Donations Badly Needed For Maui Victims

The Cabal wanted to make Lahaina Maui into a SMART city, so last August they used Direct Energy Weapons to burn it to the ground. Every day since Kingdom of AKUA Foundation native volunteers have been supplying three meals a day to their fellow 2,369 displaced victims.

The Red Cross has recently cut off funding to one meal a day for the 2,369 victims. Any amount you could give would be greatly appreciated. \$500K is needed right away to continue the three meals a day.

Please send your donation to the Akua Foundation’s Malama Lahaina Website – the only site dedicated to and run by the Hawaiian Native Peoples:

Judy Note: *What we think we know as of Sun. 5 May 2024:*

- **On Wed. 1 May 2024** the White Hat Global Military Alliance launched Operation Storm to arrest over half a million Illuminati Deep State Global Elites found guilty of Crimes Against Humanity.
- **There is going to be a BIG Biblical-like Event** where they make out it's WW3 but really they will be activating Militaries across the Globe to bomb all Satanic Luciferian landmarks. They will then enact GESARA funds, while We The People rebuild.
- **Alert:** It's Official! Pack your bag. We are passing through the gate in 9 days, 22 hours, 23 minutes, 22 seconds. See you on the other side. ...17th Letter (JFK Jr.) on Telegram **Sat. 4 May 2024 4:44 pm.**
- **Both JFK and Robert (RFK) were intent on eliminating all the BLACK OPERATIONS conducted by the CIA** in collaboration with the Mafia and the Cuban

exiles who wanted Fidel Castro dead. JFK was determined to rein in the CIA...if not shut it down altogether. <https://t.me/INTHESHADOWSQ>

- **Hitler's grandson Barak Obama** was born in Kenya, registered as a foreign student at New York University, married Michael Robinson (Michelle) – a former member of the Oregon State football team – and uses the Social Security number of Jean Paul Ludwig who has passed away. Ludwig was born in France in 1890, immigrated to the United States in 1924, and was assigned SSN 042-68-4425 (President Obama's current SSN) rec'd on or about **March 1977**.
- **Dangerous chemicals** have been found in 80% of Burger King, McDonald's, Pizza Hut & Dominos fast foods, while human meat has been found in McDonald's hamburgers, yet the FDA has made no move to inform the general public, nor shut down production.
- **The dairy-alternative Entomilk** is being produced in many nations, and is made from the maggot larvae of black soldier flies.
- **Fluoride is a toxic chemical** not approved for human consumption by the FDA, yet it is regularly added to drinking water even though it is known to cause Thyroid disorders, has a negative impact on human tissue, and is considered dangerous for pregnant women and those with kidney disease and diabetes, plus inhibits the body's production of Melatonin which impacts an ability to sleep well.
- **The Biden Administration** is considering declaring a national "climate emergency," plus signing the WHO Pandemic Agreement, both of which would grant Biden sweeping new powers, including the ability to dictate very controlling mandates on the general public.

I have had numerous reports that when sending my Updates by email, they were directed to people's Spam, Trash or Junk Mail. The Cabal can be very frustrating – but realize we are far greater in number and have much more power than they. We just need to speak out – and if that means searching your Trash to find out the latest, so be it.

- **Multiple sources within the FBI and NYPD** have confirmed the existence of a “sickening” Hillary Clinton sex tape involving Huma Abedin and an underage teenage girl, and provided assurances that a faction within the department had vowed to send Hillary Clinton to jail for the rest of her life. According to NYPD sources, files found on Weiner’s newly found laptop which he shared with his wife Huma Abedin, show evidence of a political pedophile ring operating within Washington, involving members of Congress as well as numerous top Clinton aides and insiders. According to reports, a folder on Weiner’s laptop named ‘life insurance’ contains explicit evidence that both Hillary Clinton and Huma Abedin helped run and cover-up a Washington pedophile sex ring. <https://t.me/INTHESHADOWSQ>

- **The New York Times finally admits Covid Vaccine injury** after YEARS of ignoring, then marginalizing, the vaccine injured. <https://archive.is/2024.05.03-135713/https://www.nytimes.com/2024/05/03/health/covid-vaccines-side-effects.html>
- **CDC whistleblower admits** that the current vaccines have killed at least 25,000 people.
- **A military study done by the US Army Medical and Research Command** suggests that less than 5,000 Americans really died from COVID 19, 98 per cent of whom were morbidly obese sick or had multiple co-morbidities.

H. Toxic Poison Fluoride Added to Public Drinking Water:

- **Fluoride is known to be a toxic poison**, yet is intentionally and regularly added to the general population's drinking water supply.
- **Contrary to popular belief** Fluoridated countries do not have less tooth decay than non-fluoridated countries.
- **Sodium Fluoride** was the first commercial Fluoride in the US and was used to effectively kill insects, lice, mice and other vermin.
- **There have been no randomized clinical control trials** demonstrating that Fluoride is safe to swallow and Fluoride supplements have never been approved by the FDA for human consumption.
- **Fluoride affects many tissues** in your body and is an Endocrine disrupting chemical linked to Thyroid disorders.
- **Fluoride may have an adverse impact on sleep** by accumulating in the Pineal Gland and inhibiting production of Melatonin.
- **People who are most negatively affected** by the side effects of Fluoride such as pregnant women and those with kidney disease and diabetes, have no easy way of avoiding this drug.
- **Public Health agencies are not warning the public** about the side effects of Fluoride.
- **Some types of filters can remove fluoride** from drinking water, but they can be costly and unaffordable to low income families.
- **Fluoride is not natural occurring in water** and adding it to drinking water is akin to drugging the population without their consent.

I. Illuminati Deep State Cabal Globalist Agenda:

- **BlackRock CEO says**, "The social problems that one will have in substituting humans for machines is going to be far easier in those countries that have declining populations."
- **Dr. David Martin:** "There's no ability for member states to even read the [WHO Pandemic Agreement] draft until the moment they're actually in the vote... Nation states will not know what they're voting on."
- **Former FEMA Whistleblower Celeste Solum explained that the Corona PCR "test" is implanting a microchip.** The Nasopharyngeal Covid19 PCR "tests" were never tests at all. They are implanting chips, inserting Nanobots called Nanites with a bioweapons payload for the brain, while at the same time harvesting DNA. The PCR swab is inserted straight to the Nasopharynx behind the nose and forehead where your eyes are. It's at the blood brain barrier and next to your pineal gland. I believe they are knocking out people's senses with these Bioweapons and killing human intuition and your ability to cognitively see what they are doing to us. They're knocking out our senses and targeting the brain with Nanites that carry a payload as Celeste spoke about in previous videos. This is war.

Serious warfare. DECLINE THE "TESTS", REFUSE THE MASKS AND NEVER LET THEM STICK YOU WITH A NEEDLE.

- **"We use the mosquitoes like they're 1000 small flying syringes."** Genetically modified mosquitoes have been given the green light to be released in America, for use in "vaccinating people against their will", among other things.

N. Recovery Insights for the Vax-injured, Dr. Peter McCullough “If we don’t address the spike protein, it’s not going to get better.”

Dr. McCullough recommends three key substances for those seeking recovery after the shots in a Base Spike Detoxification Protocol:

1.) **Nattokinase.** Why? It degrades spike proteins, as suggested by preclinical studies. • Take 2000 units twice a day.

2.) **Bromelain.** Why? Similar to nattokinase, it also breaks down spike proteins. • Take 500 milligrams once a day

3.) **Curcumin.** Why? Reduces inflammation and spike protein damage. • Take 500 milligrams twice a day and combine with 5 or 10 mg of piperine to enhance its absorption.

Additional Treatments:

Hydroxychloroquine: Added if there are signs of autoimmunity.

Ivermectin: Included if there are signs of persistent infection.

Colchicine: Used if there are significant signs of pleuropericardial problems (involving the membrane around the heart and lungs).

Nicotine Patch or Oral Aciclovir: These are considered if there are neurological symptoms like brain fog.

Low-dose Naltrexone: Used to enhance the body’s natural painkilling response and reduce inflammation.
