cabal’s fiat US Dollar and a Global Currency Reset was taking away US Taxpayer monies from the Deep State Cabal, leaving them with a zero money supply. #### **M. Gaza’s Hamas Tunnel System: 1300 Tunnels spanning 500 km, 80 meters underground**

- **Recent Situational Reports exchanged between the U.S. and Israel**, obtained by our team, have provided unprecedented insights into the tunnel system beneath Gaza. The IDF estimates there are 1,300 tunnels spanning 500 km beneath Gaza. The tunnel system has multiple levels.
- **Level One:** Entry and launch locations inside buildings for personnel and rocket launches.  
**Level Two:** Reinforced passageways for rocket transport and maneuvering  
**Level Three:** Houses the Oxygen Generation and Air Movement system generator.  
**Level Four:** Meeting and sleeping rooms for Hamas fighters  
**Level Five:** Main Gaza Metro connecting city blocks/sections  
**Level Six:** Storage for weapons, ammunition, and fuel, with doors always closed for safety  
**Level Seven:** Additional storage and sleeping rooms  
**Level Eight:** Command and Control Center for Hamas, connected via a hard landline, with a quick escape tunnel to the Gaza Metro for senior leaders' evacuation  
This tunnel system allows for quick movements, such as hiding after launching a rocket. The size of the network indicates many years of building at an extremely high cost.

This legislation allows a foreign mining company to mine copper anywhere they please if even a little is found there. Doesn't matter if there's a home on it or if it's owned by a private citizen. The Panama government has a history of doing this dating back even before the Panama Canal, where they killed citizens who stood up against the canal. Again, another foreign government/company coming in and pillaging land from regular citizens while government officials get rich off of it! So none of this is a protest because of what the copper mine will do, or how it may impact the climate. They're protesting against foreign companies coming in for a land grab, backed by government force, while officials open up their pockets!" Credit to @ddnpandfrens for his extensive research on this! He put in so much time/work despite not having a large audience (yet). Everyone has been misled by design! Kenneth Darlington is not only a dual citizen between Panama and America... he's also a corporate/commercial lawyer, who is defending the legislation put forth by the WEF. He is not the character from falling down. He's in bed with the Panama government and the Canadian mining company. His involvement goes way back to 2005 when he started to work as a lawyer for Marc Harris.

## **S. Judy Note on the Satanic Ritual Abuse of Children in Your Neighborhood:**

*Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.*

*There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.*

*To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.*

**T. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities”** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

**U. Jenny Hill's witness to a Satanic Child Sacrifice Rite: Woman Sees Human Sacrifice - YouTube** <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of

being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

## **V. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**W. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
