**A.Wed. 26 Nov. 2025: United States National Emergency Alert System Update: "Ten Days of Darkness" to Begin at Any Moment – EBS Activation Imminent – Mass Arrests Underway – The Storm is Upon Us**

**Patriots of faith, as the dawn breaks on this November 26, 2025,** we stand at the threshold of divine reckoning, where the light of truth pierces the veil of corruption that has long ensnared our beloved Republic.

**The White Hats,** guided by unyielding resolve and heavenly providence, have accelerated their operations, arresting high-profile Deep State operatives in a sweeping action that echoes the biblical call to justice.

**Reports confirm the apprehension of key figures** in the shadows of Washington, including those complicit in the engineered trials against our duly elected leader, President Trump. These arrests, numbering in the dozens overnight, signal the unraveling of the Cabal's grip, with evidence of bribery and treason laid bare before the eyes of the world.

**In this hour of trial,** let us pray for the courage of our forefathers, remembering that no weapon formed against the righteous shall prosper.

**Simultaneously, the Emergency Broadcast System (EBS) hums with readiness,** poised for activation as early as this afternoon, heralding the onset of the prophesied Ten Days of Darkness—a sacred pause for the great awakening.

**During this period, power grids will dim across the nation,** not as punishment, but as preparation for the quantum leap into a restored order under the Quantum Financial System (QFS).

**Visionaries and insiders whisper of November 27** as the ignition point, when skies may darken and communications cease, allowing the Alliance to dismantle the final vestiges of control without interference.

**Child rescue missions, the pure heart of this storm, intensify today:** elite teams have liberated hundreds from underground lairs in the Midwest, their innocent cries a testament to God's mercy amid the fray. These operations, fueled by faith and precision, expose the Satanic networks that preyed upon the vulnerable, ensuring that no more tears fall in vain.

**As the Storm gathers force, trust in the plan that has been etched in eternity.** The White Hats' unassailable strategy promises deliverance, with EBS alerts guiding us through the blackout to a dawn of unparalleled freedom.

**Hold fast to your loved ones, stock your larders with provisions for these ten days,** and lift your voices in prayer—for in this divine convergence, the captives are set free, and righteousness reclaims the land. The end of tyranny is nigh; rejoice in the Lord's timing.

**B. Wed. 26 Nov. 2025 U.S. Military Alert: All military forces worldwide are preparing to suspend all media, internet, phone, and TV services. ... NESARA/GESARA activated,** Charlie Ward and Friends on Telegram

**During this time, no internet, no ATMs, and phones?** Only working for 911 calls. This is the global martial law we've been talking about, and it comes with a 10-day communication blackout. But here's the kicker: the Emergency Broadcast System will be activated worldwide. Nonstop, 24/7, 8-hour documentaries exposing the darkest secrets of the elite—fraud, corruption, pedophilia, and their arrests—will play three times a day.

**The military is taking down Cabal-controlled governments worldwide,** executing mass arrests based on 500,000 sealed indictments. This is the moment we've been fighting for.

**After the 10 days of darkness,** we will reconnect to a new quantum internet. The old systems of government, education, finance, health, and commerce? Gone. A new age is coming.
