Judy Note: *The global financial system is falling apart with banks failing.*

We have a flow of drugs and human trafficking at the border, with a president who not only doesn't have a clue how to stop it, but files legal charges against those who do.

Cabal governments including the US have deliberately caused both global fuel and food crises by burning down food processing plants, blowing up fuel supply lines, poisoning the food supply, buying farm land and letting it sit and passing legislation that drives up fuel prices and prohibits farmers from making a living.

The so-called leader of the Free World US has out-of-control inflation and has hit over \$34 Trillion in debt, with a President and Vice President who can't complete sentences, let alone solve problems.

There is a international Press that refuses to report the news about a population which wants to live in a bubble, ignore what's going on and calls those of us who want to do something about it Conspiracy Theorists – just like our US Tax Payer funded CIA has programmed them to do.

Don't you think it's Time for The Storm to hit full force and wake everyone up?

- **Sometime soon the Supreme Court** would reveal their findings on 2020 and 2022 Election Fraud – a decision that would likely dissolve the Biden Administration and all of Congress – and prove that Donald Trump was the lawfully elected president.
- **Rumor was that on Sun. 11 Feb.** at conclusion of the Super Bowl, there would be an important announcement – that would ensure the public's safety against planned chaos Events by way of activation of the Emergency Broadcast System.

B. Fri. 9 Feb. Wolverine on Non Disclosure Agreements:

https://t.me/Bearded_PatriotsUSA/15669

The Non-Disclosure Agreement (NDA) is a fundamental process in ALL large commercial contracts. Remember that you are about to become an "ultra-high net worth individual" and your confidentiality agreement prohibits you from:

1. Talk about your date.
2. What you are exchanging.
3. What rates you achieved in any format.

✳️The first short NDA would be signed and generated electronically by the Safe Link website from which we will obtain our T4B 800# to make our exchange and exchange appointments.

✳️The second NDA would be signed in hard copy at the exchange and exchange appointment.

All calls and voicemails will be logged. All phone call logs will be logged. All text messages will be logged. Twitter will be monitored (if active). Facebook will be monitored (if active). All networks will be monitored social networks and forums. All devices will connect to the federal government systems and seek to cancel exchanges for anyone who violates the Non-Disclosure Agreement by discussing virtual reality exchanges, dating or exchanging her, etc.

These confidentiality agreements will last approximately 90 days (possibly longer). Certain words will not be allowed to be mentioned.

✳️If you need to talk to friends, family, or anyone related to your specific projects, be sure to add them to your NDA Addendum/Waiver document.

Be careful not to send unnecessary messages or information that goes against the law.

These are legal agreements we are signing!

Avoid sharing confidential information with your friends and family. Even telling your children puts you at risk. Be very careful! Be careful of your surroundings. Anything you text, write, or say can be used against you because of your confidentiality agreement. Don't risk it.

IF YOU VIOLATE THIS NDA, YOUR FUNDS WILL BE FROZEN AND CONFISCED.

This will come into effect as you complete the information on the Safelink website.

*There are some mechanisms within the Safelink website that require you to agree to an NDA before receiving the 800 number to call.

If you are bringing a guest to your appointment, please inform the telephone operator.

They will also be asked to sign a confidentiality agreement and bring their KYC documents.

You will not receive responses from any moderators/administrators.

*There are exemptions for your NDA that need to know this information and are determined to know the proof and the origin of the funds, for example: lawyers, asset managers, accountants, etc.

*They are already protected by confidentiality within their professional files. But that doesn't mean you can't get them to sign another one with you directly.

Ask your banking team to let you have an NDA template that you can use alongside yours. Print multiple copies.

*When you arrive at the appointment, you will sign the NDA again with wet ink.

Ask if you can add a short list of exemptions, i.e. spouse, children, etc.

Take that list with you and make sure it is attached to the NDA before you sign it.

C. Recent GCR History:

- **On Thurs. 25 Jan.** the gold-backed US Dollar was introduced from the US Treasury in Reno.
- **The next day on Fri. 26 Jan.** all 86 Global Currency Reset platforms were loaded and launched.
- **By Sun. 28 Jan.** the new Iraqi Dinar Rate (which had been released in-country on **Mon. 1 Jan.**) and the new US Note were both trading on the Forex.

D. Global Economic Crisis:

- **In 2019, Mastercard—in partnership with the UN—launched a credit card that monitors its holders carbon footprint** and cuts off spending when they've reached their allocated carbon allowance. The card was discontinued in 2022, but you can be absolutely certain that the exact same functionality will be programmed into CBDCs if they're ever allowed to get off the ground.
- **Putin says the United States is killing the dollar with our own hands.** “To use the dollar as a tool of foreign policy struggle is one of the biggest mistakes of the U.S. political leadership. I think everyone understands very well that no matter how many dollars are printed, they are quickly dispersed all over the world. They won't stop printing it. Nevertheless, it is the main weapon used by the U.S. to preserve its power across the world. As soon as the political leadership decided to use the U.S. dollar as a tool of political struggle, a blow was dealt to this American power... It is a stupid thing to do and a grave mistake. Do you even realize what is going on or not? Does anyone in the U.S. realize this? What are you doing? You are cutting yourself off. Ask any intelligent and thinking person in the U.S. what the dollar means for the U.S. You're killing it with your own hands!”
- **US Inc. According to the CBO**, federal public debt amounted to \$26.2 trillion at the end of the 2023 fiscal year, accounting for 97% of GDP. That figure is expected to reach 99% this year and exceed the country's annual economic output in 2025 at 101.7% of GDP. <https://www.rt.com/business/592161-us-public-debt-record/>
- **Fri. 9 Feb. Rafi Farber: Another banking crisis is emerging**, will it be the last? Arcadia Economy: The next banking crisis appears to be upon us, as New York Community Bancorp teeters on the brink of collapse. Ironically, NYCB was one of the rescue banks that stepped in during last year's fiasco and absorbed the assets of the now-failed Signature Bank. I guess that didn't work out so well now that Signature's benefactor is also failing. This comes as an estimated \$1.5 trillion in commercial mortgage loans come due this year and next, which is reassuring. The unfolding banking disaster comes as gold and silver diverge wildly in terms of open interest, with the number of gold open contracts at 5-year lows, but silver open interest curiously going in the opposite direction. This is something that, technically speaking, I have never seen before.
- **In China, 271 tons of physical gold were withdrawn from the stock market in January.** It is the second largest withdrawal in history. The beer seems to be maturing. In what, we will soon find out. <https://www.youtube.com/watch?v=G3gUw5t8MaM>

F. Fri. 9 Feb. “Ken and Barbie vs. Goliath IRS” Update: Mocking God & the Constitution
<https://beforeitsnews.com/crime-all-stars/2024/02/mocking-god-the-constitution-barbie-ken-vs-goliath-irs-2495362.html> Tom Fairbanks, Intelligence Support Activity (ISA)

The deception displayed by the Court and Prosecution in the Federal Case against Ken Cromar exposes just how serious the battle between Barbie & Ken vs Goliath IRS actually is. While the desperation of the IRS and DOJ to convict Barbie & Ken demonstrates the venerability of the IRS and its orchestrated scheme to defraud and fleece the American public (We the People).

- **Despite Ken Cromar’s filing** asking the court for a delay so he could subpoena witnesses for the hearing on Cromar’s Motion to Dismiss, the 5:30 am wake-up call on February 8, 2024, “Cromar, you have court today,” was a clear indication that Judge Nielson had already made up his mind. At one o’clock, Judge Nielson told Ken Cromar that he had read all of Cromar’s arguments carefully about why the court lacked jurisdiction (authority to hear this case as presented by the government prosecutor) but Judge Nielson said he was not persuaded. He then explained his thinking and even provided Supreme Court sites to support his analysis, and then said, "Therefore, Defendant Cromar's motion to dismiss is denied."
- **Cromar stated**, “It should have been unnerving and stressful, but today it was not. I felt amazing peace and had great faith that our motion to dismiss could kill the case and drop all the charges, but equally as much faith to trust God's will and His timing. Either way, I was at complete peace.”
- **Conspicuously absent** from the hearing was Prosecutor Mark Woolf, who had previously stated he was quitting the case, yet continued to prosecute Cromar even after the addition of a Special Prosecutor from Washington DC. – This radical change in

direction makes me wonder if this is evidence that the prosecution is monitoring the articles and comments about Barbie & Ken in an effort to subvert Ken Cromar's defenses? It is certainly an interesting observation.

- **Mr. Woolf's attempt to get Ken Cromar to plead** to "submitting false documents to the IRS" exposed just how serious the IRS's ruling that the Cromars DID NOT and NEVER DID OWE ANY TAXES is to the prosecution. This is the smoking gun and everyone now knows it. The IRS and DOJ's posture of "Win At All Costs" mandates that IRS's ruling must be destroyed as though it never happened. This is a "no holds barred" moment for the IRS and DOJ because they cannot allow the public cannot see Barbie & Ken prevail or else everyone will finally know the truth about the fraudulent IRS.
- **The evidence shows** the orchestrated collusion of those who have perpetrated this Crime Against Barbie & Ken, which began in the Utah Federal Court under Chief Judge Robert J. Shelby who, without a single hearing, ordered the sale of the Cromar Home. Then after Judge Shelby refused to continue to protect the fraudulent buyer, "Bishop" Bellinston, the case was moved to a lower court, the Fourth District Court in Provo Utah under Judge Christine Johnson, without the approval of Judge Shelby. The Cromars filed numerous lawsuits in an attempt to protect themselves, their life, liberty and the pursuit of happiness, which each of the courts claimed were frivolous filings. (Denial of Constitution Rights)
- **Barbie & Ken filed Petitions** in the US Tax Court demanding Copies of the Notices of Deficiency and Notices of Determination that were required to be sent to the Cromar before any legal action could be made against them. Following a thorough search of the IRS records the IRS filed a Motion to Dismiss the Petitions with the US Tax Court on the grounds that No Notices of Deficiency or Notices of Determination existed in the IRS records. Then the US Tax Court Ordered the Petitions to be Dismissed and Acknowledged that Barbie & Ken DID NOT and NEVER DID OWN ANY TAXES for the tax years 1990 through 2020.
- **Over joyed with the News of their Victory** over the IRS, Barbie & Ken made an appointment to meet with their LDS Bishop and Stake President so they could share the news of their victory with them. At the appointment, however, Barbie & Ken were not allowed to speak, but instead they were presented with a Notice of Trespass informing them that they would be arrested if they stepped foot on any Church Property. What a startling reaction from the Christian Brothers who had been called to be Shepherds over Barbie & Ken. Condemned and ostracized without accusation or witnesses and literally removed from the Church without excommunication. Not everything is as it Appears!
- **Now, I have been informed that Ken Cromar's Bishop** is being subpoenaed to testify against Ken. WOW – the Prosecution must be desperate to figure out a way to get rid of the IRS ruling. First of all, what do they think Ken's Bishop knows about their legal problems with the IRS? Is this an attempt to create an illusion that Barbie & Ken have made a confession to their Bishop, which the Bishop is willing expose?

- *This should scare the daylight out of every latter-day saint. Every conversation with an ecclesiastical leader, whether by confession or not, can be used against you. This completely violates Clergy-Confidentiality* (Scott vs Hammock 870 P.2d 947 (1994) No. 910112 Supreme Court of Utah). “A clergyman or priest cannot, without the consent of the person making the confession, be examined as to any confession made to him in his professional character in the course of discipline enjoined by the church to which he belongs”. More importantly, if there is no confession involved the clergyman is still acting in the protected capacity of a clergyman and is required to keep any confidences they may have.
- **What an awkward position for the LDS Church to be in!** At a time that the LDS Church is under scrutiny for the way it handles allegations of Sexual Assault with religious leaders being instructed to call the Abuse Hot Line, which is managed by the LDS Church’s Legal Representatives, Kirton McConkie, and then claiming Clergy-Confidentiality to avoid making the leader testify in court; the prosecution against Ken Cromar pulls this?
- **To subpoena Ken Cromar’ Bishop** to testify against him is not only another unconstitutional act, but it also creates a very dangerous and slippery slope for the LDS Church. If they do not step in to intervene on Ken Cromar’s behalf and prevent the Bishop from testifying against Ken, their entire practice for defending their leaders, who are involved with cases of Sexual Abuse, will be utterly destroyed.

- **Fri. 9 Feb. The UN and Clinton Foundation** allegedly use an old US base in Panama to support the smuggling of illegal immigrants into America, suggesting an organized human trafficking operation. The Clintons are accused of funding this activity.
- **Disney sent children to Epstein Island** under the guise of snorkeling. Why do so many kids disappear in Disney World? Why does Disney groom your children through propaganda movies and cartoons? Disney is the definition of child sex trafficking.
- **Children are more valuable than drugs.** In excess of 8 MILLION CHILDREN go missing each year! CIA Officer and U.S. Marine Intelligence Officer confirmed that the torture of children to produce Adrenochrome is real. He also confirmed that the Clintons are head deep in child kidnapping and child trafficking.
- **Tim Ballard: A child was raped 60,000 times** – and was the fate of thousands of children. Millions of children as young as 5 years old are being raped over and over again. I. Thurs. 8 Feb. [New Benjamin Fulford: Secret Adrenochrome Intel! Actionable Intelligence on Child Torture Centers Received from High Level US Official | Prophecy | Before It's News \(beforeitsnews.com\)](#)

- **A high-level government official** (this person has been alone in the room with US Presidents and Israeli Prime Ministers) has given us very detailed and actionable intelligence on child torture facilities located across the US, the UK and elsewhere.
- **It includes the names and addresses of the torturers**, the names of the tortured children and the exact location of the torture centers.
- **The first PDF file contains the names of 540 children** who are still being tortured daily.
- **The second one contains the names of 400 children** who were tortured to death.
- **If you find your missing child's name on the list**, we promise we will leave no stone unturned to either rescue or get justice for your child. This is possible because the files contain the names and home addresses of 456 "Adrenochrome Harvesters," the euphemism they use for child torturers.

- **In Dec. 2002, Dr. Anthony Fauci described how the distinction between "bioweapons" and "biodefense" does not exist**, as later demonstrated by his gain-of-function research: "I found myself again, never imagining that I would be doing this, needing to learn from people that I never thought I would be learning things from, namely bio-weaponers. People who are our own bio-weaponers in the US decades ago, international figures, people from other countries, the UK, and also importantly, defectors particularly from the Soviet Union who had vast experience in the ways of bio-warfare."
- **Fri. 9 Feb. Brave New World: A study found that the COVID-19 pandemic in UK was iatrogenic**, as it did not originate from the SARS-CoV-2 virus, but originated from Midazolam use in euthanasia and then likely later from mass vaccination. The main findings supporting this conclusion are:
 - There were relatively few cases of infections in early 2020, indicating the non-prevalence of the SARS-CoV-2 virus in the UK.
 - **The UK Health Security Agency** declared on 19 March 2020, the absence of any "high consequence infectious disease", denying the existence of a pandemic.
 - **The enormous spike in excess deaths** attributed to COVID-19 was inconsistent with the lack of prevalence of the SARS-CoV-2 virus, which was not verified, due to shortages and unreliability of PCR tests.
 - NHS and Nightingale hospitals were mostly empty, confirming absence of a pandemic.
 - **The excess deaths** were spread uniformly and simultaneously across all English regions, inconsistent with natural contagion.

- **The spikes in excess deaths** across all regions were strongly correlated with Midazolam injections, implicating euthanasia, particularly of the elderly in care homes.
- **On investigation, the UK Government, Amnesty International and the Care Quality Commission** have all acknowledged that “a systemic or structural dysfunction in hospital services” and the widespread blanket use of “Do Not Attempt Cardiopulmonary Resuscitation” (DNACPR) notices in care homes have contributed to excess deaths in the UK

- **Putin wants to know why America is fighting for Ukraine's border and refusing to defend it's own border:** "Do the United States need this? What for? Thousands of miles away from your national territory. You have issues on the border, issues with migration, issues with the national debt, more than 33 trillion dollars... You have nothing better to do so you should fight in Ukraine? Wouldn't it be better to negotiate with Russia? Make an agreement. Realizing that Russia that will fight for it's interest to the end. Return to common sense and look for solutions."

- **President Putin** calls uncontrolled development of AI, genetic research, and creation of "superhumans" a threat to mankind.

- **Russian President Vladimir Putin** explains to Tucker Carlson why he feels they are entitled to the Ukrainian land, [during the 13th century] "Originally, the word "Ukrainian" meant that the person was living on the outskirts of the State of Russia, along the fringes, or was engaged in a border patrol service. It didn't mean any particular ethnic group. So the Poles were, in every possible way, trying to polonaise this part of the Russian lands and actually treated it rather harshly. This part of the Russian lands began to struggle for their rights. They wrote letters to Warsaw demanding that their rights be observed, and people be commissioned here, including to Kiev."

L. Tucker Carlson's Exclusive Interview with Vladimir Putin in Moscow:

TUCKER: What would you tell the people running America?

PUTIN: Our message is Russia is not your enemy. We don't want war. We're ready for peace. Your leaders seek conflict. This is not what we want. Russia stands for its own people. We do not want what is not ours.

TUCKER: Would you visit Washington?

PUTIN: Yes, of course. I've been to the United States Before. I enjoy visiting and have met with every president except Joe Biden. If invited I would go. Yes.

TUCKER: What is your opinion of President Biden?

PUTIN: We're convinced he is not running the country. Let's say we have good sources that confirm that but it's plain for anyone to see for themselves. The US has now entered into a dark period. It has unaccountable leadership.

TUCKER: Do you think Joe Biden won fair and square?

PUTIN: I would rather not get into domestic American politics but will say my embassy reported your southern border was better run than that 2020 election. (chuckles)

TUCKER: One poll in America shows you more popular than Biden – any reaction?

PUTIN: (laughs) I don't know if that should be taken seriously but Russian ideals have support. We believe in traditional values; marriage is between a man and a woman: men are men and women are women.

TUCKER: Who would you like to see as the next president of the United States?

PUTIN: Once again it is not for us to say or get involved. Contrary to longstanding accusations we do not meddle in your elections. We don't need to because the same people end up running things anyway.

TUCKER: Why did you invade Ukraine?

PUTIN: Did we invade or were we invaded? Look at the history. Look at the people living there. Historically it's we who were invaded and are simply fighting back now. The lands and people are Russian and we will have again what was always ours.

TUCKER: How will you feel if Trump won again?

PUTIN: We had good relations when Mr. Trump was president. There was no war. Our relations were at a high point. That said nothing is predictable or stays the same. We will have to see.

TUCKER: What do you think of Mr. Zelensky and what would be your message to him?

PUTIN: I remember laughing to his jokes when he was a comedian in Russia. Let's go back to laughs.

TUCKER: Why is that?

PUTIN: There are strong financial entities in whose interest it is to keep us as adversaries. One of your presidents warned against that. We Russians do not have that problem.

TUCKER: Do you see the United States as an enemy?

PUTIN: No. Categorically no. We were allies in WWII. Russians helped settle Alaska, California and we were in Hawaii too. Our people are not enemies but those in DC are certainly not our friends.

TUCKER: Can you be more specific and name names?

PUTIN: It would be pointless. It is not up to us to solve your domestic issues. Besides, I'm sure you know the names better than us.

TUCKER: So are you saying your adversary is not Joe Biden but the people behind him?

PUTIN: Exactly. Joe Biden may not even be aware of what's going on. He may not understand the level of sanctions thrown at Russia. Who put those sanctions together? Those are our the adversaries.

TUCKER: Is that why you are championing the BRICS?

PUTIN: [The BRICS](#) would exist anyway. It's a natural reaction to the western trading block. It's a counterweight. When the dollar is weaponized against states there will be a natural alternative to it. That's what we want.

TUCKER: Is that why you and Russia have been targeted?

PUTIN: It's more complicated than that but I'm sure it's a good part of the reason. Whenever the dollar is endangered, the United States takes extreme measures. It cannot afford to have the dollar fail.

TUCKER: But isn't Russia weaker and more vulnerable economically than the US?

PUTIN: When you look at the size of economies we are small. But few people take into account our vast natural resources. Russia has over \$80 trillion in the ground. No country even comes close to us.

TUCKER: What is your opinion of President Biden?

PUTIN: We are convinced he is not running the country. Let's say we have good sources that confirm that but it's plain for anyone to see for themselves. The US has now entered into a dark period. It has unaccountable leadership.

TUCKER: OK. Point well taken but don't you have the same issues in Russia.

PUTIN: Yes. To a degree. But in Russia those interests are more aligned with the thinking of the average Russian man on the street. In the United States, that is not the case. The elites have deserted you.

TUCKER: So who do you think is running the US then?

PUTIN: The same forces which have always run it. You may change presidents but you do not change those in real power. That is who we have to deal with. Joe Biden is just a facade for this power structure.

TUCKER: Thank you for sitting down with us. How is your health? There have been some rumors.....

PUTIN: I'm glad to talk to you and through you to the American people. I'm fine. I feel good. Given my years I'm in the best of health but father time.

TUCKER: There have been persistent reports you have cancer?

PUTIN: I assure you those rumors are false. If I had cancer and beat it I would share the good news and the cure with the world.

TUCKER: When you say some fear him are you saying Musk has enemies?

PUTIN: It's clear to see he has enemies within the United States – the way he was stripped of \$50 billion in assets – we would call that being signaled out for special treatment. It's unfair on the face of it.

TUCKER: Didn't you fear Musk when he started supplying Ukraine with Starlink gear?

PUTIN: If anyone seriously thinks a few internet dishes can defeat the might of Russia – well what can I say. But no, we did not fear or blame Mr. Musk. The government didn't give him much choice.

TUCKER: A lot has changed in the world. What's your opinion of Elon Musk?

PUTIN: We see Mr. Musk as a businessman – a highly successful one. He’s built a great fortune and a huge following. He’s a unique thinker with a force of personality who cannot be bought. Some fear that.

TUCKER: Do you any advice for Elon?

PUTIN: I would say continue on. Do not be intimidated. But if the going ever gets too rough there is Russia. We would gladly open our doors to you. We have welcomed American businessmen before and would value someone of Mr. Musk’s caliber.

TUCKER: Let’s turn to Trump. First tell me how you feel about the current situation with the likelihood of him being reelected?

PUTIN: It would be a bit strange and out of order but we are well prepared. He has promised to end the fighting in Ukraine and we support that notion.

TUCKER: How could he end you end the war so fast?

PUTIN: For one thing he never insulted us. He has a great respect for Russia. We would start from a position of friendship and trust – then all problems are solvable. We could get it done. Trust me.

TUCKER: Are you referring to Biden calling you a killer?

PUTIN: We have been the recipients of numerous insults and slurs going back a few generations of politicians. Mr. Trump was a refreshing break from that. He is very popular in Russia. Perhaps that won’t do him any good.

TUCKER: Are you in any communication with Trump?

PUTIN: No. Of course not. But should he win again our lines of communication would open up instantly whereas right now we have no dialogue with President Biden.

TUCKER: That’s shocking to me. No one from the White House has been in contact with you?

PUTIN: That’s right. No one has called since we congratulated Mr. Biden on his election victory. It’s puzzling to us that communications are colder now than during the Cold War.

TUCKER: How do you think the 2024 election will go?

PUTIN: We are just observing. It’s our responsibility to be vigilant since it will impact the world. We are hoping the election is carried out in a way where the results can be believed. In Russia we do not have mail in ballots.

TUCKER: Let’s turn to China. What is your relationship like?

PUTIN: President Xi and I are especially close. Russia and China are enjoying good relations as of now which is an obvious asset to us since they are one of our biggest energy partners. We will continue to be friends.

TUCKER: There are accusations China has helped you in the war in Ukraine. Is that true?

PUTIN: That is not something I can discuss. Let's just say Russia isn't an isolated power. That strategy has failed. We have more allies and trading partners now than before the war started.

TUCKER: Do you ever contemplate a situation where Russia and China may join forces against the United States?

PUTIN: Do you mean economically or militarily? I would say we want neither. It's not in our interest to clash with the US because all sides would lose in such a conflict.

TUCKER: Speaking of conflicts, what is your take on the Gaza situation?

PUTIN: It is really unfortunate. The Palestinians are being devastated. Israel is acting in an unconstrained manner. It shows the terrible double standards in the world. Where are the sanctions on Israel?

TUCKER: Is Russia involved in any way especially through your alliance with Iran?

PUTIN: No. Of course not. We do not oppose the existence of Israel but at the same time we support the right of the Palestinians to self-determination. We want to be even-handed.

TUCKER: Are you following what's happening on the US southern border?

PUTIN: Actually, yes. It's part of my daily briefing. We Russians find it ironically amusing your Congress will spend billions protecting foreign borders but neglect it's own. It's quiet laughable but deadly.

TUCKER: Deadly? How do you mean that?

PUTIN: Deadly serious of course. People are dying daily crossing your border in an uncontrolled way. It is a free-for-all. The world hasn't seen anything like it in the modern era – reckless for a country to throw itself wide open like that.

TUCKER: Is Russia taking advantage of the border situation in any way?

PUTIN: No. Why should we. We don't have to do a thing. America is self-destructing. And as Napoleon said, don't stand in the way of your enemy destroying themselves.

TUCKER: So then you do see America as an enemy?

PUTIN: That was just a saying but the current administration is definitely not a friend.

TUCKER: Can that be changed?

PUTIN: That's why you have elections.

TUCKER: Thank you again for continuing to engage with me on so many different topics. Can we get even more interesting so to speak?

PUTIN: For sure. I am open to most subjects.

TUCKER: Let's touch on climate change. It's still being pushed in the United States and Europe. What's your position?

PUTIN: Humanity is not even a Type 1 civilization on the Kardashev scale. If we can't harness the energy potential of the planet how can we control the climate?

TUCKER: Are you at least concerned?

PUTIN: I'm more concerned with real issues. Climate change is not one of them. The Earth does a fairly good job of regulating itself. And if Siberia gets a little warmer all the better. More farmland for Russia.

TUCKER: But what would you tell the true believers who're convinced we're headed for disaster?

PUTIN: I'd tell them worrying about climate change is like complaining about the weather. If you don't like the climate, move. If you are worried about the weather, get an umbrella.

TUCKER: Along those lines, how do you see the transgender movement?

PUTIN: It's interesting to me that all the things which use to be a target of blackmail are now badges of honor. In Russia there are no laws either way but we certainly do not force our children into it.

TUCKER: Russia has been criticized for its anti gay laws and as being unfriendly to LGBTQ+.

PUTIN: We have laws which protect our children. And we do not drape our embassies in rainbow flags. That's correct. Otherwise we do not interfere in the private lives of adult citizens.

TUCKER: Do you follow American sports? We are about to have the Super Bowl.

PUTIN: In fact, yes. Russia is a great sporting nation. We hosted the Winter Olympics and the World Cup fairly recently. We like all sports.

TUCKER: What do you think of American football?

PUTIN: It's an interesting sport. But why do you call it football when the ball is almost always played with the hands? It also seems needlessly violent at times.

TUCKER: That's true. Will you be watching?

PUTIN: The game will not be shown in Russia.

TUCKER: So you won't get to see Taylor Swift either then?

PUTIN: No. We have been given a reprieve.

TUCKER: Thank you President Putin for your time.

T. Judy Note on Satanists in Your Neighborhood: *Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.*

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

U. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Judy Note: “Twenty Two Faces” was out of print and thus the demand for used copies were very costly on Amazon and other book websites.

When I first obtained the interest for publication of the book from New York Literary Agents and editors of big publishing companies such as Penguin Putnam, the basis of the book – the Satanic Ritual Abuse of children and the CIA Mind Control Program – led to turn downs for publication from owners of big publishing companies. We all know the reason for that.

Then a year or so after publication, my publisher Tate Publishing went out of business – which I believe had something to do with Jenny and I’s appearance on the Dr. Phil Show. That was a whole other story having to do with the Hollywood crowd.

When the White Hats get these evil followers and practitioners of Satanic worship under arrest I believe we will be free to publish a second edition. In the meantime look for a “Twenty Two Faces” Website to come up on the new Starlink Satellite System.

V. Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshippers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

W. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It’s not about the money. It’s about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

X. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
