Judy Note: Things were warming up: *Our Global Financial System that was packed with fiat monies, was on the verge of collapse, so on **Wed. 1 May 2024**, the gold/asset-backed Global Currency Reset of 209 countries began to roll out to save the system.*

Then a week later on Wed. 8 May NATO went into Panic Mode when Russia threatened Nuclear Strikes as Israeli Tanks entered Rafah. On that same Wed. 8 May there was a complete Blackout over Mexico, which may have been tied to the Global Military Alliance being in the middle of making half a million arrests of Global Elites across the World.

Right now the Global Military Alliance is arresting and bringing to justice, over half a million Illuminati Deep State Cabal Globalists. That Globalist’s New World Order Agenda 2030 was designed to completely control The People by depopulating the World through creating bio-weapon vaccinations and food shortages. They also planned to meet their goal of World Domination by implementing a fiat digital banking system that controlled what, how and where you spent your money.

Judy Note: Donations Badly Needed For Maui Victims. The Deep State Cabal wanted to make Lahaina Maui Hawaii into a SMART city, so last August they used Direct Energy Weapons to burn it to the ground. The resulting Lahaina fires were the most devastating mass casualty events in Hawaii State history: 2,700+ Structures destroyed; 97 confirmed dead; 1,000+ still missing/ unconfirmed deceased; 4,000+ people originally dislocated. Every day since, the Kingdom of AKUA Foundation native volunteers have been supplying three meals a day to their now 2,369 still-displaced fellow victims. The Deep State Cabal Red Cross has recently cut funding down to one meal a day for those victims. Any amount you could give would be greatly appreciated. There was \$500K needed right away to continue the three meals a day.

Please send your donation to the Akua Foundation's Malama Lahaina Website – the only site dedicated to and run by the Hawaiian Native Peoples: [Malama Lahaina - Pūpūkahi i Holomua Donations \(malamalahaina.org\)](#)

The Cabal can be very frustrating – but realize we are far greater in number and have much more power than they. We just need to learn, speak out and act – and if that means searching through your Trash to find out the latest, so be it.

B. Global Currency Reset:

Judy Note: It is my understanding that if you do your exchange at a Redemption Center rather than at a bank, you will be open to receive a higher rate on your exchange. (Zim Bonds must be redeemed at a Redemption Center and cannot be redeemed at a bank). You can set an appointment at a Redemption Center by following instructions sent out in Wells Fargo emails. Such instructions will also be made available on various Dinar Websites and be printed in my Updates as soon as they become available.

- **Wed. 8 May Texas Snake:** “Well folks, a banker was provided with a specific date where he would have his trained exchange specialists in position to begin the currency exchanges. This means a window of scheduling appointments will commence prior to having his staff being in position. While he could not provide me the date he did indicate

without any unforeseen issues that could delay it will occur this month. Well Folks, we may in fact enjoy the most memorable Mother's Day in history. Say your prayers.”

- **Tues. 7 May Bruce:** The Military gave the green light to release the monies on **Mon. 29 April**. Wells Fargo gave the green light on **Mon 6 April**. Tier 4 a,b notification could come out anywhere from **2 pm Wed. 8 May to 10:30 am on Thurs. 9 May**.
- **The Gazzetteller reported that as of Wed. 1 May the Latin American nations of** Colombia, Brazil, and Chile became the first to exchange foreign currency in the Global Currency Reset. **The U.S. was expected to lag behind by three weeks** but this delay was strategic. It allowed potential security flaws to be patched up before the RV reached American soil.
- **Tues. 7 May Wolverine:** “I have been told to shut up and I can accept that. What I can tell you is that they said that this will be a **Golden Week**. I don’t want to be a part of anything that would disturb the process. At the moment it is all good. I’m very confident that this is the week that we have been waiting for. Have a beautiful, beautiful day.”
Mon. 6 May 2024 Wolverine: “It has started. It has started. It has started. It has started. It has started. It has started. It has started. It has started. What I can tell you is that we are liquid. The money is actually available. It’s just a matter of time in order for the Green Light to be given. Exchanges have started. I’ve been told not to say anything more. I can’t give you a date. Remember, it’s a military operation, but we are defiantly close. Take care. Have a beautiful day. Wolverine.”
- **Mon. 6 May 2024 MarkZ:** “**I absolutely know this has started.** I know people who now have dollars. According to my best contacts in the group, there was an interesting movement of money over the weekend. It's clearly positioned to go, but I'm not sure we'll see it today. Wolverine says 1,000% it will go today. We’ve seen a lot of money movement over the weekend so it could go today. I’m not quite certain, though there’s certainly a potential.”

C. Wed. 8 May 2024 Ginger’s Liberty Lounge on Telegram:

- **Very encouraging fact that Iraq is going to such extreme lengths** to educate their citizens, even their youth, on preparing for massive economic inclusion.
- **Remember, they are expecting their financial windfall to come**, and it's not only from their increase in the IQD international exchange rate. But the citizens also will receive monetary stipends coming from sales from oil. This is a very exciting time for Iraq!! I'm super happy for them!!
- **Also, let's remember the fact how Al Sudani had educated Iraqis** on the fact that their currency shall be much more valuable than the USD, therefore more desirable to hold.

They've been given Q cards and moved to a digital banking system and highly encouraged to utilize the banking system to prepare them for this transition.

- **Prior to these educational efforts**, 70% of Iraq citizens had never used a bank. Now, currently, only 20% - 30% are still transitioning over and are learning the benefit of getting away from USD. Using IQD is required inside country borders. The progress they've made has been fantastic.

E. Restored Republics:

- **According to NSA sources**, "White Hats" are currently attacking the Fort McPherson base complex in Atlanta, Georgia. It is here that the Rockefeller citadel of AT&T and CNN conducts fake psychological operations of the Joe Biden administration.

- **According to Canadian intelligence sources,** Biden's fall will be followed by a similar move in Canada. "Justin Castro will be removed from office and humiliated in front of the world community. The Canadians, supported by the military alliance, are waiting for a signal to act," they promise.
- **For their part, Dutch farmers warn Prime Minister Mark Rutte:** "The protests will continue. We have the support of millions of people. There will be actions that Holland has never seen.
- **It looks like it started in China too.** People are rebelling against the CCP machine. Banks collapsed there, and the police were unable to stop the protesters by fraudulently manipulating their mobile devices to make them look like they had "Covid." The Chinese people should understand that George Soros boasted that his people took over China in 1987. We had a video of him saying that, but it seems to have been deleted from our computers and from the internet. However, the fact that the regime there agrees with the fake pandemic and the accompanying excessive social control is a clear sign that they are not working for the Chinese people.
- **An MI6 source says:** "The days of the G7, G20 and the like are over. Their failure will be reflected in an economic crisis leading to global unrest, similar to what we are seeing in Sri Lanka. All these archaic prime ministers should be captured and shot along with all these old habits Clear the deck," the source continued.

F. Wars and Rumors of Wars, Protests:

- **Wed. 8 May 2024:** Chaos breaks out at University of Virginia as Virginia State Police spray tear gas and arrest pro-Palestine protesters. The incident was triggered after the protests at the school hit a "turning point" on Friday evening. After the school refused to comply with all of the protesters' demands, the protesters turned their demonstration into an encampment. The school reportedly denied many of their requests including the request to cut academic ties with Israeli institutions.
- **Wed. 8 May 2024:** As NYPD breach a building barricaded by rioters, CNN host bizarrely credits Columbia University protests as "organized" and without "violent clashes." (Columbia just canceled in-person classes for fear of injury to Jewish students — Biden hasn't said a word).

G. The Illegal Federal Reserve and IRS were using the "Ken and Barbie vs. Goliath IRS" Case as an example of what they will do to you if you dare confront them on their illegal activities. There was no law that stated you had to pay income taxes. According to IRS Agents, your payment to the Cabal's IRS was strictly voluntary:

- **Even though Ken and Barbara Cromar** proved in a Federal Court that they owed no monies to the IRS, they remained in a six year battle with them. Two different SWAT Teams descended on their fully paid for dream home, sold it at auction, along with throwing away all their possessions, including expensive camera equipment Ken used to make a living.
- **Ken now sits in jail charged with living in his own home**, but undeterred to fight for the rights of the American taxpayer. Ken says, “The days of the “mighty” IRS are numbered. For far too long the IRS has been backed by a corrupt DOJ and ever-growing big government bureaucrats who have crowned themselves kings and queens to rule over us as their slaves, as they get fat and enrich themselves on the backs of struggling Americans.”

Wed. 8 May 2024 “Ken and Barbie vs. Goliath IRS” Update:

Dear Patriot friends and family,

Great news! I have been so frustrated for now 250 days of not being able to get the government prosecutors to send me their court filings as is required by law. It’s a term called “service of process” where they MUST alert all parties each time they file a document. How else am I supposed to know and respond to what the government filed while I’m locked up in jail, without ANY access to the internet? And they know it. Intentional? You bet! And the court transcripts prove it.

Raland told me last week that he could file a Motion to Dismiss for Insufficient Service of Process, which would shut down the entire case completely. He said, as added evidence that they did not want to provide service of process, none of their documents had a “certificate of service” attached. I told Raland to go for it!

So, Raland filed it May 2nd Judge Nielson then ordered the prosecution to reply to it by May 10 telling them to show how Patrick Burns email is in agreement with Rule 49.

Cheers! Ken

Ken really appreciates receiving encouraging messages in postcards. White, pre-stamped postcards with your name and complete return address hand-written is the only thing accepted at the jail. radical Muslim organizations. It has been speculated that this funding might be connected to prominent American families such as the Rockefellers and the Pritzkers, as well as the influential investor George Soros and now left wing media is silent.

- **Wed. 8 May 2024 Denver Colorado: Can't believe this is real. In Denver**, illegal aliens now get 6 free months of housing. Cops were defunded \$8+ million so that the gov't could pay for this. Illegals can now dial 211 and be put into someone's home for free and that host gets their food and utility bills paid by a nonprofit. Denver isn't just a sanctuary city. It's a third world welfare state.

- **Could “long COVID” actually be long Vax?** Yes, according to Dr. Pierre Kory. In Dr. Kory’s clinical observations, “the vast majority are long vax. - **Dr. McCullough Issues Chilling COVID Vaccine Forecast:** “We need to be concerned for 5 to 15 years after the last shot because these are genetic products. We’re seeing late blood clots and cardiac arrests years after the shots.” According to Dr. McCullough, the spike protein is deadly and even more long-lasting than messenger RNA. “It causes heart damage, brain damage, blood clots, immunologic problems — may cause cancer. - **Bill Gates—who believes the world is vastly overpopulated—funds the world's largest mosquito factory,** which breeds 30 million bacteria-infused mosquitoes per week, then unleashes them on the unsuspecting public, "to save and improve millions of lives". L. Wed. 8 May 2024 White Hat Intel “Buck Breaking”

- **Buck breaking was used against male slaves who were seen as defiant.** The process involved the slave owner forcing the enslaved man to lower his pants and bend over a tree stump to ensure that his buttocks were propped up into the air. The enslaved man would then be flogged severely. This would weaken him so that he would not be able to resist the rape that followed. The white slave owner would then proceed to rape the slave several times.
- **This form of punishment was worsened by the fact that it would be done in full view of all the other enslaved people,** including the slaves’ family and friends. In an addition to being sexually violated the slave would also be publicly humiliated. This public punishment would instill fear in other slaves and thus prevent any further rebellion.
- **Enslaved men who were victims of this vile punishment often ran away from the plantations** or killed themselves as they were unable to deal with the humiliation that they had suffered. It was often too difficult for them to integrate back into a society that had watched them being emasculated in front of their wife, children, and friends
- **Buck breaking punishment grew amongst slave owners.** White men were able to travel from plantation to plantation raping male slaves (a sex rape evolved). The punishment became so widely implemented that sex farms developed from the practice. These sex farms allowed multiple slave owners to gang-rape male slaves as punishment for any supposed wrongdoing that they committed.
- **The massive popularity of the practice of buck breaking led to Sex torture rings and the sex trade among slave owners.** African male men were forced to have sex with each other as white slave owners watched for sexual entertainment and this sometimes included sex killing torture shows (snuff sex killings)
- **The Democratic party was behind the creation of Slavery,** the black sex trade and the gruesome raping of male slaves and sex shows (sex ring).
- **The sagging of the pants of Male slaves** exposing their buttocks was the symbolic meaning that they were raped and belong to the white sex trade and the violence of Buck Breaking.

- **To this day elites through Hollywood** and the music entertainment industry continues to run Buck Breaking operations among their black African American artists and use Buck Breaking as a form of control over the black entertainment community leaders.
- **This is the reason black actors at the highest levels in tv and film are forced to wear dresses** and acknowledge the superiority of the Elites that control the entertainment industry. While musicians from New York to California are forced into sex rituals, sexual blackmail trade and agendas that give power to the Elites who control the music industry.
- **At the highest levels of the corrupt government system** and inside of the U.S. intelligence agencies it's well known that the Elites of the United States and abroad are highly involved in the world sex trade and human/child trafficking operations and have near complete control over the entertainment industry through sexual operations, blackmail and extortion rings.
- **Today White Hat Military Operations were exposing the dark Satanic Cult of Hollywood TV, film and US Music Industry** and their connection to a worldwide Sex Trafficking Ring, Deep State Intelligence agencies, Elites and the Banking System.
