#### **D. Global Financial Crisis:**

- **Before the US dollar actually had a real value and was backed by silver.** Today, like the currency of most nations, the Federal Reserve dollar is fiat money, un-backed by any physical asset, which means they can basically print as much money as they want and it's backed entirely by the full faith of its people and trust in the government that issued it.

- **By Tues. 23 Jan.** Basel III Compliance was finalized for all banks across the Globe. In other words, the bank's monies must be gold/ asset backed or they would be closed down

- **The fiat US Dollar** would be considered useless by **11 March 2024.**

#### **G. Wars and Rumors of Wars:**

- **General Flynn** states that when Hamas attacked Gaza, “on the 7<sup>th</sup> of October there was a decision made by Netanyahu to have a security stand down for seven hours.” Netanyahu must be REMOVED... and looks like that's the consensus.

#### **H. The Deep State Cabal Illuminati:**

- **Dutch political commentator, Eva Vlaardingerbroek** on the WEF's plan to impose a personal carbon allowance, connected to digital ID, under the guise of tackling the imaginary climate crisis. "The CEO of one of the largest Dutch banks said, if everyone gets individual personal carbon credits, why don't we make it so that rich people, who for example want to go on holiday a little too often, can buy personal carbon credits from people who can't afford buying plane tickets or eating meat too often? So what will happen is the rich will get richer, the poor will get poorer, and they're saying it openly as if it's not a controversial thing at all. It's neo-feudalism. That's what it is."

The army then went to WAR and spread disease around the world.
- **Radio Frequency Radiation is a Class 1 Carcinogen.** During Covid Lockdowns only "essential" jobs were carried out - apparently the erection of thousands of 5G Towers all over the country were then 'essential.' Excess deaths & cancers continue to rise in ALL countries. ## **Update Tues. 23 Jan. Breaking News**

Dear Patriot Friends and Family,

**Judge Howard C. Nielson, Jr.** (Trump appointee) has called for a STATUS HEARING on **Thursday, January 25th, at 11 a.m.** in the U.S. District Court, Salt Lake City.

**To date, Magistrate Dustin B. Pead** has sat on the bench managing the pre-trial motions, etc. and has seemed prejudiced against me, Ken, and determined to keep me locked up until trial claiming that I'm a "danger to society". He determined this without one single man, woman, or child having ever sworn out any such claim of violence or threat of violence by me.

**It appears that Judge Nielson** may have been reading my court filings (some hand-written from my jail cell bed) and realized something may be very wrong with the United States of America Prosecutor's grand jury indictment and wrongful jurisdiction. If so, we believe 100% he is right!

**The prosecutor for the USA, Mark E. Woolf,** was required to provide a small piece of specific proof about the grand jury indictment by **Thursday the 18th.** He did NOT provide that proof. Therefore, we believe that it doesn't exist nor that the indictment is lawful, and the case is now ready to be thrown out on that issue alone.

**Please pray for Judge Nielson's wisdom** and discernment on Thursday morning. Please pray that the truth of these matters may come out in open court and that, God willing, this fraudulent case is immediately dismissed and that I am one step closer to being set free on the other side of this miraculously parted "Red Sea" where safety and liberty from "Pharoah's" IRS can be finally enjoyed.

**If you can come to the court** to support me at the hearing: 351 S. West Temple (Corner of Fourth South and West Temple) Room 7.300 Salt Lake City 11:00 a.m. (No indication on the court docket that there is an online option.)

**With much love** and humble gratitude, Your friend in Freedom, Ken (and Barbara safely hidden)

**P.S. This morning** a PROPOSED ORDER TO SET ASIDE THE JUDGEMENT was filed in the Utah Fourth District State Court, which we hope Judge Christine Johnson will sign and set Ken free there, also. Please pray for Judge Christine Johnson and Prosecutor Jared Perkins, that their hearts will be softened, too.

## **Q. "Don't Forget The Children" – The Writing of "Twenty-Two Faces," Judy Byington, MSW, LCSW, Therapist ret, Journalist**

*Twenty-Two Faces: Inside the Extraordinary Life of Jenny Hill and Her Twenty-Two Multiple Personalities* immerses readers into the perspective of a severely abused child with multiple personalities trying to make sense of her convoluted world – who through spiritual guidance and therapy, finally does.

This very controversial biography was based on an adult Jenny Hill's recollections of long hidden severe childhood abuse, plus her Alter Personality writings in Journals kept throughout childhood. As Jenny outlined the chapters of her life, her Alter Personalities would take over to write out impressions of their own experiences. I would then adapt the writing into book form.

My research for Jenny's story actually began long before I met her. As head of Family Counseling Center in Provo Utah I treated clients who couldn't remember their childhood. In the safe environment of therapy, away from perpetrators, these dissociated women brought forth repressed memories of unbelievable abuse during childhood. Often the recall started in bits and pieces of nightmares that became more and more detailed as childhood memories came to the surface. Other times something as simple as a red flashing traffic light, or a man in black clothing, would bring up torture long buried in their past.

Back then I didn't fully understand the connection between their horrid memories and the very planned out Satanic Ritual Abuse of children done to honor Satan. Nor did I realize that I was dealing with a very sophisticated Mind Control Programming from Nazi Germany developed through the CIA.

I was to later learn that Hill's Master Mind Control Programmer was behind most of her severe childhood torture. Together Jenny and I found him to be none other than the infamous "Dr. Green" who was brought into the US from Nazi Germany after World War II to be head of the CIA's MKULTRA Mind Control Program.

Because of the political complications and dangers involved, most often Mental Health therapists don't like to admit that they treat Satanic Ritual Abuse Survivors. Instead they refer to their clients as having the American Psychiatric Association diagnosis of Dissociate Identity Disorder (DID). The professional organization for DID treatment, the International Society for the Study of Trauma and Dissociation (ISSTD), doesn't even have the words "Satanic Ritual Abuse" anywhere on their website: [ISSTD - International Society for the Study of Trauma & Dissociation \(isst-d.org\)](http://isstd-d.org)

In the Dissociate Identity Disorder treatment community those in the know understand that many DID sufferers have grown up in multigenerational Satanic families. They have been Mind Controlled throughout childhood with their perpetrators using the complex pedophilia and torture techniques of the CIA's Dr. Green. The purpose was to split the child's developing brain's thinking patterns into multiple personalities – who are given specific internationally known names related to their abuse. That way any trained Mind Control perpetrator could call access and control any Satanic Ritually Abused Mind Control victim throughout their life just by calling out the Alter's Satanic name.

That reality of sophisticated Mind Control Programming had not yet entered my thinking when I first met Jenny through an FBI agent. By then several Ritual Abuse Survivors had described their chilling stories to me. And, upon the request of other SRA Survivors, I had spent over a year trying to gather evidence for a prominent case being prosecuted by the Utah Attorney General Satanic Ritual Abuse Investigators – that the state prosecutor refused to allow victims to testify in against their abuser because they carried Multiple Personalities. Yet, they had multiple thinking patterns because of the accused Satanic Coven Regional Leader's abuse throughout their childhoods.

It's no wonder that the State's case against the SRA Regional Coven leader failed in Court.

By the time I approached the FBI I had years under my belt of interviewing therapists, police investigators, county sheriffs and SRA survivors. I had traced a bloody trail of Satanic cult crime throughout the Intermountain West and identified at least five child victim murders or disappearances – yet no one would even open a case, let alone do an investigation.

Jenny had called the Provo FBI office a few days before I gave them a call about my findings (at which the Utah AG Office and various county sheriffs had refused to take a look). I was trying to get a case open on the Regional Satanic Leader, while Jenny was searching for parents of a girl she witnessed murdered in a Satanic Child Sacrifice rite at their tender ages of six.

It didn't take long for the agent to get a turndown from FBI Headquarters in Washington DC on both Jenny and my own requests to open cases for investigation. It seems the FBI big wigs in Washington didn't believe in Satanic Ritual Abuse, or so they said. The agent, perhaps out of guilt, did put Jenny and I together.

It was commonly known among experts in the treatment field that multiple personalities developed because of severe abuse during childhood. Jenny was very outspoken about having multiple personalities and wanted to have her biography published to not only validate others who suffered as did she from the disorder, but to expose her perpetrators, plus most important, try to protect Satanic Ritually Abused children by educating the public on the dangers to children of Satanic worship.

With Jenny's mission in mind, I soon felt it to be my own and was impressed to write her biography. I wanted to expose the affects of this methodical mind-control of the psyche on children. I decided the only way to explain her complicated life was to tell it from the simplistic mind of a child. That is, explain the life of a multiple through her own point of view, plus that of her twenty-two alters, some of whom were adults who grew up with her. Though, most were still children living within.

Jenny made the process somewhat easier via her journals. Throughout life when alters took over her mind and body, she skipped hours, days, even months of time. Confused at the time loss, she made it a habit of asking for guidance through prayer. By Age Seven the inspiration finally came to write down her experiences, "To help yourself and others, for some day a book will be written."

By Age Thirty-five when we met, her mission in life was more than clear. So was mine - I had experienced a few humbling challenges of my own where only God could give me answers, one of which became to write Jenny's biography. We would use Jenny's extensive journals that were interspersed with thoughts of her alter personalities.

We began by deciding on the time line and subject of each chapter, and then Jenny would write it out. As she did, certain alters took over to pen their own experiences. Alters only knew about Jenny's life during the time period they were active. Thus, the memories were very detailed – as if the events just happened moments ago. It made Jenny's long buried feelings easy to capture.

Though, the challenge of twenty-two different personalities, several of which might surface to finish one thought or another, created unending challenges not only for Jenny, but for this author.

As Jenny learned during her year-long stay at the Utah Psychiatric Hospital, writing out their life experiences can be very therapeutic for one who has been abused, Jenny, no exception. Transferring feelings onto paper was known to heal the soul by releasing stress of abuse long buried.

At least, that's the way Jenny's alters felt, and evidently the reason why they conveniently had her change personalities when applying for a nursing job at the Utah State Psychiatric Hospital where she ended up as an inpatient.

Therapy there involved daily entries into journals by Jenny and whoever else was present. We relied heavily on those alter writings for the book. In the beginning her personalities resisted penning their stories, even forced Jenny to quit for a year or so. Over time we learned that the more confident Jenny became, the closer her story rose to fruition.

There were setbacks, however. Sometimes one personality or another arose to discuss the stress created by having their lives in print, which we then would talk out. Another time when Jenny was writing on my computer her Head Alter J.J. took over and tried to erase the manuscript by hitting the delete button several hundred times. Luckily J.J. had no idea about the inner workings of a computer and the writing wasn't destroyed.

Then there were a few instances when different Evil Spirits from the Dark Side took over Jenny's mind and body. I learned from Jenny's therapist at the Utah State Psychiatric Hospital Dr. Weston Whatcott, that Evil Spirit takeovers was quite common for those in-patients who had been Satanic Ritually Abused. A SRA Survivor once told me she felt that her childhood programming left a window open in the back of her mind where it was easy for Evil Spirits to enter.

Things quickly cleared up through Jenny's prayers and requests for specially trained Elders of her Church of Jesus Christ of Latter-day Saints who were assigned to the state psychiatric hospital. They gave her blessings that cast out the Evil Spirits.

I must confess that we eventually found that Jenny had more than twenty-two alter personalities. In the healing process the worst memories of Ritual Abuse Survivors commonly refuse to come out for years. A couple of personalities even waited until the biography was published before expressing their tortuous past. Jenny asked we keep those recollections and the alters who held them, out of her biography. So, we did.

The final publication of "Twenty-Two Faces" resulted in a definition of both Jenny's and my own life's mission: to validate and expose the very profuse existence of the Satanic Ritual Abuse of children in our modern society that is evident, yet still very hidden, across the Globe.

**T. Judy Note on Satanists in Your Neighborhood:** *Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.*

*There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.*

*To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.*

**U. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities”** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

**Judy Note:** “Twenty Two Faces” was out of print and thus the demand for used copies were very costly on Amazon and other book websites.

When I first obtained the interest for publication of the book from New York Literary Agents and editors of big publishing companies such as Penguin Putnam, the basis of the book – the Satanic Ritual Abuse of children and the CIA Mind Control Program – led to turn downs for publication from owners of big publishing companies. We all know the reason for that.

Then a year or so after publication, my publisher Tate Publishing went out of business – which I believe had something to do with Jenny and I’s appearance on the Dr. Phil Show. That was a whole other story having to do with the Hollywood crowd.

When the White Hats get these evil followers and practitioners of Satanic worship under arrest I believe we will be free to publish a second edition. In the meantime look for a “Twenty Two Faces” Website to come up on the new Starlink Satellite System.

**V. Jenny Hill's witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down

to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

## **W. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**X. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
