“Give Said the Little Stream”

[Music & the Spoken Word \(thetabernaclechoir.org\)](http://thetabernaclechoir.org)

Give said the little stream,
Give, oh give; Give, oh give.
Give said the little stream,
As it hurried down the hill.
I'm small, I know, but wherever I go,
The grass grow greener still.
Singing, singing all the day,
Give away, oh give away;
Singing, singing all the day,
Give, oh, give away.

Judy Note: *It was my opinion, and I could be wrong, that on Thurs. 22 Feb the Cabal Financial System imploded and Trump gave the Green Light to begin the rest of the Mass Arrests. Now there was no turning back and they hoped to have those arrests completed by Fri. 15 March.*

In order to arrest the estimated around five million members of the Cabal worldwide named on over 800,000 sealed court indictments, they eventually would have to activate the Emergency Broadcast System.

If they turned on that EBS by next Tues. 5 March it would give them 10 days to air the exposure documentaries over the new Starlink Satellites for the general public.

That way everything would be done by Fri. 15 March when it was expected they would announce to the General Public, the Global Currency Reset and return to a gold/asset-backed currencies across the Globe.

Tier4b (us, the Internet Group) could very likely go during that ten days of Exposure. So, doing some deductions on the above information, I expect Tier4b to have notification to set exchange/redemption appointments at least by next Tues. 5 March.

On Thurs. 22 Feb. 2024 Trump gave the Green Light for the Mass Arrests of five million Cabal members. That same day the Cabal had capitulated on their control of the Global Financial System, China and Germany experienced a Financial Collapse, plus Bitcoin stopped trading on the Stock Market and their owners were suspected to have taken the money and ran.

On Sun. 3 March Trump said goodbye to the Mainstream Media.

On Mon. 11 March the Federal Reserve will quit giving loans to the banks, which would close any bank across the Globe not Basel 3 compliant and in the BRICS new Financial System.

“They wanted the 10 days of darkness and RV/GCR done by Fr. 15 March. Agreements have been made. All electronics, WiFi, ATMs will go down. Businesses will be closed. Planes, Trains, Buses will be grounded. We had all better stock up on food and supplies, especially people in New York as truck drivers will NOT be making deliveries in New York in support of President Trump.” ...777 Time Traveler on X and Telegram Sun. 3 March 2024

The White Hats hoped to have Mass Arrests completed and the Ukraine War ended by Fri. 15 March 2024.

Meanwhile US Tax monies were paid to the Cabal in Washington DC, and then given to the Crown of England in London, then the Vatican Bank, where it goes out to Rothschild owned Central Banks across the Globe. When everyone is through making monies off the US Taxpayers, the monies were returned to a New York Bank that then charges the US Government interest to use it’s own monies to pay employees – thus running up the national debt.

B. The Pedophile Satanist Illuminati Nazi Zionist Deep State Cabal Khazarian Mafia Global Elite World Depopulation Agenda:

- **US Air Force Secretary Frank Kendall III** recently revealed that China was preparing for war against the U.S. and would likely attack us launching concurrent and targeted EMP attacks in big cities across America.
- **“We hope to get the necessary depopulation of Planet Earth, down to one billion”** Key Club of Rome member, Dennis Meadows said. "If you control the food, you control the people. That's ultimately the end goal (of the Deep State Cabal which included the Chinese Communist Party)."
- **There was proof that for years leaders of the Democratic Party**, along with Canadian PM Justin Castro Trudeau, have been colluding in acts of Treason with the Chinese Communist Party to create bio-terrorism and stolen elections for the US and Canada.
- **Wed. 20 Feb. “I know War and what’s going on in Palestine right now is not War.** It is Dehumanization, it is Genocide and it is an Ethnic Cleansing of a specific people to take their land. This is wrong. The US taxpayer is paying for all this, which makes it even more frustrating. This is wrong. You need to do whatever you can to stop this. We need a ceasefire now. This needs to stop.” ...Alan Sheboro, US Commander 2006, 2007, 2008
- **In 2019, Mastercard—in partnership with the UN**—launched a credit card that monitors its holders carbon footprint and cuts off spending when they've reached their allocated carbon allowance. The card was discontinued in 2022, but you can be absolutely certain that the exact same functionality will be programmed into CBDCs if they're ever allowed to get off the ground.
- **Key Club of Rome member, Dennis Meadows, hopes the "necessary" depopulation of Planet Earth**, down to one billion—an 87.5% reduction from today’s population—can "occur in a civil way." The planet can support something like a billion people, maybe two billion, depending on how much liberty and how much material consumption you want to have. If you want more liberty, and more consumption, you have to have fewer people.

And conversely, you can have more people. I mean, we could even have eight or nine billion, probably if we have a very strong dictatorship."

- **Feb. 2024: In a leaked video from a private World Economic Forum indoctrination session**, Klaus Schwab promises recruits that their "avatar" will continue to live after they die and that their brains "will be replicated through artificial intelligence and algorithms. You have the chance to look forward to a career of 50 years, maybe more... Your avatar will continue to live, and your brain will be replicated through artificial intelligence and algorithms... But at least 50 years."
- **Wildfires are Climate Change False Flags** to displace farmers and ranchers. They are being done using two methods: 1) Arsonists, like what happened in Canada. 2) Direct Energy Weapons, like what happened in Hawaii.
- **"If you control the food, you control the people. That's ultimately the end goal."** All around the world, unelected globalist bodies like the WEF and UN are waging war against farmers, in an attempt to seize control of the global food supply, under the banner of UN Agenda 2030—as detailed in a must-watch new documentary titled 'No Farmers, No Food: Will You Eat The Bugs?'
- **Sat. 2 March Texas Panhandle Illuminati DEW Attack Fires:** The massive Texas wildfire, the second largest in US history, has resulted in the deaths of thousands of cattle. Texas, known as the nation's largest cattle producer, holds over 85% of its herd in the Panhandle region. With 12 million cattle, as reported by the US Department of Agriculture, the losses are expected to be devastating for individual producers. The destruction of grasslands for feeding and farm buildings will worsen the situation for Texas officials. JBS, a beef supplier, has lost over 6,000 cattle. Additionally, they are currently facing a lawsuit from New York State Attorney General Letitia James. The lawsuit accuses JBS of misleading the public regarding a pledge to reduce its climate pollution over the next decade. Texas officials have also warned that the state's largest-ever fire could potentially intensify over the weekend, as high winds are predicted in the forecast. [The Livestock Loss In Texas Is MASSIVE | Survival | Before It's News \(beforeitsnews.com\)](https://beforeitsnews.com)
- **Fri. 1 March Senator John Kennedy** grills climate grifter from the US Department of Energy on the climate scam: "If we spend \$50 trillion to become carbon neutral by 2050, how much is that going to reduce world temperatures? You don't know, do you? You just want us to spend \$50 trillion, and you don't have the slightest idea whether it's going to reduce world temperatures."
- **Sat. 2 March:** As European farmers protest for their livelihoods, Bill Gates is promoting a company called Savor, in which he has invested. Savor is focused on replacing animal-based butter with synthetic alternatives.
- **2008 Founder of CNN Ted Turner**—who has six children—speaking in 2008 about the need to reduce the world's population by 5 billion people, to prevent Global Warming. "We've got to stabilize the population. We're too many people. That's why we have

Global Warming. We have Global Warming because too many people are using too much stuff. If there were less people they'd be using less stuff."

C. Project Looking Glass – the control of US Nuclear Forces – or EMPs, Ellis Washington Report: [Archive | Ellis Washington Report](#) [Real News for Real Patriots from the Judy Byington Report—Part 42 | Ellis Washington Report](#)

- **According to an article in Wikipedia, “Project Looking Glass (or Operation Looking Glass) is the historic code name for an airborne [command and control](#) center operated by the United States.**
- **It provides command and control of [U.S. nuclear forces](#) in the event that ground-based command centers have been destroyed or otherwise rendered inoperable.”**
- **The military project is designed to function even after some catastrophic level event or natural disaster or man-caused calamity like an EMP (Electromagnetic Pulse). An EMP “is a brief outburst of energy.”**
- **The electromagnetic interference caused by an EMP can disrupt communications and damage electronic equipment. An EMP such as a [lightning strike](#) can physically damage objects such as buildings and aircraft.”**
- **For example, according to a recent comment by the Air Force secretary says China preparing for war against the U.S. and will likely attack us launching concurrent and targeted EMP attacks in big cities across America.**
- **In the meantime, because the Biden administration has sold out to Chinese CCP interests they (through the Democrat Socialist Party) have infiltrated America from within to destroy this country, therefore as we speak New York City is defunding the police to pay for the housing of illegal immigrants.**
- **Why won’t Democrats just work with us to secure the border? Because they worship a different “god” called Satan whose tactic is “Ordo ab Chao” = “Order out of Chaos.”**
- **The U.S. experienced 23 separate billion-dollar weather and climate disasters in the first eight months of 2023 — the largest number since records began.**
- **Many experts see these record-level increases in natural disasters like the flooding in China and the fires in Maui, Hawaii related to man-made intervention [High-frequency Active Auroral Research Program](#) (HAARP) which can cause any conceivable weather event, anywhere on the planet with pinpoint accuracy and intensity all controlled by mankind. Let that sink in!**

D. Global Currency Reset:

Timeline:

- **On Thurs. 22 Feb. the Cabal capitulated, followed by Trump releasing the final phase of The Plan – which was Mass Arrests. Those arrests were hoped to be completed by Fri. 15 March.**

- **On Sat. 23 Feb. 2024** the World Trade Organization announced that Iraq had completed all requirements to be accepted as a member including having set their new Iraqi Dinar Rate, which the next day **Wed. 28 Feb.** the Central Bank of Iraq announced as \$3.47. Frank26 said the Dinar went live on Forex for \$2.70 and should fluctuate.
- **On Thurs. 29 Feb. at around 7 pm EST** Iraqi PM Al Suddani formally announced that the Dinar was asset-backed and Iraq had officially joined BRICS.
- **On Fri. 1 March**, with the various countries new currency rates having been agreed upon, Iraq officially joined other BRICS nations for the Global Currency Reset – exactly one year (**March 2023**) after the new Quantum Financial System went live on the Star Link Satellite Network.
- **Around Mon. 4 March through Thurs. 14 March 2024**, the Ten Days of Darkness/ Exposure appeared slated to occur.
- **By Mon. 4 March** Tier4b (us, the Internet Group) notification to set redemption/ exchange appointments could occur.
- **Tier4b will have 14-15 days** to exchange at Redemption Centers at the special rates, after which you would have to exchange at a bank at the lower rates.
- **On Fri. 15 March** the new gold/asset-backed US Note will be available to the General Public and will replace the old Federal Reserve fiat US Dollar in ATM machines.
- **It was also likely that on that same Fri. 15 March** Restitution and Rebate monies will begin to be paid out and Social Security increases will begin.

E. GCR Update Judy Note: *What We Think We Know as of Mon. 4 March:*

- **Sun. 3 March TNTRayRen98:** “I’m not supposed to tell you what a great weekend you’re having.”
- **Sat. 2 March Wolverine:** Hope you guys are excited! Things are happening. Please do not listen to those saying it will be **April of 2025**, etc. People are trying to cause you to panic and give up. All I can say is we are really rolling and about to cross that finish line. Many have waited for this for nearly 40 years, and I have been in this for about 5 years. I take my hat off to all those who stayed on and believed in this incredible opportunity. I want you to enjoy your weekend. Coming on Monday, Tuesday, and Wednesday, we will be having an awesome week. This is no rumor. You all have seen the news. The Dinar is in the Forex and soon to be tradeable and lighting up the screens. When it does, we will get our Green Light! Notifications should be **today Sat. 2 March or tomorrow Sun. 3 March**. In just a few days more it will finally be happening. I am excited, and it will be difficult to sleep! This is all I have to say at this time, as it has been draining on me for a long time, but we are finally seeing the light at the end of the tunnel. Hopefully, by Monday I will wake up with a Rainbow next to my window and there will be an Opera. Thank you for supporting me and staying with me. Love you guys, Wolverine

- **Sat. 2 March MarkZ:** There is a tremendous amount of group chatter with great expectations of funds moving. Many rumors have started over the last 24 hours. A number of group contacts are **expecting liquidity the first of the week....Monday 4 March or Tuesday 5 March.**
- **Fri. 1 March [QUANTUM GESARA aka TRUMPSARA: MOAB = Global Currency Reset \(1955\) + Precious Metal Standard + Quantum Gesara + DECLAS of Everything on Earth – Blockchain Elections – TRUMPSARA! - American Media Group \(amg-news.com\)](#)**

F. Sat. 2 March Bomb! Trump's secret meeting unleashes a global shockwave: Wells Fargo adopts the dinar, the quantum financial system is activated and the launch of NESARA begins!

- **Let's get straight to the point:** the world is not what it seems, and the recent clandestine meeting between the Iraqi Prime Minister and President Trump is the hard evidence we were looking for. This is not an everyday diplomatic appointment. This was a covert operation, shrouded in secrecy, with implications that could shake the very foundations of our economic system. The undisclosed location, lack of media coverage and high-level discussions point towards something monumental.
- **The crux of the issue is the announcement of Iraq's sovereignty** and the revaluation of its currency, the dinar. It's not just about Iraq; It is a sign of a global economic reset, a shift that could redefine wealth and power around the world. The fact that this news is being strictly controlled, and that rumors only reach those who are listening closely, tells you everything you need to know about the forces at play.
- **Let's make something clear:** When currencies like the dinar appear on the front screens of major banks, flashing with anticipation, it's not a glitch. It is the prelude to something big. Banks like Chase and Wells Fargo are not just financial institutions; They are the guardians, the ones who know the pulse of the global economy. Flashing rates are a beacon, a sign that the financial tides are about to turn, but they are waiting for the green light.
- **And where does that green light come from?** Everything is orchestrated from the shadows. The Treasury, the corporate giant Wells Fargo in New York, the bailout centers: all of these entities are pieces of a larger puzzle, waiting to reveal the grand design. The Wells Fargo email, that's the key. It is the signal for financial elites to act and start the engines of what will be the most significant redistribution of wealth in modern history.
- **But let's go deeper. The launch of NESARA, scheduled between February 22 and 29,** is not just a policy: it is a revolution. It promises restitution and recovery for people over 62, an unprecedented gesture of financial liberation. But why the secrecy? What accounts for the cryptic nature of these movements? Because the full extent of NESARA's impact is something the powers that be want to control. It's a narrative they want to develop on their own terms.

- **This is where the essence of our current situation lies.** The meeting between the Iraqi Prime Minister and President Trump, the secret discussions, the impending currency revaluation and the launch of NESARA, everything is interconnected. It is a meticulously planned sequence of events designed to transform the global economy, shift power, and create a new financial reality.
- **Skeptics and naysayers will call this speculation.** They will dismiss the importance of interest rates, undisclosed meetings, and the strategic timing of these announcements. But the evidence is hidden in plain sight, for those brave enough to look at it. All the signs are there, pointing towards a seismic shift that will soon be felt by all citizens, all governments and all nations.

G. Fri. 8 Dec. 2023 RV Update Ariel:

- **Michael J. Ruben oversees all of Columbia's GCR** implementation and is based in the US from the New York office. Salvage told me that "The GO" comes from this office, from a bank in New York.
- **Michael Ruben has been in contact with Mauricio Castaño** in Columbia and has given the gentleman THE LONG EXPECTED GREEN LIGHT to pay all 28 Paymasters in Columbia, which will result in them receiving FULL LIQUIDITY; In other words, MONEY TO SPEND to those in their groups, whom they are responsible for funding.
- **On Wed. 6 Dec. the end of the fiat USD** happened when President Putin met with Saudi Arabia UAE.
- **European, Ukraine, Russia, China and US Currency will go down in value**, which will help emerging markets like Iraq reinstate their currency so they can trade with 1:1 parity with 1st world economics.
- **Vladimir Putin** took the Russian chief of the Central Bank documents that were signed in behalf of all Opec nations that had to do with a currency peg.
- **The US Treasury, Federal Reserve, SOFT Bank, Japan Bank, China Bank, US Banks will all go to zero value between 15 Dec. and 15 Jan.** This is the panic window where everything goes into implosion mode. The fiat US Dollar will not be used after 1 Jan. 2024.
- **The US was functioning on fiat dollar derivatives**, or mortgage backed securities and could not pay off the one hundred trillion plus dollars due on Fri. 15 Dec.
- **That's why the bankers on Capitol Hill were crying about Basel 3 – they know they are sitting on debt that they can't pay off** so they can't implement Basel 3 or ISO 20022 to be able to join the new gold-backed financial system. The banks were about to go extinct December 09, 2023

- **Sat. 2 March ALERT: The dollar reserve was created via oil to run Narco money through shadow banks say in Panama.** When the dollar loses reserve status, the CIA can't run Narco money, This has been the entire operation since 1980 This is why Jamie Dimon flipped (at Davos), JPM was being used to launder Narco money through the shadow banks from Panama through NGO's The White Hats got to Jamie Dimon and threatened him with prosecution. Jamie Dimon and the Fed have turned on Davos (Rockefellers - Rothschilds). This is why the Fed is not going to bail out the Treasury bond market. A Treasury bond default looms. But in order to create Narco money the CIA had to convince OPEC to run oil prices 4 times higher. For the U.S. Treasury to export more off-book dollars in foreign currency reserves. By the U.S. Treasury manipulating foreign currency exchange rates. The central bank off-shore dollar reserves are being repatriated back to the U.S. Treasury where the ESF pays out, leading Blackrock and Vanguard towards insolvency. So with a China gold standard, China deflate the oil price in dollar terms and the CIA is not able to use the ESF to run Narco money through Blackrock Having a high oil price allowed the U.S. Treasury to float off-shore dollar reserves (in the \$100's of Trillions) and Narco money through NGO's which funded the stock market. Why do you think the U.S. was in Afghanistan for so long? Poppy fields! The end of the gold standard and subsequent U.S. Dollar reserve via Saudi oil was created to run Trillion(s) dollar U.S. Treasury bonds to fund Narco money laundering (USD's) around the world. Why is the Ukraine and Israeli - Gaza war so important to the Rockefellers and Rothschilds?

Foreigners hold 57% of the shares. This redirection of foreign money is very convenient

for the U.S. authorities – in the event of a stock market crash, all risks will be borne not by the American government but by the investors themselves.

- **Sat. 2 March Arab League Humiliates Israel At ICJ | Dr. Ralph Wilde:** The International Court of Justice (ICJ) has been asked for an opinion. The question put before the panel of 15 judges at The Hague in the Netherlands, is simply put, “Is the Israeli occupation of the Gaza Strip, the West Bank, and East Jerusalem legal under international law?” On Monday, February 26, the very last day of the court’s hearings, Dr. Ralph Wilde, representing the Arab League took his place behind the podium. Later, some of the audience may have said, “They saved the best for last.” Dr. Ralph Wilde is a member of the Faculty of Laws at University College London. He is currently engaged in an interdisciplinary research project, funded by the European Research Council, on the extraterritorial application of international human rights law, called ‘human rights beyond borders’. Dressed in his flowing legal robe, and speaking in a melodious British accent, everyone watching and listening was captivated by his presentation. He spoke in a dry, legal manner with neither emotion, nor drama. He proceeded to present his case like a surgeon cutting into a diseased body and removing the cancer, and sewing up the incision with tight, neat stitches. “The Palestinian people have been denied the exercise of their legal right to self-determination through the more than century-long violent, colonial, racist effort to establish a nation State exclusively for the Jewish people in the land of Mandatory Palestine. Today I will address, first, violations of international law arising out of the régime of racial domination — apartheid — perpetrated against the Palestinian people across the entire land of historic Palestine, and then, second, the existential illegality of Israel’s occupation of the Palestinian Gaza Strip and West Bank, including East Jerusalem, since 1967.”

O. Part I The Unlawful IRS and Federal Reserve: April 4 1985 Letter of Rosdee L. Egger Jr, Commissioner of the Internal Revenue Service to all District Directors:

- **This amendment which established the "income tax,"** was signed into law despite serious defects. In reality only two states ratified the amendment and ratification requires 36 states to be valid. The effect of this is such that every tax paid into the Treasury since **1913**, is due and refundable to every citizen and business.

- **The official position of the service is**, as it has always been to aid and assist the citizens of the United States.
- **We will not publish or advertise this finding** as a total immediate refund would cause a serious drain on the resources of the Treasury.
- **For those citizens who become aware of this finding and apply for a total refund**, expedite their refund documents as quickly and as quietly as possible.

P. Part II The Unlawful IRS and Federal Reserve:

- **There were reports that because of activation of the QFS**, the Federal Reserve and IRS would be shut down in **March 2024**. Those tax monies would be replaced by a 14% sales tax on new items only, with no tax on food or medicine – taxes that would be shared with both the federal and state governments.
- **The IRS and Federal Reserve were not government agencies**. They were privately owned by the Deep State Cabal and Rothschild Bankers. There was no act of Congress, nor any Executive Order giving the IRS jurisdiction to act in any of the 50 states.
- **IRS official Alex Mena** who works in “Criminal Investigations” says the IRS has no problem going after the small people, putting people in prison, and destroying people’s lives.’ Mena ‘doubts the constitutionality’ of his employer, the IRS, using AI to access everybody’s bank accounts nationwide. Mena recalls IRS agents stating “...the first person you shoot you’re gonna remember, but after that you’re gonna shoot like a hundred people, you’re not gonna remember any of them. He says IRS agents “are assholes...they are the definition of an asshole, all of them.”

Q. Part III The Unlawful IRS and Federal Reserve: “Ken and Barbie vs. Goliath IRS”

Update: So why was Ken Cromar sitting in jail awaiting trial on charges that he had the audacity to live in his own home that he fully owned after the privately owned by the Cabal IRS unlawfully used SWAT Teams to take possession of that home and threw away all of his possessions and after he proved in a Federal Tax Court that he owed no money to the IRS? Was the IRS making an example of Ken and his wife Barbara to prove what they will do to you if you dare question their unlawful authority?

- **The deception displayed by the Court** and Prosecution in the Federal Case against Ken Cromar exposes the desperation of the IRS and DOJ to convict Barbie & Ken. The six year battle they have faced demonstrates the venerability of the IRS and its orchestrated scheme to defraud and fleece the American public (We the People). ... R. Fellow Patriots, Join in the Fight for Our Freedoms and Help Save the Children:

- **Tom Fairbanks spent much of his life gathering evidence on the Ritual Abuse of children in Utah.** Last week he was arrested and placed in the Utah Weber County Jail. For what? The reasons given for his arrest were suspect and didn't appear to be due to criminal activity. His record was sparkling clean. The real reason for these attacks appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. He had to be silenced, one way or another. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children and share it with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases. Tom would greatly appreciate your sending postcards to his wife indicating your support: Shauna Fairbanks 345 North 150 West Logan, Utah 84321. If you wish to help him with funds so he can have phone access, go to jailATM.com and register. A box will show up where can put in Tom Fairbank's name. Then hit "send money now" and follow the instructions. Tom and Shauna would greatly appreciate your show of support.

Y. Judy Note on Satanists in Your Neighborhood: *Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.*

There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.

To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.

Z. “Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities” by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

Judy Note: “Twenty Two Faces” was out of print and thus the demand for used copies were very costly on Amazon and other book websites.

When I first obtained the interest for publication of the book from New York Literary Agents and editors of big publishing companies such as Penguin Putnam, the basis of the book – the Satanic Ritual Abuse of children and the CIA Mind Control Program – led to turn downs for publication from owners of big publishing companies. We all know the reason for that.

Then a year or so after publication, my publisher Tate Publishing went out of business – which I believe had something to do with Jenny and I’s appearance on the Dr. Phil Show. That was a whole other story having to do with the Hollywood crowd.

When the White Hats get these evil followers and practitioners of Satanic worship under arrest I believe we will be free to publish a second edition. In the meantime look for a “Twenty Two Faces” Website to come up on the new Starlink Satellite System.

ZZ. Jenny Hill's witness to a Satanic Child Sacrifice Rite: [Woman Sees Human Sacrifice - YouTube](http://www.youtube.com/watch?v=F626Lsrdwg4) <http://www.youtube.com/watch?v=F626Lsrdwg4>

WARNING: Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

ZZZ. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children

It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.

The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>

ZZZZ. Judy Note: *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.

I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.

A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.

Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.

Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy
