Judy Note: *As we enter into the final phase of Trusting The Plan, let us remember that Donald Trump IS the Storm. Just prior to his Presidential Inauguration in 2016 Trump made a visit to CIA Headquarters to declare a war on the Globalist Satan Worshipper's Child Sex Trafficking Ring. That mandate to bring down Satan Worshipers who tortured and murdered children has remained the priority of his Administration, and later was emphasized in his duties as Commander-in-Chief of Global White Hat Military Operations.*

As a result millions of children have been saved from the Deep State Globalist DUMB underground tunnels across the Globe, though many more were found deceased, their bodies cut up with organs missing. And, there was still a ways to go with the arrest and prosecution of local Satanic Coven members living right next door to you.

In my book "Twenty Two Faces" Jenny Hill gave a graphic description about how she at the tender age of five, was raped, tortured, forced to view a Child Sacrifice and save for Divine intervention, was almost killed herself (<http://www.youtube.com/watch?v=F626Lsrdwg4>) – not unlike the sordid experiences of thousands of other child victims of Satan Worshipers.

Perpetrators giving homage to Satan were organized from the US Inc's CIA, Queen Elizabeth's, Illuminati Banking families' and Vatican's Ninth Circle Child Sacrifice Cult on down to the Clintons, Hollywood, Pizzagate and local teenage covens.

They were funded using CIA tax payer dollars by this same Cabal that ran our global monetary system – the very organization that was in the process of being brought down by activation of the Global Currency Reset and Restored Republics of the world. It's no wonder that President Trump has stated, "These people are sick."

Let us fast and pray for these millions of little ones who right now, were being rescued from Cabal underground tunnels across the globe, and tortured and killed by Satanic Covens right next door. Let us also pray for those Military Troops worldwide who were risking their own lives to save them.

Finally, may God Bless Trump and his Q battalion of warriors who right now, were finalizing The Plan to Save The Children.

- **The final BQQM is here. The question is: Are you ready?** More arrests are coming. We enter the Storm! Walls have ears. Doors have eyes. Trees have voices. Beasts tell lies. Beware the rain. Beware the snow. Beware the man you think you know. ...Q on Telegram **Tues. 30 April 2024**

"...anticipating the impact of the Central Bank agreement with the US Treasury on exchange rates...it is hoped the Central Bank of Iraq will announce the measures that were agreed upon in Washington which could have positive impact on the exchange rate..." The key focus is they're talking about the exchange rate, positive impacts, the US Treasury on exchange rates. That is fascinating.

- **Federal Reserve Bankruptcy insolvency 19 times over:** According to its own financial statements, just released last month, the Fed's total unrealized losses are almost \$1 TRILLION — \$948.4 BILLION to be more precise. And the vast majority of those unrealized losses come from US Treasuries. So just like Silicon Valley Bank, Signature, First Republic, and now Republic First, the Federal Reserve has rendered itself completely insolvent. In fact, total Federal Reserve capital is just \$51 billion... versus \$948 billion in losses. This means the Fed is insolvent 19 times over.

- **India and Brazil** are also reducing their US Treasury holdings. The dollar's dominance is waning.
- **Tues. 30 April Federal Reserve Chair Jerome Powell:** The Federal Reserve plays a pivotal role in managing the U.S. monetary policy, including the control of money printing and interest rates. Since 1971, the U.S. dollar has operated under a fiat monetary system, meaning it is not backed by gold or any other physical commodity. Instead, its value is based on the "full faith and credit" of the U.S. government. The Federal

Reserve's decisions on interest rates can impact borrowing costs, inflation, and the national debt. Lowering interest rates can make borrowing cheaper, potentially increasing the national debt. This has raised concerns about the sustainability of the U.S. debt, with some viewing it as a potential bubble or Ponzi scheme.

F. Tues. 30 April BOOOM!!! Judy Byington Bombshell Report: King Charles, Queen Elizabeth linked to Satanic Deaths of Children & Murder of Witness - American Media Group (amg-news.com)

- **At sunset on Saturday, October 10, 1964**, in the hills above Dead Man's Creek 40 miles west of Kamloops, eight of the ten children who were abducted by Elizabeth and Philip Mountbatten-Windsor from the Kamloops Catholic Residential School were ritually and brutally killed. We know from a retired British security officer that both Elizabeth and Windsor were present at the ritual.
- **Two of the ten children were kept alive and brought to England**, to the Roman-built Carnarvon Castle in North Wales. The two children were Cecilia Arnold, an interior Salish girl from Kamloops, and Edward Arnuse, a Metis boy from Quesnel. Both children were ten years old.
- **Barely two weeks later, at midnight on Samhain, October 30, 1964**, Cecilia and Edward were ritually raped, tortured, killed, and cannibalistically devoured in the sub-basement crypt of Carnarvon Castle by a coven of the Vatican-led Ninth Circle cult.
- **Present and participating that night in that blood feast were Philip Mountbatten-Windsor and his eldest son Charles**, who was inducted into the cult that night: the man now called the King of England.
- **On July 1, 1969, Charles was invested as the Prince of Wales in the same location, at a ceremony in Carnarvon Castle.** Exactly one year after, on **July 1, 1970**, Charles Mountbatten-Windsor began his first official visit to Canada along with his parents and sister Anne. The ultimate destination of this so-called "royal tour" was rural aboriginal communities in Manitoba and at Fort Providence in the Northwest Territories. And there, at another catholic residential school called Sacred Heart, aboriginal children once again died at the hands of the Mountbatten-Windsors and their Vatican accomplices.

- **Tues. 30 April 2024: Astrazeneca Vaccine Admits Causing Blood Clots:** <https://www.rt.com/news/596798-astrazeneca-vaccine-blood-clots/>
- **The U.S. FDA detected a safety signal for seizures in young children following mRNA Covid-19 vaccination, according to a study published Wednesday. Researchers**

also identified a safety signal for Myocarditis or Pericarditis following the Pfizer vaccine in adolescents aged 12-17. The CDC continues to recommend children ages 6 months and up be vaccinated against Covid-19.

- **MP Andrew Bridgen is not pulling this 10 to 20 million COVID-19 vaccine death figure out of nowhere. In September 2023**, Denis Rancourt and his fellow scientists conducted an all-cause mortality analysis to assess the potential negative impact of the COVID-19 injections. What they found was stunning: all-cause mortality increased every time the COVID-19 shots were deployed. Here's the 50,000-foot view: For every 800 injections administered, Rancourt and his colleagues concluded in their 180-page paper that one vaccine-related death occurred. This 1-in-800 number becomes even more alarming when you consider how many doses were given. At the time of Rancourt and colleagues' report, 13.5 billion COVID-19 injections were administered. Divide that number by 800, and you end up with approximately 17 million COVID-19 vaccine-related deaths.
- **On May 11, 1987**, a London Times Headline reported worldwide that the World Health Organization (W.H.O.) gave 50 million Smallpox Vaccines laced with Aids to Africans.

- **Tues. 30 April Coca-Cola facing lawsuit that their "Simply Orange" contains "PFAS" toxic forever substances that remain in the body for life**, at levels hundreds of times greater than federal limits. Exposure to high levels of PFAS leads to increased risks of kidney or testicular cancer, fetal complications, liver disease, increased cholesterol levels, hormonal imbalances and many other complications. These endocrine-disrupting chemicals persist in the body without breaking down, leading to their gradual accumulation over time. Moreover, the lawsuit exposes the misleading and deceptive nature of the "all-natural" label on the juice.
- **Tues. 30 April Medical students are not taught immunology but consensus & propaganda. Mike Adams:** We've seen this weaponization of the biotech industry of the medical science establishment has been weaponized against humanity in a multitude of ways. We are living in a deliberate toxic stew. But then people are still signing up to take more jabs, swallow more pharmaceuticals, grow their food, and I apologize for using the term but they're growing their food in human shit because that's what biosludge is. **Dr Judy Mikovits:** Medical students aren't being taught immunology. They are being taught consensus and propaganda. You don't need statistics. Gravity is gravity and viruses are viruses and I know how they work. I got Ebola, I had an outbreak recently, and I worked on these things. We can't get people to hear us if we're censored!

- **Hospital Whistleblower Zowe, a medical coder, recently presented a disturbing testimony: “I saw patients die so horrifically, so quickly after the Covid shots.”** Not only were patients having seizures like she’d never seen before, Zowe said, “I didn’t know it was possible for a human to die so horrifically, so quickly, before they rolled out the mRNA injections... It was insane, I’ve never seen anything like that. [For] days, patients would be seizing, and no medications would stop it, and eventually they... kinda had to be put down. They called it encephalitis, or encephalopathy, and then later on, even the coding organization... [called it] COVID-19-associated encephalitis,” Zowe continued. She said the doctors treating these patients “were baffled” and that “they weren’t connecting the dots. Knowing what the potential symptoms of a vaccine injury could be, we 100% had all the things I just described,” the medical coder added. However, “doctors would never tell [patients] that. They would just say, ‘It’s a stroke. It’s a heart attack. It’s a blood clot.’ And then they would never connect the two.”
- **Robert Kennedy Jr. drops COVID Vaccine Truth Bombs on Bill Maher:** • 25% of Americans believe they know someone who died because of the C19 shots. • 52% of Americans believe that the vaccines are causing injuries, including death. • In Pfizer’s own trials, “people who got the vaccine had a 23% higher death rate from all causes at the end of that study.” **Bill Maher:** “But that [23% higher death rate] could not be the disease itself?” **Kennedy:** “If it is, then the vaccine doesn’t work, doesn’t it?”

K. Illuminati Deep State Cabal Globalist Depopulation Agenda to Rule The World by 2030:

- **Interviewer:** "A new study shows the world's richest 1% account for more carbon emissions than the poorest 66%." **Bill Gates:** "I spend about 9 million a year buying sustainable aviation fuel, to cancel out my footprint." **Make no mistake:** The entire "CO2 will lead to climate apocalypse" narrative is just a pretext for globalist so-called "elites" to restrict YOUR freedom, prosperity, mobility and standard of living, while continuing to enjoy all those things in abundance for themselves—under the guise of "saving the planet".
- **RFK Jr. described how the Cabal's new Global Monetary System using CBDCs will become an instrument of power and control:** They can program it so that your credit cards will only work, for example, at grocery stores within a half a mile radius of your home. But they won't buy you gasoline, they won't allow you to get an airplane ticket, they won't allow you to travel and buy items and foods in other parts of the country. If the government has those kinds of powers over us, we're all in a lot of deep trouble."
- **The White House is considering declaring a national "climate emergency",** which would grant Joe Biden sweeping new powers, including the ability to dictate whether fossil fuels can be exported, and "bolster up the production of clean energy technologies."
- **Tues. 30 April 2024 Geologist, Dr. Ian Plimer:** "Governments need a crisis with which to frighten people, in order to control them more effectively, which is why only scientists who push the fraudulent human-induced "climate crisis" narrative receive any funding."

L. Tues. 30 April 2024 AMG News The Federal Reserve Cartel:

- **The Federal Reserve,** often shrouded in mystery, took center stage during the bankruptcy proceedings. What once appeared to be a government institution was unveiled as a cartel with its own agenda.
- **The Three Pillars: Washington D.C., Vatican City, and the City of London** have long been regarded as the epicenters of power. The bankruptcy revealed their interconnectedness and the stranglehold they maintained on global affairs.
- **NY Stock Exchange:** The epicenter of global finance, the New York Stock Exchange, was also under the USA INC umbrella, raising questions about the true nature of Wall Street's influence.

- **Impact on Australia and Commonwealth Countries:** The bankruptcy had ripple effects across the globe, reaching countries within the Commonwealth and leaving them to grapple with their newfound realities.
- **International Organizations:** The bankruptcy's impact extended to international organizations like the United Nations and the World Health Organization, raising questions about their autonomy and agendas.
- **BlackRock's Dominion:** The financial giant BlackRock, with its fingers in pharmaceuticals, defense, and mainstream media, was revealed as a key player in the USA INC's web of control.
- **NATO and the European Union:** The bankruptcy also cast a shadow over NATO and the European Union, making us question their roles in the global power structure.
- **European Royalty and the Balfour Declaration:** Shockingly, the bankruptcy led to the dissolution of the Balfour Declaration and cast a long shadow over European royalty.
- **The Biden Presidency:** With the bankruptcy came a seismic shift in the U.S. presidency, leading many to question the legitimacy of the Biden administration.
