**Deep State Fiat US Dollar & Central Banking System Officially Dead**

**On Thurs. 11 April at 9am EST** President Donald Trump signed the US into the Gold/Asset-backed Currencies of the BRICS Alliance Quantum Financial System (QFS), allowing the Fiat US Federal Dollar to officially die.

When the QFS becomes active, which was expected to happen at any time, it will immediately end the “Central Banking System” that perpetuates “Debt Slavery” around the World as all Fractional Reserve Banking and Central Banking activities will cease.

- **Thurs. 11 April at 9am EST** President Donald Trump signed the US into the BRICS Alliance, making the dollar dead. ...Jack Straw [Jack Straw @JackStr42679640](#)
- **The United States of America** has just rocked the financial world by joining the BRICS alliance. This unprecedented move, announced by none other than Donald Trump himself, marks the beginning of a new era in international economics, with the once-dominant dollar now facing its demise. Prepare to witness history in the making as we delve into the implications of this groundbreaking development and the countries clamoring to join the **BRICS club**.

- **The BRICS Alliance, comprising Brazil, Russia, India, China, and now the United States**, stands as a formidable force challenging the hegemony of Western-dominated financial institutions. With a combined GDP exceeding **\$20 trillion** and a population accounting for over 40% of the world's total, BRICS commands attention on the global stage. But it's not just about economic might; it's about reshaping the narrative of power and influence in the 21st century.
- **For decades, the dollar has reigned supreme** as the world's reserve currency, giving the United States unparalleled control over international trade and finance. However, mounting debt, economic uncertainty, and geopolitical tensions have eroded confidence in the greenback, paving the way for alternative systems to emerge. By joining BRICS, the USA Republic Treasury, under Trump's stewardship, is signaling a dramatic departure from the status quo, challenging the dominance of the Federal Reserve and its fiat currency regime.
- **The Gold Standard vs. Fiat Currency:** At the heart of this paradigm shift lies a fundamental debate: gold versus paper money. While the USA Corporation Federal Reserve relies on a system of fiat currency, backed by little more than the faith and credit of the government, the **USA Republic Treasury** boasts substantial reserves of gold. This distinction is crucial, as gold has long been viewed as a reliable store of value and a hedge against inflation, unlike the ever-expanding supply of fiat money.
- **Trump's decision to align the United States with BRICS** underscores a commitment to sound monetary policy and fiscal responsibility, rejecting the notion of endless money printing and deficit spending. In doing so, he's challenging the entrenched interests of **Wall Street and the banking elite**, who have profited immensely from the current monetary system at the expense of ordinary citizens. It's a bold move that promises to shake up the financial establishment and empower nations seeking alternatives to dollar hegemony.

#### **F. The New Quantum Financial System (QFS), Charlie Ward:**

- **Operates completely independently** from the existing “centralized” banking and ends the “Central Banking System” that perpetuates “Debt Slavery” around the world.
- **Even though it is the ultimate in design**, reliability, security and safety, the roll-out process will occur over time.
- **The QFS operates on a Distributed Ledger Technology.** It is NOT crypto currency or Blockchain technology.
- **Quantum Qubits “interact” with every financial transaction** anywhere in the world of finance to ensure that each transaction is legal, owner-intended and transparent.
- **Since Central Banks do not have the ability to “reconcile” old FIAT (paper) money** into the new QFS system, all fractional reserve banking and central banking activities will cease.
- **Every sovereign currency** and every bank represents a separate Ledger in QFS.
- **Data on all account holders**, at all banks, in all 209 participating countries was downloaded into QFS in March 2017 and serves as a “Distributed Ledger”.
- **The QFS is designed for and ready to convert ALL bank accounts** denominated in any Fiat currency anywhere in the world into a local asset-backed currency.
- **The QFS pings the originating Fiat currency bank account** to ensure it is still valid, active, and operational at the time the exchange of fiat currency for asset-backed currency takes effect.
- **After the successful ping of a local bank account**, the fiat currency holdings are converted into the new local asset-backed currency on a 1:1 basis.

#### **G. Restored Republic: The U.S. as a Battleground for Global Liberation, or why the U.S. is Pivotal to Global Freedom and the Importance of the First Amendment, Benjamin Fulford:**

- **The quest to dismantle the complex web of the Cabal** — dominated by the DARPA/CIA axis, and financial moguls like the Rockefellers and Rothschilds — begins in the U.S. This nexus of corruption, intertwined with elite families from South Germany who forged the U.S. financial systems alongside magnates like J.P. Morgan, has

orchestrated a global dominion over military industrial complexes and world banking institutions.

- **Historically, the CIA, an extension of these conglomerates, has destabilized over 70 countries,** installing pro-Cabal central banks and puppet governments to maintain control under a guise of democracy.
- **The Infeasibility of European Revolt:** Europeans, overwhelmed by the deep-rooted Cabal networks within their borders, find themselves powerless. The strategic military and covert operations led by U.S.-based elite forces crush any dissent. The populace, mostly unarmed and unprepared, cannot contend with the militarized enforcements of totalitarian regimes backed by these globalist syndicates.
- **America's Unique Position:** In contrast, the United States holds a unique resistance capability thanks to its heavily armed citizenry — with gun ownership exceeding 120% per capita, the highest in the world. This armament empowers Americans to oppose the tyrannical machinations of the UN, CIA, and globalist entities like DAVOS, who aim to usher in an era of continuous warfare, population control, and Orwellian surveillance states under the guise of chaos management.
- **Crucial Role of the First Amendment:** The First Amendment is not just a domestic right but a cornerstone of potential global revolution against these oppressive powers. It protects the free speech that enables Americans to criticize, expose, and mobilize against the Cabal's insidious agenda. In essence, it ensures that Americans can freely educate and organize themselves to resist the dystopian futures planned by these elite overlords.
- **The Domino Effect of U.S. Resistance:** The fall of the Cabal must be initiated from the U.S., as its financial and military infrastructures are pivotal to the Cabal's global operations. By dismantling these from within, the U.S. can catalyze a comprehensive collapse of Cabal influences across major global institutions like the EU, UN, and NATO, inspiring similar liberations across the world.
- **Global Unity and the Call to Arms:** As Americans stand up to reclaim their freedoms and rights, their actions will send ripples worldwide, encouraging and strengthening the resolve of people globally to stand against their corrupt governments and deep state operatives.
- **2024: The Year of Global Revolutionary Tides:** As we move into 2024, a unified global revolution seems imminent. Behind the scenes, enlightened military alliances are subtly undermining the deep state, laying the groundwork for public uprisings against totalitarian regimes. These military interventions will appear only as a last resort, ostensibly at the urgent request of the oppressed societies, to maintain the facade that the liberation was solely by the people's will.
- **The Unfolding Reality and The Final Push:** The truth is, the collapse of the globalist agenda is already underway; what we observe now are the final throes of a dying beast. As these covert operations continue, the public must ready themselves to take up the

mantle in their nations, to navigate through potential martial laws, civil unrest, and the pivotal moments of societal reformation.

- **Trust the Plan. The Awakening is Here:** Q has forewarned us. The scenes unfolding are the culmination of a well-orchestrated devolution strategy to reclaim governance and restore power to the people. Now, more than ever, it is crucial for every global citizen to participate actively in their liberation. Rise, unite, and be the revolution.

According to an article in Wikipedia, **Operation Mockingbird** – “is an alleged large-scale program of the United States Central Intelligence Agency (CIA) that began in the early years of the Cold War and attempted to manipulate domestic American news media organizations for propaganda purposes.

According to author Deborah Davis, Operation Mockingbird recruited leading American journalists into a propaganda network and influenced the operations of front groups. CIA support of front groups was exposed when an April 1967 *Ramparts* article reported that the National

Student Association received funding from the CIA.<sup>[1]</sup> In 1975, Church Committee Congressional investigations revealed Agency connections with journalists and civic groups.”

\*N.B. Ellis Washington: It is my contention based on 40+ years of assiduous research, writing and publishing (1983-2024) that ***Operation Mockingbird*** not only included media “front groups” but also includes the public and private schools (lower education), the Academy (higher education), Wall Street, Business, Medicine, Politics, Law, the Courts, Sports, Entertainment, and all institutions in American culture and society working in unison in points of intersectionality.

#### **Q. Thurs. 11 April BRICS Nations, Goldilocks:**

- **BRICS refers to certain emerging market countries**—Brazil, Russia, India, China, South Africa, and more—that seek to establish deeper ties between member nations and cooperate on economic expansion, including trade. The countries act as a counterbalance to traditional Western influence."
- **When the BRICS Nations become strong** enough to have a trading influence equal to or greater than the Western Culture, there will be bilateral agreements "only" as a reason for us to sign documents in the near term.
- **This is expected to change in about two decades** when the BRICS Nations are expected to be strong enough to overtake the dollar. The transition of the dollar is expected to be a slow process. In the meantime, the Dollar Act is in process of moving through Congress to support this transition.
- **To have a (digital) currency** strong enough to challenge the dollar or equal within its dominance able to level the playing field for the BRICS Nations, they will more than likely have a gold backed digital trading coin that will give them the capacity to do so.
- **At that time or before, the United States** will be under a Gold Standard and part of the new leveling playing field.

**S. The Illegal Federal Reserve and IRS were using the “Ken and Barbie vs. Goliath IRS” Case as an example of what they will do to you if you dare confront them on their illegal activities:**

- **Even though Ken and Barbara Cromar** proved in a Federal Court that they owed no monies to the IRS, they remained in a six year battle with them. Two different SWAT Teams descended on their fully paid for dream home, sold it at auction, along with throwing away all their possessions, including expensive camera equipment Ken used to make a living.
- **Ken now sits in jail charged with living in his own home**, but undeterred to fight for the rights of the American taxpayer. Ken says, “The days of the “mighty” IRS are numbered. For far too long the IRS has been backed by a corrupt DOJ and ever-growing big government bureaucrats who have crowned themselves kings and queens to rule over us as their slaves, as they get fat and enrich themselves on the backs of struggling Americans.”
- **Cromar says, “It appeared to be the goal of the IRS** to steal and destroy the wealth of this nation. Fasten your seat belt as you check out these five short teasers from a famous film, “From Freedom to Fascism”:

**T. All Tom Fairbanks** did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. **In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The reasons given for his arrest were suspect and didn't appear to be due to criminal activity. His record was sparkling clean.

- **The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked.** He had to be silenced, one way or another. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children and share it with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.
- **If you wish to help Tom with funds** so he can have phone access, go to [jailATM.com](http://jailATM.com) and register. A box will show up where can put in Tom Fairbank's name (Weber County Jail ID # 671274) Then hit "send money now" and follow the instructions. Tom would greatly appreciate your show of support. - **Part 24 The Sequel to The Fall of The Cabal Covid-19:** Mandatory Vaccinations? Time For Action! What can you do to beat the 1%? Enjoy this proactive episode in which we show you the true effect of mass demonstrations, signed petitions, and setting up groups of warriors who are not afraid to write or call those who do not serve the best interest of the 99%. The outcome of the above-mentioned methods of action may surprise you! Furthermore, we show

you why Ivermectin and HCQ had to be made illegal. That was the only way to push the mandatory vaccination narrative into effect. How? Why? What's the connection between the Nuremberg Code and Article 32 of the 4th Geneva Convention? Why is this of vital importance to know? Watch this episode several times, so you know what to say when confronted with mandatory hospitalization, lethal hospital procedures, and/or mandatory vaccinations! <https://t.me/JustDudeChannel/24382>

- **Part 25 The Sequel to The Fall of The Cabal Covid-19 Torture Program This Is The Eighth Episode About Covid-19, The Biggest Medical Scam Of All Time.** Covid-19 was not a killer virus. The MSM was the real virus. When the CDC, NHS, and other 'health care' organizations did a recount of the number of deaths truly connected to Covid-19, it turned out to be nothing more than mild flu. How did the authorities brainwash the people into believing their lies? Using an effective torture program, as confirmed by Amnesty International and others. Eight ways to effectively torture people into obedience had been let loose on the population. Most people succumbed. Don't miss this episode to understand how the human mind works and how it could ever get to this point. <https://t.me/JustDudeChannel/25478>
- **Part 26 The Sequel to The Fall of The Cabal Wrapping Up Genocide - In This Final Episode About The Covid Tragedy, We Wrap Up What Will Be Referred To (In Future Times) As The Most Heinous Genocide In The History Of Mankind. Can Mankind Be Saved? Of Course! But First, Let's Take A Look At The Shocking Facts As Presented In This Final Covid Episode.** The Cabal's torture strategy had worked brilliantly. People had become lethargic and simply failed to notice the insane amount of cases of thrombosis, pulmonary embolisms, strokes, serious heart problems, and miscarriages. People dropped dead live on TV, but all that was taken in was the ever-repeating slogan: "The Covid vaccines are safe and effective..." In reality, the Covid vaccines contained a deadly poison, killing some people immediately, and others within weeks or months. The combination of graphene, spike proteins, and nano-bots had been perfectly adjusted to kill millions of people, as confirmed by international tenders, alarming VAERS predictions, and the Liquefying "Bio-Sludge" Bill, legalizing the spreading of human remains over crops as fertilizer. <https://t.me/JustDudeChannel/26545>
- **Part 27 The Sequel to The Fall of The Cabal The World Economic Forum, The End Of Homo Sapiens - Time to meet the WEF, the biggest and most dangerous political NGO in the world.** See how they infiltrated every aspect of society, putting their puppets in high places, brainwashing them with their training programs, and making sure the WEF's wicked goals be implemented on a global scale. Their goals? The same as always: world dominance, a New World Order, depopulation of the masses, and the utter submission of the remaining useless eaters. Can we prove this? Of course, we can, and we do so in this episode. Watch how the spokesmen of the WEF, Klaus Schwab and Yuval Harari, confirm in their very own words the horror picture that we present to you just before we let them talk. Had we not let them say it, you would've never believed us. Do you want to know what kind of future they have in mind for us, in the very short term? Then watch this episode! <https://t.me/JustDudeChannel/29843>
- **Part 28 The Sequel to The Fall of The Cabal Climate Crisis - This episode is all about the current 'mega-crisis' that will make the Covid-crisis pale in comparison: The Climate emergency that will destroy our planet and humanity, unless we pay a lot of CO2-tax.** How did the Cabal get

us to believe their impertinent CO2 lies? By using fraudulent 'scientists' and the MSM, as always. Does Climate Change exist? Of course! It's a natural phenomenon. Is there a Climate Emergency? No. You don't believe us? Then let's listen to the real scientists, the ones who refuse to be bribed into silence and who risk their careers by sticking to the Truth. It's about time they get to tell their side of the story, don't you think? <https://t.me/JustDudeChannel/29845>

**ZZZZ.** **Judy Note on Satanists in Your Neighborhood:** *Since 1990 I have been doing investigations on the Satanic Ritual Abuse of children at the request of brave SRA Survivor-victims who were witnesses to and victims of pedophile, torture and murder crimes of Satanic leaders and their covens. During this time I have found Satanists implanted in law offices, local police, county sheriff's offices and all the way up to the Attorney General Offices in my state and others and then the carnage went on to the internationally organized Ninth Circle Satanic Cult that runs out of the Vatican.*

*There's certainly no help from US or other nation's government agencies, including the FBI or CIA perpetrators. These legal entities successfully negate even the opening of cases of the ritual abuse and murder of children, let alone do valid investigations.*

*To be honest and to my knowledge there was no safe place on either a local, national or international level that has been set up to report Satanic Crime – likely the main reason why local, national and international Satanic Covens so easily and on a regular basis, get away with the torture and murder of thousands of children – many times bred for the purpose without birth certificates, or identification.*

**ZZZZZ.** **“Twenty Two Faces: inside the extraordinary life of Jenny Hill and her twenty two multiple personalities”** by Judy Byington, Foreword by Dr. Colin A. Ross, M.D. [RAW: Dr. Colin Ross – Robert David Steele](#)

**Judy Note:** “Twenty Two Faces” was out of print and thus the demand for used copies were very costly on Amazon and other book websites.

When I first obtained the interest for publication of the book from New York Literary Agents and editors of big publishing companies such as Penguin Putnam, the basis of the book – the Satanic Ritual Abuse of children and the CIA Mind Control Program – led to turn downs for publication from owners of big publishing companies. We all know the reason for that.

Then a year or so after publication, my publisher Tate Publishing went out of business – which I believe had something to do with Jenny and I’s appearance on the Dr. Phil Show. That was a whole other story having to do with the Hollywood crowd.

When the White Hats get these evil followers and practitioners of Satanic worship under arrest I believe we will be free to publish a second edition. In the meantime look for a “Twenty Two Faces” Website to come up on the new Starlink Satellite System.

**ZZZZZZ.** **Jenny Hill's witness to a Satanic Child Sacrifice Rite:** [Woman Sees Human Sacrifice - YouTube](#) <http://www.youtube.com/watch?v=F626Lsrdwg4>

**WARNING:** Jenny gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself – not unlike the sordid experiences of thousands of other child victims of Satanic Worshipers. Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens. They were funded by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

**ZZZZZZZ. The Global Currency Reset, Restored Republic and NESARA/GESARA were all about the Children**

*It's not about the money. It's about the children – the thousands of malnourished and traumatized children who, in honor of Satan, were being raped and murdered so their Elite Perpetrators could supposedly gain power and rule the world.*

*The first official act President Trump made the morning before he was sworn into office was to pay a visit to CIA Headquarters and declare a war on an international Child Sex Trafficking Ring run by these global elites.*

*Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them. The ancient doctrine of Fasting and Prayer was explained here at the 10:30:32 mark: <https://www.youtube.com/watch?v=4Mb9gU6DmKs>*

**ZZZZZZZZ. Judy Note:** *I do not now, nor have I ever, received monies for writing my Updates and articles. The compensation has been in having outlets to help Save the Children by exposing truths about the very secretive Satanic Ritual Abuse, Pedophilia and Child Sacrifice that was rampant in our international society.*

*The above was a summary of information from the Internet. It would be up to the reader to do their own research and decide whether or not it was valid.*

*I will send the Safe Link Website out when I find out what it is, plus it will be posted on several Dinar Websites and continue the Updates until they are no longer needed. I expect to be working with many of you in the near future. I can't tell you how much I have enjoyed getting to know you. You will remain in my heart forever.*

*A huge Thank You to those dedicated and brave Intel providers who wished to remain unknown; to our Angel Martha who worked 24/7 to expose what's really going on; to humble Wildfire Lady who is adept at exposing the truth; to Brad who does great research; to Bonni B who exposes the underlying causes of what is really happening and to Ken who uncovers almost unlimited Intel on pedophilia to help us Save the Children.*

*Let us Thank Q that the reset has finally come to be. I wish you well in your humanitarian efforts and look forward to seeing you on the other side where together, we will make life better for all.*

*Patience is a Virtue. Having Virtue is a sign of a good moral being. Good moral beings have the power to overcome evil and change the world. And, we will!!! . . . Judy*
