As I have loved you,
Love one another.
This new commandment:
Love one another.
By this shall men know, ye are my disciples,
If ye have love, one to another.

If the Devil keeps asking you to look at your troublesome past, you can be assured there's something fantastic in your future that he doesn't want you to see.

Judy Note: There's a Long Week Ahead. Keep the Faith. Stay United. Trust The Plan.

Judy Note: Donations Badly Needed For Maui Victims. The Deep State Cabal wanted to make Lahaina Maui Hawaii into a SMART city, so last August they used Direct Energy Weapons to burn it to the ground. The resulting Lahaina fires were the most devastating mass casualty events in Hawaii State history: 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 4,000+ people originally dislocated.

Every day since, the Kingdom of AKUA Foundation native volunteers have been supplying three meals a day to their now 2,369 still-displaced fellow victims.

The Deep State Cabal Red Cross has recently cut funding down to one meal a day for those victims. Any amount you could give would be greatly appreciated. There was \$500K needed right away to continue the three meals a day.

Please send your donation to the Akua Foundation's Malama Lahaina Website – the only site dedicated to and run by the Hawaiian Native Peoples: [Malama Lahaina - Pūpūkahiki i Holomua Donations \(malamalahaina.org\)](#)

Epstein was invited by some of Clinton's most senior advisers and aides, including Robert Rubin who later served as Clinton's Treasury Secretary. The visits occurred around the time Ghislaine Maxwell was procuring underage girls for him.

- **Mon. 6 May 2024 AstraZeneca – EU stops approval for Corona Vaccine:** The pharmaceutical company recently admitted possible serious side effects of its corona vaccine. Now the EU Commission has revoked the approval. The EU Commission has officially revoked the previously granted approval for AstraZeneca's COVID-19 vaccine, known as Vaxzevria. This is according to a Commission implementing decision drawn up on March 27 but only published a few days ago. The revocation will therefore take effect on May 7, 2024. The drug was administered 12,803,142 times in Germany before the

federal government suspended the AstraZeneca vaccine in March 2021. Given the volume of available and effective vaccines against new variants of Covid-19, there was no longer any demand for the Vaxzevria vaccine, which consequently was no longer manufactured or distributed," AstraZeneca told the Italian news agency Adnkronos. No future demand for the product was expected, so the company decided to withdraw the authorization to market Vaxzevria within the EU. AstraZeneca received an emergency authorization from the European Medicines Agency (EMA) on January 29, 2021. The authorization was renewed in November 2022, and at the end of October of the same year the product received an authorization for standard marketing. In Italy, the death of 19-year-old Camilla Canepa after being vaccinated with Vaxzevria caused great concern. She suffered a thrombosis that cost her life. Shortly afterwards, the vaccine was only given to people over 60 in Italy and eventually stopped altogether. Other European countries followed suit. Today, the AstraZeneca vaccine is no longer administered anywhere. According to media reports, AstraZeneca is currently facing a class action lawsuit in the High Court in London. The manufacturer has now admitted a harmful, previously unlisted side effect for Vaxzevria: "In very rare cases, it can cause TTS," the Telegraph quotes from the court documents. This is the so-called thrombosis with thrombocytopenia syndrome, which can lead to blood clots in brain or abdominal vessels and an overall reduced platelet count. <https://www.berliner-zeitung.de/gesundheit-oekologie/astrazeneca-eu-stoppt-zulassung-fuer-corona-impfstoff-li.2212473>

The truth is that they're trying to put farmers out of business. But why? Well, if they succeed, then the pharmaceutical industry can essentially take over the food supply. Catherine Austin Fitts warns, "Once they have control of your transactions, they can dictate your health policies, and they can dictate what food you can and cannot buy. So, if they don't want you buying pizza, you can't buy pizza. If they want you to buy pizza made with insect-based flour, that's what you're going to get. They're literally

planning on getting rid of all the farmers and instituting food created synthetically in manufacturing laboratories ... If they succeed in doing that, you and I will be eating lab-grown meat. That's their plan."

What I've said since the beginning of this is that the goal is to depopulate the Ukraine so that they can do their new thing here." Some reports suggest that 500,000 plus Ukrainian soldiers have died from the war so far. K. Biden Crime Family:

- **Mon. 6 May 2024 Julian Assange:** “The primary reason for all of these terrible protests is Crooked Joe Biden. He is unable to talk, unable to reason, unable to put two simple sentences together, unable to even climb 3 steps to a helicopter, or the main stairs to Air Force One. In other words, his mind and body are shot. He is also, and has always been, a very dishonest man, a Manchurian Candidate, of sorts, receiving money, for no apparent reason, from foreign countries, and blatantly prosecuting his Political Opponent in an attempt to win the Presidential Election of 2024. This is Election Interference only used by Third World Countries. Now we have the protests, and Crooked Joe Biden doesn't know what to do — Next will be World War Three, and everything else! We are a Nation in Serious Decline, a Failing Nation, but we will not be a Failing Nation much longer. Four years ago we were a GREAT NATION, AND WE WILL SOON BE A GREAT NATION AGAIN!!! MAGA2024.”
- **JPMorgan Chase Bank** previously filed a ‘suspicious activity’ report relating to Hunter Biden, and possible prostitution/human trafficking, indicated by his account’s unusual transactions. <https://t.me/+T4TOPYU3465kZTE0>

M. Cold War History

- **THE COLD WAR BEGAN IN 1947** AND ENDED IN 1991 WHEN THE USSR COLLAPSED but in some ways has never really ended.
- **In the early sixties** thousands of Americans built bomb shelters in their back yards at the height of the Cold War.
- **THE UNITED STATES ALONE** had produced over 70,000 nuclear warheads by 1990 and it's believed the USSR had around 45,000 when it crumbled in 1991 – more than enough nuclear power to destroy the world many times over.
- **JOHN F KENNEDY** was on the cusp of stopping all of that from happening when he was cut down at Daley Plaza by our own Deep State Military Industrial Complex / CIA conglomeration that President Eisenhower had warned us about two and one half years earlier in his farewell address.

- 22. The borrower's Financial Instrument is converted into a security through a trust or similar arrangement in order to defeat restrictions on transactions of Loan Contracts.
- 23. The Security including the Loan Contract is sold to investors, despite the fact that such Securitization is Illegal.

- 25. Bank deceives the borrower that the bank is Holder in Due Course of the Loan.
