**Judy Note: In August 2023 Direct Energy Weapon (DEW) Fires** which now appear to have been activated by the US Deep State government, destroyed Lahaina Maui. Now two years later of the 5,000 Lahaina residents affected, 1,500 remain homeless and living on the beach. What little food the Red Cross provided victims was cut off last March. So much for US disaster aid.

**Two days before the DEW Attacks**, 2,500 FEMA personnel began arriving in Honolulu. All then flew to Maui and booked themselves into \$1,000+a-night luxury hotels. Two days later as Lahaina burned, most all were 100 miles away, back in Honolulu, suggesting that the diabolical agency knew that parts of Maui would be set ablaze.

**The purpose appeared to be:**

- (1) **To kill several people who were set to expose** an International Child Sex Trafficking, Adrenochrome and Organ Harvesting ring centered in Lahaina,
- (2) **To destroy evidence of Child Trafficking Tunnels** beneath properties owned by Oprah Winfrey, Bill Gates, Mark Zuckerberg and CIA Operation Headquarters,
- (3) **To test DEW weapons** on humans,
- (4) **To test Smart Car explosions** on a mass scale,
- (5) **To destroy Lahaina in an ethnic cleansing** in order to acquire the native Hawaiian's very valuable land via a carefully calculated land grab,
- (6) **To free Lahaina land so it could be developed into a Smart City** where residents could be trapped and wear implants that would track them. Thus the Deep State could have complete control over their lives;
- (7) **The Deep State was trying to find a place to hide** and had sunk a lot of money into buying land in Maui;
- (8) **The DEW Attacks were thought another attack on Hawaii's independence.** Back in 1959 Hawaii independence had been removed by pineapple companies wanting them to be a US Inc. State as a tax source, while Hawaii itself had been working for some time toward again becoming the Sovereign Kingdom of Hawaii. US Inc. wanted Hawaii to remain a state and thus hold onto whatever monies the independent corporation could extract from them. US Inc. was now officially bankrupt.

**In that same two days prior to the fires,** Herman Andaya, Maui's top emergency management official and Eric Lecky, FEMA Mission Support Associate Administrator, met in Lahaina, according to videos in possession of the White Hat Military Alliance. The footage also showed Andaya giving Lecky a tour of Lahaina and advising him where to set up barricades to keep citizens trapped in what would become a disaster zone.

**This wasn't the only FEMA disaster** that was ill handled, and wouldn't be the last.

**Now White and Red Hats have set aside their differences to face a common enemy:** The Federal Emergency Management Agency (FEMA), a corrupt institution that has terrorized and robbed patriotic citizens for decades. ...Carolyn Bessette Kennedy on Telegram **Tues. 12 Aug. 2025**

**Over the past six years, White Hats have battled FEMA in disaster zones ravaged by fires, floods, and storms.** Each time, they've uncovered FEMA agents tormenting and pillaging innocents whose lives have been destroyed by these disasters. According to sources from Gen. Smith's office and U.S. Army Special Operations Command, White Hats have neutralized over 860 FEMA personnel, including high-ranking officials, while current director Deanne Criswell awaits a military tribunal at GITMO. But the Deep State, using AI, CGI, and holography, keeps her in the public eye.

**In 2022, White Hats attacked FEMA's stronghold, the Mount Weather Emergency Operations Center,** a fortified underground bunker packed with enough firepower to start a war. While they seized the facility, FEMA's grip on power remains unshaken. White Hats say FEMA's evil runs deep, with its structure designed to survive leadership losses. Only a mass culling can bring FEMA to its knees.

**Following geo-engineered hurricanes Helene and Milton, Red Hats—composed of active-duty, retired military, and non-federal law enforcement—**launched their own offensive after FEMA's armed presence in North Carolina went unanswered. Led by Colonel Kurtz, they stormed Asheville to halt FEMA's takeover. There, they witnessed FEMA and ATF agents breaking into homes, stealing firearms, jewelry, and cash. When an elderly woman protested, she was thrown to the ground, and a FEMA agent declared, "This ain't your property anymore." He was immediately shot dead by Red Hats. Similar incidents occurred across the region.

**Instead of helping, FEMA confiscated relief supplies,** leaving the wounded and displaced to suffer. Red Hats retaliated, wiping out dozens of feds infringing on citizens' rights, though they suffered losses as well.

**The battle escalated at Chimney Rock,** where Red Hats confronted FEMA forces protecting the area's valuable lithium deposits. After FEMA ambushed and killed 12 Red Hats, Col. Kurtz

made a desperate plea to Gen. Smith for unity. Following an emergency meeting, White Hats agreed to join forces, and together they drove FEMA off the mountain, even shooting down a FEMA helicopter.

**Yet the fight is far from over.** The next day, a federal convoy, under orders from “President Harris,” blockaded Chimney Rock. Union forces, refusing to surrender, began picking off federal agents from elevated positions. The battle continues, with Union forces using their tactical advantage to hold their ground.

**Elsewhere, Union troops have engaged FEMA in Florida,** and more updates on that front will follow.

**In closing, our source said Gen. Smith and Col. Kurtz** have united in their shared mission to crush FEMA. As one source said, “Sometimes uniting against a common enemy brings people closer together.”

**D. Tues. 12 Aug. 2025 TOP SECRET BLUEPRINT REVEALED — NINETY NATIONS PREPARE TWO-PHASE GLOBAL CURRENCY RESET ...Ezra Cohen on Telegram**

· **The leaked files confirm what many suspected** — a quiet, calculated preparation for a complete overhaul of the world's financial order. Ninety nations, moving in two coordinated phases, each chosen for a role in balancing the scale between economic giants and the most fragile states. This is not a simple trade agreement or a symbolic partnership; it is the architecture of a system meant to neutralize currency wars, end decades of manipulation, and lock in stability before the next global shock can strike.

· **Phase One begins with a deliberately mixed group** — resource-rich exporters, debt-stricken nations, and economies with barely functional banking infrastructure. Their early inclusion is the proving ground, testing whether a unified currency framework can handle extremes without collapse. Each integration is more than symbolic; it is an injection of liquidity, technology, and protection from the predatory practices that have kept them vulnerable. For some, this will be the first time their citizens hold a currency immune to local political corruption.

· **Phase Two shifts to consolidation** — Europe's industrial heavyweights, oil powers of the Gulf, high-finance hubs, and strategic island economies. The diversity here is intentional. It signals to markets that the system can bridge not only borders but rivalries, that financial cooperation can succeed where diplomacy fails. The final, calculated move comes when the United States enters — not at the front to dictate terms, but at the close, ensuring the system is stable, market-tested, and globally trusted before the largest economy on earth commits.

· **The implications are profound.** Crisis response will be instantaneous, investment risk in emerging markets will collapse, and trade imbalances long exploited by stronger economies will narrow. This is economic sovereignty rebuilt on stability — a safety net that does not demand the surrender of national policy but removes the threat of weaponized currency.

· **For decades, the plan was buried under TOP SECRET seals** to prevent premature panic or sabotage. Now, as the blueprint emerges, it becomes clear that this is not a vision of domination but of coordination — a framework where a farmer in Malawi and an industrialist in Germany operate on equal footing. If executed, it will be remembered as the turning point when the fractured, manipulated global economy was re-engineered into a single, fair, and resilient system. Ninety nations. Two phases. One future.

## E. Tues. 12 Aug. 2025 NESARA & QFS REDEMPTION – THE PROCESS BEGINS

...QFS on Telegram

- **The NESARA and QFS Plan is no longer theory** — the RV Redemption process has started. This is where the financial reset becomes real, where Redemption Centers replace the role of banks for the general public, and where the protocols of NESARA/GESARA are applied in full.
- **Redemption Centers are not ordinary banks.** Here, higher exchange and redemption rates are offered, along with QPhones, QLaptops, Quantum Access Account Cards, Rainbow Currency, debit cards, and even temporary trusts for those with approved Humanitarian Initiative Trusts. Those prepared with the standard template — approved during the Trump administration — are positioned to benefit immediately.
- **The 4 R's define this process. Reclamation restores** what the cabal and banking elites stole over generations. **Restitution and reparation** compensate for unconstitutional taxes, interest, and debts used to bind us as chattel through birth certificates, social security numbers, and other bonds. **Redemption comes in two forms:** currency and ZIM bond exchanges at high gold-backed rates, with part allocated to humanitarian projects; and the XRP buyback, with a God-given fair market value of \$1,000,000 per token already mirrored into Quantum Accounts.
- **The RV process is structured in phases.** First comes preparation — assembling your documents, proof of address, IDs, project plans, banking info, and clear goals for your first 30, 60, and 90 days. Then comes notification, with appointment details sent securely by email or announced through trusted intel sources. Once booked, you present yourself at the Redemption Center to sign NDAs, complete post-redemption plan documents, and receive your allocations.
- **This is not just about money — it is about justice,** sovereignty, and restoring what was stolen. The Redemption Centers are where the reset moves from talk to action, where God's plan for abundance meets the readiness of those who came prepared. The door is opening, and those who are ready will step through first.

**F. Mon. 11 Aug. 2025: NESARA & QFS PLAN: THE PROCESS OF RV REDEMPTION STARTED, ACTUAL SIGNATURE FORMS LIKE NDA AND POST-REDEMPTION PLAN DOCUMENTS – INSIDE THE EXCLUSIVE WORLD OF REDEMPTION CENTERS! - [amg-news.com](https://amg-news.com) - American Media Group**

**NESARA and QFS Plan: The process of RV Redemption**

**The Global Scope of RV Redemption:** It's important to recognize that while we've focused on the United States in this discussion, the RV redemption process is not limited to any single country. It is a global phenomenon with implications for economies worldwide. The principles and steps involved are fundamentally similar, making it applicable on a global scale.

**FYI: There are two ways exchanges and redemptions get processed.**

1) While you can exchange currencies at a bank, a bank is a bank and makes money off your exchange, thus will offer you a lower exchange rate than you could get at a Redemption Center. A bank is not for the exchanges and redemptions of the General Public. NESARA/ GESARA Protocols are only valid at Redemption Centers. Zim can only be redeemed at a Redemption Center.

2) A NESARA/GESARA Redemption Center is for "Us the General Public." It doesn't matter if it has a Bank Name on It. Here you get the higher redemption rates.

At a Redemption Center appointment you get a QPhone, QLaptop, Quantum Access Account Card, Debit Card, Rainbow Currency, and Checks.

**RECLAMATION:** National Economic Stabilization And Reformation Act. **This is the NESARA** (U.S. Domestic Payout) portion already mirrored onto your QFS Account. It's intended to restore what the evil Cabal, Deep State and Khazarian Mafia, Elites, corrupt Federal Reserve, Banksters, SEC and Wall Street stole from us and everyone in our lineage.

- Who's Eligible? (24 to 61+ Years Old) U.S. Citizen's
- Group 1: 61+ LUMPSUM ~up to \$61M\*
- Group 2: 45-60 LUMPSUM ~up to \$38M\*
- Group 3: 24-44 LUMPSUM ~up to \$23M\*\* Values calculated based on 1994 meeting w/

**RESTITUTION/REPARATION:** This would account for all the unconstitutional acts committed upon humanity; income taxes, interest, mortgages, credit cards, loans, property taxes,

converting us to CHATTEL with various types of bonds taken out on us from; birth certificate, social security cards, marriage, divorce, college and advanced degree and professional designations.

- Who's Eligible? Payouts (30-60+ Yrs Old) Groups 2-3: Monthly
- GROUP 1: 60+ 0-3 MONTHS\*
- GROUP 2: 49-59 12 MONTHS\*
- GROUP 3: 30-49 15 YEARS\*\* subject to change.

**3) REDEMPTION-TYPE 1: CURRENCY/ZIM BOND EXCHANGE:** These come with specific higher rates and predetermined allocation percentages of what will be deemed for “personal use” and the remainder for “humanitarian projects.” The estimated allocation percentages are as low as 5% to as high as 20% for “personal use.” \*Subject to change.

**Dinar & Dong, double-digit rates.** ZIM bonds 1:1 to USTN\$. Actual value for ZIM is gold based, not USTN\$.

**XRP buyback,** with a God-given fair market value of \$1,000,000 per token already mirrored into Quantum Accounts.

#### **4) Non-Disclosure Agreements (NDAs)**

One of the most critical elements of the RV redemption process is the signing of Non-Disclosure Agreements or NDAs. NDAs essentially bind individuals to silence regarding the details of their redemption experience.

#### **5) Post-Redemption Plan Documents**

After the RV redemption process is complete, individuals are often presented with post-redemption plan documents. These documents outline how they should manage their newfound wealth, including investment strategies, philanthropic endeavors, and more.

#### **Phase 1 Preparation Phase:**

**Outline of Project** and explanation off your goals for the first 30, 60 and 90 days

**Two bills** (electricity, water, gas, telephone, etc.) to prove your address

**Two photo IDs**

**Current bank information** and account number

**A list** of questions

**Phase 2 Notification Phase:** There are several ways to be notified. People in the US will only receive emails on a “case-by-case” basis. The remainder will be announced in the US and internationally through various media outlets including Bruce, MarkZ, Intel Dinar Chronicles, PPN, TNT Tony, Dinar Recap and Zorra.

**Notification will give you a link** you need to fill out and contains instructions to follow to make a reservation depending on your country.

**Once you have a phone number** that matches your country, call and ask any questions you may have to ensure you understand the address of your appointment location.

**If you provide your email address,** we will send you an email with the agreed address and time, giving you peace of mind.

**Ask if you can bring someone** with you, or your partner, or if you can both go at the same time. Whoever goes with you will have to sign your NDA and they will be subject to not violating your NDA (which violation could have your funds frozen).

**Once all of this is verified, you will receive a 3-page NDA** (non-disclosure document). You must read it carefully and sign it. They will give you a copy. (They said they would put an NDA on the link so that people would have enough time to read, understand, and sign it. They would let us know if that was correct.)

**The station will then continue with a meeting with project experts,** where they will explain the project that you presented.

**The rates they offer you** on the Zim depends on each individual and their ability to negotiate in relation to the projects they offer and term of the Zim payout.

**Term:** This is the period in which you will receive structured payments on the Zim. Payments can be made for 2 years, 5 years, 10 years or more, or however many years you wish. It's your choice.

**They will agree on an interest rate** to be offered to you and you will meet with your financial advisor, accountant, bank representative and anyone else who needs to be involved in the process.

**If you need a trust and have one,** you will need to present the certificate within it and have it signed and sealed by a notary public. If you don't have one, we will provide a temporary one.

**Phase 3 or Education Phase:** After redemption, you will need to make an appointment to learn about things like money management and investments.

\*All calls will be recorded

\*All calls will be recorded

\*All calls and WhatsApp messages will be recorded

\*Twitter will be monitored.

\*Facebook is being monitored.

\*All social networks and forums are monitored.

**Be careful not to send unnecessary messages** or information that violates your NDA.

**G. Tues. 12 Aug. 2025 BOOM! TRUMP KILLS IRS – LAUNCHES EXTERNAL REVENUE SERVICE – AMERICANS FREED FROM INCOME TAX FOREVER**

...Trump Force One on Telegram

- **2025 will be remembered as Liberation Day.** Today, President Donald J. Trump obliterated the IRS and replaced it with the External Revenue Service—funding America entirely through foreign tariffs. No more income tax. Ever.
- **Trump’s words hit like a missile:** “We’re done taxing Americans to death. From now on, the money will come from foreign powers into the hands of the American people. We will be rich again. Fast.”
- **The IRS has been a weapon**—used to crush patriots, bankrupt families, and fund the Deep State. Now it’s dead. The ERS will hunt foreign-made goods, foreign corporations, and hostile governments profiting off U.S. markets. Tariffs on China, Mexico, foreign oil, luxury goods, mega yachts—the world will pay America’s bills.
- **Projected revenue?** \$700 billion annually without touching a single American paycheck. This isn’t reform. It’s economic war.
- **Trump declared:** “The American worker is not a piggy bank for D.C. insiders anymore. The rest of the world will pay us what we’re owed. America is back in the driver’s seat.”
- **Globalists will scream.** Wall Street will panic. Foreign leaders will threaten retaliation. Let them. America is done apologizing. If they want access to our markets, they’ll pay.
- **Across the country, patriots are celebrating.** Veterans salute. Families cheer. Small business owners weep with relief. The IRS taught us to fear our own government—Trump just taught the world to fear America again.
- **Yes, there will be turbulence. Prices will shift.** Markets will cry. But patriots know: true freedom requires a fight. The ERS is a shield and a sword. It tells every bureaucrat, foreign profiteer, and Deep State parasite: You no longer control this nation.

### **I. Mon. 11 Aug. 2025 ZERO HOUR — AUG 11, 2025: TRUMP SEIZES D.C., DEPLOYS NATIONAL GUARD, CRUSHES DEMOCRAT CONTROL ...FBI Director Kash Patel**

- **At sunrise, President Trump executed a full-scale federal takeover of Washington D.C.** Armored vehicles rolled in. National Guard choke points snapped into place. Metro Police were cut from Democrat control — now answering directly to MAGA Command.
- **This wasn't politics. It was combat orders.** Trump named the enemy: D.C.'s Democrat leadership and their weapon — no cash bail. "This dire public safety crisis stems directly from the abject failures of the city's local leadership!"
- **PHASE ONE — SECURE THE CAPITAL:** Federal forces now control transit hubs, perimeters, and high-crime sectors. Checkpoints intercept threats before they erupt. Command centers coordinate every officer and soldier under one mission: restore law and order by any means necessary.
- **PHASE TWO — IDENTIFY THE WEAPON:** Trump ripped the mask off: "Every place with no cash bail is a disaster. New York, Chicago, D.C. — same disease, same results." Murderers out in hours. Gangs back on the streets before the crime scene is cold.
- **PHASE THREE — DESTROY THE POLICY:** "This isn't political disagreement — it's bad politicians aiding criminals." Trump vows to end no cash bail nationwide, forcing Congress to vote and exposing every weak actor.
- **PHASE FOUR — EXPAND THE OPERATION:** Chicago is next. The crackdown will spread to every Democrat-controlled war zone. The objective: legislative kill shots and permanent removal of the policy from U.S. law.
- **PHASE FIVE — LOCKDOWN CONTROL:** Federal command is total. Streets, agencies, and law enforcement now operate under a single chain: Trump's orders.
- **MISSION STATUS — ACTIVE COMBAT:** This is the closest the capital has been to martial law in modern history. The Radical Left created the battlefield — Trump now owns

it. “The Democrats are weak on crime — totally weak on crime.” The signal is clear: You lost control. I have it now. And I will never give it back.

### **Wars and Rumors of Wars:**

#### **J. Tues. 12 Aug. 2025 BREAKING! TRUMP SHUTS DOWN SIX GLOBAL WARS – THE DEEP STATE WAR MACHINE IS BLEEDING OUT ...Jim Caviezel on Telegram**

- **Eight months into his rightful second term**, President Donald J. Trump is dismantling decades of elite-engineered chaos. On August 9, 2025, the war profiteers woke up to find their empires collapsing. Six major conflicts—shut down. Billions in elite revenue—gone.
- **While the fake news screams “scandal,”** Trump has been cutting the arteries of the globalist war industry. These weren’t peace talks. This was a military-grade assault on black-ops money pipelines feeding arms dealers, cartels, and intelligence networks.
- **Armenia–Azerbaijan:** Trump seized the Zangezur corridor for 99 years under U.S. control—choking off Eurasian smuggling routes the Deep State used for weapons, drugs, and tech.
- **India–Pakistan:** Shut down a staged nuclear flashpoint in Kashmir meant to spike arms sales and foreign aid theft.
- **Rwanda–DRC:** Ended a war over “blood minerals,” cutting off elite lithium, gold, and copper pipelines to Europe and China.
- **Cambodia–Thailand:** Killed a border conflict hiding weapons, human trafficking, and artifact smuggling.
- **Serbia–Kosovo:** Blocked a NATO-backed Balkan ignition designed to flood the region with private military contractors.
- **Israel–Iran:** Smashed a war script by destroying key nuclear sites and forcing a ceasefire in under two weeks—robbing war hawks of trillions.
- **The Pattern:** Every conflict ran on the same fuel—elite financiers, corrupt NGOs, compromised intelligence, and corporate greed. Trump didn’t just “stop wars.” He shut down their revenue streams, smuggling corridors, and covert military contracts.

#### **The Scoreboard – August 9, 2025:**

- Six conflicts ended or prevented
- NATO paying instead of freeloading

– EU forced into trade concessions

– Border crossings down 95%

– Elite war profits gutted

- **This is why they fear him.** This is why the media hides it. Every operation he ends is another dagger in the Deep State’s chest. They know if he keeps going, their entire war economy collapses. And they will stop at nothing to take him out before the job is finished.

- **For now, the wins are stacking up**—and the war machine is running out of blood.

**N. Tues. 12 Aug. 2025 SKY POISON BOMBSHELL – RFK TASK FORCE EXPOSES CANCER HOAX AND CHEMTRAILS' DEADLY SECRET ...The 17<sup>th</sup> Letter (JFK Jr.) on Telegram**

- **RFK's Chemtrails Task Force has dropped a historic leak** claiming most post-1990 “cancer” cases are actually a new, engineered illness caused by atmospheric spraying.
- **Air tests reveal a never-before-seen airborne toxin drifting over U.S. skies** — a biologically active compound designed for lung absorption, immune evasion, and slow accumulation in vital organs.

- **According to the leak, this mystery illness mimics cancer symptoms**, allowing the medical establishment to funnel patients into toxic, expensive oncology treatments for a disease they don't truly have. The motive: keep "cancer" numbers high and turn the sick into lifelong revenue streams for Big Pharma, hospitals, and research foundations. Billions in grants, contracts, and fundraising campaigns depend on this deception.
- **The Task Force ties the origin to post-1990 chemtrail composition changes** — nano-particles that penetrate lung tissue, synthetic fibers found in air samples, and statistical spikes in rare cancer diagnoses downwind of heavy spray zones. The newly detected "Substance X" is unlike anything found in nature and, if confirmed, represents a deliberate biowarfare delivery system against civilians.
- **The leak implicates military contractors, aerospace labs, and pharmaceutical giants** — a network benefiting from both the poisoning and the long-term "management" of its victims. RFK's team plans to release full lab data, push for congressional hearings, launch international legal action, and arm citizens with air testing tools to track dispersals in real time.
- **If these findings hold, millions have been systematically poisoned and financially drained through fraudulent treatments.** The cancer industry may face the largest environmental and medical scandal in U.S. history. The truth from the sky to the hospital bed is clear: this isn't just weather — it's war, and every American is in the kill zone.

**O. Tues. 12 Aug. 2025 ASSASSINATION ATTEMPTS FAILED – GHISLAINE MAXWELL UNDER TRUMP MILITARY PROTECTION AS FINAL ELITE ARRESTS BEGIN ...WH Grampa on Telegram**

- **By every precedent in the Deep State playbook, Ghislaine Maxwell should already be dead. Yet in August 2025**, she's alive, locked inside a Texas prison now operating as a fortified U.S. Special Operations outpost. She's not being protected for her sake — she's being kept alive because what she knows could dismantle the power structure that's controlled the world for decades.
- **Maxwell is a living vault of names, coordinates, transactions**, and hard evidence linking royalty, bankers, intelligence agencies, and corporate giants to trafficking networks, ritual abuse, and bioweapons blackmail. Six terabytes of physical evidence have already been handed to military investigators — including video archives from Epstein properties, flight logs, and surveillance from sites the media has never acknowledged. White Hat forces under Trump's restored chain of command have locked her down tighter than Fort Knox after two confirmed assassination attempts traced to European royal-linked assets.

- **The revelations go beyond trafficking.** Maxwell's files expose biometric blackmail programs — hidden DNA and hormone collection from “guests” on Epstein's islands — used to threaten global leaders, push pandemic policies, and control biosecurity agendas. These links explain why the WHO's Pandemic Treaty collapsed earlier this year and why executives from Pfizer, WEF, and the CDC are now targets in ongoing tribunals.
- **Since Trump's real return to office on January 20, 2025, GITMO** has expanded, sealed indictments are in motion, and multiple high-profile figures have been taken out or flipped. Maxwell's testimony is slated to trigger the final wave of arrests — from intelligence operatives and NGO heads to Wall Street titans and Vatican insiders. The trafficking web, the bio-blackmail operations, and the financial control systems are all part of one structure — and that structure is now burning.
- **The storm isn't coming — it's here.** And with Trump's military guarding her every move, Ghislaine Maxwell is about to ignite the largest takedown of the global elite in modern history. The panic has started. The collapse is inevitable.

**P. Tues. 12 Aug. BREAKING – HOUSE OVERSIGHT MOVES TO OVERTURN BIDEN'S PARDONS FOR FAUCI, MILLEY, SCHIFF & OTHERS – TRUMP BACKS THE STRIKE ... Wikileaks Database on Telegram**

- **Washington just shook. The U.S. House Oversight Committee has confirmed it will gather evidence to overturn President Joe Biden's most controversial pardons** — a shield for figures at the heart of the Deep State machine: Dr. Anthony Fauci, Gen. Mark Milley, Rep. Adam Schiff, and others. President Donald J. Trump has already thrown his full support behind the move, calling it a long-overdue reckoning against entrenched corruption.
- **This isn't a routine probe** — it's an attack on the very legitimacy of Biden's final year in office. Leaked accounts from inside the White House point to a president in cognitive freefall: drifting mid-sentence, forgetting decisions, relying on scripts, and often absent from critical briefings. If Biden wasn't the true decision-maker, every action — from executive orders to pardons — could be legally vulnerable.
- **At the center is the autopen scandal.** Investigators are focusing on evidence that, in Biden's final months, high-stakes documents were signed mechanically while he was incapacitated or uninvolved. If proven, this means the pardons shielding Fauci from pandemic-era accountability, Milley from chain-of-command violations, and Schiff from falsified intelligence scandals were granted without lawful authority. Nullifying them would throw these men straight back into legal jeopardy.
- **Trump's statement was blunt: “Every pardon signed by a compromised president undermines justice.** The American people deserve answers, not cover-ups. We will drain

the swamp, hold the puppeteers accountable, and restore trust in the rule of law.” His endorsement turns the committee’s plan into a full-scale MAGA offensive aimed at dismantling the last protections of the Deep State.

- **The playbook is precise: subpoena every White House aide who handled pardons,** conduct a forensic audit of signature devices, secure medical testimony on Biden’s mental capacity, and trace every decision to see who was truly pulling the strings. If the evidence holds, the legal precedent would be explosive — the first reversal of corrupt presidential pardons in modern history.

- **For Fauci, Milley, and Schiff, it would mean subpoenas,** depositions, and possible criminal charges. For the public, it’s the chance to see the swamp’s most protected names finally face justice. And for the shadow network that’s gripped Washington for decades, it’s the nightmare they never thought would come — MAGA 2025 is already inside the wire.

#### **Q. Tues. 12 Aug. 2025: WORLDWIDE MILITARY RAIDS & QFS SEIZURES — 71 NATIONS PURGED, \$TRILLIONS IN ASSETS RECAPTURED UNDER TRUMP’S COMMAND ...Barron Trump The Chosen One on Telegram**

- **As of August 2025, the global military operation** under President Trump’s restored civilian command is hitting with unmatched precision war against the Deep State’s infrastructure. While elite bunkers fall and tribunals overflow, the Quantum Financial System (QFS) is running in parallel, stripping the enemy of its lifeblood: money.

- **STARLINK & QFS — THE NEW BATTLEFIELD:** Every raid, every arrest, every black site breach is logged into the QFS Unified Ledger in real time through Starlink’s encrypted combat grid. Seized assets — gold, currencies, black-budget crypto, and off-ledger accounts — are being instantly transferred into secured Quantum Humanitarian Trusts. Over \$97 trillion has now been frozen or redirected, with every transaction tracked to the millisecond.

- **The QFS, operating under Space Force control, ensures that once funds are locked, they cannot be reclaimed, laundered, or hidden.** The Rothschild-controlled bunkers breached this month weren’t just holding human-hybrid experiments — they were vaults for illicit financial ledgers, digital bearer bonds, and offshore asset keys now absorbed into the quantum grid.

- **71 NATIONS & 14 OCEANIC ZONES IN PLAY:** From Papua New Guinea’s biometric ID hubs to Seychelles cloning archives, from Iceland’s DARPA bio-containment pods to Rothschild-flagged Black Sea yacht fleets, every target is tracked, tagged, and digitally audited. The QFS assigns a biometric and blockchain fingerprint to every asset and suspect, preventing asset transfers, identity swaps, or offshore escapes.

· **EIDOLON NEUTRALIZED — FINANCIAL SLAVERY GRID SHUT DOWN:**

The Swiss-Dutch Project EIDOLON — designed to bind vaccinated populations into a controllable biometric-credit system — was destroyed mid-activation. Starlink triggered an EMP sterilization that not only erased their neural network control hub but also auto-synced all linked financial accounts into QFS seizure protocols. This wasn't just a cyber win — it was a total kill shot against their planned “obedience economy.”

· **TRIBUNALS & FINANCIAL REPOSSESSION GO MOBILE:** Mobile military courts now operate alongside on-site QFS redemption units. In Kazakhstan, the Canary Islands, and Alaska Range, trials and asset seizures happen simultaneously — sentencing is followed by immediate financial disconnection from the cabal's network. If you're convicted, you lose more than freedom; you lose every stolen dollar, gold bar, or offshore asset.

· **TRUMP'S DIRECT COMMAND — SPACE FORCE & QUANTUM WARFARE:**

On July 24, Space Force Command confirmed Trump as Active Civilian Commander of Starlink Warfare and the QFS Combat Ledger. This grants him complete operational control over AI targeting, orbital surveillance, and real-time financial repossession protocols. His war council — including Gen. Eric M. Smith, Lt. Gen. Michael Flynn, and civilian GESARA intel specialists — is coordinating both the kinetic and economic takedown of the enemy.

· **THE CLEANSE IS FULL-SPECTRUM:** This is not just air, sea, and ground warfare — it's financial annihilation. Every Rothschild bunker breached means another shadow account frozen. Every Vatican tunnel cleared means another bloodline-linked trust dissolved. The QFS isn't coming — it's active, global, and in full military hands.

**R. Tues. 12 Aug. 2025: This Is Why I Think They Had To Remove Gene Hackman: Woman In The Red Dress ...** The 17<sup>th</sup> Letter (JFK Jr.) on Telegram

· **Deep in the New Mexico badlands**, beneath Archuleta Mesa, lies the Dulce Base — a seven-level fortress run by a shadow alliance between the U.S. Department of Defense and extraterrestrial entities. This isn't some dusty myth; it's a operational hub where genetic splicing creates hybrid beings, blending human DNA with reptilian strains for enhanced soldiers and eternal youth serums.

· **High-profile actors like Gene Hackman**, whose Santa Fe ranch concealed tunnel entrances leading directly to Level 4 (bio-experimentation floors), served as unwitting or complicit couriers. Hackman's property, was said to be raided post-mortem in early 2025, revealed passageways stocked with cryogenic vials — not for props, but for preserving hybrid embryos sourced from abducted civilians.

- **Funded by black budgets from Lockheed Martin** and Raytheon, the base uses electromagnetic pulse tech to induce hallucinations in intruders, masking atrocities. Celebrities such as Angelina Jolie, linked through her UN "humanitarian" visits to nearby reservations, supposedly transported adrenal extracts harvested from test subjects during "filming excursions.
- **Construction ramped up in 1979** after a firefight between Delta Force and alien overseers left 66 humans dead – a cover-up echoed in declassified memos from the Air Force Office of Special Investigations. By 2023, anomalies spiked: seismic readings from USGS stations near Dulce matched patterns of underground rail systems ferrying elites like Jolie for "rejuvenation sessions."
- **Ties to Area 51 via maglev tunnels;** Hollywood's Weinstein Co. (pre-collapse) funneled funds through dummy NGOs. Witnesses from Navajo tribes report "star people" abductions, with hybrid offspring bearing celebrity-like features – a deliberate program to normalize anomalies in media.
- **Over 1,000 indigenous disappearances since 1980** traced to base intakes; exploited groups include migrant workers from Juarez, Mexico, used in vivisections. No mainstream outlet touches this – it's the perfect storm of government denial and celebrity glamour shielding the grotesque.

**S. Tues. 12 Aug. 2025: BREAKING — FBI TRAITORS PURGED AS QFS OPERATION GOES LIVE ...QFS on Telegram**

- **The war inside America's power structure is no longer hidden. On August 12, 2025, Kash Patel, appointed FBI Director by President Donald J. Trump, launched the most aggressive internal purge in Bureau history** — removing senior agents tied to blackmail networks, foreign infiltration, and the political weaponization of law enforcement. This is not just a cleanup of corrupt officials. It is the opening act of a coordinated military and financial takedown designed to dismantle the Deep State's enforcement shield and seize control of the systems they used to enslave the American people. The firings are already shaking Washington, but they are only one piece of the operation.
- **Driscoll, Feinberg, and Giardina were not fired over politics — they were stripped of clearance and escorted out because they were embedded operatives in operations ranging from the Jan. 6 cover-up to suppression of evidence** in the Epstein-Maxwell network, foreign-backed surveillance of Trump's inner circle, and classified DOJ projects mapping MAGA supporters for future detainment. Patel's purge has severed their access to the same surveillance grids once cross-linked to NSA databases. At Fort Meade, Project Oracle — a domestic biometric spy net tied to private contractors and used to monitor political dissidents — has been shut down. Every day, White Hats are flipping switches,

cutting data pipelines, and erasing the Deep State's control over America's communications and intelligence flow.

- **But the heart of this operation is financial.** Trump has already authorized the activation of the Quantum Financial System, and Patel's FBI sweep is directly linked to QFS enforcement. The same banking officials who laundered billions in U.S. tax dollars through offshore NGOs and foreign shell fronts are now under investigation. Many of these money flows were protected by compromised FBI officials who buried whistleblower reports and blocked probes into international fraud. That firewall is gone. Federal agents loyal to the Constitution are now feeding evidence into military tribunals, with sealed indictments ready to trigger simultaneous arrests across banking, intelligence, and political sectors.
- **The timing is deliberate. GITMO has expanded,** tribunal schedules are set, and elite panic is visible — private jet flights to safe havens have surged, corporate resignations are stacking up, and foreign accounts are being frozen without warning. The FBI purge is the public signal that Phase II has begun: the merger of military justice with QFS-led financial control. Once complete, the Deep State will have no safe networks, no secret funding lines, and no place to hide. Trump, Patel, and the Alliance are not just cleaning an agency — they are cutting out the central nervous system of the globalist regime and replacing it with a secure, sovereign, and incorruptible financial system for the people.

**Z. All Tom Fairbanks did was to spend much of his life gathering evidence on the Ritual Abuse of children in Utah. In early March 2024** he was arrested and placed in the Utah Weber County Jail. For what? The real reason for attacks on Tom appeared to be that the Powers That Be couldn't afford to have someone with Tom's very valid evidence of SRA cases to be running around unchecked. Fairbanks' problems began when he decided to take his evidence of Satanic Ritual Abuse of children to share with Utah governmental powers. No sooner had he done so when a tsunami of problems began to plague his life including being poisoned and suffering years of court battles on made up cases.
